(2) Either the director of the department of corrections and human services or the person may also make application to the court for discharge or release as part of the person's annual treatment review.

CHAPTER NO. 399

[HB 294]

AN ACT REVISING THE LAW CONCERNING VEHICLE LOADS; REDUCING THE MAXIMUM ALLOWABLE WEIGHT ON AXLES EQUIPPED WITH SINGLE TIRES; AMENDING SECTION 61-10-107, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-10-107, MCA, is amended to read:

"**61-10-107. Maximum gross weight — when permit required.** (1) An axle may not carry a load in excess of 20,000 pounds, and no two consecutive axles more than 40 inches or less than 96 inches apart may carry a load in excess of 34,000 pounds. *An axle load is the total load transmitted to the road by all wheels whose centers are included between two parallel transverse vertical planes 40 inches apart, extending across the full width of the vehicle.* For purposes of this section, axles 40 inches or less apart are considered as a single axle. A vehicle or combination may not have more than nine axles. The maximum gross weight allowed on a vehicle, group of axles, or combination of vehicles must be determined by the formula:

$$W = 500((LN/(N - 1)) + 12N + 36)$$

in which W equals gross weight, L equals wheel base in feet, and N equals number of axles, except that two consecutive sets of tandem axles may carry a gross load of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more.

(2) Notwithstanding a vehicle's conformance with the requirements of subsection (1), ~~its maximum load per inch of tire width, excluding the steering axle, may not exceed 600 pounds, based on the table in 61-10-105(3).~~ *its maximum load per inch of tire width, excluding the steering axle, may not exceed 500 pounds, based on the table in 61-10-105(3).*

(3) If the gross weight of a vehicle or combination exceeds 80,000 pounds, the vehicle or combination must have a special permit, which may be issued in the discretion of the department of transportation based on evaluation of safety, highway capacity, and economics of highway maintenance and vehicle operation. The fee is $20 per trip permit or $100 per term permit. A term permit may not be issued for a period of time greater than the period for which the GVW license is valid. Owners of vehicles licensed in other jurisdictions may, at the discretion of the department, purchase permits to expire with their registration. Permits may specify and permits issued under 61-10-124(6) must specify highway routing.

(4) A special permit issued under subsection (3) for the transportation of agricultural products by farm vehicles from a harvesting combine or other

harvesting machinery to the point of first unloading is for the full term of the harvest season of the agricultural product transported.

(5) This section does not apply to highways that are a part of the national system of interstate and defense highways (as referred to in 23 U.S.C. 127) when application of this section would prevent this state from receiving federal funds for highway purposes."

Section 2. Date of compliance. All equipment existing on or after [the date the governor signs this act] must comply with the provisions of 61-10-107(2) by January 1, 1996.

Section 3. Effective date. [This act] is effective January 1, 1995.

Approved April 19, 1993.

CHAPTER NO. 400

[HB 317]

AN ACT ESTABLISHING A FRAMEWORK FOR THE CONDUCT OF NEGOTIATED RULEMAKING; PROVIDING A PROCESS FOR ESTABLISHING A NEGOTIATED RULEMAKING COMMITTEE; PROVIDING DUTIES FOR A NEGOTIATED RULEMAKING COMMITTEE; AUTHORIZING AN AGENCY TO USE THE SERVICES OF A CONVENER AND A FACILITATOR; AND AUTHORIZING AN AGENCY TO ACCEPT GRANTS OR GIFTS TO FUND A NEGOTIATED RULEMAKING PROCESS.

WHEREAS, negotiated rulemaking is a process that reflects an agency's recognition that regulatory objectives, consistent with legislative directives, can be accomplished in more than one way; and

WHEREAS, negotiated rulemaking brings together the regulating agency and regulated and other interested parties during the development of a rule to negotiate and resolve potential problems with the rulemaking in order to develop a rule acceptable to all parties; and

WHEREAS, negotiated rulemaking may improve the substance of a proposed rule, shorten the length of time necessary to implement a final rule, and reduce litigation, thereby effectuating legislative purposes and aiding in the prompt delivery of governmental services; and

WHEREAS, federal agencies and other states have extensive experience with and success at negotiating rulemaking.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 10] may be cited as the "Montana Negotiated Rulemaking Act".

Section 2. **Purpose.** The purpose of [sections 1 through 10] is to establish a framework for the conduct of negotiated rulemaking consistent with the Montana Administrative Procedure Act and the constitutional right of Montanans to participate in the operation of governmental agencies and to encourage agencies to use negotiated rulemaking when it enhances the rulemaking process. As authorized by 2-4-304, it is the intent of the legislature that state agencies, whenever appropriate, use the negotiated rulemaking process to resolve controversial issues prior to the commencement of the formal rulemaking process. However, negotiated rulemaking is not a substitute for the public notification and participation requirements of the Montana Administrative Procedure Act, and a consensus agreement by a negotiated rulemaking committee may be modified by an agency as a result of the subsequent rulemaking process. [Sections 1 through 10] may not be construed as an attempt to limit innovation and experimentation with the negotiated rulemaking process.

Section 3. **Definitions.** As used in [sections 1 through 10], the following definitions apply:

(1) "Agency" means any board, bureau, commission, department, authority, or officer of the executive branch of state government authorized or required by law to make rules.

(2) "Consensus" means unanimous concurrence among the interests represented on a negotiated rulemaking committee established under [section 6], unless the committee agrees upon another specified definition.

(3) "Convener" means a person who impartially assists an agency in determining whether establishment of a negotiated rulemaking committee is feasible and appropriate for a particular rulemaking procedure.

(4) "Facilitator" means a person who impartially aids in the discussions and negotiations among the members of a negotiated rulemaking committee to develop a proposed rule. A facilitator does not have decisionmaking authority.

(5) "Interest" means, with respect to an issue or matter, multiple parties that have a similar point of view or that are likely to be affected in a similar manner.

(6) "Negotiated rulemaking" means rulemaking through the use of a negotiated rulemaking committee.

(7) "Negotiated rulemaking committee" or "committee" means an advisory committee established under [section 6] and authorized under 2-4-304 to consider and discuss issues for the purpose of reaching a consensus in the development of a proposed rule.

(8) "Person" means an individual, partnership, corporation, association, governmental subdivision, agency, or public or private organization of any character.

(9) "Rule" means an agency regulation, standard, or statement of general applicability that implements, interprets, or prescribes law or policy or describes the organization, procedures, or practice requirements of an agency. The term includes the amendment or repeal of a prior rule but does not include:

(a) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public;

(b) formal opinions of the attorney general and declaratory rulings issued pursuant to 2-4-501;

(c) rules relating to the use of public works, facilities, streets, and highways when the substance of the rules is indicated to the public by means of signs or signals;

(d) rules implementing the state personnel classification plan, the state wage and salary plan, or the statewide budgeting and accounting system;

(e) uniform rules adopted pursuant to interstate compact, except that the rules must be filed in accordance with 2-4-306 and must be published in the Administrative Rules of Montana.

Section 4. **Determination of need for negotiated rulemaking committee.** (1) An agency may establish a negotiated rulemaking committee to negotiate and develop a proposed rule if the agency director determines that the use of the negotiated rulemaking procedure is in the public interest. In making that determination, the agency director shall consider whether:

(a) there is a need for a rule;

(b) there are a limited number of identifiable interests that will be significantly affected by the rule;

(c) there is a reasonable likelihood that a committee can be convened with a balanced representation of persons who:

(i) can adequately represent the interests identified under subsection (1)(b); and

(ii) are willing to negotiate in good faith to reach a consensus on the proposed rule;

(d) there is a reasonable likelihood that a committee will reach a consensus on the proposed rule within a fixed period of time;

(e) the negotiated rulemaking procedure will not unreasonably delay the notice of proposed rulemaking and the issuance of the final rule;

(f) the agency has adequate resources and is willing to commit those resources, including technical assistance, to the committee; and

(g) the agency, to the maximum extent possible consistent with the legal obligations of the agency, will use the consensus of the committee as the basis for the rule proposed by the agency.

(2) An agency may use the services of a convener to assist in making the determination of need pursuant to subsection (1) and to assist the agency in:

(a) identifying persons who will be significantly affected by a proposed rule; and

(b) conducting discussions with affected persons on the issues of concern and ascertaining whether the establishment of a negotiated rulemaking committee is feasible and appropriate for the particular rulemaking procedure.

(3) The convener shall report findings and make recommendations to the agency. Upon request of the agency, the convener shall ascertain the names of persons who are willing and qualified to represent the interests that will be

significantly affected by the proposed rule. The report and any recommendations of the convener must be made available to the public upon request.

Section 5. **Application for membership on committees — publication of notice.** (1) If an agency decides to establish a negotiated rulemaking committee, the agency shall publish in the Montana Administrative Register and, as appropriate, in newspapers and other publications, a notice that includes:

(a) an announcement that the agency intends to establish a negotiated rulemaking committee to negotiate and develop a proposed rule;

(b) a description of the subject and scope of the rule to be developed and the issues to be considered;

(c) a list of interests likely to be significantly affected by the proposed rule;

(d) a list of the persons proposed to represent the affected interests and the agency;

(e) a proposed schedule for completing the work of the committee; and

(f) an explanation of how a person may apply for or nominate another person for membership on the committee.

(2) An agency may include the notice required in subsection (1) in the notice of intent to promulgate rules made pursuant to 2-4-302.

(3) The agency shall provide a period of at least 30 days for the submission of comments and applications for membership on a negotiated rulemaking committee.

Section 6. **Establishment of committee — determination.** (1) If, after considering comments and applications submitted under [section 5], the agency determines that a negotiated rulemaking committee can adequately represent the interests of the persons that will be significantly affected by a proposed rule and that it is feasible and appropriate in the particular rulemaking, the agency may establish a negotiated rulemaking committee.

(2) If, after considering comments and applications submitted under [section 5], the agency decides not to establish a negotiated rulemaking committee, the agency shall notify the persons who commented on or applied for membership on the negotiated rulemaking committee of the reasons for the decision. The agency shall also publish a notice in the Montana Administrative Register and, as appropriate, in newspapers and other publications.

(3) The agency shall provide appropriate administrative support to the negotiated rulemaking committee, including technical support.

(4) A negotiated rulemaking committee terminates upon adoption of the final rule under consideration, unless the agency, after consulting the committee, or the committee itself specifies an earlier termination date.

Section 7. **Expansion of committee membership.** (1) A negotiated rulemaking committee may by consensus expand its membership, either by contacting and recruiting persons whose participation the committee believes is essential to the success of the negotiated rulemaking process or upon reviewing a petition submitted pursuant to subsection (2).

(2) Persons who will be significantly affected by a proposed rule and who believe that their interests will not be adequately represented by any person on a negotiated rulemaking committee may petition for or nominate another person for membership on the negotiated rulemaking committee. Each petition or nomination must be submitted to the negotiated rulemaking committee and must include:

(a) the name of the petitioner or nominee and a description of the interests the person represents;

(b) evidence that the petitioner or nominee is authorized to represent parties related to the interests the person proposes to represent;

(c) a written commitment that the petitioner or nominee will actively participate in good faith in the development of the rule under consideration; and

(d) an explanation of reasons that the persons already on the negotiated rulemaking committee do not adequately represent the interests of the person submitting the petition or nomination.

(3) Upon receiving a petition pursuant to subsection (2), a negotiated rulemaking committee shall decide by consensus at its next meeting whether or not to expand its membership.

Section 8. **Committee — duties — procedures — report.** (1) A negotiated rulemaking committee shall consider the matter proposed by the agency for consideration and shall attempt to reach consensus concerning a proposed rule and any other matter the committee determines is relevant to the proposed rule.

(2) The person representing the agency on a negotiated rulemaking committee shall participate in the deliberations of the committee with the same rights and responsibilities of other members of the committee and is authorized to fully represent the agency in the discussions and negotiations of the committee.

(3) A negotiated rulemaking committee may adopt procedures or ground rules for the operation of the committee.

(4) If a negotiated rulemaking committee achieves consensus on a proposed rule, at the conclusion of the negotiations, the committee shall transmit to the agency that established the committee a report containing the proposed rule.

(5) If a negotiated rulemaking committee does not reach a consensus on the proposed rule, the committee shall transmit to the agency a report specifying areas in which the committee reached consensus and the issues that remain unresolved. The committee may include in the report any other information, recommendations, or materials that the committee considers appropriate. Any member of the committee may include as an addendum to the report additional information, recommendations, or materials.

(6) Title 2, chapter 3, part 2, applies to meetings of a negotiated rulemaking committee.

Section 9. **Facilitator — selection and duties.** (1) An agency may nominate a person to serve as a facilitator for the negotiations of the committee, subject to the approval of the committee by consensus. If the committee does not approve the agency's nomination for facilitator, the agency shall submit a substitute nomination. If a committee does not approve the substitute nomination of the agency for facilitator, the committee shall select by consensus a person to serve as facilitator. A person designated to represent the agency in substantive issues may not serve as facilitator or presiding officer for the committee.

(2) A facilitator approved or selected by a committee shall:

(a) preside at the meetings of the committee in an impartial manner;

(b) impartially assist the members of the committee in conducting discussions and negotiations and achieving consensus; and

(c) manage the keeping of minutes and records.

Section 10. **Expenses — convener — facilitator — committee members.** (1) An agency may employ or enter into a contract for the services of an organization or individual to serve as a convener or facilitator for a negotiated rulemaking committee or may use the services of a government employee to act as a convener or facilitator for a committee.

(2) An agency shall determine whether a person under consideration as a convener or facilitator of a negotiated rulemaking committee has any financial or other interest that would preclude the person from serving in an impartial and independent manner. A person disqualified under this criterion must be dropped from further consideration.

(3) Members of a negotiated rulemaking committee are responsible for their own expenses of participation. However, an agency may pay for a committee member's reasonable travel and per diem expenses, expenses to obtain technical assistance, and a reasonable rate of compensation if:

(a) the committee member certifies a lack of adequate financial resources to participate in the committee; and

(b) the agency determines that the committee member's participation in the committee is necessary to ensure an adequate representation of the interests of the members.

(4) An agency may accept grants or gifts from any source to fund the negotiated rulemaking process, provided that:

(a) information on the name of the person giving the grant or gift and the amount of the grant or gift is available to the public;

(b) the grant or gift is given to and accepted by the agency without placing any condition on the membership of a negotiated rulemaking committee or the outcome of the negotiated rulemaking process; and

(c) there is consensus among the members of the negotiated rulemaking committee established pursuant to [section 6] that the acceptance of the grant or gift will not diminish the integrity of the negotiated rulemaking process.

Section 11. **Codification instruction.** [Sections 1 through 10] are intended to be codified as an integral part of Title 2, and the provisions of Title 2 apply to [sections 1 through 10].

CHAPTER NO. 407

[HB 496]

AN ACT REVISING THE MONTANA HUMAN RIGHTS LAWS; REPLACING THE TERMS "HANDICAP" AND "HANDICAPPED PERSON" WITH THE TERMS "DISABILITY" AND "PERSON WITH A DISABILITY"; PROVIDING OTHER CHANGES IN TERMINOLOGY; AND AMENDING SECTIONS

49-1-102, 49-2-101, 49-2-303, 49-2-304, 49-2-305, 49-2-306, 49-2-307, 49-2-308, 49-2-403, 49-2-602, 49-3-101, 49-3-103, 49-3-201, 49-3-202, 49-3-203, 49-3-204, 49-3-205, 49-3-206, 49-3-207, 49-4-101, 49-4-202, 49-4-211, 49-4-212, 49-4-301, 49-4-302, 49-4-304, AND 49-4-305, MCA.

WHEREAS, many individuals with disabilities and many organizations representing individuals with disabilities object to the use of the terms "handicap" and "handicapped person"; and

WHEREAS, as with racial and ethnic terms, the choice of words used to describe a person with a disability is overlaid with stereotypes and emotional connotations; and

WHEREAS, it is important to use terminology most in line with the sensibilities of most persons with disabilities; and

WHEREAS, the current accepted terminology is "disability" rather than "handicap" and "person with a disability" rather than "handicapped person"; and

WHEREAS, the federal Americans with Disabilities Act of 1990 uses the terms "disability" and "individual with a disability" rather than the terms "handicap" or "handicapped person"; and

WHEREAS, making the state human rights laws consistent with the Americans with Disabilities Act will eliminate some confusion between state and federal laws.

THEREFORE, it is appropriate for the Legislature to revise the state human rights laws to replace the terms "handicap" and "handicapped person" with the terms "disability" and "person with a disability".

Be it enacted by the Legislature of the State of Montana:

(5) Within 120 days following the end of each fiscal year, the secretary of state shall deposit into the general fund from the proprietary fund any revenue collected in the proprietary fund during the prior fiscal year that is in excess of the amount appropriated from the proprietary fund for the current year."

Section 3. Section 30-9-403, MCA, is amended to read:

"**30-9-403. What constitutes filing — duration of filing — fees — effect of lapsed filing — duties of filing officer — computerized farm statement system.** (1) (a) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this chapter.

(b) The secretary of state may treat a facsimile copy of a document and the signatures on the facsimile copy in the same manner as an original for purposes of 30-9-402 and subsection (1)(a), provided that ~~he receives~~ the original document *is received* within 5 working days of the receipt of the facsimile copy. If all other requirements are met, the date of filing relates back to the date of receipt of the facsimile copy. A facsimile copy may be filed under subsection (1)(a) if it:

(i) is produced by a method of transmission of images in which the image is scanned at the transmitter, reconstructed at the receiving station, and duplicated on paper at the receiving station; and

(ii) is legible and the same size as the original.

(c) During the 5-day period referred to in subsection (1)(b), the recorded facsimile copy constitutes constructive notice for all purposes of the original document.

(d) If the original document is not received within 5 working days of receipt of the facsimile copy as provided in subsection (1)(b), the filing of the facsimile copy is void.

(e) A person who files a false document by facsimile copy is liable to the party aggrieved for three times the amount of damages resulting from the filing of the false document.

(2) Except as provided in ~~subsections~~ *subsection* (6) ~~and (11)~~, a filed financing statement is effective for a period of 5 years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the 5-year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until 60 days after termination of the insolvency proceedings or until expiration of the 5-year period, whichever occurs later. Upon lapse the security interest becomes unperfected unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is considered to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within 6 months prior to the expiration of the 5-year period specified in subsection (2). Any continuation statement must be signed by the secured party, identify the original statement by file number, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with 30-9-405(2), including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for 5 years after the last date to which the filing was effective, ~~whereupon~~ *after which* it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to ~~such~~ *the* lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if ~~he~~ *the filing officer* has retained a microfilm or other photographic record or a record produced according to rules adopted by the secretary of state, or in other cases after 1 year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if ~~he~~ *the filing officer* physically destroys the financing statements of a period more than 5 years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained.

(4) Except as provided in subsection (7), a filing officer shall mark each statement with a file number and with the date and hour of filing. The filing officer shall hold the statement or a microfilm or other photographic copy or a copy produced according to rules adopted by the secretary of state for public

inspection. In addition, the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The uniform fees for filing, indexing, and stamping a copy furnished by the filing party to show the date and place of filing shall be set pursuant to subsection ~~(13)~~*(12)*.

(6) If the debtor is a transmitting utility and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage that is effective as a fixture filing under 30-9-402(6) remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to 30-9-103(5) or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if ~~he~~ *the secured party* were the mortgagee ~~thereunder~~ *under the financing statement*~~;~~ or, if indexing is by description, in the same fashion as if the financing statement were a mortgage of the real estate described.

(8) When a financing or continuation statement filed by a financial institution covers farm products or accounts, livestock, general intangibles arising from or relating to the sale of farm products by a farmer, crops growing or to be grown, or equipment used in farming operations, the fee for filing must be established by the secretary of state in an amount commensurate with the costs of establishing and operating the computerized access system described in subsection (9).

(9) Within 1 working day of receipt of a financing or continuation statement, the secretary of state shall record the information contained in the statement on a centralized computer system that ~~he~~ *the secretary of state* shall establish. The computer system must allow access to financing statement information by any type of communications which conform to standards used by the state central computer. The system must have safeguards to allow only access to UCC data and to prevent alteration, addition, or deletion of the UCC data. The computer must be accessible whenever the state computer system is available. A perfected security interest is not created until the financing statement information is recorded on the system. A printout of information from the system is prima facie evidence of the existence or nonexistence of the filing of a financing statement. The secretary of state shall maintain adequate errors and omissions liability coverage to protect against input errors causing loss to a secured party.

(10) The secretary of state shall, upon request of a clerk and recorder, mail a certified copy of a financing statement, continuation statement, assignment, amendment, or termination covering collateral described in subsection (8) to the clerk and recorder in the county of the principal debtor's residence. The secretary of state shall mail the requested copies at least once each week. This subsection does not require the secretary of state to mail a copy of any document

which does not specifically indicate the county of the principal debtor's residence on its face.

(11) ~~When a financing or continuation statement covers property described in subsection (8), its effectiveness lapses on July 1, 1986, unless prior to that date there is filed in the office of the secretary of state a certified copy of the statement on file with the county clerk and all related documents.~~

~~(12)~~ Financing statement information in the computer system constitutes public writings within the meaning of 2-6-101, but the information may not be used to compile mailing lists.

~~(13)~~*(12)* The secretary of state, with advice from the county clerk and recorders, shall by administrative rule establish fees as required by this part. The fees must be commensurate with the costs of processing the documents. The secretary of state shall maintain records sufficient to support the amounts of the fees established under this subsection. The secretary of state shall deposit in ~~the general~~ *an enterprise* fund in the state treasury all fees ~~he collects~~ *collected.* The secretary of state shall disseminate the uniform fee schedule to the county clerk and recorders for their use."

Section 4. **Effective date.** [This act] is effective July 1, 1993.

Approved April 19, 1993.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Prohibited activities.** It is unlawful to:

(1) operate a facility without a license;

(2) prevent, interfere with, or impede department investigation, department enforcement, department examination of relevant books and records, or activities of the department concerning the preservation of evidence; or

(3) violate any provision of part 1 or 2 of this chapter or violate a rule, license provision, or order adopted or issued pursuant to part 1 or 2.

Section 2. **Civil penalties.** (1) A person who commits an act prohibited by [section 1] is subject to a civil penalty not to exceed $1,000 for each day that a facility is in violation of a provision of part 1 or 2 of this chapter or of a rule, license provision, or order adopted or issued pursuant to part 1 or 2. The department or, upon request of the department, the county attorney of the county in which the health care facility in question is located may petition the court to impose the civil penalty. Venue for an action to collect a civil penalty pursuant to this section is in the county in which the facility is located or in the first judicial district.

(2) In determining the amount of penalty to be assessed for an alleged violation under this section, the court shall consider:

(a) the gravity of the violation in terms of the degree of physical or mental harm to a resident or patient; the degree of harm to the health, safety, rights, security, or welfare of a resident or patient; and the degree of deviation committed by the facility from a requirement imposed by part 1 or 2 of this chapter or by a rule, license provision, or order adopted or issued pursuant to part 1 or 2;

(b) other matters as justice may require.

(3) A penalty collected under this section must be deposited in the patient protection account provided for in [section 7].

(4) In addition to or exclusive of the remedy provided in subsection (1), the department may pursue remedies available for a violation as provided for in 50-5-108 or any other remedies available to it.

Section 3. **Criminal penalties.** (1) A person is guilty of a criminal offense under this section if the person knowingly conceals material information about the operation of the facility or does any of the following and by doing so threatens the health or safety of one or more individuals entrusted to the care of the person:

(a) commits an act prohibited by [section 1];

(b) omits material information or makes a false statement or representation in an application, record, report, or other document filed, maintained, or used for compliance with the provisions of part 1 or 2 of this chapter or with rules, license provisions, or orders adopted or issued pursuant to part 1 or 2; or

(c) destroys, alters, conceals, or fails to file or maintain any record, information, or application required to be maintained or filed in compliance with a provision of part 1 or 2 of this chapter or in compliance with a rule, license provision, or order adopted or issued pursuant to part 1 or 2.

(2) A person convicted under subsection (1) is subject to a fine of not more than $1,000 for the first offense and not more than $2,000 for each subsequent offense for each day that a facility is in violation of a provision of part 1 or 2 of this chapter or of a rule, license provision, or order adopted or issued pursuant to part 1 or 2.

(3) In determining the amount of penalty to be assessed for an alleged violation under this section, the court shall consider:

(a) the gravity of the violation in terms of the degree of physical or mental harm to a resident or patient; the degree of harm to the health, safety, rights, security, or welfare of a resident or patient; and the degree of deviation committed by the facility from a requirement imposed by part 1 or 2 of this chapter or by a rule, license provision, or order adopted or issued pursuant to part 1 or 2;

(b) other matters as justice may require.

(4) Prosecution under this section does not bar enforcement under any other section of this chapter or pursuit of any other appropriate remedy by the department.

(5) Venue for prosecution pursuant to this section is in the county in which the facility is located or in the first judicial district.

(6) A penalty collected under this section must be deposited in the patient protection account provided for in [section 7].

Section 4. **Administrative enforcement — notice — order for corrective action.** (1) If the department believes that a violation of a provision of part 1 or 2 of this chapter or of a rule adopted or a condition or limitation imposed by a license issued pursuant to part 1 or 2 has occurred, it may serve written notice on the alleged violator or the violator's agent personally or by certified mail. The notice must specify the provision of part 1 or 2 of this chapter or the rule or license condition or limitation alleged to have been violated and the facts alleged to constitute the violation. The notice must inform the alleged violator of the right to a hearing and that the contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to the hearing. The notice may include an order to take necessary corrective action, including ceasing new admissions, relocating residents, or ceasing the violation within a reasonable period of time stated in the order. The order becomes final unless, within 30 days after the notice is received, the person named requests in writing a hearing before the board. On receipt of the request, the board shall schedule a hearing. Until issuance of a contrary decision by the board, a department order concerning corrective action remains effective and enforceable.

(2) If, after a hearing held under subsection (1), the board finds that a violation has occurred, it shall issue an appropriate order for the prevention, abatement, or control of the violation involved or the taking of other corrective action. As appropriate, an order issued as part of a notice or after a hearing may prescribe the date by which the violation must cease and the time limits for particular action in preventing, abating, or controlling the violation. If, after a

hearing on an order contained in a notice, the board finds that a violation has not occurred or is not occurring, it shall declare the department order void.

(3) The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing conducted pursuant to this section.

(4) Instead of or in addition to issuing the order provided for in subsection (1), the department may:

(a) require that the alleged violators appear before the board for a hearing at a time and place specified in the notice and answer the charges; or

(b) initiate action under any other applicable provisions of part 1 or 2 of this chapter.

(5) Before acting under this section, the department shall attempt to obtain voluntary compliance through a warning, conference, or any other appropriate means.

(6) In connection with a hearing held pursuant to this section, the board may and on application by a party shall compel the attendance of witnesses and the production of evidence on behalf of any party.

Section 5. **Receiverships.** (1) If receivership has not already been instituted under medicaid or medicare, upon notice to the facility, the department may file a complaint in district court for receivership under any of the following conditions in addition to applicable conditions listed in 27-20-102:

(a) a facility is operating without a license and residents are in danger of serious physical or mental harm;

(b) a facility intending to close has not made arrangements within 30 days before closure for the orderly transfer of residents;

(c) a facility is abandoned by an owner; or

(d) a life threatening situation exists for the residents of the facility.

(2) If the department believes there is an emergency that presents or might present an immediate and serious threat to the health or safety of patients or residents of a facility, a receiver may be appointed by the court upon an ex parte application by the department. If a receiver is appointed upon an ex parte application, notice must be given by the department to the facility within 24 hours of issuance of the receivership order and a hearing must be offered the facility by the court within 10 days of issuance of the order to determine whether the order will be continued.

(3) The department shall maintain a list of persons qualified to act as receivers.

(4) The selection, appointment, and removal of receivers must be consistent with Title 27, chapter 20, parts 2 and 3.

(5) Whenever possible, receivers must be paid from the income of the facility; however, receivers may be paid from the patient protection account

provided for in [section 7]. The court shall direct the amount of payments to be made to the receiver, the payments to be made by the receiver, and the order of payments made to the receiver or to other entities. Payments owed to a facility that are made to the receiver must be used to discharge any obligation of the entity making the payments owed to the facility.

(6) The powers and duties of the receiver include:

(a) the duty to protect the health, welfare, and safety of the residents;

(b) the power to hire, discipline, and fire staff;

(c) the power to collect debts due to the facility;

(d) the power to settle labor disputes;

(e) the power to petition the court to set aside unreasonable contracts or leases entered into by the facility management;

(f) the power to make capital investments in the facility with court approval; and

(g) all other powers granted receivers by 27-20-302.

Section 6. **Facility inspections.** (1) In addition to its annual licensure inspections, as provided by 50-5-204, the department may inspect any facility for compliance with part 1 or 2 of this chapter or for compliance with a rule, license provision, or order adopted or issued pursuant to part 1 or 2.

(2) An authorized representative of the department may inspect a facility and associated property without prior notice to the owner or staff of the facility whenever the department considers it necessary. The authorized representative must be given access to all records and an opportunity to copy the records.

CHAPTER NO. 416

[HB 637]

AN ACT ESTABLISHING MINIMUM POLICY LANGUAGE STANDARDS FOR PROPERTY AND CASUALTY POLICIES DELIVERED IN THE STATE OF MONTANA; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 8] may be cited as the "Property and Casualty Insurance Policy Language Simplification Act".

Section 2. **Purpose.** (1) The purpose of [sections 1 through 8] is to establish minimum language and format standards to make property and casualty policies easier to read.

(2) [Sections 1 through 8] are not intended to increase the risk assumed under policies subject to [sections 1 through 8]. [Sections 1 through 8] are not intended to impede flexibility and innovation in the development of policy forms or content. [Sections 1 through 8] do not grant authority to the commissioner to mandate the standardization of policy forms or content.

Section 3. **Definitions.** As used in [sections 1 through 8], the following definitions apply:

(1) "Casualty insurance" does not include accident and health or disability insurance.

(2) "Policy" or "policy form" means any written contract of property or casualty insurance delivered or issued for delivery in this state by or on behalf of any insurer licensed in this state.

Section 4. **Applicability.** (1) Other statutes of this state setting simplification standards for language or format do not apply to property and casualty policies.

(2) [Sections 1 through 8] do not apply to policies in manuscript form or to the following kinds of insurance:

(a) ocean marine;

(b) surety and financial institution bonds;

(c) reinsurance; or

(d) commercial aviation.

(3) A non-English policy is considered in compliance with [section 5] if it was translated from an English policy that complies with [section 5].

Section 5. **Minimum policy simplification standards.** (1) All property and casualty policies subject to [sections 1 through 8] must take into consideration the following factors:

(a) use of simple sentence structure, short sentences, and personal style;

(b) use of commonly understood words and everyday conversational language consistent with the policy's standing as a contract;

(c) avoidance of use of technical and legal terms and words with special meanings whenever possible;

(d) minimal reference to other sections or provisions of the policy;

(e) logical organization of text; and

(f) legibility.

(2) The policy must include a table of contents and notice section of important provisions.

(3) Each section must be self-contained and independent. However, general provisions applicable to more than one section may be included in a common section.

(4) The policy, except for declarations pages, schedules, and tables, must be printed in not less than 10-point type, 1-point leaded.

(5) The policy must be printed in a legible type style, with adequate contrast between ink and paper. Captions, headings, and spacings must be used to increase overall legibility.

(6) Policy exclusions may use technical terms, terms with special meanings, and court-interpreted terms to ensure policy clarity.

(7) Technical terms and words with special meanings must be avoided whenever possible.

(8) The policy text must achieve a minimum score of 40 on the Flesch reading ease test, an equivalent score on a comparable test, or a lower score on either if the commissioner finds the policy reasonably easy to read. For purposes of this section, a Flesch reading ease test must be scored by the following method:

(a) For a policy containing 10,000 words or less, the entire policy must be analyzed. For a policy containing more than 10,000 words, the readability of two 100-word samples per page may be analyzed instead. The samples must be separated by at least 20 printed lines.

(b) The total number of words in the text or sample must be divided by the total number of sentences. The figure obtained must be multiplied by 1.015.

(c) The total number of syllables in the text or sample must be divided by the total number of words. The figure obtained must be multiplied by 84.6.

(d) The sum of the figures computed under subsections (8)(b) and (8)(c) subtracted from 206.835 equals the Flesch reading ease test score.

(9) (a) For purposes of subsection (8), the following procedures must be used:

(i) A contraction, hyphenated word, number, and letter, when separated by spaces, are counted as one word.

(ii) A unit of text ending with a period, semicolon, or colon is counted as a sentence.

(iii) A syllable means a unit of spoken language consisting of one or more letters of a word as divided by an accepted dictionary. When the dictionary shows two or more equally acceptable pronunciations of a word, the pronunciation containing fewer syllables may be used.

(iv) At the option of the insurer, a form made a part of the policy may be scored separately or as part of the policy.

(b) The term "text", as used in this section, includes all printed matter except:

(i) the name and address of the insurer;

(ii) the name, number, or title of the policy or form;

(iii) the table of contents or index;

(iv) headings and captions; and

(v) declarations pages, schedules, or tables.

Section 6. **Powers of commissioner.** (1) At the commissioner's discretion, the commissioner may extend any dates under [sections 1 through 8].

(2) The commissioner has sole authority to enforce the provisions of [sections 1 through 8] or to seek remedies for its violation.

(3) The commissioner may authorize a lower score than the Flesch reading ease score required in [section 5] when, in the commissioner's discretion, a lower score:

(a) will provide a more accurate reflection of the readability of a policy;

(b) is warranted by the nature of a particular policy or type or class of policy; or

(c) is caused by certain policy language that is drafted to conform to the requirements of any state law, regulation, or agency interpretation.

Section 7. **Compliance with other statutorily required language.** The requirements of any other laws that specify the language or content of a policy may be met by a policy complying with the provisions of [section 5]. However, the policy must provide protection that, considered as a whole, is not less favorable to the insured than is required by the other laws.

Section 8. **Liability and coverage not imputed.** The existence or nonexistence of coverage or liability under a policy may not be construed from policy approval by the commissioner.

Section 9. **Codification instruction.** [Sections 1 through 8] are intended to be codified as an integral part of Title 33, chapter 15, and the provisions of Title 33, chapter 15, apply to [sections 1 through 8].

Section 10. **Applicability.** [Sections 1 through 8] apply to all policies issued or renewed on or after April 1, 1996.

Approved April 19, 1993.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-1-101, MCA, is amended to read:

Section 19. Section 30-9-403, MCA, is amended to read:

"**30-9-403. What constitutes filing — duration of filing — fees — effect of lapsed filing — duties of filing officer — computerized farm statement system.** (1) (a) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this chapter.

(b) The secretary of state may treat a facsimile copy of a document and the signatures on the facsimile copy in the same manner as an original for purposes of 30-9-402 and subsection (1)(a), provided that ~~he~~ *the secretary of state* receives the original document within 5 working days of the receipt of the facsimile copy. If all other requirements are met, the date of filing relates back to the date of receipt of the facsimile copy. A facsimile copy may be filed under subsection (1)(a) if it:

(i) is produced by a method of transmission of images in which the image is scanned at the transmitter, reconstructed at the receiving station, and duplicated on paper at the receiving station; and

(ii) is legible and the same size as the original.

(c) During the 5-day period referred to in subsection (1)(b), the recorded facsimile copy constitutes constructive notice for all purposes of the original document.

(d) If the original document is not received within 5 working days of receipt of the facsimile copy as provided in subsection (1)(b), the filing of the facsimile copy is void.

(e) A person who files a false document by facsimile copy is liable to the party aggrieved for three times the amount of damages resulting from the filing of the false document.

(2) Except as provided in ~~subsections~~ *subsection* (6) ~~and (11)~~, a filed financing statement is effective for a period of 5 years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the 5-year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until 60 days after termination of the insolvency proceedings or until expiration of the 5-year period, whichever occurs later. Upon lapse the security interest becomes unperfected unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is considered to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within 6 months prior to the expiration of the 5-year period specified in subsection (2). Any continuation statement must be signed by the secured party, identify the original statement by file number, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with 30-9-405(2), including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for 5 years after the last date to which the filing was effective, whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to ~~such~~ *the* lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if ~~he~~ *the filing officer* has retained a microfilm or other photographic record or a record produced according to rules adopted by the secretary of state, or in other cases after 1 year after the lapse, *upon approval by the local government records destruction subcommittee provided for in [section 3]*. The filing officer shall ~~so~~ arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if ~~he~~ *the filing officer* physically destroys the financing statements of a period more than 5 years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained.

(4) Except as provided in subsection (7), a filing officer shall mark each statement with a file number and with the date and hour of filing. The filing officer shall hold the statement or a microfilm or other photographic copy or a copy produced according to rules adopted by the secretary of state for public inspection. In addition, the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The uniform fees for filing, indexing, and stamping a copy furnished by the filing party to show the date and place of filing ~~shall~~ *must* be set pursuant to subsection ~~(13)~~ *(12)*.

(6) If the debtor is a transmitting utility and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage that is effective as a fixture filing under 30-9-402(6) remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to 30-9-103(5) or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if ~~he~~ *the secured party* were the mortgagee ~~thereunder~~, or if indexing is by description, in the same fashion as if the financing statement were a mortgage of the real estate described.

(8) When a financing or continuation statement filed by a financial institution covers farm products or accounts, livestock, general intangibles arising from or relating to the sale of farm products by a farmer, crops growing or to be grown, or equipment used in farming operations, the fee for filing must be established by the secretary of state in an amount commensurate with the costs of establishing and operating the computerized access system described in subsection (9).

(9) Within 1 working day of receipt of a financing or continuation statement, the secretary of state shall record the information contained in the statement on a centralized computer system that ~~he~~ *the secretary of state* shall establish. The computer system must allow access to financing statement information by any type of communications which conform to standards used by the state central computer. The system must have safeguards to allow only access to UCC data and to prevent alteration, addition, or deletion of the UCC data. The computer must be accessible whenever the state computer system is available. A perfected security interest is not created until the financing statement information is recorded on the system. A printout of information from the system is prima facie evidence of the existence or nonexistence of the filing of a financing statement. The secretary of state shall maintain adequate errors and omissions liability coverage to protect against input errors causing loss to a secured party.

(10) The secretary of state shall, upon request of a clerk and recorder, mail a certified copy of a financing statement, continuation statement, assignment, amendment, or termination covering collateral described in subsection (8) to the clerk and recorder in the county of the principal debtor's residence. The secretary of state shall mail the requested copies at least once each week. This subsection does not require the secretary of state to mail a copy of any document which does not specifically indicate the county of the principal debtor's residence on its face.

(11) ~~When a financing or continuation statement covers property described in subsection (8), its effectiveness lapses on July 1, 1986, unless prior to that~~

~~date there is filed in the office of the secretary of state a certified copy of the statement on file with the county clerk and all related documents.~~

~~(12)~~ Financing statement information in the computer system constitutes public writings within the meaning of 2-6-101, but the information may not be used to compile mailing lists.

~~(13)~~*(12)* The secretary of state, with advice from the county clerk and recorders, shall by administrative rule establish fees as required by this part. The fees must be commensurate with the costs of processing the documents. The secretary of state shall maintain records sufficient to support the amounts of the fees established under this subsection. The secretary of state shall deposit *all fees* in the general fund in the state treasury ~~all fees~~ ~~he collects~~. The secretary of state shall disseminate the uniform fee schedule to the county clerk and recorders for their use."

Section 20. Section 30-9-407, MCA, is amended to read:

"**30-9-407. Information from filing officer.** (1) If the person filing any financing statement, termination statement, statement of assignment, or statement of release furnishes the filing officer a copy ~~thereof~~ *of the statement,* the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to ~~such~~ *the* person.

(2) Upon request of any person, the filing officer shall issue ~~his~~ *a* certificate showing whether there is on file on the date and hour stated ~~therein~~ *in the certificate,* any presently effective financing statement naming a particular debtor and any statement of assignment ~~thereof~~ and, if there is, giving the date and hour of filing of each ~~such~~ statement and the name and address of each secured party ~~therein~~ *in the statement.* For financing statements recorded on the system described in 30-9-403(9), the filing officer shall, upon request of any person, also furnish written information concerning the collateral described for any presently effective financing statement covering collateral described in 30-9-403(8). However, ~~such~~ *the* information is not a part of the filing officer's certificate and may not constitute a complete description of the collateral covered by the financing statement. The uniform fee for ~~such~~ a certificate and description of collateral ~~shall~~ *must* be set pursuant to 30-9-403. Upon request the filing officer shall furnish a copy of any filed financing statement or statement of assignment for a uniform fee of 50 cents per page.

(3) A computer printout from the system described in 30-9-403(9) constitutes the certificate of the secretary of state as to whether there is on file, on the date and hour stated ~~thereon~~ *on the printout,* ~~such~~ a financing statement covering the collateral described in 30-9-403(8). The fee for requesting a printout from the secretary of state must cover the cost of the printout. If a certificate is made on a requestor's own computer using telephone dial-up access, a fee commensurate with costs must be charged.

(4) ~~Within 30 days after July 1, 1987, the secretary of state shall provide a listing of all financing statements recorded on the system described in 30-9-403(9) covering collateral described in 30-9-403(8) to each county clerk and recorder. The secretary of state shall compile the listing alphabetically by debtor's name and may distribute the listing on microfilm or microfiche. The secretary of state shall provide the listing without charge to the county.~~

~~(5)~~ The secretary of state shall ensure that the system described in 30-9-403(9) complies with the requirements for a central filing system as defined by 7 U.S.C. 1631 as that statute read on January 1, 1987. The secretary of state shall distribute portions of the master list to registered buyers at least once each month. ~~He~~ *The secretary of state* may distribute portions of the master list more frequently if ~~he determines~~ it is *determined* necessary to improve the flow of agricultural credit."

(2) Upon the expiration of the period of time specified in subsection (1), the county clerk and recorder may destroy all seed liens ~~which~~ *that* have been preserved for the period of time specified in this section, *upon approval by the local government records destruction subcommittee provided for in [section 3].*"

[SB 370]

AN ACT PROVIDING FOR LOCAL GOVERNMENT DISCRETION TO SUSPEND OR CANCEL DELINQUENT PROPERTY TAXES ON COMMERCIAL, AGRICULTURAL, OR RESIDENTIAL PROPERTY SUBJECT TO A STATE OR FEDERAL STATUTORY DUTY IN ORDER TO FACILITATE THE PURCHASE OR CONTINUED USE OF THE PROPERTY; AMENDING SECTION 15-24-1702, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE, A RETROACTIVE APPLICABILITY DATE, AND A TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Suspension and cancellation of collection of property taxes on commercial, agricultural, or residential property when statutory duty imposed.** (1) The governing body of a county or consolidated local government unit may suspend the collection of all or a part of the delinquent property taxes on commercial, agricultural, or residential property to facilitate the fulfillment of a statutory duty imposed with respect to the property to promote the viability of the property in commerce.

(2) The governing body may determine that:

(a) federal or state law imposed a duty, other than taxes or assessments, upon the property of the owner or a purchaser after the occurrence of the event;

(b) a material tax delinquency exists relative to the value of the property;

(c) the normal and reasonable cost of fulfilling the statutory duty when added to the delinquent taxes exceeds the fair market value of the property;

(d) the ownership history of the property demonstrates that there is no intent to restructure ownership for the purpose of escaping the payment of delinquent property taxes;

(e) the owner or purchaser has committed to fulfilling the statutory duty within a reasonable period of time;

(f) the cancellation of the delinquent taxes together with other financial facts concerning the property provide the owner or purchaser with a reasonable profit potential.

(3) If an owner or purchaser fulfills the statutory duty within a reasonable period of time, the governing body may cancel the collection of the delinquent property taxes. The governing body may not cancel the delinquent property taxes if the owner or purchaser is delinquent on taxes for any other property within the governing body's taxing jurisdiction.

Section 2. Section 15-24-1702, MCA, is amended to read:

(2) The resolution must state that the suspension or cancellation is in the best interest of the people of the county or consolidated local government, based

CHAPTER NO. 423

[SB 395]

AN ACT LIMITING THE ALLOWABLE LENGTH FOR A VEHICLE COMBINATION HAULING LOGS; ESTABLISHING LIMITATIONS ON THE MAXIMUM OVERHANG LENGTH OF LOGS; AND AMENDING SECTION 61-10-104, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-10-104, MCA, is amended to read:

"**61-10-104. Length — definitions.** (1) A single truck, bus, or any self-propelled vehicle, unladen or with load, may not have an overall length, inclusive of front and rear bumpers, in excess of 45 feet.

(2) (a) When used in a truck tractor-semitrailer combination, the semitrailer may not exceed 53 feet in length, excluding those portions not designed to carry a load, except as provided by 61-10-124. When used in a truck tractor-semitrailer-trailer or a truck tractor-semitrailer-semitrailer combination, the semitrailer and trailer or the two semitrailers may not exceed 28 ½ feet each in length, excluding those portions not designed to carry a load, except as provided by 61-10-124. Truck tractor-semitrailer, truck tractor-semitrailer-trailer, and truck tractor-semitrailer-semitrailer combinations are not subject to a combination length limit.

(b) A stinger-steered automobile or boat transporter may not exceed 75 feet in length plus a maximum 3 feet of front overhang and 4 feet of rear overhang, except as provided by 61-10-124. "Stinger-steered automobile or boat transporter" means a truck tractor-semitrailer combination that has a fifth wheel on a drop frame located behind and below the rear axle of the truck tractor and that is designed and used for the transportation of vehicles or assembled boats or boat hulls.

(c) All other combinations of vehicles may not have a combination length in excess of 75 feet, except as provided by 61-10-124. If the combination consists of more than two units, the rear units of the combination must be equipped with breakaway brakes.

(3) A motor vehicle may not tow more than one motor vehicle, and a motor vehicle may not draw more than three motor vehicles attached to it by the triple saddle-mount method (that is, by mounting the front wheels of one vehicle on the bed of another, leaving only the rear wheels of the vehicle in contact with the roadway), nor may this combination have a combination length in excess of 75 feet.

(4) A passenger vehicle or truck of less than 2,000 pounds "manufacturers' rated capacity" may not tow more than one trailer or semitrailer, nor may this combination have a length in excess of 65 feet.

(5) (a) The length of a vehicle combination consisting of a truck or truck-tractor and one trailer, pole trailer, or semitrailer hauling raw logs may not exceed 75 feet in overall length. As used in this subsection (a), the term "length" means the total length of the vehicle combination beginning at the front of the front bumper of the truck or truck-tractor and extending to the most distant end of the logs being hauled. A term permit for an overlength vehicle combination, as provided in 61-10-124(3), does not apply to the vehicle combination described in this subsection (a). A vehicle combination exceeding 75 feet must have a trip permit.

(b) The maximum overhang of any log may not exceed 15 feet, except by special, single-trip permit. Overhang is measured from the center of the rear-most axle to the most distant end of the logs being hauled.

(c) The provisions in subsections (5)(a) and (5)(b) do not apply to a vehicle combination hauling utility poles.

~~(5)~~*(6)* As used in this chapter, the following definitions apply:

(a) "Combination length" means the total length of a combination of vehicles, such as a truck tractor-semitrailer-trailer combination, measured from the front bumper of the motor vehicle to the back bumper or rear extremity of the last trailer, including the connection tongues.

(b) "Combined trailer length" means the total length of a combination of trailers measured from the front of the first trailer to the back of the last trailer, including the connection tongues and loads.

(c) "Length", *except as provided in subsection (5)(a),* means the total longitudinal dimension of a single vehicle, a trailer, or a semitrailer. The length of a trailer or semitrailer is measured from the front of the cargo-carrying unit to its rear, exclusive of safety or energy efficiency devices, air-conditioning units, air compressors, flexible fender extensions, splash and spray suppressant devices, bolsters, mechanical fastening devices, and hydraulic lift gates.

(d) "Rocky Mountain double" means a combination of vehicles that includes a truck tractor pulling a long semitrailer and a shorter trailer."

Approved April 20, 1993.

CHAPTER NO. 424

[SB 396]

AN ACT ALLOWING A TAXING UNIT THAT EXPERIENCED A 5 PERCENT OR MORE DECREASE IN TAXABLE VALUATION FROM THE 1986 TAX YEAR TO CONTINUE TO LEVY ADDITIONAL MILLS WHEN THE TAXING UNIT'S TAXABLE VALUATION IS GREATER THAN 95 PERCENT BUT LESS THAN 100 PERCENT OF THE TAXING UNIT'S TAXABLE VALUATION IN TAX YEAR 1986; AMENDING SECTION 15-10-412, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-10-412, MCA, is amended to read:

"**15-10-412. Property tax limited to 1986 levels — clarification — extension to all property classes.** Section 15-10-402 is interpreted and clarified as follows:

(1) The limitation to 1986 levels is extended to apply to all classes of property described in Title 15, chapter 6, part 1.

(2) The limitation on the amount of taxes levied is interpreted to mean that, except as otherwise provided in this section, the actual tax liability for an individual property is capped at the dollar amount due in each taxing unit for the 1986 tax year. In tax years thereafter, the property must be taxed in each taxing unit at the 1986 cap or the product of the taxable value and mills levied, whichever is less for each taxing unit, except in a taxing unit that levied a tax in tax years 1983 through 1985 but did not levy a tax in 1986, in which case the actual tax liability for an individual property is capped at the dollar amount due in that taxing unit for the 1985 tax year.

(3) The limitation on the amount of taxes levied does not mean that ~~no~~ *a* further increase may *not* be made in the total taxable valuation of a taxing unit as a result of:

(a) annexation of real property and improvements into a taxing unit;

(b) construction, expansion, or remodeling of improvements;

(c) transfer of property into a taxing unit;

(d) subdivision of real property;

(e) reclassification of property;

(f) increases in the amount of production or the value of production for property described in 15-6-131 or 15-6-132;

(g) transfer of property from tax-exempt to taxable status; or

(h) revaluations caused by:

(i) cyclical reappraisal; or

(ii) expansion, addition, replacement, or remodeling of improvements.

(4) The limitation on the amount of taxes levied does not mean that ~~no~~ *a* further increase may *not* be made in the taxable valuation or in the actual tax liability on individual property in each class as a result of:

(a) a revaluation caused by:

(i) construction, expansion, replacement, or remodeling of improvements that adds value to the property; or

(ii) cyclical reappraisal;

(b) transfer of property into a taxing unit;

(c) reclassification of property;

(d) increases in the amount of production or the value of production for property described in 15-6-131 or 15-6-132;

(e) annexation of the individual property into a new taxing unit; or

(f) conversion of the individual property from tax-exempt to taxable status.

(5) Property in classes four and eleven is valued according to the procedures used in 1986, including the designation of 1982 as the base year, until the reappraisal cycle beginning January 1, 1986, is completed and new valuations are placed on the tax rolls and a new base year designated, if the property is:

(a) new construction;

(b) expanded, deleted, replaced, or remodeled improvements;

(c) annexed property; or

(d) property converted from tax-exempt to taxable status.

(6) Property described in subsections (5)(a) through (5)(d) that is not class four or class eleven property is valued according to the procedures used in 1986 but is also subject to the dollar cap in each taxing unit based on 1986 mills levied.

(7) The limitation on the amount of taxes, as clarified in this section, is intended to leave the property appraisal and valuation methodology of the department of revenue intact. Determinations of county classifications, salaries of local government officers, and all other matters in which total taxable valuation is an integral component are not affected by 15-10-401 and 15-10-402 except for the use of taxable valuation in fixing tax levies. In fixing tax levies, the taxing units of local government may anticipate the deficiency in revenues resulting from the tax limitations in 15-10-401 and 15-10-402, while understanding that regardless of the amount of mills levied, a taxpayer's liability may not exceed the dollar amount due in each taxing unit for the 1986 tax year unless:

(a) *except as provided in subsection (8)(a),* the taxing unit's taxable valuation decreases by 5% or more from the 1986 tax year. If a taxing unit's taxable valuation decreases by 5% or more from the 1986 tax year, it may levy additional mills to compensate for the decreased taxable valuation, but in no case may the mills levied exceed a number calculated to equal the revenue from property taxes for the 1986 tax year in that taxing unit.

(b) a levy authorized under Title 20 raised less revenue in 1986 than was raised in either 1984 or 1985, in which case the taxing unit may, after approval by the voters in the taxing unit, raise each year thereafter an additional number of mills but may not levy more revenue than the 3-year average of revenue raised for that purpose during 1984, 1985, and 1986;

(c) a levy authorized in 50-2-111 that was made in 1986 was for less than the number of mills levied in either 1984 or 1985, in which case the taxing unit may, after approval by the voters in the taxing unit, levy each year thereafter an additional number of mills but may not levy more than the 3-year average number of mills levied for that purpose during 1984, 1985, and 1986.

(8) (a) Except as provided in subsection (8)(b), if a taxing unit has levied additional mills under subsection (7)(a) to compensate for a decrease in taxable valuation, it may continue to levy additional mills to equal the revenue from property taxes for the 1986 tax year when the taxing unit's taxable valuation is greater than 95% but less than 100% of the taxing unit's taxable valuation in tax year 1986.

(b) When the taxable valuation of a taxing unit that levied additional mills under subsection (7)(a) or (8)(a) is equal to or greater than the taxing unit's taxable valuation in tax year 1986, it may not levy additional mills to compensate for a subsequent decrease in taxable valuation unless the conditions of subsection (7)(a) are satisfied.

~~(8)~~*(9)* The limitation on the amount of taxes levied does not apply to the following levy or special assessment categories, whether or not they are based on commitments made before or after approval of 15-10-401 and 15-10-402:

(a) rural improvement districts;

(b) special improvement districts;

(c) levies pledged for the repayment of bonded indebtedness, including tax increment bonds;

(d) city street maintenance districts;

(e) tax increment financing districts;

(f) satisfaction of judgments against a taxing unit;

(g) street lighting assessments;

(h) revolving funds to support any categories specified in this subsection ~~(8)~~*(9)*;

(i) levies for economic development authorized pursuant to 90-5-112(4);

(j) levies authorized under 7-6-502 for juvenile detention programs; and

(k) elementary and high school districts.

~~(9)~~*(10)* The limitation on the amount of taxes levied does not apply in a taxing unit if the voters in the taxing unit approve an increase in tax liability following a resolution of the governing body of the taxing unit containing:

(a) a finding that there are insufficient funds to adequately operate the taxing unit as a result of 15-10-401 and 15-10-402;

(b) an explanation of the nature of the financial emergency;

(c) an estimate of the amount of funding shortfall expected by the taxing unit;

(d) a statement that applicable fund balances are or by the end of the fiscal year will be depleted;

(e) a finding that there are no alternative sources of revenue;

(f) a summary of the alternatives that the governing body of the taxing unit has considered; and

(g) a statement of the need for the increased revenue and how it will be used.

~~(10)~~*(11)* (a) The limitation on the amount of taxes levied does not apply to levies required to address the funding of relief of suffering of inhabitants caused by famine, conflagration, or other public calamity.

(b) The limitation set forth in this chapter on the amount of taxes levied does not apply to levies to support:

(i) a city-county board of health as provided in Title 50, chapter 2, if the governing bodies of the taxing units served by the board of health determine, after a public hearing, that public health programs require funds to ensure the public health. A levy for the support of a local board of health may not exceed the 5-mill limit established in 50-2-111.

(ii) county, city, or town ambulance services authorized by a vote of the electorate under 7-34-102(2).

~~(11)~~*(12)* The limitation on the amount of taxes levied by a taxing jurisdiction subject to a statutory maximum mill levy does not prevent a taxing jurisdiction from increasing its number of mills beyond the statutory maximum mill levy to produce revenue equal to its 1986 revenue.

~~(12)~~*(13)* The limitation on the amount of taxes levied does not apply to a levy increase to repay taxes paid under protest in accordance with 15-1-402."

Section 2. **Effective date — retroactive applicability.** [This act] is effective on passage and approval and applies retroactively, within the meaning of 1-2-109, to tax years beginning after December 31, 1992.

Approved April 20, 1993.

CHAPTER NO. 425

[SB 406]

AN ACT EXPANDING THE TEMPORARY RESTRAINING ORDER LAWS AND THE CRIMINAL LAWS THAT PROTECT PERSONS AGAINST DOMESTIC ABUSE; DEFINING "FAMILY MEMBER" FOR PURPOSES OF BOTH

AREAS OF LAW; APPLYING BOTH AREAS OF LAW TO PARTNERS; DEFINING THE TERM "PARTNERS"; APPLYING THE PROTECTIONS IN THE TEMPORARY RESTRAINING ORDER LAWS TO ALL FAMILY MEMBERS; AND AMENDING SECTIONS 40-4-121, 45-5-206, 46-6-311, 46-6-602, AND 46-9-302, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 40-4-121, MCA, is amended to read:

"**40-4-121. Temporary order or temporary injunction.** (1) In a proceeding for dissolution of marriage or for legal separation or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance or temporary support of a child of the marriage entitled to support. The motion ~~shall~~ *must* be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) As a part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction for any of the following relief:

(a) restraining any person from transferring, encumbering, concealing, or otherwise disposing of any property except in the usual course of business or for the necessities of life and, if so restrained, requiring ~~him~~ *the person* to notify the moving party of any proposed extraordinary expenditures made after the order is issued;

(b) enjoining a party from molesting or disturbing the peace of the other party or of any ~~child~~ *family member*;

(c) excluding a party from the family home or from the home of the other party upon a showing that physical or emotional harm would otherwise result;

(d) enjoining a party from removing a child from the jurisdiction of the court; ~~and~~

(e) ordering a party to complete counseling, including alcohol or chemical dependency counseling or treatment; and

~~(e)~~*(f)* providing other injunctive relief proper in the circumstances.

(3) A person may seek the relief provided for in subsection (2) ~~of this section~~ without filing a petition under this part for a dissolution of marriage or legal separation by filing a verified petition:

(a) alleging physical abuse, harm, or bodily injury against the petitioner by a family ~~or household~~ member *or partner* or the threat of physical abuse, harm, or bodily injury against the petitioner by a family ~~or household~~ member *or partner* that causes the petitioner to reasonably believe that the offender has the present ability to execute the threat; and

(b) requesting relief under Title 27, chapter 19, part 3. Any ~~preliminary~~ *temporary* injunction entered under this subsection must be for a fixed period of time, not to exceed 1 year, and may be modified as provided in Title 27, chapter 19, part 4, and 40-4-208, *as appropriate*. Persons who may request relief under this subsection include ~~spouses, former spouses, and persons cohabiting or who have cohabited with the other party within 1 year immediately preceding the filing of the petition~~ *family members or partners.*

(4) The court may issue a temporary restraining order for a period not to exceed 20 days without requiring notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury will result to the moving party if no order is issued until the time for responding has elapsed.

(5) A response may be filed within 20 days after service of notice of motion or at the time specified in the temporary restraining order.

(6) At the time of the hearing, the court shall determine whether good cause exists for the injunction to continue for 1 year.

(7) If the court determines, on the basis of a party's history of violence and the testimony presented at the hearing or on the basis of credible evidence that a party has violated [section 1 of Senate Bill No. 37], that the other party needs permanent protection or may otherwise suffer permanent injury or harm, the court may order that the injunction be effective permanently.

(8) A permanent injunction may be issued by a district court with jurisdiction over the parties to a dissolution proceeding upon presentation of evidence of a party's history of violence showing that the other party may suffer permanent injury or harm if a permanent injunction is not issued. A permanent injunction may also be issued enjoining a party from stalking upon presentation of credible evidence that the party has violated [section 1 of Senate Bill No. 37] if the court determines that the stalked party needs permanent protection.

(9) Except when the alleged conduct to be restrained is a violation of [section 1 of Senate Bill No. 37], restraining orders issued under this section may restrain the petitioner's actions only if the court finds that the petitioner, in addition to the respondent, has engaged in abusive or assaultive behavior as described by subsection (3)(a).

CHAPTER NO. 428

[SB 417]

AN ACT REVISING THE BAD DEBT CREDIT ALLOWANCE ON GASOLINE AND SPECIAL FUEL TAXES PAYABLE TO THE DEPARTMENT OF TRANSPORTATION; AUTHORIZING THE DEPARTMENT TO WRITE OFF THE COLLECTION OF A TAX, PENALTY, OR INTEREST DUE WHENEVER THE DEPARTMENT DETERMINES THAT IT IS NOT COST-EFFECTIVE TO ATTEMPT TO COLLECT THE TAX, PENALTY, OR INTEREST; AMENDING SECTIONS 15-70-221 AND 15-70-328, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

STATEMENT OF INTENT

A statement of intent is required for this bill because [section 3] grants the department of transportation authority to adopt rules for establishing procedures to determine whether it is cost-effective to collect any tax, penalty, or interest from a delinquent taxpayer. The legislature intends that the rules adopted by the department address the circumstances under which it is no longer cost-effective to pursue the collection of a tax, penalty, or interest. These circumstances include but are not limited to the difficulty of finding the delinquent taxpayer, the difficulty of locating the assets of the taxpayer, or the financial condition of the taxpayer. In addition, the rules adopted by the department may include procedures to remove, for accounting purposes, a delinquency from the department's accounts receivable.

The legislature also intends that rules provide that if a tax delinquency is written off, it is not forgiven, but the department will incur no further expense in collecting the tax.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-70-221, MCA, is amended to read:

(b) If a credit has been granted under this subsection (3), any amount collected on the accounts ~~that were~~ declared worthless must be reported to the department and the tax due *must be prorated* on the collected amount *and* must be paid to the department.

(c) The department may require a distributor to submit periodic reports listing accounts that are delinquent for 90 days or more.

(4) ~~Any~~ *A* person who purchases and exports for sale, use, or consumption outside Montana ~~any~~ gasoline on which the Montana gasoline tax has been paid is entitled to a credit or refund of the amount of tax ~~so~~ paid upon completion of the information reports required under 15-70-209 and presentation to the department of ~~such other~~ proof of delivery outside Montana as it may by rule require."

(ii) ~~for any~~ overpayment of special fuel taxes not due to the state.

(b) Special fuel carried from this state in the fuel tank of a motor vehicle is ~~deemed~~ *considered* to be exported from this state.

(2) ~~Any~~ *A* licensed special fuel user who purchases a temporary special fuel permit and ~~thereafter~~ applies for a special fuel vehicle permit for the same vehicle in less than 11 days after the temporary permit is issued ~~shall~~ *must* receive credit in the amount of the temporary permit fee.

(3) (a) A special fuel dealer who has paid a special fuel tax is entitled to a credit of the tax paid to the department on those sales of special fuels *with a tax liability of $200 or greater* for which the dealer has *not* received ~~no~~ consideration from or on behalf of the purchaser *and for which the special fuel dealer has not forgiven any liability.* The dealer ~~shall~~ *may not* have declared the accounts of the purchaser worthless *more than once during a 3-year period,* and *the dealer must have* claimed those accounts as bad debts for federal income tax purposes.

(b) If a credit has been granted under this subsection (3), any amount collected on the accounts that were declared worthless must be reported to the department and the tax due *must be prorated* on the collected amount *and* must be paid to the department.

(c) The department may require a dealer to submit periodic reports listing accounts that are delinquent for 90 days or more."

Section 3. **Writeoff of collection of tax, penalty, or interest — rules.** (1) (a) The department of transportation may write off the collection of any tax, penalty, or interest due to the state under this chapter whenever the department determines that it is not cost-effective for the department to attempt to collect the tax, penalty, or interest.

(b) The department shall establish procedures to determine the cost-effectiveness of collecting the tax, penalty, or interest.

(c) If the department writes off the collection of any tax, penalty, or interest, the department shall place in the taxpayer's file a written justification for the writeoff that includes a determination that attempted collection is not cost-effective.

(2) The department shall adopt rules to establish the procedures to carry out the purposes of this section.

Section 4. **Codification instruction.** [Section 3] is intended to be codified as an integral part of Title 15, chapters 70 and 71, and the provisions of Title 15, chapters 70 and 71, apply to [section 3].

Section 5. **Applicability.** [This act] applies to sales of gasoline and special fuels on or after [the effective date of this act] and to taxes due on those sales.

Section 6. **Effective date.** [This act] is effective July 1, 1993.

Approved April 20, 1993.

CHAPTER NO. 429

[SB 392]

AN ACT INCREASING THE STATE'S ABILITY TO ENFORCE SUPPORT OBLIGATIONS; PROVIDING FOR A LIEN ON LOTTERY WINNINGS WHEN THE WINNER OWES A DEBT TO OR COLLECTED BY A IV-D AGENCY; REVISING THE CRIME OF NONSUPPORT; AND AMENDING SECTIONS 17-4-105 AND 45-5-621, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Lien on lottery winnings for debt collected by IV-D agency — notice to agency — payment to agency — procedure.** (1) For purposes of this section, "IV-D agency" means the state child support enforcement agency created pursuant to Title IV-D of the Social Security Act and providing services under Title 40, chapter 5.

(2) The IV-D agency shall periodically certify to the state lottery the names and social security numbers of persons owing a debt to or collected by the IV-D agency.

(3) Prior to the payment of lottery winnings in excess of $600, the state lottery shall check the name of the winner against the list of names and social security numbers of persons owing a debt to or collected by the IV-D agency.

(4) (a) If the winner is on the list of persons owing a debt to or collected by the IV-D agency, the state lottery shall make a good faith attempt to notify the IV-D agency and the agency then has a lien against the winnings in the amount of the debt owed to or collected by the IV-D agency. The state lottery has no liability to the IV-D agency or the individual on whose behalf the IV-D agency is collecting the debt if the state lottery fails to match a winner's name to a name on the list or is unable to notify the IV-D agency of a match. The IV-D agency shall provide the state lottery with written notice of a support lien promptly upon the state lottery's notification of a match.

(b) If the lottery winnings are to be paid through the state auditor, the lottery winner is entitled to notice and opportunity for hearing under Title 17, chapter 4, part 1, prior to any offset of the debt against the winnings.

(c) If the lottery winnings are to be paid directly by the state lottery, the amount of the debt owed to or collected by the IV-D agency must be held by the lottery for a period of 30 days from the lottery's confirmation of the amount of the debt to allow the IV-D agency to institute any necessary garnishment or withholding proceedings. If a garnishment or withholding proceeding is not initiated within the 30-day period, the lottery shall release the payment to the winner.

(d) The IV-D agency, in its discretion, may release or partially release the support lien upon written notice to the state lottery.

(e) A support lien under this section is in addition to any other lien created by law.

Section 2. Section 17-4-105, MCA, is amended to read:

"**17-4-105. (2) The state auditor shall offset any amount due a state agency from a person or entity against any amount, including refunds or taxes, owing the person or entity by any state agency, provided the state auditor may not exercise this right of offset until the debtor has first been notified by the state auditor and been given an opportunity for a hearing. ~~No~~ *An* offset may *not* be made against any amount paid out as child support collected by the department of social and rehabilitation services. The state auditor shall deduct from the claim and draw ~~his~~ warrants for the amounts offset in favor of the respective state agencies to which due and for any balance in favor of the claimant. Whenever insufficient to offset all amounts due state agencies, the amount available ~~shall~~ *must* be applied first to debts owed by reason of the nonpayment of child support and then in ~~such~~ *the* manner as the state auditor, in ~~his~~ *the state auditor's* discretion, ~~shall determine~~ *determines*.

(3) (a) The department retains the power to offset tax refunds due individuals against taxes owed the state, provided the department may not

exercise this right of offset until the taxpayer has been notified by the department and been given the opportunity to request a review.

(b) Within 30 days following mailing of notification, the taxpayer may request a review of the asserted liability. If a review is requested, the department shall conduct an informal review conference, which is not subject to the contested case procedures of the Montana Administrative Procedure Act.

(c) Appeal from the decision of the department after the review conference may be taken to the state tax appeal board.

(d) A taxpayer is not entitled to a review conference for a tax offset if the tax liability has been the subject matter of any proceeding conducted for the purpose of determining its validity and any decision made as a result of that proceeding has become final.

(4) (a) A debt ~~resulting from or relating to a child support obligation~~ owed to the department of social and rehabilitation services or being collected by the department of social and rehabilitation services on behalf of any person or agency may be offset by the state auditor if~~:~~

~~(i)~~ the debt is being enforced or collected by the department of social and rehabilitation services under Title IV-D of the Social Security Act~~;~~.

~~(ii) the debt is for repayment of child support payments retained contrary to the assignment at 53-2-613; or~~

~~(iii) the debt is for costs of fees under any contract, judgment, or administrative order entered in the course of child support enforcement by the department of social and rehabilitation services.~~

(b) The debt need not be determined to be uncollectible as provided for in 17-4-104 before being transferred to the state auditor for offset. The debt must have accrued through written contract, court judgment, or administrative order.

(c) Within 30 days following the notification provided in subsection (2), the person owing a debt described in subsection (4)(a) may request a hearing. *The person owing a debt is not entitled to a hearing if the amount of the debt has been the subject matter of any proceeding conducted for the purpose of determining the validity of the debt and any decision made as a result of that proceeding has become final.* The hearing must be conducted by teleconferencing methods and is subject to the provisions of the Montana Administrative Procedure Act. The department of social and rehabilitation services shall adopt rules necessary to determine the hearing procedures.

(5) If, in the discretion of the state auditor, the person or entity refuses or neglects to file ~~his~~ *a* claim within a reasonable time, the head of the state agency owing the amount shall file the claim on behalf of ~~such~~ *the* person or entity; if approved by the department of administration, it shall have the same force and effect as though filed by ~~such~~ *the* person or entity. The amount due any person or entity from the state or any agency ~~thereof~~ *of the state* is the net amount otherwise owing ~~such~~ *the* person or entity after any offset as *provided* in this section ~~provided~~."

Section 3. Section 45-5-621, MCA, is amended to read:

"**45-5-621. Nonsupport.** (1) A person commits the offense of nonsupport if ~~he~~ *the person* fails to provide support ~~which he~~ *that the person* can provide and ~~which he~~ *that the person* knows ~~he~~ *the person* is legally obliged to provide to a spouse, child, or other dependent.

(3) If a defense to the charge of nonsupport is inability to pay, the person's inability must be the result of circumstances over which the person had no control. In determining ability to pay, after an allowance for the person's minimal subsistence needs, the support of a spouse, child, or other dependent has priority over any other obligations of the person.

(4) When a person is ordered to pay support by a court or administrative agency with jurisdiction to enter the order, the support order is prima facie evidence of the person's legal obligation to provide support.

(5) Payment records maintained by the court or administrative agency that issued the support order are prima facie evidence of the amount of support paid and the arrearages that have accrued.

(6) It is not a defense to a charge of nonsupport that any other person, organization, or agency furnishes necessary food, clothing, shelter, medical attention, or other essential needs for the support of the spouse, child, or other dependent.

~~(3)~~*(7) (a)* ~~A~~ *Except as provided in subsection (7)(b) or (7)(c), a* person convicted of nonsupport shall be fined not to exceed $500 or be imprisoned in the county jail for ~~any~~ *a* term not to exceed 6 months, or both.

(c) A person convicted of aggravated nonsupport shall be fined not to exceed $50,000 or be imprisoned in the state prison for ~~any~~ *a* term not to exceed 10 years, or both.

(8) Before trial with the consent of the defendant, on entry of a plea of guilty, or after conviction, instead of the penalty provided in subsection (7) or in addition to that penalty, the defendant may post a bond, undertaking, or other security.

The terms for payment of restitution must be determined by the court.

(12) When any payment of public assistance money has been made for the benefit of a child by the department of social and rehabilitation services under the provisions of Title 53, a representative of the department may sign a criminal complaint against the person obligated by law to support the child who received the public assistance.

(13) The court may order that a term of imprisonment imposed under this section be served in another facility made available by the county and approved by the sentencing court. The defendant, if financially able, shall bear the expense of the imprisonment. The court may impose restrictions on the defendant's ability to leave the premises of the facility and require that the defendant follow the rules of that facility. The facility may be a community-based prerelease center as provided for in 53-1-203. The prerelease center may accept or reject a defendant referred by the sentencing court."

(1) "A person responsible for a child's welfare" means the child's parent, guardian, or foster parent; a staff person providing care in a day-care facility;

However, nothing in this chapter may be construed to limit the administrative or judicial authority of the state to ensure that medical care is provided to the child when there is imminent or substantial risk of harm to the child.

(4) "Child" or "youth" means any person under 18 years of age.

(5) (a) "Child abuse or neglect" means:

(i) harm to a child's health or welfare, as defined in subsection (8); or

(ii) threatened harm to a child's health or welfare, as defined in subsection (15).

AN ACT ADOPTING THE UNIFORM FOREIGN MONEY-JUDGMENTS RECOGNITION ACT; PROVIDING FOR THE ENFORCEMENT IN MONTANA OF FOREIGN MONEY-JUDGMENTS; PROVIDING FOR NONRECOGNITION OF CERTAIN JUDGMENTS; AND PROVIDING GUIDELINES FOR THE EXERCISE OF PERSONAL JURISDICTION.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 9] may be cited as the "Uniform Foreign Money-Judgments Recognition Act".

Section 2. **Definitions.** As used in [sections 1 through 9], the following definitions apply:

(1) "Foreign judgment" means any judgment of a foreign state granting or denying recovery of a sum of money, other than a judgment for taxes, a fine or other penalty, or a judgment for support in matrimonial or family matters.

(2) "Foreign state" means any governmental unit other than the United States or any state, district, commonwealth, territory, or insular possession thereof or the Panama Canal Zone, the Trust Territory of the Pacific Islands, or the Ryukyu Islands.

Section 3. **Applicability.** [Sections 1 through 9] apply to any foreign judgment that is final and conclusive and enforceable where rendered even though an appeal from the judgment is pending or it is subject to appeal.

Section 4. **Recognition and enforcement.** Except as provided in [section 5], a foreign judgment meeting the requirements of [section 3] is conclusive between the parties to the extent that it grants or denies recovery of a sum of money. The foreign judgment is enforceable in the same manner as the judgment of a sister state that is entitled to full faith and credit.

Section 5. **Grounds for nonrecognition.** (1) A foreign judgment is not conclusive if:

(a) the judgment was rendered under a system that does not provide impartial tribunals or procedures compatible with the requirements of due process of law;

(b) the foreign court did not have personal jurisdiction over the defendant; or

(c) the foreign court did not have jurisdiction over the subject matter.

(2) A foreign judgment need not be recognized if:

(a) the defendant in the proceedings in the foreign court did not receive notice of the proceedings in sufficient time to enable the defendant to defend;

(b) the judgment was obtained by fraud;

(c) the cause of action or claim for relief on which the judgment is based is repugnant to the public policy of this state;

(d) the judgment conflicts with another final and conclusive judgment;

(e) the proceeding in the foreign court was contrary to an agreement between the parties under which the dispute in question was to be settled otherwise than by proceedings in that court; or

(f) in the case of jurisdiction based only on personal service, the foreign court was a seriously inconvenient forum for the trial of the action.

Section 6. **Personal jurisdiction.** (1) Except as provided in [section 5], the foreign judgment may not be refused recognition for lack of personal jurisdiction if:

(a) the defendant was served personally in the foreign state;

(b) the defendant voluntarily appeared in the proceedings other than for the purpose of protecting property seized or threatened with seizure in the proceedings or of contesting the jurisdiction of the court over the defendant;

(c) the defendant, prior to the commencement of the proceedings, had agreed to submit to the jurisdiction of the foreign court with respect to the subject matter involved;

(d) the defendant was domiciled in the foreign state when the proceedings were instituted or, being a body corporate, had its principal place of business, was incorporated, or had otherwise acquired corporate status in the foreign state;

(e) the defendant had a business office in the foreign state and the proceedings in the foreign court involved a cause of action or claim for relief arising out of business done by the defendant through that office in the foreign state; or

(f) the defendant operated a motor vehicle or airplane in the foreign state and the proceedings involved a cause of action or claim for relief arising out of the operation.

(2) The courts of this state may recognize other bases of jurisdiction.

Section 7. **Stay in case of appeal.** If the defendant satisfies the court either that an appeal is pending or that the defendant is entitled and intends to appeal from the foreign judgment, the court may stay the proceedings until the appeal has been determined or until the expiration of a period of time sufficient to enable the defendant to prosecute the appeal.

Section 8. **Saving clause.** [Sections 1 through 9] do not prevent the recognition of a foreign judgment in situations not covered by [sections 1 through 9].

Section 9. **Uniformity of interpretation.** [Sections 1 through 9] must be construed to effectuate the general purpose to make uniform the law of those states that enact it.

Approved April 21, 1993.

(B) arson as defined in 45-6-103;

(C) aggravated or felony assault as defined in 45-5-202;

(D) robbery as defined in 45-5-401;

(E) burglary or aggravated burglary as defined in 45-6-204;

(F) aggravated kidnapping as defined in 45-5-303;

(G) possession of explosives as defined in 45-8-335;

(H) criminal sale of dangerous drugs as ~~included~~ *defined* in 45-9-101;

(I) criminal production or manufacture of dangerous drugs as defined in [section 1];

~~(I)~~*(J)* attempt, as defined in 45-4-103, of any of the acts enumerated in subsections (1)(a)(ii)(A) through ~~(1)(a)(ii)(H)~~ *(1)(a)(ii)(I)*;

(b) a hearing on whether the transfer should be made is held in conformity with the rules on a hearing on a petition alleging delinquency, except that the hearing will be conducted by the youth court without a jury;

(c) notice in writing of the time, place, and purpose of the hearing is given to the youth, his counsel, and his parents, guardian, or custodian at least 10 days before the hearing; and

(d) the court finds upon the hearing of all relevant evidence that there is probable cause to believe that:

(i) the youth committed the delinquent act alleged;

(ii) the seriousness of the offense and the protection of the community require treatment of the youth beyond that afforded by juvenile facilities; and

(iii) the alleged offense was committed in an aggressive, violent, or premeditated manner.

(2) In transferring the matter of prosecution to the district court, the court may also consider the following factors:

(a) the sophistication and maturity of the youth, determined by consideration of ~~his~~ *the youth's* home, environmental situation, and emotional attitude and pattern of living;

(b) the record and previous history of the youth, including previous contacts with the youth court, law enforcement agencies, youth courts in other jurisdictions, prior periods of probation, and prior commitments to juvenile institutions. However, lack of a prior juvenile history with youth courts will not of itself be grounds for denying the transfer.

(3) The court shall grant the motion to transfer if the youth was 16 years old or older at the time of the conduct alleged to be unlawful and the unlawful act would constitute deliberate homicide as defined in 45-5-102, mitigated deliberate homicide as defined in 45-5-103, or the attempt, as defined in 45-4-103, of either deliberate or mitigated deliberate homicide if the act had been committed by an adult.

(4) Upon transfer to district court, the judge shall make written findings of the reasons why the jurisdiction of the youth court was waived and the case transferred to district court.

(5) The transfer terminates the jurisdiction of the youth court over the youth with respect to the acts alleged in the petition. A youth may not be prosecuted in the district court for a criminal offense originally subject to the jurisdiction of the youth court unless the case has been transferred as provided in this section.

(6) Upon order of the youth court transferring the case to the district court, the county attorney shall file the information against the youth without unreasonable delay.

(7) Any offense not enumerated in subsection (1) that arises during the commission of a crime enumerated in subsection (1) may be:

(a) tried in youth court;

(b) transferred to district court with an offense enumerated in subsection (1), upon motion of the county attorney and order of the youth court judge.

(8) If a youth is found guilty in district court of any of the offenses transferred by the youth court and is sentenced to the state prison, ~~his~~ *the* commitment must be to the department of corrections and human services. The department shall confine the youth in whatever institution it considers proper, including a state youth correctional facility under the procedures of 52-5-111; however, no youth under 16 years of age may be confined in the state prison.

(9) A youth whose case is transferred to district court may not be detained or otherwise placed in a jail or other adult detention facility before final disposition of his case unless:

(a) alternative facilities do not provide adequate security; and

(b) the youth is kept in an area that provides physical, as well as sight and sound, separation from adults accused or convicted of criminal offenses."

Upon a third or subsequent conviction for criminal sale of such a drug, ~~he~~ *the person* shall be imprisoned in the state prison for a term of not less than 20 years or more than life and may be fined not more than $50,000, except as provided in 46-18-222.

(5) A person who was an adult at the time of sale and who is convicted of criminal sale of dangerous drugs to a minor shall be sentenced as follows:

(b) If convicted of the sale of a dangerous drug included in Schedule I or Schedule II pursuant to 50-32-222 or 50-32-224 and if previously convicted of such a sale, the person shall be imprisoned in the state prison for not less than 20 years or more than life and may be fined not more than $50,000, except as provided in 46-18-222.

(c) If convicted of the sale of a dangerous drug included in Schedule I or Schedule II pursuant to 50-32-222 or 50-32-224 and if previously convicted of two or more such sales, the person shall be imprisoned in the state prison for not less than 40 years or more than life and may be fined not more than $50,000, except as provided in 46-18-222.

(d) If convicted pursuant to subsection (4), the person shall be imprisoned in the state prison for not less than 2 years or more than life and may be fined not more than $50,000, except as provided in 46-18-222.

CHAPTER NO. 450

[HB 485]

AN ACT PROVIDING AD HOC AND AUTOMATIC POSTRETIREMENT COST-OF-LIVING ADJUSTMENTS FOR CERTAIN BENEFIT RECIPIENTS UNDER THE GAME WARDENS' RETIREMENT SYSTEM; INCREASING THE STATE'S CONTRIBUTION FROM CERTAIN FINES AND FORFEITURES TO PAY FOR THE NORMAL COST OF GAME WARDENS' RETIREMENT BENEFITS; REQUIRING THE DEVELOPMENT OF LEGISLATIVE PROPOSALS FOR EQUITABLE POSTRETIREMENT ADJUSTMENTS FOR PUBLIC RETIREMENT SYSTEMS; AMENDING SECTIONS 17-7-502 AND 19-8-504, MCA; AND PROVIDING AN EFFECTIVE DATE.

STATEMENT OF INTENT

A statement of intent is required for this bill because [section 2] gives the public employees' retirement board authority to adopt administrative rules to implement the cost-of-living adjustment provided in the bill.

It is the intent of the legislature to provide a one-time ad hoc cost-of-living adjustment to each member of the game wardens' retirement system who has been retired for 5 years or more, to the member's beneficiary, or to the member's contingent annuitant. The cost of the adjustment will be paid by increasing the amortization period of the system's unfunded liabilities.

It is further the intent of the legislature that the proposed statutory retirement committee established in House Bill No. 65 be assigned by the legislative council to develop legislation providing an equitable guaranteed annual benefit adjustment for each of Montana's statewide public retirement systems and that the legislation be presented to the 54th legislature for consideration. It is further the intent of the legislature that the cost of holding hearings and developing the legislation be paid by retirement systems and donations from public employee and retiree associations.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Ad hoc cost-of-living increase.** (1) The recipient of a monthly service, disability, or survivorship benefit is eligible for a one-time cost-of-living increase on July 1, 1993, if the benefit was initiated before July 1, 1988. A person who received a lump-sum payment or is receiving an annuitized payment is not an eligible recipient under this section.

(2) The amount of the increase for each eligible benefit recipient under subsection (1) must be calculated by:

(a) dividing 5% of the total monthly benefits paid to all eligible benefit recipients as of June 30, 1993, by the total years of service of all eligible benefit recipients as of June 30, 1993;

(b) multiplying the quotient by the individual eligible benefit recipient's years of service, except as provided in subsection (3); and

(c) multiplying the product by the appropriate optional factor for option 2, 3, or 4 benefits described in 19-7-701.

(3) For the purposes of this section, the increase for a recipient of a disability or survivorship benefit must be calculated as if the recipient had 25 years of service.

Section 2. **Rulemaking authority.** The public employees' retirement board may adopt rules to implement [section 1].

Section 3. Section 19-8-504, MCA, is amended to read:

"**19-8-504. State's contribution.** ~~Each~~ *(1) To fund the employer's portion of the normal cost of benefits under this chapter, each* month the state treasurer shall pay to the ~~account~~ *pension trust fund*~~,~~*:*

(a) out of the department of fish, wildlife, and parks ~~moneys~~ *funds*, a sum equal to 7.15% of ~~the total of~~ all members' salaries~~,~~*;* and

(b) out of the ~~moneys~~ *funds* collected as fines and forfeited bonds under the provisions of 87-1-601(1) through (5) or ~~moneys~~ *funds* distributed under 3-10-601(4), ~~all such collections are statutorily appropriated to the account~~ *an amount equal to 1% of all members' salaries.*

(2) In addition to the contributions provided in subsection (1), the state treasurer shall pay to the pension trust fund the balance of the funds distributed to the fish and game account pursuant to 3-10-601 until the unfunded liability

in the account is ~~solvent~~ *fully paid* and a verification statement to that effect is given to the state treasurer by the board."

Section 4. Section 17-7-502, MCA, is amended to read:

"**17-7-502. Statutory appropriations — definition — requisites for validity.** (1) A statutory appropriation is an appropriation made by permanent law that authorizes spending by a state agency without the need for a biennial legislative appropriation or budget amendment.

(2) Except as provided in subsection (4), to be effective, a statutory appropriation must comply with both of the following provisions:

"**33-1-316. Testimony compelled — immunity from prosecution.** A person may not be excused from attending and testifying or producing any evidence upon any examination, investigation, or hearing conducted by or under authority of the commissioner on the ground that ~~his~~ *the person's* testimony or the evidence required ~~of him~~ may tend to incriminate ~~him~~ or subject ~~him~~ *the person* to a penalty or forfeiture. However, ~~compelled~~ testimony or evidence *compelled following a claim of privilege against self-incrimination* or any information directly or indirectly derived from compelled testimony or evidence may not be used against the person in a criminal prosecution. The commissioner may grant immunity from prosecution for or on account of any act, occurrence, transaction, matter, or other thing concerning which a person ~~is compelled to testify~~ *testifies* if the commissioner determines that the ends of justice would be served by granting the additional immunity. Immunity does not extend to prosecution or punishment for false statements by the person that are contained in ~~the compelled~~ testimony or evidence *given under this part.*"

Section 2. Section 33-1-501, MCA, is amended to read:

"**33-1-501. (5) This section applies to a form used by a domestic insurer for delivery in a jurisdiction outside Montana if the insurance supervisory official of the jurisdiction informs the commissioner that the form is not subject to approval or disapproval by the official and upon the commissioner's order requiring the form to be submitted to ~~him~~ *the commissioner* for the purpose. The same standards apply to these forms as apply to forms for domestic use.

The amount of the bond may not be less than $20,000 or more than the maximum prescribed in 80-4-405. The licensed capacity is the maximum number of hundredweight of agricultural commodities that the warehouse can accommodate.

(2) If a ~~warehouseman~~ *warehouse operator* is also operating as a commodity dealer, ~~he~~ *the warehouse operator* shall also provide a bond as prescribed in 80-4-604.

(3) If there occurs a deficiency in net assets as required under 80-4-506, there shall be added to the amount of bond determined in accordance with subsection (1) an amount equal to that deficiency.

(4) Each ~~warehouseman~~ *warehouse operator* bond shall run continuously with the ~~warehouseman~~ license until canceled by the bonding company. ~~The aggregate liability of the surety may in no event exceed the sum of the bond.~~

(5) A 60-day written notice must be given to the department by the bonding company before any bond is canceled; however, ~~such~~ *the* cancellation does not terminate any liability of the surety incurred prior to the date of cancellation."

Section 8. Section 80-4-525, MCA, is amended to read:

"**80-4-525. Scale weight tickets — form — issuance.** (1) Scale weight tickets must be bound in books of convenient size and must be numbered consecutively. The original scale weight ticket must be delivered to the person from whom the agricultural commodities are received. One carbon copy of each scale weight ticket must remain as a permanent record.

(2) A scale weight ticket must be issued for each load of agricultural commodity received by the ~~warehouseman~~ *warehouse operator.*

(3) A scale weight ticket may not be issued or held in lieu of a warehouse receipt. ~~The retention of scale weight tickets in lieu of warehouse receipts by the owner of the grain is at the owner's risk.~~ *However, an agricultural commodity under scale weight ticket is considered warehoused liability, and title remains with the depositor until:*

(a) the agricultural commodity is sold under a purchase contract;

(b) the agricultural commodity is paid for under 80-4-608; or

(c) a warehouse receipt is issued.

(4) There must be plainly printed across the face of ~~such~~ *the* scale weight ticket issued by the ~~warehouseman~~ *warehouse operator,* in bold type, the words "THIS IS NOT A WAREHOUSE RECEIPT. IT MUST BE EXCHANGED FOR A WAREHOUSE RECEIPT IF GRAIN IS HELD IN STORAGE".

(5) All scale weight tickets must be signed by the ~~warehouseman~~ *warehouse operator* or ~~his~~ *the warehouse operator's* agent.

(6) All scale weight tickets must be converted into cash or warehouse receipts on demand."

Section 9. Section 80-4-527, MCA, is amended to read:

"**80-4-527. Warehouse receipt — issuance —** ***cancellation.*** (1) A warehouse receipt is a receipt issued by a licensed ~~warehouseman~~ *warehouse operator* on a form containing all the information required by 80-4-526.

(2) ~~No~~ *A* warehouse receipt may *not* be issued except for an agricultural commodity actually delivered to a warehouse for storage.

(3) All ~~warehousemen~~ *warehouse operators* are required to issue a warehouse receipt for each lot of agricultural commodity received for storage or make payment for the agricultural commodity.

(b) has no claim on the agricultural commodity stored in a warehouse; and

(c) has no claim on the ~~warehouseman's~~ *warehouse operator's* bond.

(5) All agricultural commodities in a warehouse belong to the holder of outstanding warehouse receipts except those commodities that are in excess of the total of all outstanding storage obligations. An outstanding warehouse receipt is a warehouse receipt that has not been returned and paid in full on the basis of grade, quality, and quantity by the ~~warehouseman~~ *warehouse operator* issuing it.

(6) If for convenience the holder of two or more warehouse receipts covering like agricultural commodities wishes to combine them, the new receipt ~~so issued~~ must state the fact that it was issued in lieu of existing receipts. An assembly or recapitulation statement must be made whenever receipts are so combined, and the number or other identification of the statement must be referenced on the new combined receipt. The assembly sheet must be kept on file in the warehouse office. Each canceled receipt must have stamped across its face "Canceled by No. __" (showing the number of the new combination receipt).

(7) A ~~warehouseman~~ *warehouse operator* who is a grower ~~and conducts such an enterprise~~ may receive ~~his~~ *the warehouse operator's* own grain and issue warehouse receipts for agricultural commodities, in the same manner and without discrimination, as though the warehouse and growing enterprises were of separate ownership. However, the ~~warehouseman~~ *warehouse operator* shall report to the department all warehouse receipts issued to ~~himself~~ *the warehouse operator* as a grower.

(8) When warehouse receipts are prepared on duplicate or triplicate forms, the original copy is the warehouse receipt and must be given upon request to the person storing the agricultural commodity covered by ~~such~~ *the* receipt. The

other copies ~~shall~~ *must* have plainly printed across the face the words "duplicate", "triplicate", or "nonnegotiable".

(9) Each warehouse receipt issued must show the amount of cash or value of any merchandise the ~~warehouseman~~ *warehouse operator* has advanced on the agricultural commodity represented by the receipt, but ~~such~~ *the* notation may not be construed as fixing the date of sale of ~~such~~ *the* grain.

(10) All warehouse receipts must be numbered consecutively as issued by each ~~warehouseman~~ *warehouse operator.*

(11) Warehouse receipts must be issued when storage is charged but no later than 30 days after delivery unless agreed to in writing by both parties.

(12) Warehouse receipts must be canceled by drawing a diagonal line and writing "CANCELED" across the face of the original copy of the warehouse receipt. The cancellation date and method of settlement, such as check number or purchase contract number, must also be noted on the face of the original copy of the warehouse receipt. The warehouse receipt holder or the receipt holder's agent shall sign and date the reverse side of the original copy of the warehouse receipt at the time of settlement. If the agricultural commodity is redelivered to the receipt holder, that fact must be noted."

Section 10. Section 80-4-538, MCA, is amended to read:

"**80-4-538. Warehouse shortage — remedies.** (1) For purposes of this section, whenever a ~~warehouseman~~ *warehouse operator* stores agricultural commodities of different kinds, a receipt holder has a claim against all commodities in storage, regardless of their kind, under ~~his~~ *the warehouse operator's* receipt.

(2) Whenever it appears, after an investigation, that a ~~warehouseman~~ *warehouse operator* does not have in ~~his~~ *the warehouse operator's* possession sufficient agricultural commodities to cover the outstanding warehouse receipts, scale weight tickets, or other evidence of storage liability issued or assumed by ~~him~~ *the warehouse operator* or when a ~~warehouseman~~ *warehouse operator* refuses to submit ~~his~~ *the warehouse operator's* books, papers, or property to lawful inspection, the department may give notice to the ~~warehouseman~~ *warehouse operator* to comply with the following requirements:

(a) to cover ~~such~~ *the* shortage;

(b) to give an additional bond as requested by the department; or

(c) to submit to ~~such~~ *an* inspection as the department considers necessary.

(3) If the ~~warehouseman~~ *warehouse operator* fails to comply with the terms of ~~such~~ *the* notice within 24 hours from the date of issuance of the notice or within ~~such~~ *a* further time as the department may allow, the department may petition the district court of the first judicial district, Lewis and Clark County, or the district court in the county where the licensee's principal place of business is located, as shown by the license application, for an order:

(a) authorizing the department to seize and take possession of any or all agricultural commodities in the warehouse or warehouses owned, operated, or controlled by the ~~warehouseman~~ *warehouse operator* and of all books, papers, and property of all kinds used in connection with the conduct or the operation of the warehouse business and any materials that pertain in any way to that business; and

(b) enjoining the ~~warehouseman~~ *warehouse operator* from interfering with the department in the discharge of its duties as required by this part.

(4) Upon taking possession, the department shall give written notice of its action to the surety on the bond of the ~~warehouseman~~ *warehouse operator* and may notify the holders of record, as shown by the ~~warehouseman's~~ *warehouse operator's* record, of all warehouse receipts or scale weight tickets issued for agricultural commodities to present their warehouse receipts or other evidence of deposits for inspection or to account for the ~~same~~ *receipts or evidence of deposits*. The department may ~~thereupon~~ cause an audit to be made of the affairs of the warehouse, including but not limited to the agricultural commodities of which there is an apparent shortage, to determine the amount of shortage and, if possible, to compute the shortage as to each depositor as shown by the ~~warehouseman's~~ *warehouse operator's* records. The department shall notify the ~~warehouseman~~ *warehouse operator* and the surety on ~~his~~ *the* bond of the amount of the shortage and notify each affected depositor by sending notices to the depositor's last-known address as shown by the records of the ~~warehouseman~~ *warehouse operator*.

(5) The department shall retain possession of the agricultural commodities in the warehouse or warehouses and the books, papers, and property of the ~~warehouseman~~ *warehouse operator* until ~~such time as~~:

(a) the ~~warehouseman~~ *warehouse operator* or the surety on the bond has satisfied the claims of all holders of warehouse receipts or other evidence of deposits;

(b) the surety on the bond has satisfied all ~~such~~ claims pro rata, if the shortage exceeds the amount of the bond; or

(c) the department is ordered by the court to surrender possession.

(6) If during or after the audit provided for in this section or at any other time the department has evidence that the ~~warehouseman~~ *warehouse operator* is insolvent or is unable to satisfy the claims of all holders of warehouse receipts or other evidence of deposits, the department may petition the *first judicial* district court for the appointment of the department to operate or liquidate the business of the warehouse.

(7) At any time within 10 days after the department takes possession of any agricultural commodities or the books, papers, or property of any warehouse, the ~~warehouseman~~ *warehouse operator* may serve notice on the department to appear in the *first judicial* district court ~~of the county in which the warehouse is located,~~ at a time to be fixed by the court, and show cause why the agricultural commodities, books, papers, and other property should not be restored to ~~his~~ *the warehouse operator's* possession.

(8) All necessary expenses incurred by the department in carrying out the provisions of this section may be recovered *at the discretion of the department from the assets of the licensee, from the agricultural commodities held by the licensee under warehouse receipt, or* in a separate civil action brought by the

CHAPTER NO. 459

[SB 258]

AN ACT CLARIFYING THAT A WORKERS' COMPENSATION INSURER IS ENTITLED TO SUBROGATION UNLESS THE INJURED EMPLOYEE IS ABLE TO DEMONSTRATE DAMAGES IN EXCESS OF THE WORKERS' COMPENSATION BENEFITS AND THE THIRD-PARTY RECOVERY COMBINED; AND AMENDING SECTION 39-71-414, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-414, MCA, is amended to read:

"**39-71-414. Subrogation.** (1) If an action is prosecuted as provided for in 39-71-412 or 39-71-413 and except as otherwise provided in this section, the insurer is entitled to subrogation for all compensation and benefits paid or to be paid under the Workers' Compensation Act. The insurer's right of subrogation is a first lien on the claim, judgment, or recovery.

(2) (a) If the injured employee intends to institute the ~~third party~~ *third-party* action, ~~he~~ *the employee* shall give the insurer reasonable notice of ~~his~~ *the* intention to institute the action.

(b) The injured employee may request that the insurer pay a proportionate share of the reasonable cost of the action, including ~~attorneys'~~ *attorney* fees.

(d) If the injured employee or the employee's personal representative institutes the action, the employee is entitled to at least one-third of the amount recovered by judgment or settlement less a proportionate share of reasonable costs, including ~~attorneys'~~ *attorney* fees, if the amount of recovery is insufficient to provide the employee with that amount after payment of subrogation.

(3) If an injured employee refuses or fails to institute the ~~third -party~~ *third-party* action within 1 year from the date of injury, the insurer may institute the action in the name of the employee and for the employee's benefit or that of the employee's personal representative. (4) An insurer may enter into compromise agreements in settlement of subrogation rights.

(5) Regardless of whether the amount of compensation and other benefits payable under the Workers' Compensation Act have been fully determined, the insurer and the claimant's heirs or personal representative may stipulate the proportion of the third-party settlement to be allocated under subrogation. Upon review and approval by the department, the agreement constitutes a compromise settlement of the issue of subrogation and may not be reopened by the department.

(6) (a) The insurer is entitled to full subrogation rights under this section, ~~even though~~ *unless* the claimant is able to demonstrate damages in excess of the workers' compensation benefits and the third-party recovery combined. ~~The insurer may subrogate against the entire settlement or award of a third-party claim brought by the claimant or his personal representative, without regard to the nature of the damages.~~ *If the insurer is entitled to subrogation under this section, the insurer may subrogate against the entire settlement or award of a third-party claim brought by the claimant or the claimant's personal representative without regard to the nature of the damages.*

(7) Regardless of whether the amount of compensation and other benefits payable have been fully determined, the insurer and the claimant may stipulate the proportion of the third-party settlement to be allocated under subrogation. Upon review and approval by the department, the agreement constitutes a compromise settlement of the issue of subrogation and may not be reopened by the department."

CHAPTER NO. 460

[SB 280]

AN ACT IMPLEMENTING THE 1992 STATE WATER PLAN; INCLUDING WATER QUALITY AS A CRITERION FOR WATER PERMIT, CHANGE AUTHORIZATION, CONTROLLED GROUND WATER AREA, AND BASIN CLOSURE DETERMINATIONS; AMENDING SECTIONS 85-2-311, 85-2-319, 85-2-402, AND 85-2-506, MCA; AND PROVIDING A RETROACTIVE APPLICABILITY DATE AND AN IMMEDIATE EFFECTIVE DATE.

STATEMENT OF INTENT

A statement of intent is required for this bill because the bill gives the department of natural resources and conservation authority to adopt administrative rules. The bill adds statutory criteria for the department to consider in the processing of an application for a permit, change authorization, controlled ground water area, or basin closure. In adopting rules implementing this bill and in interpreting the new statutory language, it is the intent of the legislature that the department and board of natural resources and conservation should assess the magnitude, character, duration, and geographical extent of the projected effects on the uses of water as classified and utilize this assessment in a practical manner.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 85-2-311, MCA, is amended to read:

"**85-2-311. Criteria for issuance of permit.** (1) Except as provided in subsections ~~(2)~~ *(3)* and ~~(3)~~ *(4)*, the department shall issue a permit if the applicant proves by ~~substantial credible~~ *a preponderance of* evidence that the following criteria are met:

(a) there are unappropriated waters in the source of supply at the proposed point of diversion:

(i) at times when the water can be put to the use proposed by the applicant;

(ii) in the amount the applicant seeks to appropriate; and

(iii) during the period in which the applicant seeks to appropriate, the amount requested is reasonably available;

(b) the water rights of a prior appropriator will not be adversely affected;

(c) the proposed means of diversion, construction, and operation of the appropriation works are adequate;

(d) the proposed use of water is a beneficial use;

(e) the proposed use will not interfere unreasonably with other planned uses or developments for which a permit has been issued or for which water has been reserved; ~~and~~

(f) the applicant has a possessory interest, or the written consent of the person with the possessory interest, in the property where the water is to be put to beneficial use;

(g) the water quality of a prior appropriator will not be adversely affected;

(h) the proposed use will be substantially in accordance with the classification of water set for the source of supply pursuant to 75-5-301(1); and

(i) the ability of a discharge permitholder to satisfy effluent limitations of a permit issued in accordance with Title 75, chapter 5, part 4, will not be adversely affected.

(2) The applicant is required to prove that the criteria in subsections (1)(g) through (1)(i) have been met only if a valid objection is filed. A valid objection must contain substantial credible information establishing to the satisfaction of the department that the criteria in subsection (1)(g), (1)(h), or (1)(i), as applicable, may not be met. For the criteria set forth in subsection (1)(h), only the department of health and environmental sciences or a local water quality district established under Title 7, chapter 13, part 45, may file a valid objection.

~~(2)~~*(3)* The department may not issue a permit for an appropriation of 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water unless the applicant proves by clear and convincing evidence that:

(a) the criteria in subsection (1) are met;

(b) the rights of a prior appropriator will not be adversely affected;

(c) the proposed appropriation is a reasonable use. ~~Such a~~ *A* finding ~~shall~~ *must* be based on a consideration of the following:

(i) the existing demands on the state water supply, as well as projected demands such as reservations of water for future beneficial purposes, including municipal water supplies, irrigation systems, and minimum streamflows for the protection of existing water rights and aquatic life;

(ii) the benefits to the applicant and the state;

(iii) the effects on the quantity and quality of water for existing beneficial uses in the source of supply;

(iv) the availability and feasibility of using low-quality water for the purpose for which application has been made;

(v) the effects on private property rights by any creation of or contribution to saline seep; and

(vi) the probable significant adverse environmental impacts of the proposed use of water as determined by the department pursuant to Title 75, chapter 1, or Title 75, chapter 20.

~~(3)~~*(4)* (a) The state of Montana has long recognized the importance of conserving its public waters and the necessity to maintain adequate water supplies for the state's water requirements, including requirements for reserved water rights held by the United States for federal reserved lands and in trust for the various Indian tribes within the state's boundaries. Although the state of Montana also recognizes that, under appropriate conditions, the out-of-state transportation and use of its public waters are not in conflict with the public welfare of its citizens or the conservation of its waters, the criteria in this subsection ~~(3)~~ *(4)* must be met before out-of-state use may occur.

(b) The department may not issue a permit for the appropriation of water for withdrawal and transportation for use outside the state unless the applicant proves by clear and convincing evidence that:

(i) depending on the volume of water diverted or consumed, the applicable criteria and procedures of subsection (1) or ~~(2)~~ *(3)* are met;

(ii) the proposed out-of-state use of water is not contrary to water conservation in Montana; and

(iii) the proposed out-of-state use of water is not otherwise detrimental to the public welfare of the citizens of Montana.

(c) In determining whether the applicant has proved by clear and convincing evidence that the requirements of subsections ~~(3)(b)(ii)~~ *(4)(b)(ii)* and ~~(3)(b)(iii)~~ *(4)(b)(iii)* are met, the department shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana;

(ii) whether the water that is the subject of the application could feasibly be transported to alleviate water shortages within the state of Montana;

(iii) the supply and sources of water available to the applicant in the state where the applicant intends to use the water; and

(iv) the demands placed on the applicant's supply in the state where the applicant intends to use the water.

(d) When applying for a permit or a lease to withdraw and transport water for use outside the state, the applicant shall submit to and comply with the laws of the state of Montana governing the appropriation, lease, and use of water.

~~(4)~~*(5)* To meet the ~~substantial credible~~ *preponderance of* evidence standard in this section, the applicant shall submit independent hydrologic or other evidence, including water supply data, field reports, and other information developed by the department, the U.S. geological survey, or the U.S. soil conservation service and other specific field studies, demonstrating that the criteria are met.

~~(5)~~*(6)* An appropriation, diversion, impoundment, use, restraint, or attempted appropriation, diversion, impoundment, use, or restraint contrary to the provisions of this section is invalid. The petition must be in a form as prescribed by the department and must allege facts showing that throughout or at certain times of the year or for certain beneficial uses:

(a) there are no unappropriated waters in the source of supply;

(b) the rights of prior appropriators will be adversely affected; ~~or~~

(c) further uses will interfere unreasonably with other planned uses or developments for which a permit has been issued or for which water has been reserved*; or*

(d) in the case of a petition filed by the department of health and environmental sciences:

(i) the water quality of an appropriator will be adversely affected by the issuance of permits;

The department shall serve by mail a copy of the notice, not less than 30 days before the hearing, upon each person or public agency known from the examination of the records of the department to be a claimant, appropriator, or permitholder of water in the source."

Section 3. Section 85-2-402, MCA, is amended to read:

"**85-2-402.** *(Temporary)* **Changes in appropriation rights.** (1) An appropriator may not make a change in an appropriation right except as permitted under this section and with the approval of the department or, if applicable, of the legislature.

(2) Except as provided in subsections ~~(3)~~ *(4)* through ~~(5)~~ *(6)*, the department shall approve a change in appropriation right if the appropriator proves by ~~substantial credible~~ *a preponderance of* evidence that the following criteria are met:

(a) The proposed use will not adversely affect the water rights of other persons or other planned uses or developments for which a permit has been issued or for which water has been reserved.

(b) Except for a lease authorization pursuant to 85-2-436 that does not require appropriation works, the proposed means of diversion, construction, and operation of the appropriation works are adequate.

(c) The proposed use of water is a beneficial use.

(d) The applicant has a possessory interest, or the written consent of the person with the possessory interest, in the property where the water is to be put to beneficial use.

(e) If the change in appropriation right involves salvaged water, the proposed water-saving methods will salvage at least the amount of water asserted by the applicant.

(f) The water quality of an appropriator will not be adversely affected.

(g) The ability of a discharge permitholder to satisfy effluent limitations of a permit issued in accordance with Title 75, chapter 5, part 4, will not be adversely affected.

(3) The applicant is required to prove that the criteria in subsections (2)(f) and (2)(g) have been met only if a valid objection is filed. A valid objection must contain substantial credible information establishing to the satisfaction of the department that the criteria in subsection (2)(f) or (2)(g), as applicable, may not be met.

~~(3)~~*(4)* The department may not approve a change in purpose of use or place of use of an appropriation of 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water unless the appropriator proves by ~~substantial credible~~ *a preponderance of* evidence that:

(a) the criteria in subsection (2) are met;

(b) the proposed change is a reasonable use. A finding of reasonable use must be based on a consideration of:

(i) the existing demands on the state water supply, as well as projected demands for water for future beneficial purposes, including municipal water supplies, irrigation systems, and minimum streamflows for the protection of existing water rights and aquatic life;

(ii) the benefits to the applicant and the state;

(iii) the effects on the quantity and quality of water for existing uses in the source of supply;

(iv) the availability and feasibility of using low-quality water for the purpose for which application has been made;

(v) the effects on private property rights by any creation of or contribution to saline seep; and

(vi) the probable significant adverse environmental impacts of the proposed use of water as determined by the department pursuant to Title 75, chapter 1, or Title 75, chapter 20.

~~(4)~~*(5)* The department may not approve a change in purpose of use or place of use for a diversion that results in 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water being consumed unless:

(a) the applicant proves by clear and convincing evidence and the department finds that the criteria in subsections (2) and ~~(3)~~ *(4)* are met; and

(b) the department then petitions the legislature and the legislature affirms the decision of the department after one or more public hearings.

~~(5)~~*(6)* (a) The state of Montana has long recognized the importance of conserving its public waters and the necessity to maintain adequate water supplies for the state's water requirements, including requirements for reserved water rights held by the United States for federal reserved lands and in trust for the various Indian tribes within the state's boundaries. Although the state of Montana also recognizes that, under appropriate conditions, the out-of-state transportation and use of its public waters are not in conflict with the public welfare of its citizens or the conservation of its waters, the following criteria must be met before out-of-state use may occur:

(b) The department and, if applicable, the legislature may not approve a change in appropriation right for the withdrawal and transportation of appropriated water for use outside the state unless the appropriator proves by clear and convincing evidence and, if applicable, the legislature approves after one or more public hearings that:

(i) depending on the volume of water diverted or consumed, the applicable criteria and procedures of subsection (2) or ~~(3)~~ *(4)* are met;

(ii) the proposed out-of-state use of water is not contrary to water conservation in Montana; and

(iii) the proposed out-of-state use of water is not otherwise detrimental to the public welfare of the citizens of Montana.

(c) In determining whether the appropriator has proved by clear and convincing evidence that the requirements of subsections ~~(5)(b)(ii)~~ *(6)(b)(ii)* and ~~(5)(b)(iii)~~ *(6)(b)(iii)* will be met, the department and, if applicable, the legislature shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana;

(ii) whether the water that is the subject of the proposed change in appropriation might feasibly be transported to alleviate water shortages within the state of Montana;

(iii) the supply and sources of water available to the applicant in the state where the applicant intends to use the water; and

(iv) the demands placed on the applicant's supply in the state where the applicant intends to use the water.

(d) When applying for a change in appropriation right to withdraw and transport water for use outside the state, the applicant shall submit to and comply with the laws of the state of Montana governing the appropriation and use of water.

~~(6)~~*(7)* For any application for a change in appropriation right involving 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water, the department shall give notice of the proposed change in accordance with 85-2-307 and shall hold one or more hearings in accordance with 85-2-309 prior to its approval or denial of the proposed change. The department shall provide notice and may hold one or more hearings upon any other proposed change if it determines that a change might adversely affect the rights of other persons.

~~(7)~~*(8)* The department or the legislature, if applicable, may approve a change subject to terms, conditions, restrictions, and limitations as it considers necessary to satisfy the criteria of this section, including limitations on the time for completion of the change. The department may extend time limits specified in the change approval under the applicable criteria and procedures of 85-2-312(3).

~~(8)~~*(9)* Upon actual application of water to the proposed beneficial use within the time allowed, the appropriator shall notify the department that the appropriation has been properly completed. The notification must contain a certified statement by a person with experience in the design, construction, or operation of appropriation works that the appropriation has been properly completed in substantial accordance with the terms and conditions of the change approval.

~~(9)~~*(10)* If a change is not completed as approved by the department or legislature or if the terms, conditions, restrictions, and limitations of the change approval are not complied with, the department may, after notice and opportunity for hearing, require the appropriator to show cause why the change approval should not be modified or revoked. If the appropriator fails to show sufficient cause, the department may modify or revoke the change approval.

~~(10)~~*(11)* The original of a change approval issued by the department must be sent to the applicant, and a duplicate must be kept in the office of the department in Helena.

~~(11)~~*(12)* A person holding an issued permit or change approval that has not been perfected may change the place of diversion, place of use, purpose of use, or place of storage by filing an application for change pursuant to this section.

~~(12)~~*(13)* A change in appropriation right contrary to the provisions of this section is invalid. An officer, agent, agency, or employee of the state may not knowingly permit, aid, or assist in any manner an unauthorized change in appropriation right. A person or corporation may not, directly or indirectly, personally or through an agent, officer, or employee, attempt to change an appropriation right except in accordance with this section. *(Terminates June 30, 1999—sec. 4, Ch. 740, L. 1991.)*

(b) The proposed means of diversion, construction, and operation of the appropriation works are adequate.

(c) The proposed use of water is a beneficial use.

(d) The applicant has a possessory interest, or the written consent of the person with the possessory interest, in the property where the water is to be put to beneficial use.

(e) If the change in appropriation right involves salvaged water, the proposed water-saving methods will salvage at least the amount of water asserted by the applicant.

The registration ~~shall~~ *must* be renewed annually by the manufacturer, formulator, or distributor of the pesticide. The department shall register all federally approved pesticides, and those registered are subject to registration fees and all other provisions of this chapter. All registrations of pesticides expire on December 31 following the date of issuance unless otherwise terminated.

(2) The applicant for registration shall file with the department a statement including:

(a) the name and address of the applicant and the name and address of the person whose name will appear on the label, if other than the registrant;

(b) a complete copy of the label of the pesticide, the United States environmental protection agency registration number if the pesticide is ~~so~~ registered, and a statement of all claims to be made for it, including directions for use;

(c) the trade and chemical name of the pesticide;

(3) ~~Any~~ *A* pesticide imported into ~~this~~ *the* state ~~which~~ *that* is subject to *and has been registered under* the provisions of ~~any~~ *a* federal act providing for the registration of pesticides ~~and has been registered under the provisions of a federal act shall~~ *must* be registered in the state. However, the state may restrict the sale or use and application of the pesticide by type of dealer, applicator, time, and place and may establish special registrations of pesticides as outlined in subsection (8) of this section and 80-8-105(3). The annual registration fee must also be paid, and registration information required by the department must be provided.

(4) The applicant shall pay an annual fee of $70 for each pesticide registered. A registration fee is not required to register a federally approved experimental use permit.

(5) The department may require the submission of the complete formula and certified analytical standards of any pesticide. If it appears to the department that the composition of the ~~article~~ *pesticide* warrants the proposed claims for it and if the ~~article~~ *pesticide* and its labeling and other material required to be submitted comply with the requirements of 80-8-202, ~~it~~ *the department* shall register the ~~article~~ *pesticide.*

(6) If it does not appear to the department that the ~~article~~ *pesticide* warrants the proposed claims for it or if the ~~article~~ *pesticide* and its labeling and other material required to be submitted do not comply with this chapter, ~~it~~ *the department* shall notify the applicant of the manner in which the ~~article~~ *pesticide*, labeling, or other material required to be submitted fails to comply with the chapter ~~so as to afford~~ *to provide* the applicant an opportunity to make the necessary corrections. If the applicant does not make the corrections upon receipt of the notice, the department may refuse to register the ~~article~~ *pesticide.* The department may suspend or cancel the registration of a pesticide whenever it does not appear that the ~~article~~ *pesticide* or its labeling comply with this chapter or whenever scientific evidence proves that the ~~article~~ *pesticide* endangers ~~man~~ *humans* or the general environment afforded protection under 80-8-105(3)(a). When an application for registration is refused or the department proposes to suspend or cancel a registration, the registrant may pursue administrative remedies under the Montana Administrative Procedure Act and rules of the department.

The departments shall utilize the same requirements and standards for reviewing registrations established by the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, and regulations adopted ~~thereunder~~ *under the act.* The department of agriculture shall provide the departments of health and environmental sciences and fish, wildlife, and parks with a complete copy of the application, related correspondence, and a statement of the depart-

A revision in funding distribution methods may necessitate transitional steps to minimize disruption of program services to students. It is intended that the superintendent of public instruction implement the changes in the funding provisions of this bill to assist a smoother transition and to minimize the impact of the changes to students and districts.

Section 4. Section 20-9-303, MCA, is amended to read:

"20-9-303. Definition of foundation program — nonisolated school foundation program financing — special education funds. (1) As used in this title, the term "foundation program" means the minimum expenditures that are sufficient to provide for the educational program of a school. The foundation program relates only to those expenditures authorized by a district's general fund budget and may not include expenditures from any other fund. It is financed by:

(a) county equalization money, as provided in 20-9-331 and 20-9-333;

(b) state equalization aid, as provided in 20-9-343;

(c) appropriations for special education; and

(d) a district levy as provided in subsection (3) for support of a school not approved as an isolated school under the provisions of 20-9-302.

(2) The foundation program includes:

(a) amounts in support of general education programs as provided in the schedules in 20-9-316 through 20-9-320; and

(b) payments in support of special education programs under 20-9-321.

(3) An elementary school having an ANB of nine or fewer pupils for 2 consecutive years which is not approved as an isolated school under the provisions of 20-9-302 may budget and spend the schedule amount, but the county and state shall participate in financing one-half of the foundation program, and the district shall finance the remaining one-half by a tax levied on the property of the district. When a school of nine or fewer pupils is approved as isolated under the provisions of 20-9-302, the county and state shall participate in the financing of the total amount of the foundation program.

(4) Funds provided to support the special education ~~accounting budget~~ *program* may be expended only for special education purposes as approved by the superintendent of public instruction in accordance with the special education budgeting provisions of this title. Expenditures for special education must be accounted for separately from the balance of the school district general fund. ~~Transfers between items within the special education budget for accounting purposes may be made at the discretion of the board of trustees in accordance with the financial administration part of this title.~~ The ~~unexpended balance~~ *amount* of the special education ~~accounting budget carries over to the next year to~~ *allowable cost payment that is not matched with district funds, as required in 20-9-321, will* reduce *by a like amount* the ~~amount of funding required to finance the~~ district's ensuing year's foundation program amount for special education."

Section 5. Section 20-9-311, MCA, is amended to read:

"**20-9-311. Calculation of average number belonging (ANB).** (1) Average number belonging must be computed by determining the total of the aggregate days of attendance by regularly enrolled, full-time pupils during the second semester of the preceding school fiscal year and the first semester of the current school fiscal year plus the aggregate days of absence by regularly enrolled, full-time pupils during the second semester of the preceding school fiscal year and the first semester of the current school fiscal year and by dividing the total by 180. However, when a school district has approval to operate less than 180 school days under 20-9-804, the total must be calculated in accordance with the provisions of 20-9-805. For the purpose of calculating ANB under this section, the days of attendance for a regularly enrolled pupil may not exceed 180 pupil-instruction days and 7 pupil-instruction-related days. Attendance for a part of a morning session or a part of an afternoon session by a pupil must be counted as attendance for one-half day. In calculating the ANB for pupils enrolled in a program established under 20-7-117(1), attendance at or absence from a regular session of the program for at least 2 hours of either a morning or an afternoon session ~~will~~ *must* be counted as one-half day attended or absent as the case may be. If a variance has been granted as provided in 20-1-302, ANB ~~will~~ *must* be computed in a manner prescribed by the superintendent of public instruction, but ~~in no case may~~ the ANB *may not* exceed one-half for each kindergarten pupil. When any pupil has been absent, with or without excuse, for more than 10 consecutive school days, including pupil-instruction-related days, ~~his~~ *the* absence after the 10th day of absence may not be included in the aggregate days of absence and ~~his~~ *the pupil's* enrollment in the school may not be considered in the calculation of the average number belonging until ~~he resumes~~ attendance at school *is resumed.*

~~(2) If a student spends less than half his time in the regular program and the balance of his time in school in the special education program, he is~~

~~considered a full-time special pupil but is not considered regularly enrolled for ANB purposes. If a student spends half or more of his time in school in the regular program and the balance of his time in the special education program, he is considered regularly enrolled for ANB purposes.~~

~~(3)~~*(2)* The average number belonging of the regularly enrolled, full-time pupils for the public schools of a district must be based on the aggregate of all the regularly enrolled, full-time pupils attending the schools of the district, except that when:

(a) (i) a school of the district is located more than 3 miles beyond the incorporated limits of a city or town located in the district and 3 miles from any other school of the district, all of the regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes; or

(ii) a school of the district is located more than 3 miles from any other school of the district and ~~no~~ incorporated territory is *not* involved in the district, all of the regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes;

(b) a junior high school has been approved and accredited as a junior high school, all of the regularly enrolled, full-time pupils of the junior high school must be considered as high school district pupils for ANB purposes;

(c) a middle school has been approved and accredited, all pupils below the 7th grade must be considered elementary school pupils for ANB purposes and the 7th and 8th grade pupils must be considered high school pupils for ANB purposes; or

(d) a school has not been accredited by the board of public education, the regularly enrolled, full-time pupils attending the nonaccredited school are not eligible for average number belonging calculation purposes, nor will an average number belonging for the nonaccredited school be used in determining the foundation program for the district.

~~(4)~~*(3)* When 11th or 12th grade students are regularly enrolled on a part-time basis, high schools may calculate the ANB to include an "equivalent ANB" for those students. The method for calculating an equivalent ANB must be determined in a manner prescribed by the superintendent of public instruction."

Section 6. Section 20-9-313, MCA, is amended to read:

"20-9-313. **Circumstances under which the regular average number belonging may be increased.** The average number belonging of a school, calculated in accordance with the ANB formula prescribed in 20-9-311, may be increased when:

(1) the opening of a new elementary school or the reopening of an elementary school has been approved in accordance with 20-6-502. The average number belonging for the school must be established by the county superintendent and approved, disapproved, or adjusted by the superintendent of public instruction.

(2) the opening or reopening of a high school or a branch of the county high school has been approved in accordance with 20-6-503, 20-6-504, or 20-6-505. The average number belonging for the high school must be established by the

county superintendent's estimate, after an investigation of the probable number of pupils that will attend the high school.

(3) a district anticipates an increase in the average number belonging due to the closing of any private or public school in the district or a neighboring district. The estimated increase in average number belonging must be established by the trustees and the county superintendent and approved, disapproved, or adjusted by the superintendent of public instruction no later than the fourth Monday in June.

(4) a district anticipates an unusual enrollment increase in the ensuing school fiscal year. The increase in average number belonging must be based on estimates of increased enrollment approved by the superintendent of public instruction and must be computed in the manner prescribed by 20-9-314.

(5) for the initial year of operation of a program established under 20-7-117(1), the ANB to be used for budget purposes is the same as one-half the number of 5-year-old children residing in the district as of September 10 of the preceding school year, either as shown on the official school census or as determined by some other procedure approved by the superintendent of public instruction; *or*

~~(6) a full-time special pupil, as defined in 20-9-311, in a given school fiscal year may no longer be considered a full-time special pupil in the ensuing school fiscal year (the superintendent of public instruction may grant one ANB for the pupil for the ensuing school fiscal year); or~~

~~(7)~~*(6)* a high school district provides early graduation for any student who completes graduation requirements in less than eight semesters or the equivalent amount of secondary school enrollment or when a high school district provides early graduation for a class of students who have completed the requirements for graduation after 175 pupil-instruction days in the 12th grade. The increase must be established by the trustees as though the student had attended to the end of the school fiscal year and must be approved, disapproved, or adjusted by the superintendent of public instruction."

Section 7. Section 20-9-321, MCA, is amended to read:

"**20-9-321. Foundation program and contingency funds for special education.** (1) For the purpose of establishing the foundation program amount for a current year special education program for a school district, the superintendent of public instruction shall determine the total ~~estimated cost of the special education program for the school district on the basis of a special education program budget submitted by the district. The budget must be prepared on forms provided by the superintendent of public instruction and must set out for each program~~ *special education payment to a school district, cooperative, or joint board for special education services formed under 20-3-361 prior to July 1, 1992, using the following factors*:

(a) the ~~estimated allowable costs associated with operating the program where allowable costs are as defined in 20-7-431~~ *district ANB student count as established pursuant to 20-9-311 and 20-9-313*;

(b) ~~the number of pupils expected to be enrolled in the program~~ *a per-ANB amount for the special education instructional block grant*; ~~and~~

(c) a per-ANB amount for the special education related services block grant;

(d) weighted cost factors for cooperatives or joint boards meeting the requirements of 20-7-457, to compensate for the additional costs of operations and maintenance, travel, supportive services, recruitment, and administration;

(e) district and cooperative expenditure reports; and

~~(e)~~*(f)* any other data required by the superintendent of public instruction ~~for budget justification purposes and~~ to administer the provisions of ~~20-9-315 through~~ *20-7-431 and* 20-9-321.

(2) ~~The total amount of allowable costs approved by the superintendent of public instruction is the special education foundation program amount for current year special education program purposes. The total amount of allowable costs that are approved for the special education budget may not, under any condition, be less than the foundation program amount for one regular ANB for each full-time special pupil in the school district.~~ *Special education allowable cost payments must be granted to each school district and cooperative with a special education program as follows:*

(a) An instructional block grant must be awarded to each school district, based on the district ANB and the per-ANB special education instructional amount.

(b) A special education related services block grant must be awarded to each school district that is not a cooperative member, based on the district ANB and the per-ANB special education related services amount. The special education related services block grant amount for districts that are members of approved cooperatives or a joint board must be awarded to the cooperatives or joint board. If a cooperative or joint board meets the requirements of 20-7-457, the special education related services block grant must be weighted for the factors in subsection (1)(d).

(3) The superintendent of public instruction shall annually determine the per-ANB special education instructional and special education related services block grant amounts based on the prior years' trustees' expenditure data for special education instruction and related services.

(4) The superintendent of public instruction shall adopt rules necessary to implement this section.

(5) A district shall provide a 25% local contribution for special education, matching every $3 of state special education instructional and special education related services block grants with at least one local dollar. A district that is a cooperative member is required to provide the 25% match of the special education related services grant amount to the special education cooperative, but the district is not required to match the weighted funding factors.

(6) The superintendent of public instruction shall determine the actual district match based on the trustees' reports. Any unmatched portion reverts to the state and must be subtracted from the district's ensuing year's foundation program payment.

(7) If a district's allowable costs of special education, as verified by the trustees' reports, exceed by at least 10% the total of the special education instructional and special education related services block grants plus the required district match, the district is eligible for a 65% reimbursement of the costs that exceed the additional 10%. A district that demonstrates severe economic hardship because of exceptional special education costs may apply to the superintendent of public instruction for an advance on the reimbursement for the year in which the actual costs will be incurred.

~~(3)~~*(8)* Any amount of the special education allowable costs for a district approved under the provisions of subsection (2) that is an increase in the approved allowable costs from the previous school fiscal year and is a result of expanded programs or recalculations of the special education allowable costs base may be deposited and managed in the separate account of the miscellaneous programs fund of the district that is prescribed in ~~subsection (4)~~ *20-9-507.*

~~(4) If a special education program is implemented or expanded during a given school term too late to be included in the determination of the district foundation program for the school year as prescribed in this part, allowable costs approved under the budgeting provisions of subsections (1) and (2) for the operation of the program during the given year must be funded from any legislative appropriation for contingency financing for special education. Contingency funds granted under this subsection must be deposited in a separate account of the miscellaneous programs fund of the district as provided in 20-9-507. However, if contingency funds are not available, then subject to the approval of the program by the superintendent under the budget amendment provisions of 20-9-161(6), allowable costs for the given year may be funded in the miscellaneous programs fund by other revenue sources and added to the foundation program amount for special education for the subsequent school year under the provisions of 20-9-147. The allowable costs must be recorded as previous year special education expenses in the school district budget for the subsequent school year.~~

~~(5) (a) The special education contingency funds in subsection (4):~~

~~(i) are biennially appropriated;~~

~~(ii) are for emergencies that may arise in the special education programs of school districts or special education cooperatives; and~~

~~(iii) may be used to fund positions that have gone unfilled for a full school fiscal year and for which state special education funds were not awarded.~~

~~(b) The board of trustees of a district or the management board of a special education cooperative may apply for contingency funding by submitting to the superintendent of public instruction, in the form prescribed by the superintendent of public instruction, written documentation that describes the need for the funds.~~

~~(6) The sum of the previous year special education expenses as defined in subsections (3) and (4) and the foundation program amount for current year special education as defined in subsections (1) and (2) is the special education budget for accounting purposes.~~

~~(7)~~*(9)* The foundation program amount for special education *determined in this section* must be added to the foundation program *schedule* amount ~~of the regular program ANB defined in~~ *determined pursuant to* 20-9-311 ~~and 20-9-313~~ *through 20-9-320* to obtain the total foundation program amount for the district."

Section 8. Section 20-9-507, MCA, is amended to read:

"**20-9-507. Miscellaneous programs fund.** (1) The trustees of a district receiving money from local, state, federal, or other sources provided in 20-5-307(4), 20-5-312(8), and 20-9-321~~(3)~~*(8)* other than money under the provisions of Title I of Public Law 81-874 or federal money designated for deposit in a specific fund of the district shall establish a miscellaneous programs fund for the deposit of the money. The money may be a reimbursement of miscellaneous program fund expenditures already realized by the district or may be a grant of money for the financing of expenditures to be realized by the district for a special, approved program to be operated by the district. When the money is a reimbursement, the money may be expended at the discretion of the trustees for school purposes. When the money is a grant, the money must be expended according to the conditions of the program approval by the superintendent of public instruction or any other approval agent. Within the miscellaneous programs fund, the trustees shall cause a separate accounting to be maintained for each federal grant program and for the aggregate of all reimbursement money.

(2) The financial administration of the miscellaneous programs fund must be in accordance with the financial administration provisions of this title for a nonbudgeted fund."

Section 9. **Repealer.** Section 20-7-458, MCA, is repealed.

Section 10. **Effective dates.** (1) [Section 5] is effective January 1, 1994.

(2) [Sections 1, 3, 4, and 6 through 9] are effective July 1, 1994.

Approved April 21, 1993.

CHAPTER NO. 467

[SB 381]

AN ACT DEFINING UNDERINSURED EMPLOYERS AS EMPLOYERS WHO KNOWINGLY MISREPRESENT EMPLOYEES' WORK DESCRIPTIONS IN ORDER TO PAY LOWER WORKERS' COMPENSATION PREMIUMS; PROVIDING FOR THE COLLECTION OF PAYMENTS; PROVIDING PENALTIES OR FINES; AND CREATING REMEDIES FOR ENFORCEMENT BY THE DEPARTMENT OF LABOR AND INDUSTRY.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definition of underinsured employer.** For purposes of [sections 1 through 4], the term "underinsured employer" means an employer who knowingly misrepresents the duties of an employee in order to pay lower workers' compensation rates than the employer would have been required to pay if the character of the employee's work had been properly classified. The term "knowingly" has the meaning as defined in 45-2-101.

Section 2. **Penalties and remedies for underinsuring.** (1) (a) The department may require that an underinsured employer pay to the department a penalty of up to double the premium that the employer would have paid if the employer had properly classified the employee or $200, whichever is greater. In determining the amount for the calculation of the penalty under this subsection (a), the department shall make an assessment on how much premium would have been paid on the employer's past 3-year payroll for periods within the 3 years when the employer was underinsured. The department shall determine the amount of the penalty based upon the gravity of the violation and the clarity of the relevant classification codes. The determination by the department is subject to the provisions in 39-71-204.

(b) The penalty provided in subsection (1)(a) may be assessed against the employer for each employee not properly classified.

(c) The fund must receive from an underinsured employer an amount equal to all benefits paid or to be paid from the fund to an injured employee of the underinsured employer. However, the uninsured employer's liability under this subsection (c) may not exceed $50,000.

(2) When the department discovers an underinsured employer, it may order the employer to cease operations until the employer's employees are properly classified and the correct premium rates are being paid to the insurer.

(3) An employer who does not comply with the department's order to cease operations is guilty of a misdemeanor. Each day of violation is a separate offense. The county attorney may bring a criminal action under this subsection in the county in which the violation occurs. Prosecution under this subsection does not bar the department from enforcing its order by a civil action.

(4) The department may institute and maintain in the name of the state, through the attorney general or the county attorney, an action for an injunction order or other civil remedy in district court to enforce its order to cease operations.

(5) This section does not limit a private insurer's civil remedies to collect premiums owed by the employer for paying insufficient premiums due to misclassification of employees.

Section 3. **Collection of payments from underinsured employer.** If, upon demand of the department, an underinsured employer refuses to make the payments due under [section 2], the amount due may be collected by the department through suit. The department may settle through compromise with the underinsured employer the amount to be collected.

Section 4. **Creation of underinsured employers' fund.** (1) There is created a fund into which the money collected under [sections 2 and 3] must be deposited. The department shall administer the fund and use the money deposited into the fund to administer and enforce the provisions of [sections 1 through 4].

(2) Any surplus in the fund may not be kept in the fund and must be deposited in the uninsured employers' fund to be used for the purposes of that fund as provided in 39-71-502.

Section 5. **Codification instruction.** [Sections 1 through 4] are intended to be codified as an integral part of Title 39, chapter 71, and the provisions of Title 39, chapter 71, apply to [sections 1 through 4].

Approved April 21, 1993.

WHEREAS, Montana residents currently face a housing crisis that includes a lack of affordable housing and a lack of available mobile home park spaces; and

WHEREAS, under 70-24-441 landlords of mobile home parks may, without supplying a reason, evict tenants who rent space in mobile home parks; and

WHEREAS, if evicted unfairly, mobile home owners who rent space in mobile home parks may be forced to sell their mobile homes at a fraction of their costs and within an unreasonable amount of time (30 days pursuant to 70-24-441) in order to comply with the eviction.

STATEMENT OF INTENT

A statement of intent is required for this bill because [section 3] requires the department of state lands to adopt administrative rules. In adopting rules, the department shall establish application content requirements and amendment processing procedures that are consistent with the permitting requirements established in this bill.

Be it enacted by the Legislature of the State of Montana:

(g) changes in a permit boundary that increase disturbed acres that are insignificant in impact relative to the entire operation, provided that the increase is less than 10 acres or 5% of the permitted area, whichever is less; and

(h) changes in an approved operating plan or reclamation plan for an activity that was previously permitted, provided that the impacts of the change will be insignificant relative to the impacts of the entire operation and there is less than 10 acres of additional disturbance.

WHEREAS, the driver of the fleeing vehicle was intoxicated at the time of the accident and had a prior conviction for driving under the influence of alcohol or drugs; and

WHEREAS, additional penalties for multiple offenders may deter multiple violations and prevent the kind of tragedy that Officer Cady and his family have suffered and may prevent other families from suffering in the same way.

THEREFORE, the Legislature finds it fitting to enact the following legislation.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-8-714, MCA, is amended to read:

"**61-8-714. Penalty for driving under influence of alcohol or drugs.** (1) Except as provided in subsections (7) and (8), a person convicted of a violation of 61-8-401 shall be punished by imprisonment in the county jail for not less than 24 consecutive hours or more than 60 days and shall be punished by a fine of not less than $100 or more than $500. The imprisonment sentence may not be suspended unless the judge finds that the imposition of the imprisonment sentence will pose a risk to the defendant's physical or mental well-being.

(2) Except as provided in subsection (7), on a second conviction, ~~he~~ *the person* shall be punished by a fine of not less than $300 or more than $500 and by imprisonment for not less than 7 days, at least 48 hours of which must be served consecutively, or more than 6 months. Except as provided in subsection (7), 3 days of the imprisonment sentence may not be suspended unless the judge finds that the imposition of the imprisonment sentence will pose a risk to the defendant's physical or mental well-being.

(3) *(a)* Except as provided in subsection (7), on the third or subsequent conviction, ~~he~~ *the person* shall be punished by imprisonment for a term of not less than 30 days, at least 48 hours of which must be served consecutively, or more than 1 year and by a fine of not less than $500 or more than $1,000. Except as provided in subsection (7), notwithstanding any provision to the contrary providing for suspension of execution of a sentence imposed under this subsection, the imposition or execution of the first 10 days of the imprisonment sentence imposed for a third or subsequent offense that occurred within 5 years of the first offense may not be deferred or suspended.

(b) (i) On the third or subsequent conviction, the court, in addition to any other penalty imposed by law, shall order the motor vehicle owned and operated by the person at the time of the offense to be seized and subjected to the procedure provided under [section 3].

(ii) A vehicle used by a person as a common carrier in the transaction of business as a common carrier is not subject to forfeiture unless it appears that the owner or other person in charge of the vehicle consented to or was privy to the violation. A vehicle may not be forfeited under this section for any act or omission established by the owner to have been committed or omitted by a person other than the owner while the vehicle was unlawfully in the possession of a person other than the owner in violation of the criminal laws of this state or the United States.

(iii) Forfeiture of a vehicle encumbered by a security interest is subject to the secured person's interest if the person did not know and could not have reasonably known of the unlawful possession, use, or other act on which the forfeiture is sought.

(4) In addition to the punishment provided in this section, regardless of disposition, the defendant shall complete an alcohol information course at an alcohol treatment program approved by the department of corrections and human services, which may, in the sentencing court's discretion and upon recommendation of a certified chemical dependency counselor, include alcohol or drug treatment, or both. On conviction of a second or subsequent offense under this section, in addition to the punishment provided in this section, regardless of disposition, the defendant shall complete an alcohol information course at an alcohol treatment program approved by the department of corrections and human services, which must include alcohol or drug treatment, or both. Each counselor providing education or treatment shall, at the commencement of the education or treatment, notify the court that the defendant has been enrolled in a course or treatment program. If the defendant fails to attend the course or the treatment program, the counselor shall notify the court of the failure. As long as the alcohol information course is approved as provided in this subsection and the treatment is provided by a certified chemical dependency counselor, the defendant may attend the information course and treatment program of ~~his~~ *the defendant's* choice. The treatment provided to the defendant at a treatment program must be at a level appropriate to ~~his~~ *the defendant's* alcohol problem, as determined by the judge based upon the recommendation from the certified chemical dependency counselor.

(5) For the purpose of determining the number of convictions under this section, "conviction" means a final conviction, as defined in 45-2-101, in this state, conviction for a violation of a similar statute in another state, or a forfeiture of bail or collateral deposited to secure the defendant's appearance in court in this state or another state, which forfeiture has not been vacated. An offender is considered to have been previously convicted for the purposes of sentencing if less than 5 years have elapsed between the commission of the present offense and a previous conviction. If there has been no additional conviction for an offense under this section for a period of 5 years after a prior conviction under this section, then all records and data relating to the prior conviction are confidential criminal justice information, as defined in 44-5-103,

and public access to the information may only be obtained by district court order upon good cause shown.

(6) For the purpose of calculating subsequent convictions under this section, a conviction for a violation of 61-8-406 also constitutes a conviction for a violation of 61-8-401.

(7) The court may order that a term of imprisonment imposed under this section be served in another facility made available by the county and approved by the sentencing court. The defendant, if financially able, shall bear the expense of the imprisonment in the facility. The court may impose restrictions on the defendant's ability to leave the premises of the facility and require that the defendant follow the rules of that facility. The facility may be, but is not required to be, a community-based prerelease center as provided for in 53-1-203. The prerelease center may accept or reject a defendant referred by the sentencing court.

(8) Except for the initial 24 hours on a first offense or the initial 48 hours on a second or subsequent offense, the court may order that a term of imprisonment imposed under this section be served by imprisonment under home arrest as provided in Title 46, chapter 18, part 10."

Section 2. Section 61-8-722, MCA, is amended to read:

"**61-8-722. Penalty for driving with excessive alcohol concentration.** (1) Except as provided in subsection (7), a person convicted of a violation of 61-8-406 shall be punished by imprisonment for not more than 10 days and shall be punished by a fine of not less than $100 or more than $500.

(2) Except as provided in subsection (7), on a second conviction of a violation of 61-8-406, he shall be punished by imprisonment for not less than 48 consecutive hours or more than 30 days and by a fine of not less than $300 or more than $500.

(3) *(a)* Except as provided in subsection (7), on a third or subsequent conviction of a violation of 61-8-406, he shall be punished by imprisonment for not less than 48 consecutive hours or more than 6 months and by a fine of not less than $500 or more than $1,000.

(b) (i) On the third or subsequent conviction, the court, in addition to any other penalty imposed by law, shall order the motor vehicle owned and operated by the person at the time of the offense to be seized and subjected to the procedure provided under [section 3].

(ii) A vehicle used by a person as a common carrier in the transaction of business as a common carrier is not subject to forfeiture unless it appears that the owner or other person in charge of the vehicle consented to or was privy to the violation. A vehicle may not be forfeited under this section for any act or omission established by the owner to have been committed or omitted by a person other than the owner while the vehicle was unlawfully in the possession of a person other than the owner in violation of the criminal laws of this state or the United States.

(iii) Forfeiture of a vehicle encumbered by a security interest is subject to the secured person's interest if the person did not know and could not have reasonably

known of the unlawful possession, use, or other act on which the forfeiture is sought.

(4) The provisions of 61-5-205(2), 61-5-208(2), and 61-11-203(2)(d), relating to revocation and suspension of driver's licenses, apply to any conviction under 61-8-406.

(5) In addition to the punishment provided in this section, regardless of disposition, the defendant shall complete an alcohol information course at an alcohol treatment program approved by the department of corrections and human services, which may include alcohol or drug treatment, or both, if considered necessary by the counselor conducting the program. Each counselor providing education or treatment shall, at the commencement of the education or treatment, notify the court that the defendant has been enrolled in a course or treatment program. If the defendant fails to attend the course or the treatment program, the counselor shall notify the court of the failure.

(6) For the purpose of determining the number of convictions under this section, "conviction" means a final conviction, as defined in 45-2-101, in this state or a similar statute in another state or a forfeiture of bail or collateral deposited to secure the defendant's appearance in court in this state or another state, which forfeiture has not been vacated. An offender is considered to have been previously convicted for the purposes of sentencing if less than 5 years have elapsed between the commission of the present offense and a previous conviction. If there has been no additional conviction for an offense under this section for a period of 5 years after a prior conviction under this section, then the prior offense must be expunged from the defendant's record.

(7) The court may order that a term of imprisonment imposed under this section be served in another facility made available by the county and approved by the sentencing court. The defendant, if financially able, shall bear the expense of the imprisonment in the facility. The court may impose restrictions on the defendant's ability to leave the premises of the facility and require that the defendant follow the rules of that facility. The facility may be, but is not required to be, a community-based prerelease center as provided for in 53-1-203. The prerelease center may accept or reject a defendant referred by the sentencing court.

(8) Except for the initial 24 hours on a first offense or the initial 48 hours on a second or subsequent offense, the court may order that a term of imprisonment imposed under this section be served by imprisonment under home arrest as provided in Title 46, chapter 18, part 10."

Section 3. **Forfeiture procedure.** (1) A motor vehicle forfeited under 61-8-714 or 61-8-722 must be seized by the arresting agency within 10 days after the conviction and disposed of as provided in Title 44, chapter 12, part 2. Except as provided in this section, the provisions of Title 44, chapter 12, part 2, apply to the extent applicable.

(2) Forfeiture proceedings under 44-12-201(1) must be instituted by the arresting agency within 20 days after the seizure of the motor vehicle.

(3) For purposes of 44-12-203 and 44-12-204, there is a rebuttable presumption of forfeiture. The owner of the motor vehicle may rebut the presumption by

proving a defense under 61-8-714(3)(b)(ii) or 61-8-722(3)(b)(ii) or by proving that the owner was not convicted of a third or subsequent offense under 61-8-401 or 61-8-406. It is not a defense that the convicted person owns the motor vehicle jointly with another person.

(4) (a) For purposes of 44-12-206, the proceeds of the sale of the motor vehicle must be distributed first to the holders of security interests who have presented proper proof of their claims, up to the amount of the interests or the amount received from the sale, whichever is less, and the remainder to the general fund of the arresting agency.

(b) A holder of a security interest may petition the sentencing court for transfer of title to the motor vehicle to the holder of the security interest if the secured interest is equal to or greater than the estimated value of the motor vehicle.

(5) Actions the court may take under 44-12-205(3) to protect the rights of innocent persons include return of the motor vehicle without a sale to an owner who is unable to present an adequate defense under this section but is found by the court to be without fault.

Section 4. **Codification instruction.** [Section 3] is intended to be codified as an integral part of Title 61, chapter 8, part 4, and the provisions of Title 61, chapter 8, part 4, apply to [section 3].

STATEMENT OF INTENT

This bill is introduced as a result of a legislative request to combine the water development and renewable resource development programs. These grant and loan programs have been administered as essentially one program for the past 4 bienniums. The renewable resource grant and loan program keeps the critical elements of both the water development and renewable resource development programs and does not expand either eligible projects or eligible applicants.

The long-range planning subcommittee of the appropriations and finance and claims committees stated its intent to establish minimum funding levels for these grant programs in House Bill No. 6 (Chapter 551, Laws of 1991) and House Bill No. 8 (Chapter 552, Laws of 1991) passed by the 1991 legislature. Over the past several bienniums grant funding has decreased. At the same time, revenues allocated to the water development, renewable resource development, and reclamation and development accounts have increased. Appropriations to natural resource agencies have made up the difference and have increased at a rate surpassing the growth in resource indemnity trust (RIT) interest income. This bill establishes minimum funding levels for the renewable resource grant and loan program, the reclamation and development grants program, and the water storage account.

In order to reflect the combining of the water development and renewable resource development programs, the allocation of interest earnings from the RIT is changed. Currently, 30% and 8%, respectively, of the RIT interest earnings are allocated to water development and the renewable resource development state special revenue accounts. This bill would eliminate these accounts. In their place, the renewable resource grant and loan program state special revenue account would be established and 38% of the RIT interest earnings would be allocated to this account.

Resource indemnity tax proceeds are allocated to the renewable resource grant and loan program and the reclamation and development grants state special revenue accounts. This will ensure funding for the operation of state natural resource agencies.

Be it enacted by the Legislature of the State of Montana:

WHEREAS, the State of Montana still owns the Montana Territorial Prison, more commonly known as the old Montana State Prison, in the city of Deer Lodge in Powell County, Montana; and

WHEREAS, since at least 1980, the Department of Corrections and Human Services has leased the old Montana State Prison to the city of Deer Lodge, which has, since 1980, assigned that lease to the Powell County Museum and Arts Foundation; and

WHEREAS, the Powell County Museum and Arts Foundation has maintained the old Montana State Prison as a museum and regional tourist attraction and has expended substantial sums of money for the operation and maintenance of the prison complex, all of which have benefited the prison structure and the economy of the Powell County area and have been made for the education and enjoyment of the public; and

WHEREAS, continued operation of the old Montana State Prison as a museum by the Powell County Museum and Arts Foundation will fulfill a substantial governmental purpose by contributing to the local economies of the city of Deer Lodge and of Powell County and by providing for the care and upkeep of the prison complex without public expense; and

WHEREAS, the city of Deer Lodge, Powell County, the Powell County Museum and Arts Foundation, and the Department of Corrections and Human Services desire to make the land available to the Foundation for museum purposes; and

WHEREAS, transfer of the prison complex to the Powell County Museum and Arts Foundation will recognize the consideration paid over the years by the Foundation in the form of the expenditure of funds for the maintenance and upkeep of the prison complex.

Section 1. Section 23-2-508, MCA, is amended to read:

"**23-2-508. Certificate of ownership — filing of security interests.** (1) Except as provided in subsection (9), a motorboat or sailboat 12 feet in length or longer may not be operated upon the waters of the state unless a certificate of ownership has first been obtained from the department of justice in accordance with the laws of this state.

(2) The owner of a motorboat or sailboat 12 feet in length or longer shall apply for a certificate of ownership and a certificate of number with the county treasurer of the county in which the owner resides, upon forms furnished by the department of justice. The forms must require the following information:

(d) name and address of any lienholder;

(e) amount due under any contract or lien;

(f) name of the manufacturer;

(g) model number or name;

(h) identification number;

(i) name and address of the dealer or other person from whom acquired, if known; and

(j) other information as the department of justice may require.

(3) The application is to be accompanied by documentation of ownership, such as an invoice, a bill of sale, a foreign title, an official certificate of boat number, a fee in lieu of tax receipt, or a certificate of ownership of a trailer purchased with the motorboat or sailboat. An applicant who fails to provide proof of ownership shall provide a certified statement describing how the motorboat or sailboat 12 feet in length or longer was acquired, from whom acquired, if known, and other information requested by the department of justice.

(4) If a certificate of ownership has previously been issued under the provisions of this part, the application for a new certificate must be accompanied by the immediately previous certificate. This subsection does not apply to motorboats or sailboats 12 feet in length or longer that are purchased as new and unused vessels or that were operated when the provisions of this part were not in force and effect.

(5) A motorboat or sailboat 12 feet in length or longer that does not have a manufacturer's or other identifying number on the motorboat or sailboat must be assigned an identification number by the department of fish, wildlife, and parks. A fee of $1 must be paid to the department for an assignment of number.

(6) Upon completion of the application, the county treasurer shall issue to the applicant two copies of the certificate of number application, one of which must be marked "file copy". The treasurer shall forward one copy and the original application for a certificate of ownership to the department of justice, which shall enter the information contained in the application upon the corresponding records of its office and shall furnish the applicant a certificate of ownership containing that information in the application considered necessary by the department and a permanent boat number. The certificate of ownership need not be renewed annually and is valid as long as the person holding it owns the vessel.

(7) The owner shall at all times retain possession of the certificate of ownership, except when it is being transmitted to and from the department of justice for endorsement or cancellation.

(8) Upon application for a certificate of ownership, a fee of $5 must be paid to the county treasurer, $3.50 of which must be forwarded by the county treasurer to the department of justice and deposited in the general fund.

The lien notice must be filed on a form approved by the department of justice.~~ The department of justice may not file a *voluntary* security interest or ~~other~~ lien unless it is accompanied by or specified in the application for a certificate of ownership of the boat encumbered. If the *approved* lien notice is transmitted to the department of justice, the security agreement or other lien instrument that creates the security interest must be retained by the secured party. A copy of the security agreement is sufficient as a lien notice if it contains the name and address of the debtor and the secured party, the complete boat description, the amount of the lien, and the signature of the debtor. The department of justice shall file ~~the~~ *voluntary* security ~~interest or lien~~ *interests and liens* by entering the name and address of the secured party upon the face of the certificate of ownership. *Involuntary liens must be filed against the record of the boat encumbered.* The department of justice shall mail a statement certifying the filing of a security interest or lien to the secured party. The owner of a boat is the person entitled to operate and possess the boat.

(11) A security interest in a boat held as inventory by a dealer must be perfected in accordance with Title 30, chapter 9~~, and no endorsement on the certificate of title is necessary for perfection~~.

(12) Whenever a security interest or lien is filed against a boat that is subject to two security interests previously perfected under this section, the department of justice shall endorse on the face of the certificate of ownership: "NOTICE. This boat is subject to additional security interest on file with the Department of Justice." No other information regarding the additional security interests need be endorsed on the certificate.

(13) Satisfactions or statements of release filed with the department of justice under this part must be retained for a period of 8 years after receipt, after which they may be destroyed.

On that date, the county treasurer shall issue to the secured party a receipt evidencing the perfection. Perfection under this section constitutes constructive notice to subsequent purchasers or encumbrancers, from the date of delivery of the lien notice to the county treasurer, of the existence of the security interest.

(15) Voluntary security interests or lien filings that do not require transfer of ownership are perfected on the date the lien notice and the certificate of ownership or manufacturer's statement of origin are received by the department of justice. On that date, the department of justice shall issue to the secured party a receipt evidencing the perfection. Perfection under this subsection constitutes constructive notice to subsequent purchasers or encumbrancers, from the date the

lien notice is delivered to the department of justice, of the existence of the security interest.

~~(15)~~*(16)* Upon default under a chattel mortgage or conditional sales contract covering a boat, the mortgagee or vendor has the same remedies as in the case of other personal property. (vi) execute a certificate to the effect that the applicant is a bona fide dealer in new motor vehicles and that ~~he~~ *the dealer* is recognized by a manufacturer, importer, or distributor as a dealer in new motor vehicles.

(b) To qualify as a used motor vehicle dealer and for the use of "UD" plates; as a recreational vehicle dealer and for the use of "RV" plates; as a trailer, semitrailer, or special mobile equipment dealer and for the use of "DTR" plates; as a motorcycle or quadricycle dealer and for the use of "MCD" plates; or as a wholesaler and for the use of demonstrator plates, the applicant shall, in addition to the matters set forth in subsections (i) and (ii) of subsection (2)(a) ~~above~~, provide:

(i) a statement that the:

(A) applicant has an established place of business that includes a lot or lots upon which motor vehicles may be displayed and a permanent nonresidential building on or contiguous to the lot or lots where records are kept and sales are made; or

CHAPTER NO. 483

[SB 427]

AN ACT ALLOWING A TAXING JURISDICTION THAT INCLUDED SPECIAL IMPROVEMENT DISTRICT REVOLVING FUND LEVIES IN THE LIMITATION ON THE AMOUNT OF TAXES LEVIED TO CONTINUE TO INCLUDE THE AMOUNT OF THE LEVY WITHIN THE DOLLAR AMOUNT LIMITATION; AMENDING SECTION 15-10-412, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, Initiative Measure No. 105 limited certain property taxes to 1986 levels; and

WHEREAS, the Legislature enacted Chapter 654, Laws of 1987 (Senate Bill No. 71), in order to clarify the application of the provisions of Initiative Measure No. 105; and

WHEREAS, during the implementation of the limit on property taxes, ambiguity existed in the application of the various pieces of implementing legislation to certain mill levies.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-10-412, MCA, is amended to read:

"**15-10-412. Property tax limited to 1986 levels — clarification — extension to all property classes.** Section 15-10-402 is interpreted and clarified as follows:

(1) The limitation to 1986 levels is extended to apply to all classes of property described in Title 15, chapter 6, part 1.

(2) The limitation on the amount of taxes levied is interpreted to mean that, except as otherwise provided in this section, the actual tax liability for an individual property is capped at the dollar amount due in each taxing unit for the 1986 tax year. In tax years thereafter, the property must be taxed in each taxing unit at the 1986 cap or the product of the taxable value and mills levied, whichever is less for each taxing unit, except in a taxing unit that levied a tax in tax years 1983 through 1985 but did not levy a tax in 1986, in which case the actual tax liability for an individual property is capped at the dollar amount due in that taxing unit for the 1985 tax year.

(3) The limitation on the amount of taxes levied does not mean that no further increase may be made in the total taxable valuation of a taxing unit as a result of:

(a) annexation of real property and improvements into a taxing unit;

(b) construction, expansion, or remodeling of improvements;

(c) transfer of property into a taxing unit;

(d) subdivision of real property;

(e) reclassification of property;

(f) increases in the amount of production or the value of production for property described in 15-6-131 or 15-6-132;

(g) transfer of property from tax-exempt to taxable status; or

(h) revaluations caused by:

(i) cyclical reappraisal; or

(ii) expansion, addition, replacement, or remodeling of improvements.

(4) The limitation on the amount of taxes levied does not mean that no further increase may be made in the taxable valuation or in the actual tax liability on individual property in each class as a result of:

(a) a revaluation caused by:

(i) construction, expansion, replacement, or remodeling of improvements that adds value to the property; or

(ii) cyclical reappraisal;

(b) transfer of property into a taxing unit;

(c) reclassification of property;

(d) increases in the amount of production or the value of production for property described in 15-6-131 or 15-6-132;

(e) annexation of the individual property into a new taxing unit; or

(f) conversion of the individual property from tax-exempt to taxable status.

(5) Property in classes four and eleven is valued according to the procedures used in 1986, including the designation of 1982 as the base year, until the reappraisal cycle beginning January 1, 1986, is completed and new valuations are placed on the tax rolls and a new base year designated, if the property is:

(a) new construction;

(b) expanded, deleted, replaced, or remodeled improvements;

(c) annexed property; or

(d) property converted from tax-exempt to taxable status.

(6) Property described in subsections (5)(a) through (5)(d) that is not class four or class eleven property is valued according to the procedures used in 1986 but is also subject to the dollar cap in each taxing unit based on 1986 mills levied.

(7) The limitation on the amount of taxes, as clarified in this section, is intended to leave the property appraisal and valuation methodology of the department of revenue intact. Determinations of county classifications, salaries of local government officers, and all other matters in which total taxable valuation is an integral component are not affected by 15-10-401 and 15-10-402 except for the use of taxable valuation in fixing tax levies. In fixing tax levies, the taxing units of local government may anticipate the deficiency in revenues resulting from the tax limitations in 15-10-401 and 15-10-402, while understanding that regardless of the amount of mills levied, a taxpayer's liability may not exceed the dollar amount due in each taxing unit for the 1986 tax year unless:

(a) the taxing unit's taxable valuation decreases by 5% or more from the 1986 tax year. If a taxing unit's taxable valuation decreases by 5% or more from the 1986 tax year, it may levy additional mills to compensate for the decreased taxable valuation, but in no case may the mills levied exceed a number calculated to equal the revenue from property taxes for the 1986 tax year in that taxing unit.

(b) a levy authorized under Title 20 raised less revenue in 1986 than was raised in either 1984 or 1985, in which case the taxing unit may, after approval by the voters in the taxing unit, raise each year thereafter an additional number of mills but may not levy more revenue than the 3-year average of revenue raised for that purpose during 1984, 1985, and 1986;

(c) a levy authorized in 50-2-111 that was made in 1986 was for less than the number of mills levied in either 1984 or 1985, in which case the taxing unit may, after approval by the voters in the taxing unit, levy each year thereafter an additional number of mills but may not levy more than the 3-year average number of mills levied for that purpose during 1984, 1985, and 1986.

(8) The limitation on the amount of taxes levied does not apply to the following levy or special assessment categories, whether or not they are based on commitments made before or after approval of 15-10-401 and 15-10-402:

(a) rural improvement districts;

(b) special improvement districts;

(c) levies pledged for the repayment of bonded indebtedness, including tax increment bonds;

(d) city street maintenance districts;

(e) tax increment financing districts;

(f) satisfaction of judgments against a taxing unit;

(g) street lighting assessments;

(h) revolving funds to support any categories specified in this subsection (8);

(i) levies for economic development authorized pursuant to 90-5-112(4);

(j) levies authorized under 7-6-502 for juvenile detention programs; and

(k) elementary and high school districts.

(9) The limitation on the amount of taxes levied does not apply in a taxing unit if the voters in the taxing unit approve an increase in tax liability following a resolution of the governing body of the taxing unit containing:

(a) a finding that there are insufficient funds to adequately operate the taxing unit as a result of 15-10-401 and 15-10-402;

(b) an explanation of the nature of the financial emergency;

(c) an estimate of the amount of funding shortfall expected by the taxing unit;

(d) a statement that applicable fund balances are or by the end of the fiscal year will be depleted;

(e) a finding that there are no alternative sources of revenue;

(f) a summary of the alternatives that the governing body of the taxing unit has considered; and

(g) a statement of the need for the increased revenue and how it will be used.

(10) (a) The limitation on the amount of taxes levied does not apply to levies required to address the funding of relief of suffering of inhabitants caused by famine, conflagration, or other public calamity.

(b) The limitation set forth in this chapter on the amount of taxes levied does not apply to levies to support:

(i) a city-county board of health as provided in Title 50, chapter 2, if the governing bodies of the taxing units served by the board of health determine, after a public hearing, that public health programs require funds to ensure the public health. A levy for the support of a local board of health may not exceed the 5-mill limit established in 50-2-111.

(ii) county, city, or town ambulance services authorized by a vote of the electorate under 7-34-102(2).

(11) The limitation on the amount of taxes levied by a taxing jurisdiction subject to a statutory maximum mill levy does not prevent a taxing jurisdiction from increasing its number of mills beyond the statutory maximum mill levy to produce revenue equal to its 1986 revenue.

(12) The limitation on the amount of taxes levied does not apply to a levy increase to repay taxes paid under protest in accordance with 15-1-402.

(13) A taxing jurisdiction that included special improvement district revolving fund levies in the limitation on the amount of taxes levied prior to [the effective date of this act] may continue to include the amount of the levies within the dollar amount due in each taxing unit for the 1986 tax year even if the necessity for the revolving fund has diminished and the levy authority has been transferred."

Section 2. **Effective date.** [This act] is effective on passage and approval.

Approved April 22, 1993.

AN ACT REQUIRING A COUNTY TREASURER TO NOTIFY THE COMMISSIONERS OF AN IRRIGATION DISTRICT WHEN DISTRICT ASSESSMENTS ARE PAID; AND AMENDING SECTION 85-7-2136, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 85-7-2136, MCA, is amended to read:

"**85-7-2136. Collection of taxes or assessment.** (1) On or before the third Monday in August of each year, the board of commissioners shall furnish the agent of the department of revenue in each county in which any of the lands of the district are situated a correct list of all the district lands in the county, together with the amount of the total taxes or assessments against the lands for district purposes. The agent of the department of revenue in each county shall immediately ~~thereafter~~ *upon receipt of the list,* and prior to the delivery of the assessment book to the county treasurer, cause the assessment roll to be entered in the assessment book of the county for each year.

(2) It is the duty of the county treasurer of each county in which any irrigation district is located, in whole or in part, to collect and receipt for all taxes and assessments levied by the district, in the same manner and at the same time as is required in the collection of taxes upon real estate for county purposes as provided in 15-16-102. CHAPTER NO. 487

[HB 422]

AN ACT ESTABLISHING STANDARDS FOR ADOPTION OF RULES GOVERNING MOBILE HOME PARKS; AUTHORIZING THE CREATION OF MOBILE HOME PARK TENANT ASSOCIATIONS; AND AMENDING SECTIONS 70-24-103, 70-24-311, AND 70-24-431, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 70-24-103, MCA, is amended to read:

"**70-24-103. General definitions.** Subject to additional definitions contained in subsequent sections and unless the context otherwise requires, in this chapter the following definitions apply:

(1) "Action" includes recoupment, counterclaim, setoff suit in equity, and any other proceeding in which rights are determined, including an action for possession.

(2) "Court" means the appropriate district court or the appropriate justice's court.

(3) "Dwelling unit" means a structure or the part of a structure that is used as a home, residence, or sleeping place by a person who maintains a household or by two or more persons who maintain a common household. "Dwelling unit", in the case of a person who rents space in a mobile home park but does not rent the mobile home, means the space rented and not the mobile home itself.

(4) "Good faith" means honesty in fact in the conduct of the transaction concerned.

(5) "Landlord" means the owner, lessor, or sublessor of the dwelling unit or the building of which it is a part *or of a mobile home park* and ~~also means~~ *includes* a manager of the premises who fails to disclose ~~his~~ *the* managerial position *and the operator of a mobile home park.*

(6) "Mobile home owner" means the owner of a manufactured mobile home dwelling unit entitled under a rental agreement to occupy a mobile home park space in a mobile home park.

(7) "Mobile home park" means a trailer court as defined in 50-52-102.

~~(6)~~*(8)* "Organization" includes a corporation, government, governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, and any other legal or commercial entity.

~~(7)~~*(9)* "Owner" means one or more persons, jointly or severally, in whom is vested all or part of:

(a) the legal title to property; or

(b) the beneficial ownership and a right to present use and enjoyment of the premises, including a mortgagee in possession.

~~(8)~~*(10)* "Person" includes an individual or organization.

~~(9)~~*(11)* "Premises" means a dwelling unit and the structure of which it is a part, the facilities and appurtenances therein, and the grounds, areas, and facilities held out for the use of tenants generally or promised for the use of a tenant.

~~(10)~~*(12)* "Rent" means all payments to be made to the landlord under the rental agreement.

~~(11)~~*(13)* "Rental agreement" means all agreements, written or oral, and valid rules adopted under 70-24-311 embodying the terms and conditions concerning the use and occupancy of a dwelling unit and premises.

~~(12)~~*(14)* "Roomer" means a person occupying a dwelling unit that does not include a toilet, a bathtub or a shower, a refrigerator, a stove, or a kitchen sink, all of which are provided by the landlord and one or more of these facilities are used in common by occupants in the structure.

~~(13)~~*(15)* "Single family residence" means a structure maintained and used as a single dwelling unit. Notwithstanding that a dwelling unit shares one or more walls with another dwelling unit, it is a single family residence if it has direct access to a street or thoroughfare and shares neither heating facilities, hot water equipment, nor any other essential facility or service with another dwelling unit.

~~(14)~~*(16)* "Tenant" means a person entitled under a rental agreement to occupy a dwelling unit to the exclusion of others."

Section 2. **Mobile home parks — park rules.** (1) A mobile home park landlord may adopt a rule concerning the rental occupancy of a mobile home space and the use of common areas and facilities in accordance with 70-24-311. A rule may not be unreasonable, and a rule that does not apply uniformly to all mobile home residents of a similar class creates a rebuttable presumption, as defined in 70-24-431, that the rule is unfair.

(2) Each common area facility must be open or available to residents at all reasonable hours, and the hours of a common recreational facility must be posted at the facility.

Section 3. **Resident associations — meetings.** (1) The membership of a resident association may elect officers of the association at a meeting at which a majority of the members are present. All residents may attend meetings, but the mobile home park landlord and the landlord's employees may not be members and may not attend meetings unless specifically invited by the tenant association.

(2) The mobile home park landlord may not prohibit meetings by a tenant association or tenants relating to mobile home living.

Section 4. **Mobile home park landlord's road maintenance obligations.** In addition to the obligations imposed by 70-24-303, the mobile home park landlord shall maintain common roads within the mobile home park in a safe condition, including arranging for snow plowing as is reasonable to keep the roads passable.

Section 5. Section 70-24-311, MCA, is amended to read:

"70-24-311. Landlord authorized to adopt rules. (1) A landlord may adopt a rule concerning the tenant's use and occupancy of the premises. A rule is enforceable against the tenant only if:

(a) its purpose is to promote the convenience, safety, or welfare of the occupants in the premises, preserve the landlord's property from abusive use, or make a fair distribution of services and facilities held out for the tenants generally;

(b) it is reasonably related to the purpose for which it is adopted;

(c) it applies to all occupants in the premises in a fair manner;

(d) it is sufficiently explicit in its prohibition, direction, or limitation of the tenant's conduct to fairly inform ~~him~~ *the tenant* of what ~~he~~ *the tenant* must or must not do to comply;

(e) it is not for the purpose of evading the obligations of the landlord; and

(f) the tenant has notice of it at the time ~~he~~ *the tenant* enters into the rental agreement or when it is adopted.

(2) As provided in subsection (1) and in conformance with the provisions of this chapter, the landlord of a mobile home park may adopt written rules concerning the tenant's use and occupancy of the premises.

(3) All rules must be written and must be given to each mobile home park tenant who resides in a mobile home park and to all new tenants of a mobile home park.

~~(2)~~*(4)* If a rule is adopted after a tenant enters into a rental agreement that works a substantial modification of ~~his~~ *the tenant's* bargain, it is not valid until 7 days after notice to the tenant in the case of a week to week tenancy or 30 days' notice in the case of tenancies from month to month."

Section 6. Section 70-24-431, MCA, is amended to read:

"**70-24-431. Retaliatory conduct by landlord prohibited.** (1) Except as provided in this section, a landlord may not retaliate by increasing rent, decreasing services, or by bringing or threatening to bring an action for possession after the tenant:

(a) has complained of a violation applicable to the premises materially affecting health and safety to a governmental agency charged with responsibility for enforcement of a building or housing code;

(b) has complained to the landlord in writing of a violation under 70-24-303; or

(c) has organized or become a member of a tenant's union, *mobile home park tenant association,* or similar organization.

(2) If the landlord acts in violation of subsection (1) of this section, the tenant is entitled to the remedies provided in 70-24-411 and has a defense in any retaliatory action against him for possession.

(3) In an action by or against the tenant, evidence of a complaint within 6 months before the alleged act of retaliation creates a rebuttable presumption that the landlord's conduct was in retaliation. The presumption does not arise if the tenant made the complaint after notice of a proposed rent increase or diminution of services. For purposes of this section, "rebuttable presumption" means that the trier of fact must find the existence of the fact presumed unless

and until evidence is introduced which would support a finding of its nonexistence.

(4) Notwithstanding subsections (1), (2), and (3) of this section, a landlord may bring an action for possession if:

(a) the violation of the applicable building or housing code was caused primarily by lack of reasonable care by the tenant, a member of ~~his~~ *the tenant's* family, or other persons on the premises with his consent;

(b) the tenant is in default in rent; or

(c) compliance with the applicable building or housing code requires alteration, remodeling, or demolition which would effectively deprive the tenant of use of the dwelling unit.

(5) The maintenance of an action under subsection (4) of this section does not release the landlord from liability under 70-24-405(2)."

Section 7. **Codification instruction.** [Sections 2 through 4] are intended to be codified as an integral part of Title 70, chapter 24, and the provisions of Title 70, chapter 24, apply to [sections 2 through 4].

Approved April 22, 1993.

CHAPTER NO. 488

[SB 428]

AN ACT PROVIDING THAT LOTTERY PROCEEDS IN EXCESS OF $5,000 ARE SUBJECT TO THE STATE WITHHOLDING TAX; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Policy and purpose.** (1) It is the policy and intent of the legislature that lottery proceeds received by a person who redeems a ticket or chance to win a prize on a ticket or chance purchased in Montana under the provisions of Title 23, chapter 7, is Montana source income, notwithstanding the residence of the person or entity that redeems the ticket. This policy statement affirms that the legislature has always considered lottery proceeds to be Montana source income.

(2) The purpose of [section 2] is to ensure that lottery proceeds that are Montana source income are subject to the withholding tax under the individual income tax laws of the state.

Section 2. **Withholding of lottery winnings.** (1) When making any payment of winnings that are subject to withholding, the state lottery commission, created under Title 23, chapter 7, part 2, shall deduct and withhold from the payment a tax in an amount equal to 10% of the payment.

(2) For the purposes of this section, the phrase "winnings that are subject to withholding" means the proceeds in excess of $5,000 won from a lottery game operated pursuant to Title 23, chapter 7.

(3) Every person who receives a payment of winnings that are subject to withholding shall furnish the state lottery commission with a signed statement containing the name, address, and taxpayer identification number of the recipient and of every person entitled to any portion of the payment. The signed statement must be treated as a statement under oath or equivalent affirmation for the purposes of 45-7-202, relating to the criminal offense of false swearing.

Section 4. Section 72-1-108, MCA, is amended to read:

"**72-1-108.** ~~**Evidential rules applicable — evidence as to**~~ ***Evidence of*** **death or status.** ~~(1)~~ In ~~proceedings under this code~~ *addition to* the rules of evidence in courts of general jurisdiction, ~~including any relating to simultaneous deaths, are applicable unless specifically displaced by the code.~~ *the following rules relating to a determination of death or status apply:*

~~(2)~~*(1)* ~~In addition, the following rules relating to determination of death and status are applicable:~~ *Death occurs when an individual is determined to be dead under 50-22-101.*

~~(a)~~*(2)* A certified or authenticated copy of a death certificate purporting to be issued by an official or agency of the place where the death purportedly occurred is prima facie ~~proof~~ *evidence* of the fact, place, date, and time of death and the identity of the decedent.

~~(b)~~*(3)* A certified or authenticated copy of any record or report of a governmental agency, domestic or foreign, that ~~a person~~ *an individual* is missing, detained, dead, or alive is prima facie evidence of the status and of the dates, circumstances, and places disclosed by the record or report.

~~(c)~~*(4)* In the absence of prima facie evidence of death under subsection (2)~~(a)~~ or ~~(2)(b)~~ *(3)*, the fact of death may be established by clear and convincing evidence, including circumstantial evidence.

~~(d)~~*(5)* ~~A person~~ *An individual* whose death is not established under subsections (2)~~(a)~~ through ~~(2)(c)~~ *(4)*, who is absent for a continuous period of 5 years, during which ~~he~~ *the individual* has not been heard from, and whose absence is not satisfactorily explained after diligent search or inquiry is presumed to be dead. ~~His~~ *The individual's* death is presumed to have occurred at the end of the period unless there is sufficient evidence for determining that death occurred earlier.

(6) In the absence of evidence disputing the time of death stated on a document described in subsection (2) or (3), a document described in subsection (2) or (3) that states a time of death 120 hours or more after the time of death of another individual, however the time of death of the other individual is determined, establishes by clear and convincing evidence that the individual survived the other individual by 120 hours."

Section 5. Section 72-2-101, MCA, is amended to read:

"**72-2-101.** ~~**Renunciation of succession**~~ ***Disclaimer of property interests.*** (1) *(a)* A person or ~~his personal representative or~~ the representative of ~~an incapacitated or protected~~ *a* person ~~who is an heir, devisee, person succeeding~~

~~to a renounced interest, donee, appointee, grantee, recipient, or beneficiary under a trust or other nontestamentary instrument or under a power of appointment exercised by a testamentary or nontestamentary instrument, surviving joint owner or surviving joint tenant, or beneficiary or owner of an insurance contract or any incident of ownership therein may renounce,~~ *to whom an interest in or with respect to property or an interest in the property devolves by whatever means may disclaim it* in whole or in part~~, the right of succession to any property or interest therein, including a future interest,~~ by *delivering or* filing a written ~~renunciation~~ *disclaimer* under this section. ~~The instrument shall:~~

~~(a) describe the property or interest renounced;~~

~~(b) be signed by the person renouncing; and~~

~~(c) declare the renunciation and the extent thereof.~~

(b) The right to disclaim exists notwithstanding:

(i) any limitation on the interest of the disclaimant in the nature of a spendthrift provision or similar restriction; or

(ii) any restriction or limitation on the right to disclaim contained in the governing instrument.

(c) For purposes of this subsection (1), the "representative of a person" includes a personal representative of a decedent; a conservator of a disabled person; a guardian of a minor or incapacitated person; a guardian ad litem of a minor, an incapacitated person, an unborn person, an unascertained person, or a person whose identity or address is unknown; and an agent acting on behalf of the person within the authority of a power of attorney. The representative of a person may rely on a general family benefit accruing to the living members of the represented person's family as a basis for making a disclaimer.

(2) ~~The court may direct or permit a trustee under a testamentary or nontestamentary instrument to renounce, modify, amend, or otherwise deviate from any restriction on or power of administration, management, or allocation of benefit upon finding that such restriction on the exercise of the power may defeat or impair the accomplishment of the purposes of the trust, whether by the imposition of tax, the allocation of beneficial interest inconsistent with such purposes, or by other reason. Such authority shall be exercised, after hearing and upon notice to all known persons beneficially interested in such trust, in the manner directed by the court.~~ *The following rules govern the time when a disclaimer must be filed or delivered:*

(a) If the property or interest has devolved to the disclaimant under a testamentary instrument or by the laws of intestacy, the disclaimer must be filed, if of a present interest, not later than 9 months after the death of the deceased owner or deceased donee of a power of appointment and, if of a future interest, not later than 9 months after the event determining that the taker of the property or interest is finally ascertained and the taker's interest is indefeasibly vested. The disclaimer must be filed in the court of the county in which proceedings for the administration of the estate of the deceased owner or deceased donee of the power have been commenced. A copy of the disclaimer must be delivered in person or mailed by certified mail, return receipt requested, to any personal representative or other fiduciary of the decedent or donee of the power.

(b) If a property or interest has devolved to the disclaimant under a nontestamentary instrument or contract, the disclaimer must be delivered or filed, if of a present interest, not later than 9 months after the effective date of the nontestamentary instrument or contract and, if of a future interest, not later than 9 months after the event determining that the taker of the property or interest is finally ascertained and the taker's interest is indefeasibly vested. If the person entitled to disclaim does not know of the existence of the interest, the disclaimer must be delivered or filed not later than 9 months after the person learns of the existence of the interest. The effective date of a revocable instrument or contract is the date on which the maker no longer has power to revoke it or to transfer to the maker or another the entire legal and equitable ownership of the interest. The disclaimer or a copy of the disclaimer must be delivered in person or mailed by certified mail, return receipt requested, to the person who has legal title to or possession of the interest disclaimed.

(c) A surviving joint tenant may disclaim as a separate interest any property or interest in property devolving to the joint tenant by right of survivorship. A surviving joint tenant may disclaim the entire interest in any property or interest in the property that is the subject of a joint tenancy devolving to the joint tenant if the joint tenancy was created by act of a deceased joint tenant, the survivor did not join in creating the joint tenancy, and the survivor has not accepted a benefit under it.

~~(3)~~*(d)* ~~The instrument of renunciation must be received by the transferor of the interest, his legal representative, the personal representative of a deceased transferor, the trustee of any trust in which the interest being renounced exists, or the holder of the legal title to the property to which the interest relates. To be effective for purposes of determining inheritance and estate taxes, the instrument must be received not later than the date which is 9 months after the later of the date on which the transfer creating the interest in a person is made or the date on which the person attains 18 years of age. If the circumstances that establish the right of a person to renounce an interest arise as a result of the death of an individual, the instrument must also be filed in the court of the county where proceedings concerning the decedent's estate are pending or where they would be pending if commenced.~~ If real property or an interest ~~therein~~ *in the property* is ~~renounced~~ *disclaimed*, a copy of the ~~renunciation~~ *disclaimer* may be recorded in the office of the ~~county~~ clerk and recorder of the county in which the ~~real estate is situated~~ *property or interest disclaimed is located.* ~~No person entitled to a copy of the instrument is liable for any proper distribution or disposition made without actual notice of the renunciation, and no person making a proper distribution or disposition in reliance upon the renunciation is liable for any such distribution or disposition in the absence of actual notice that an action has been instituted contesting the validity of the renunciation.~~

(3) The disclaimer must:

(a) describe the property or interest disclaimed;

(b) declare the disclaimer and extent of the disclaimer; and

(c) be signed by the disclaimant.

(4) The following are the effects of a disclaimer:

(a) ~~Unless the transferor of the interest has otherwise provided, the~~ *If* property or *an* interest ~~renounced~~ *in property devolves to a disclaimant under a testamentary instrument, under a power of appointment exercised by a testamentary instrument, or under the laws of intestacy and the decedent has not provided for another disposition of that interest, should it be disclaimed, or of disclaimed or failed interests in general, the disclaimed interest* devolves as ~~though~~ *if* the ~~person renouncing~~ *disclaimant* had predeceased the decedent ~~or~~, *but* if ~~the appointment was exercised by a~~ *by law or under the* testamentary instrument~~,~~ ~~as though the person renouncing had predeceased the donee of the power~~ *the descendants of the disclaimant would take the disclaimant's share by representation were the disclaimant to predecease the decedent, the disclaimed interest passes by representation to the descendants of the disclaimant who survive the decedent.* A future interest that takes effect in possession or enjoyment after the termination of the estate or interest ~~renounced~~ *disclaimed* takes effect as ~~though~~ *if* the ~~person renouncing~~ *disclaimant* had predeceased the decedent ~~or the donee of the power~~. A ~~renunciation~~ *disclaimer* relates back for all purposes to the date of the death of the decedent ~~or the donee of the power~~.

(b) If property or an interest in property devolves to a disclaimant under a nontestamentary instrument or contract and the instrument or contract does not provide for another disposition of that interest, should it be disclaimed, or of disclaimed or failed interests in general, the disclaimed interest devolves as if the disclaimant had predeceased the effective date of the instrument or contract, but if by law or under the nontestamentary instrument or contract the descendants of the disclaimant would take the disclaimant's share by representation were the disclaimant to predecease the effective date of the instrument, the disclaimed interest passes by representation to the descendants of the disclaimant who survive the effective date of the instrument. A disclaimer relates back for all purposes to that date. A future interest that takes effect in possession or enjoyment at or after the termination of the disclaimed interest takes effect as if the disclaimant had died before the effective date of the instrument or contract that transferred the disclaimed interest.

(c) The disclaimer or the written waiver of the right to disclaim is binding upon the disclaimant or person waiving and on all persons claiming through or under either of them.

(5) ~~(a)~~ The right to ~~renounce~~ *disclaim* property or an interest ~~therein~~ *in the property* is barred by:

~~(i)~~*(a)* an assignment, conveyance, encumbrance, pledge, or transfer of *the* property or interest~~,~~ or a contract therefor;

~~(ii)~~*(b)* a written waiver of the right to ~~renounce~~ *disclaim*;

~~(iii)~~*(c)* an acceptance of the property or interest or benefit ~~thereunder~~ *under it*; or

~~(iv)~~*(d)* a sale of the property or interest under judicial sale made before the ~~renunciation is effected~~ *disclaimer is made.*

~~(b) The right to renounce exists notwithstanding any limitation on the interest of the person renouncing in the nature of a spendthrift provision or similar restriction.~~

~~(c) A renunciation or a written waiver of the right to renounce is binding upon the person renouncing or person waiving and all persons claiming through or under him.~~

(6) This section does not abridge the right of a person to waive, release, disclaim, or renounce property or an interest ~~therein~~ *in property* under any other statute.

(7) ~~Within 30 days of receipt of a written instrument of renunciation by the transferor of the interest, the renouncer, his legal representative, the personal representative of the decedent, the trustee of any trust in which the interest being renounced exists, or the holder of the legal title to the property to which the interest relates, as the case may be, shall attempt to notify in writing those persons who are known or ascertainable with reasonable diligence who are recipients or potential recipients of the renounced interest of the renunciation and the interest or potential interest such recipient will receive as a result of the renunciation.~~

~~(8) Any~~ *An* interest in property ~~which~~ *that* exists on ~~July 1, 1983, may be renounced after October 1, 1983, as provided in this section. An interest that has arisen prior to July 1, 1983, in any person other than the person renouncing is not destroyed or diminished by any action of the person renouncing taken under this section~~ *[the effective date of this act] as to which, if a present interest, the time for filing a disclaimer under this section has not expired or, if a future interest, the interest has not become indefeasibly vested or the taker finally ascertained may be disclaimed within 9 months after [the effective date of this act].*"

Section 6. Section 72-2-102, MCA, is amended to read:

"**72-2-102. Waiver of** ***right to elect and of other*** **rights** ~~**by spouse.**~~ *(1)* The right of election of a surviving spouse and the rights of the surviving spouse to homestead allowance, exempt property, and family allowance or any of them may be waived, wholly or partially, before or after marriage, by a written contract, agreement, or waiver signed by the ~~party waiving after fair disclosure~~ *surviving spouse.*

(2) A surviving spouse's waiver is not enforceable if the surviving spouse proves that:

(a) the surviving spouse did not execute the waiver voluntarily; or

(b) the waiver was unconscionable when it was executed and, before execution of the waiver, the surviving spouse:

(i) was not provided a fair and reasonable disclosure of the property or financial obligations of the decedent;

(ii) did not voluntarily and expressly waive, in writing, any right to disclosure of the property or financial obligations of the decedent beyond the disclosure provided; and

(iii) did not have or reasonably could not have had an adequate knowledge of the property or financial obligations of the decedent.

(3) An issue of unconscionability of a waiver is for decision by the court as a matter of law.

(4) Unless it provides to the contrary, a waiver of "all rights", ~~(~~or equivalent language~~)~~, in the property or estate of a present or prospective spouse or a complete property settlement entered into after or in anticipation of separation or divorce is a waiver of all rights to elective share, homestead allowance, exempt property, and family allowance by each spouse in the property of the other and a renunciation by each of all benefits ~~which~~ *that* would otherwise pass to ~~him~~ *that spouse* from the other by intestate succession or by virtue of ~~the provisions of~~ any will executed before the waiver or property settlement."

Section 7. Section 72-2-103, MCA, is amended to read:

"**72-2-103. Effect of divorce, annulment, or *decree of* separation ~~decree~~.** (1) ~~A person~~ *An individual* who is divorced from the decedent or whose marriage to the decedent has been annulled is not a surviving spouse unless by virtue of a subsequent marriage ~~he~~ *the individual* is married to the decedent at the time of death. A decree of separation ~~which~~ *that* does not terminate the status of husband and wife is not a divorce for purposes of this section.

(2) For purposes of chapter 2, parts 2, 6, 7, and 8 and of 72-3-501 through 72-3-508, a surviving spouse does not include:

(a) ~~a person~~ *an individual* who obtains or consents to a final decree or judgment of divorce from the decedent or an annulment of their marriage, which decree or judgment is not recognized as valid in this state, unless ~~they~~ subsequently *they* participate in a marriage ceremony purporting to marry each to the other or ~~subsequently~~ live together as ~~man~~ *husband* and wife;

(b) ~~a person~~ *an individual* who, following ~~a~~ *an invalid* decree or judgment of divorce or annulment obtained by the decedent, participates in a marriage ceremony with a third ~~person~~ *individual*; or

(c) ~~a person~~ *an individual* who was a party to a valid proceeding concluded by an order purporting to terminate all marital property rights."

Section 8. Section 72-2-104, MCA, is amended to read:

"**72-2-104. ~~Homicide — effect~~ *Effect of homicide* on intestate succession, wills, *trusts*, joint assets, life insurance, and beneficiary designations.** *(1) For purposes of this section, the following definitions apply:*

(a) "Disposition or appointment of property" includes a transfer of an item of property or any other benefit to a beneficiary designated in a governing instrument.

(b) "Governing instrument" means a governing instrument executed by the decedent.

(c) "Revocable", with respect to a disposition, appointment, provision, or nomination, means one under which the decedent, at the time of or immediately before death, was alone empowered, by law or under the governing instrument, to cancel the designation in favor of the killer, whether or not the decedent was then empowered to designate the decedent in place of the decedent's killer and whether or not the decedent then had capacity to exercise the power.

~~(1)~~*(2)* ~~A surviving spouse, heir, or devisee~~ *An individual* who feloniously and intentionally kills the decedent ~~is not entitled to any~~ *forfeits all* benefits under ~~the will or under~~ this chapter~~, and the estate of the decedent passes as if the killer had predeceased the decedent. Property appointed by the will of the decedent to or for the benefit of the killer passes as if the killer had predeceased the decedent~~ *with respect to the decedent's estate, including an intestate share, an elective share, an omitted spouse's or child's share, a homestead allowance, exempt property, and a family allowance. If the decedent died intestate, the decedent's intestate estate passes as if the killer disclaimed the killer's intestate share.*

~~(2) Any joint tenant who feloniously and intentionally kills another joint tenant thereby effects a severance of the interest of the decedent so that the share of the decedent passes as his property and the killer has no rights by survivorship. This provision applies to joint tenancies in real and personal property, joint accounts in banks, savings and loan associations, credit unions, and other institutions, and any other form of co-ownership with survivorship incidents.~~

~~(3) A named beneficiary of a bond, life insurance policy, or other contractual arrangement who feloniously and intentionally kills the principal obligee or the person upon whose life the policy is issued is not entitled to any benefit under the bond, policy, or other contractual arrangement, and it becomes payable as though the killer had predeceased the decedent.~~

~~(4) Any other acquisition of property or interest by the killer shall be treated in accordance with the principles of this section.~~

~~(5) A final judgment of conviction of felonious and intentional killing is conclusive for purposes of this section. In the absence of a conviction of felonious and intentional killing, the court may determine by a preponderance of evidence whether the killing was felonious and intentional for purposes of this section.~~

~~(6) This section does not affect the rights of any person who, before rights under this section have been adjudicated, purchases from the killer for value and without notice property which the killer would have acquired except for this section, but the killer is liable for the amount of the proceeds or the value of the property. Any insurance company, bank, or other obligor making payment according to the terms of its policy or obligation is not liable by reason of this section unless prior to payment it has received at its home office or principal address written notice of a claim under this section.~~

(3) The felonious and intentional killing of the decedent:

(a) revokes any revocable:

(i) disposition or appointment of property made by the decedent to the killer in a governing instrument;

(ii) provision in a governing instrument conferring a general or nongeneral power of appointment on the killer; and

(iii) nomination of the killer in a governing instrument, nominating or appointing the killer to serve in any fiduciary or representative capacity, including a personal representative, executor, trustee, or agent; and

(b) severs the interests of the decedent and killer in property held by them at the time of the killing as joint tenants with the right of survivorship and transforms the interests of the decedent and killer into tenancies in common.

(4) A severance under subsection (3)(b) does not affect any third-party interest in property acquired for value and in good faith reliance on an apparent title by survivorship in the killer unless a writing declaring the severance has been noted, registered, filed, or recorded in records appropriate to the kind and location of the property, which records are relied upon, in the ordinary course of transactions involving such property, as evidence of ownership.

(5) Provisions of a governing instrument that are not revoked by this section are given effect as if the killer disclaimed all revoked provisions or, in the case of a revoked nomination in a fiduciary or representative capacity, as if the killer predeceased the decedent.

(6) A wrongful acquisition of property or interest by a killer not covered by this section must be treated in accordance with the principle that a killer cannot profit from the killer's wrong.

(7) After all right to appeal has been exhausted, a judgment of conviction establishing criminal accountability for the felonious and intentional killing of the decedent conclusively establishes the convicted individual as the decedent's killer for purposes of this section. In the absence of a conviction, the court, upon the petition of an interested person, shall determine whether, under the preponderance of evidence standard, the individual would be found criminally accountable for the felonious and intentional killing of the decedent. If the court determines that under that standard the individual would be found criminally accountable for the felonious and intentional killing of the decedent, the determination conclusively establishes that individual as the decedent's killer for purposes of this section.

(8) (a) A payor or other third party is not liable for having made a payment or transferred an item of property or any other benefit to a beneficiary designated in a governing instrument affected by an intentional and felonious killing, or for having taken any other action in good faith reliance on the validity of the governing instrument, upon request and satisfactory proof of the decedent's death, before the payor or other third party received written notice of a claimed forfeiture or revocation under this section. A payor or other third party is liable for a payment made or other action taken after the payor or other third party received written notice of a claimed forfeiture or revocation under this section.

(b) Written notice of a claimed forfeiture or revocation under subsection (8)(a) must be mailed to the payor's or other third party's main office or home by certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of a claimed forfeiture or revocation under this section, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent's estate or, if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the decedent's residence. The court shall hold the funds or item of property and, upon its determination under this section, shall order disbursement in accordance with the determination. Payments, transfers, or

deposits made to or with the court discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

(9) (a) A person who purchases property for value and without notice or who receives a payment or other item of property in partial or full satisfaction of a legally enforceable obligation is neither obligated under this section to return the payment, item of property, or benefit nor liable under this section for the amount of the payment or the value of the item of property or benefit. However, a person who, not for value, receives a payment, item of property, or other benefit to which the person is not entitled under this section is obligated to return the payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who is entitled to it under this section.

(b) If this section or any part of this section is preempted by federal law with respect to a payment, an item of property, or any other benefit covered by this section, a person who, not for value, receives the payment, item of property, or other benefit to which the person is not entitled under this section is obligated to return the payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who would have been entitled to it were this section or part of this section not preempted.

~~(7)~~*(10)* For the purposes of this section, a felonious and intentional killing includes a deliberate homicide as defined in 45-5-102 and a mitigated deliberate homicide as defined in 45-5-103."

Section 9. Section 72-2-105, MCA, is amended to read:

"**72-2-105. Contracts concerning succession.** (1) A contract to make a will or devise or not to revoke a will or devise or to die intestate, if executed after July 1, 1975, ~~can~~ *may* be established only by:

(a) provisions of a will stating material provisions of the contract;

(b) an express reference in a will to a contract and extrinsic evidence proving the terms of the contract; or

(c) a writing signed by the decedent evidencing the contract.

(2) The execution of a joint will or mutual wills does not create a presumption of a contract not to revoke the will or wills."

Section 10. Section 72-2-201, MCA, is amended to read:

"**72-2-201. Intestate estate.** *(1)* Any part of ~~the~~ *a decedent's* estate ~~of a decedent~~ not effectively disposed of by ~~his~~ will passes *by intestate succession* to ~~his~~ *the decedent's* heirs as prescribed in ~~the following sections of this code~~ *chapters 1 through 5, except as modified by the decedent's will.*

(2) A decedent may by will expressly exclude or limit the right of an individual or class to succeed to property of the decedent passing by intestate succession. If that individual or a member of that class survives the decedent, the share of the decedent's intestate estate to which that individual or class would

have succeeded passes as if that individual or each member of that class had disclaimed an intestate share."

Section 11. Section 72-2-202, MCA, is amended to read:

"**72-2-202. Share of spouse.** The intestate share of ~~the~~ *a decedent's* surviving spouse is:

(1) ~~if there is no surviving issue or if there are surviving issue all of whom are issue of the surviving spouse also,~~ the entire ~~remaining~~ *intestate* estate *if:*

(a) no descendant or parent of the decedent survives the decedent; *or*

~~(2)~~*(b)* ~~if there are surviving issue one or more of whom are not issue~~ *all of the decedent's surviving descendants are also descendants* of the surviving spouse~~, as follows:~~

~~(a) if there is surviving only one child or the issue of one child, one-half of the intestate estate;~~

~~(b) if there are surviving two or more children, the issue of two or more deceased children, or one or more children and the issue of one or more deceased children, one-third of the intestate estate~~ *and there is no other descendant of the surviving spouse who survives the decedent;*

(2) the first $200,000, plus three-fourths of any balance of the intestate estate, if no descendant of the decedent survives the decedent but a parent of the decedent survives the decedent;

(3) the first $150,000, plus one-half of any balance of the intestate estate, if all of the decedent's surviving descendants are also descendants of the surviving spouse and the surviving spouse has one or more surviving descendants who are not descendants of the decedent;

(4) the first $100,000, plus one-half of any balance of the intestate estate, if one or more of the decedent's surviving descendants are not descendants of the surviving spouse."

Section 12. Section 72-2-203, MCA, is amended to read:

"**72-2-203. Share of heirs other than surviving spouse.** ~~The~~ *Any* part of the intestate estate not passing to the *decedent's* surviving spouse under 72-2-202, or the entire intestate estate if there is no surviving spouse, passes ~~as follows~~ *in the following order to the individuals designated below who survive the decedent*:

(1) to the ~~issue of the decedent; if they are all of the same degree of kinship to the decedent, they take equally, but if of unequal degree, then those of more remote degree take~~ *decedent's descendants* by representation;

(2) if there is no surviving ~~issue~~ *descendant,* to ~~his parent or~~ *the decedent's* parents equally *if both survive or to the surviving parent*;

(3) if there is no surviving ~~issue or~~ *descendant* or parent, to the ~~brothers and sisters and the children or grandchildren of any deceased brother or sister,~~ *descendants of the decedent's parents or either of them* by representation;

(4) if there is no surviving ~~issue~~ *descendant,* parent, ~~brother, sister,~~ or ~~children or grandchildren of a deceased brother or sister, to the next of kin in equal degree, except that where there are two or more collateral kindred in equal degree but claiming through different ancestors, those who claim through the nearer ancestors must be preferred to those claiming through an ancestor more remote~~ *descendant of a parent and the decedent is:*

(a) survived by one or more grandparents or descendants of grandparents:

(i) one-half to:

(A) the decedent's paternal grandparents equally if both survive;

(B) the surviving paternal grandparent; or

(C) the descendants of the decedent's paternal grandparents or either of them if both are deceased, the descendants taking by representation; and

(ii) the other one-half to the decedent's maternal relatives in the same manner; or

(b) not survived by a grandparent or descendant of a grandparent on either the paternal or the maternal side, the entire estate to the decedent's relatives on the other side in the same manner as the half~~.~~*;*

(5) (a) if there is no surviving descendant, grandparent, or descendant of a grandparent, to the person of the closest degree of kinship with the decedent. Except as provided in subsection (5)(b), if more than one person is of that closest degree, those persons share equally.

(b) If more than one person is of the closest degree as provided in subsection (5)(a) but they claim through different ancestors, those who claim through the nearer ancestor shall receive to the exclusion of those claiming through a more remote ancestor."

Section 13. Section 72-2-204, MCA, is amended to read:

(a) "Deceased descendant", "deceased parent", or "deceased grandparent" means a descendant, parent, or grandparent who either predeceased the decedent or is considered to have predeceased the decedent under 72-2-205.

(b) "Surviving descendant" means a descendant who neither predeceased the decedent nor is considered to have predeceased the decedent under 72-2-205.

(2) (a) If ~~representation is called for by this code~~, *under 72-2-203(1), a decedent's intestate estate or a part of the intestate estate passes by representation to the decedent's descendants,* the estate *or part of the estate is divided into decedent's descendants and the estate or part of the estate* is divided into as many *equal* shares as there are*:*

(i) surviving ~~heirs~~ *descendants* in the ~~nearest degree of kinship and deceased persons in the same degree who left issue who survive the decedent, each surviving heir in the nearest degree receiving one share and the share of~~

~~each deceased person in the same degree being divided among his issue in the same manner~~ *generation nearest to the decedent that contains one or more surviving descendants; and*

(ii) deceased descendants in the same generation who left surviving descendants, if any.

(b) Each surviving descendant in the nearest generation is allocated one share. The share of each deceased descendant in the same generation as the surviving descendant is divided in the same manner, with the subdivision repeating at each succeeding generation until the property is fully allocated among surviving descendants.

(3) (a) If, under 72-2-203(3) or (4), a decedent's intestate estate or a part of the intestate estate passes by representation to the descendants of the decedent's deceased parents or either of them or to the descendants of the decedent's deceased paternal or maternal grandparents or either of them, the estate or part of the estate is divided into as many equal shares as there are:

(i) surviving descendants in the generation nearest the deceased parents or either of them or nearest the deceased grandparents or either of them that contains one or more surviving descendants; and

(ii) deceased descendants in the same generation who left surviving descendants, if any.

(b) Each surviving descendant in the nearest generation is allocated one share. The share of each deceased descendant in the same generation as the surviving descendant is divided in the same manner, with the subdivision repeating at each succeeding generation until the property is fully allocated among surviving descendants."

Section 14. Section 72-2-205, MCA, is amended to read:

"**72-2-205. Requirement that heir survive decedent ~~by~~ *for* one hundred twenty hours.** ~~Any person~~ *An individual* who fails to survive the decedent by 120 hours is ~~deemed~~ *considered* to have predeceased the decedent for purposes of homestead allowance, exempt property, and intestate succession, and the decedent's heirs are determined accordingly. If ~~the time of death of the decedent or of the person who would otherwise be an heir or the times of death of both cannot be determined and~~ it ~~cannot be~~ *is not* established *by clear and convincing evidence* that ~~the person~~ *an individual* who would otherwise be an heir ~~has~~ survived the decedent by 120 hours, it is ~~deemed~~ *considered* that the ~~person~~ *individual* failed to survive for the required period. This section is not to be applied ~~where~~ *if* its application would result in a taking of intestate estate by the state under 72-2-207."

Section 15. Section 72-2-206, MCA, is amended to read:

"**72-2-206. Advancements.** *(1)* If ~~a person~~ *an individual* dies intestate as to all ~~his~~ *or a portion of the individual's* estate, property ~~which he~~ *the decedent* gave ~~in his~~ *during the decedent's* lifetime to an *individual who, at the decedent's death, is an* heir is treated as an advancement against the ~~latter's~~ *heir's intestate* share ~~of the estate~~ only if:

(a) the decedent declared in a contemporaneous writing ~~by the decedent~~ or *the heir* acknowledged in writing ~~by the heir to be~~ *that the gift is* an advancement*; or*

(b) the decedent's contemporaneous writing or the heir's written acknowledgment otherwise indicates that the gift is to be taken into account in computing the division and distribution of the decedent's intestate estate.

(2) For ~~this purpose~~ *purposes of subsection (1),* ~~the~~ property advanced is valued as of the time the heir came into possession or enjoyment of the property or as of the time of ~~death of~~ the ~~decedent~~ *decedent's death,* whichever first occurs.

(3) If the recipient of the property fails to survive the decedent, the property is not taken into account in computing the *division and distribution of the decedent's* intestate ~~share to be received by the recipient's issue~~ *estate,* unless the ~~declaration or acknowledgment~~ *decedent's contemporaneous writing* provides otherwise."

Section 16. Section 72-2-207, MCA, is amended to read:

"**72-2-207. No taker ~~— escheat to state~~.** If there is no taker under the provisions of ~~72-2-202 and 72-2-203~~ *this chapter,* the intestate estate passes to the state of Montana."

Section 17. Section 72-2-210, MCA, is amended to read:

"**72-2-210. ~~Persons~~ *Individuals* related to decedent through two lines.** ~~A person~~ *An individual* who is related to the decedent through two lines of relationship is entitled to only a single share based on the relationship that would entitle ~~him~~ *the individual* to the larger share."

Section 18. Section 72-2-212, MCA, is amended to read:

"**72-2-212. Afterborn heirs.** ~~Relatives of the decedent conceived before his death but born thereafter inherit as if they had been born in the lifetime of the decedent.~~ *An individual in gestation at a particular time is treated as living at that time if the individual lives 120 hours or more after birth.*"

Section 19. Section 72-2-213, MCA, is amended to read:

"**72-2-213. ~~Establishment of parent-child~~ *Parent and child* relationship.** *(1)* ~~If~~ *Except as provided in subsections (2) and (3),* for the purposes of intestate succession~~, a relationship of parent and child must be established to determine succession~~ by, through, or from a person~~:~~*, an individual is the child of the child's natural parents, regardless of their marital status. The parent and child relationship may be established under Title 40, chapter 6, part 1.*

~~(1)~~*(2)* An adopted ~~person~~ *individual* is the child of an adopting parent *or parents* and not of the natural parents, ~~except that~~ *but* adoption of a child by the spouse of ~~a~~ *either* natural parent has no effect on*:*

(a) the relationship between the child and either natural parent*; or*

(b) the right of the child or a descendant of the child to inherit from or through the other natural parent.

~~(2) In cases not covered by subsection (1), a person is the child of its parents regardless of the marital status of its parents, and the parent and child relationship may be established under the Uniform Parentage Act, Title 40, chapter 6, part 1.~~

(3) Inheritance from or through a child by either natural parent or the parent's kindred is precluded unless that natural parent has openly treated the child as the parent's and has not refused to support the child."

Section 20. Section 72-2-214, MCA, is amended to read:

"**72-2-214. Alienage.** No ~~person~~ *individual* is disqualified to take as an heir because ~~he~~ *the individual* or ~~a person~~ *an individual* through whom ~~he~~ *the individual* claims is *or has been* an alien ~~unless the country in which he resides does not allow reciprocity~~."

Section 21. **Debts to decedent.** A debt owed to a decedent is not charged against the intestate share of any individual except the debtor. If the debtor fails to survive the decedent, the debt is not taken into account in computing the intestate share of the debtor's descendants.

Section 22. Section 72-2-301, MCA, is amended to read:

"**72-2-301. Who may make a will.** ~~Any person~~ *An individual* 18 or more years of age who is of sound mind may make a will."

(a) in writing*;*

(b) signed by the testator or in the testator's name by some other ~~person~~ *individual* in the testator's *conscious* presence and by ~~his~~ *the testator's* direction*;* and

(c) ~~shall be~~ signed by at least two ~~persons~~ *individuals,* each of whom *signed within a reasonable time after having* witnessed either the signing *of the will as described in subsection (1)(b)* or the testator's acknowledgment of ~~the~~ *that* signature or *acknowledgment* of the will.

(2) A will that does not comply with subsection (1) is valid as a holographic will, whether or not witnessed, if the signature and material portions of the document are in the testator's handwriting.

(3) Intent that the document constitute the testator's will may be established by extrinsic evidence, including, for holographic wills, portions of the document that are not in the testator's handwriting."

Section 24. Section 72-2-304, MCA, is amended to read:

Section 25. Section 72-2-305, MCA, is amended to read:

"**72-2-305. Who may witness.** (1) ~~Any person~~ *An individual* generally competent to be a witness may act as a witness to a will.

(2) ~~A~~ *The signing of a* will ~~is not invalid because the will is signed~~ by an interested witness *does not invalidate the will or any provision of it."*

Section 26. Section 72-2-306, MCA, is amended to read:

"**72-2-306. Choice of law as to execution.** A written will is valid if executed in compliance with 72-2-302 or ~~72-2-303~~ *[section 34]* or if its execution complies with the law at the time of execution of the place where the will is executed or of the law of the place where at the time of execution or at the time of death the testator is domiciled, has a place of abode, or is a national."

Section 27. Section 72-2-311, MCA, is amended to read:

"**72-2-311. Incorporation by reference.** ~~Any~~ *A* writing in existence when a will is executed may be incorporated by reference if the language of the will manifests this intent and describes the writing sufficiently to permit its identification."

Section 28. Section 72-2-312, MCA, is amended to read:

"**72-2-312. Separate writing identifying disposition of tangible personal property.** (1) Whether or not the provisions relating to holographic wills apply, a will may refer to a written statement or list to dispose of items of tangible personal property not otherwise specifically disposed of by the will, other than money~~, evidences of indebtedness, documents of title, and securities and property used in trade or business~~.

(2) To be admissible under this section as evidence of the intended disposition, the writing must ~~either~~ be ~~in the handwriting of the testator or be~~ signed by ~~him~~ *the testator* and must describe the items and the devisees with reasonable certainty.

(3) The writing may be:

(a) referred to as one to be in existence at the time of the testator's death;

(b) prepared before or after the execution of the will;

(c) altered by the testator after its preparation; and

(d) a writing ~~which~~ *that* has no significance apart from its effect upon the dispositions made by the will."

Section 29. Section 72-2-313, MCA, is amended to read:

"**72-2-313. Events of independent significance.** A will may dispose of property by reference to acts and events ~~which~~ *that* have significance apart from their effect upon the dispositions made by the will, whether they occur before or after the execution of the will or before or after the testator's death. The execution or revocation of a will of another person is such an event."

Section 30. Section 72-2-314, MCA, is amended to read:

"**72-2-314. Testamentary additions to trusts.** *(1) (a)* A *will may validly* devise ~~or bequest, the validity of which is determinable by the law of this state, may be made by a will~~ *property* to the trustee of a trust established or to be established*:*

(i) during the testator's lifetime by the testator, ~~or~~ by the testator and some other person, or by some other person, ~~(~~including a funded or unfunded life insurance trust, although the ~~truster~~ *settlor* has reserved any or all rights of ownership of the insurance contracts~~)~~*; or*

(ii) at the testator's death by the testator's devise to the trustee if the trust is identified in the testator's will and its terms are set forth in a written instrument, ~~(~~other than a will~~)~~, executed before, ~~or~~ concurrently with, *or after* the execution of the testator's will or in ~~the valid last~~ *another individual's* will ~~of a person who~~ *if that other individual* has predeceased the testator, ~~(~~regardless of the existence, size, or character of the corpus of the trust~~)~~.

(b) The devise is not invalid because the trust is amendable or revocable or because the trust was amended after the execution of the will or ~~after~~ the *testator's* death ~~of the testator~~.

(2) Unless the testator's will provides otherwise, ~~the~~ property ~~so~~ devised *to a trust described in subsection (1)* is not ~~deemed to be~~ held under a testamentary trust of the testator but *it* becomes a part of the trust to which it is ~~given~~ *devised* and ~~shall~~ *must* be administered and disposed of in accordance with the provisions of the *governing* instrument ~~or will~~ setting forth the terms of the trust, including any amendments thereto made before *or after* the *testator's* death ~~of the testator (regardless of whether made before or after the execution of the testator's will) and if the testator's will so provides, including any amendments to the trust made after the death of the testator~~.

(3) ~~A~~ *Unless the testator's will provides otherwise, a* revocation or termination of the trust before the *testator's* death ~~of the testator~~ causes the devise to lapse."

Section 31. Section 72-2-321, MCA, is amended to read:

"**72-2-321. Revocation by writing or act.** *(1)* A will or any part ~~thereof~~ *of a will* is revoked:

~~(1)~~*(a)* by *executing* a subsequent will ~~which~~ *that* revokes the ~~prior~~ *previous* will or part expressly or by inconsistency; or

~~(2)~~*(b)* by ~~being burned, torn, canceled, obliterated, or destroyed~~ *performing a revocatory act on the will if the testator performed the act* with the intent and for the purpose of revoking ~~it by the testator~~ *the will or part of the will* or ~~by~~ *if* another ~~person~~ *individual performed the act* in ~~his~~ *the testator's* conscious presence and by ~~his~~ *the testator's* direction. *For purposes of this subsection (b), "revocatory act on the will" includes burning, tearing, canceling, obliterating, or destroying the will or any part of it. A burning, tearing, or canceling is a revocatory act on the will, whether or not the burn, tear, or cancellation touched any of the words on the will.*

(2) If a subsequent will does not expressly revoke a previous will, the execution of the subsequent will wholly revokes the previous will by inconsistency if the testator intended the subsequent will to replace rather than supplement the previous will.

(3) The testator is presumed to have intended a subsequent will to replace rather than supplement a previous will if the subsequent will makes a complete disposition of the testator's estate. If this presumption arises and is not rebutted by clear and convincing evidence, the previous will is revoked and only the subsequent will is operative on the testator's death.

(4) The testator is presumed to have intended a subsequent will to supplement rather than replace a previous will if the subsequent will does not make a complete disposition of the testator's estate. If this presumption arises and is not rebutted by clear and convincing evidence, the subsequent will revokes the previous will only to the extent the subsequent will is inconsistent with the previous will and each will is fully operative on the testator's death to the extent they are not inconsistent."

Section 32. Section 72-2-322, MCA, is amended to read:

"**72-2-322. Revocation by ~~divorce or annulment — no revocation by other~~ change ~~in~~ *of* circumstances.** ~~(1) If after executing a will the testator is divorced or his marriage annulled, the divorce or annulment revokes any disposition or appointment of property made by the will to the former spouse, any provision conferring a general or special power of appointment on the former spouse, and any nomination of the former spouse as executor, trustee, conservator, or guardian, unless the will expressly provides otherwise.~~

~~(2) Property prevented from passing to a former spouse because of revocation by divorce or annulment passes as if the former spouse failed to survive the decedent, and other provisions conferring some power or office on the former spouse are interpreted as if the spouse failed to survive the decedent.~~

~~(3) If provisions are revoked solely by this section, they are revived by testator's remarriage to the former spouse.~~

~~(4) For purposes of this section, divorce or annulment means any divorce or annulment which would exclude the spouse as a surviving spouse within the meaning of 72-2-103(2). A decree of separation which does not terminate the status of husband and wife is not a divorce for purposes of this section.~~

~~(5) No~~ *Except as provided in 72-2-104 and [section 71], a* change of circumstances ~~other than as described in this section revokes~~ *does not revoke* a will *or any part of it.*"

Section 33. Section 72-2-323, MCA, is amended to read:

"**72-2-323. Revival of revoked will.** (1) If a ~~second~~ *subsequent* will ~~which, had it remained effective at death, would have~~ *that wholly* revoked ~~the first~~ *a previous* will ~~in whole or in part~~ is thereafter revoked by ~~acts~~ *a revocatory act* under 72-2-321*(1)(b)*, the ~~first~~ *previous* will ~~is~~ *remains* revoked ~~in whole or in part~~ unless it is *revived. The previous will is revived if it is* evident from the circumstances of the revocation of the ~~second~~ *subsequent* will or from *the* testator's contemporary or subsequent declarations that ~~he~~ *the testator* intended the ~~first~~ *previous* will to take effect as executed.

(2) If a subsequent will that partly revoked a previous will is thereafter revoked by a revocatory act under 72-2-321(1)(b), a revoked part of the previous will is revived unless it is evident from the circumstances of the revocation of the subsequent will or from the testator's contemporary or subsequent declarations that the testator did not intend the revoked part to take effect as executed.

~~(2)~~*(3)* If a ~~second~~ *subsequent* will ~~which, had it remained effective at death, would have~~ *that* revoked ~~the first~~ *a previous* will in whole or in part is thereafter revoked by ~~a third~~ *another, later* will, the ~~first~~ *previous* will ~~is~~ *remains* revoked in whole or in part, ~~except~~ *unless it or its revoked part is revived. The previous will or its revoked part is revived* to the extent it appears from the terms of the ~~third~~ *later* will that the testator intended the ~~first~~ *previous* will to take effect."

Section 34. **Writings intended as wills.** Although a document or writing added upon a document was not executed in compliance with 72-2-302, the document or writing is treated as if it had been executed in compliance with that section if the proponent of the document or writing establishes by clear and convincing evidence that the decedent intended the document or writing to constitute:

(1) the decedent's will;

(2) a partial or complete revocation of the will;

(3) an addition to or an alteration of the will; or

(4) a partial or complete revival of the decedent's formerly revoked will or of a formerly revoked portion of the will.

Section 35. Section 72-2-401, MCA, is amended to read:

"**72-2-401. Duty of custodian ~~to deliver~~ *of* will — liability.** ~~(1)~~ After the death of a testator and on request of an interested person, ~~any~~ *a* person having custody of a will of the testator shall deliver it with reasonable promptness to a person able to secure its probate and, if none is known, to an appropriate court.

~~(2) Any~~ *A* person who willfully fails to deliver a will is liable to any person aggrieved for ~~the~~ *any* damages ~~which~~ *that* may be sustained by the failure. ~~Any~~ *A* person who willfully refuses or fails to deliver a will after being ordered by the court in a proceeding brought for the purpose of compelling delivery is subject to penalty for contempt of court."

Section 36. Section 72-2-402, MCA, is amended to read:

"**72-2-402. Deposit of will with court ~~— confidentiality — examination by conservator — delivery~~ *in testator's lifetime.*** ~~(1)~~ A will may be deposited by the testator or ~~his~~ *the testator's* agent with any court for safekeeping, under rules of the court. The will ~~shall~~ *must* be *sealed and* kept confidential.

~~(2)~~ During the testator's lifetime, a deposited will ~~shall~~ *may* be delivered only to ~~him~~ *the testator* or to a person authorized in writing signed by ~~him~~ *the testator* to receive the will.

~~(3)~~ A conservator may be allowed to examine a deposited will of a protected testator under procedures designed to maintain the confidential character of the document to the extent possible and to ~~assure~~ *ensure* that it will be resealed and ~~left~~ *kept* on deposit after the examination.

~~(4)~~ Upon being informed of the testator's death, the court shall notify any person designated to receive the will and deliver it to ~~him~~ *that person* on request~~,~~ or the court may deliver the will to the appropriate court."

Section 37. Section 72-2-502, MCA, is amended to read:

"**72-2-502. Will ~~construed to~~ *may* pass all property — *and* after-acquired property.** A will ~~is construed to pass~~ *may provide for the passage of* all property ~~which~~ the testator owns at ~~his~~ death~~, including~~ *and all* property acquired *by the estate* after the ~~execution of the will~~ *testator's death.*"

Section 38. Section 72-2-504, MCA, is amended to read:

"**72-2-504. Choice of law as to meaning and effect of ~~wills~~ *governing instrument.*** The meaning and legal effect of a ~~disposition in a will shall be~~ *governing instrument is* determined by the local law of ~~a particular~~ *the* state selected by the ~~testator~~ *transferor* in ~~his~~ *the governing* instrument unless the application of that law is contrary to the *provisions relating to the elective share described in part 7, the provisions relating to exempt property and allowances described in part 8, or any other* public policy of this state otherwise applicable to the disposition."

Section 39. Section 72-2-512, MCA, is amended to read:

"**72-2-512. Antilapse — *deceased devisee — class gifts.*** *(1) As used in this section, the following definitions apply:*

(a) "Alternative devise" means a devise that is expressly created by the will and that under the terms of the will may take effect instead of another devise on the happening of one or more events, including survival of the testator or failure to survive the testator, whether an event is expressed in condition-precedent, condition-subsequent, or any other form. A residuary clause constitutes an alternative devise with respect to a nonresiduary devise only if the will specifically

provides that, upon lapse or failure, the nonresiduary devise or nonresiduary devises in general pass under the residuary clause.

(b) "Class member" includes an individual who fails to survive the testator but who would have taken under a devise in the form of a class gift had the individual survived the testator.

(c) "Devise" includes an alternative devise, a devise in the form of a class gift, and an exercise of a power of appointment.

(d) "Devisee" includes:

(i) a class member if the devise is in the form of a class gift;

(ii) an individual or class member who was deceased at the time the testator executed the testator's will as well as an individual or class member who was then living but who failed to survive the testator; and

(iii) an appointee under a power of appointment exercised by the testator's will.

(e) "Stepchild" means a child of the surviving, deceased, or former spouse of the testator or of the donor of a power of appointment but not a child of the testator or donor.

(f) "Surviving devisee" or "surviving descendant" means a devisee or a descendant who neither predeceased the testator nor is considered to have predeceased the testator under [section 62].

(g) "Testator" includes the donee of a power of appointment if the power is exercised in the testator's will.

~~(1)~~*(2)* If a devisee ~~who~~ *fails to survive the testator and* is a grandparent, ~~or~~ a ~~lineal~~ descendant of a grandparent, *or a stepchild of either the testator or the donor of a power of appointment exercised by the testator's will, the following apply:* ~~of the testator is dead at the time of execution of the will, fails to survive the testator, or is treated as if he predeceased the testator, the issue of the deceased devisee who survive the testator by 120 hours take in place of the deceased devisee and if they are all of the same degree of kinship to the devisee, they take equally, but if of unequal degree then those of more remote degree take by representation.~~

~~(2) One who would have been a devisee under a class gift if he had survived the testator is treated as a devisee for purposes of this section whether his death occurred before or after the execution of the will.~~

(a) Except as provided in subsection (2)(d), if the devise is not in the form of a class gift and the deceased devisee leaves surviving descendants, a substitute gift is created in the devisee's surviving descendants. They take by representation the property to which the devisee would have been entitled had the devisee survived the testator.

(b) Except as provided in subsection (2)(d), if the devise is in the form of a class gift, other than a devise to "issue", "descendants", "heirs of the body", "heirs", "next of kin", "relatives", or "family" or a class described by language of similar import, a substitute gift is created in the deceased devisee or devisee's surviving

descendants. The property to which the devisees would have been entitled had all of them survived the testator passes to the surviving devisees and the surviving descendants of the deceased devisees. Each surviving devisee takes the share to which the devisee would have been entitled had the deceased devisees survived the testator. Each deceased devisee's surviving descendants who are substituted for the deceased devisee take by representation the share to which the deceased devisee would have been entitled had the deceased devisee survived the testator. For purposes of this subsection (b), "deceased devisee" means a class member who failed to survive the testator and left one or more surviving descendants.

(c) For purposes of [section 47], words of survivorship, such as in a devise to an individual "if the individual survives me" or in a devise to "my surviving children", are not, in the absence of additional evidence, a sufficient indication of an intent contrary to the application of this section.

(d) If the will creates an alternative devise with respect to a devise for which a substitute gift is created by subsection (2)(a) or (2)(b), the substitute gift is superseded by the alternative devise only if an expressly designated devisee of the alternative devise is entitled to take under the will.

(e) Unless the language creating a power of appointment expressly excludes the substitution of the descendants of an appointee for the appointee, a surviving descendant of a deceased appointee of a power of appointment may be substituted for the appointee under this section, whether or not the descendant is an object of the power.

(3) If, under subsection (2), substitute gifts are created and not superseded with respect to more than one devise and the devises are alternative devises, one to the other, the determination of which of the substitute gifts takes effect is resolved as follows:

(a) Except as provided in subsection (3)(b), the devised property passes under the primary substitute gift.

(b) If there is a younger-generation devise, the devised property passes under the younger-generation substitute gift and not under the primary substitute gift.

(c) As used in this subsection (3), the following definitions apply:

(i) "Primary devise" means the devise that would have taken effect had all the deceased devisees of the alternative devises who left surviving descendants survived the testator.

(ii) "Primary substitute gift" means the substitute gift created with respect to the primary devise.

(iii) "Younger-generation devise" means a devise that:

(A) is to a descendant of a devisee of the primary devise;

(B) is an alternative devise with respect to the primary devise;

(C) is a devise for which a substitute gift is created; and

(D) would have taken effect had all the deceased devisees who left surviving descendants survived the testator except the deceased devisee or devisees of the primary devise.

(iv) "Younger-generation substitute gift" means the substitute gift created with respect to the younger-generation devise."

Section 40. Section 72-2-513, MCA, is amended to read:

"**72-2-513. Failure of ~~devise~~ *testamentary provision.*** (1) Except as provided in 72-2-512, ~~if~~ a devise, other than a residuary devise, *that* fails for any reason~~, it~~ becomes a part of the residue.

(2) Except as provided in 72-2-512, if the residue is devised to two or more persons, ~~and~~ the share of ~~one of the~~ *a* residuary ~~devisees~~ *devisee that* fails for any reason~~, his share~~ passes to the other residuary devisee or to other residuary devisees in proportion to ~~their interests~~ *the interest of each* in the *remaining part of the* residue."

Section 41. Section 72-2-514, MCA, is amended to read:

"**72-2-514. Nonexoneration ~~— specific devise subject to security interest.~~** A specific devise passes subject to any security interest existing at the date of death, without right of exoneration, regardless of a general directive in the will to pay debts."

Section 42. Section 72-2-515, MCA, is amended to read:

"**72-2-515. Ademption by satisfaction.** *(1)* Property ~~which~~ *that* a testator gave in ~~his~~ *the testator's* lifetime to a person is treated as a satisfaction of a devise ~~to that person,~~ in whole or in part~~,~~ only if*:*

(a) the will provides for deduction of the ~~lifetime~~ gift*;*

~~(2)~~*(3)* ~~any~~ *Any* transfer *or exercise or release of a power of appointment* is excluded *from the decedent's reclaimable estate:*

If the terms of more than one of the provisions of subsection (2)(b) apply, the property is included in the augmented estate under the provision that yields the highest value. For purposes of this subsection, an "irrevocable transfer of property" includes an irrevocable exercise or release of a power of appointment.* ~~Nothing herein shall cause to be included in the augmented estate any life insurance, accident insurance, joint annuity, or pension payable to a person other than the surviving spouse.~~

~~(3) the value of property owned by the surviving spouse at the decedent's death, plus the value of property transferred by the spouse at any time during marriage to any person other than the decedent which would have been includable in the spouse's augmented estate if the surviving spouse had predeceased the decedent, to the extent the owned or transferred property is derived from the decedent by any means other than testate or intestate succession without a full consideration in money or money's worth. For purposes of this subsection:~~

~~(a) property derived from the decedent includes but is not limited to any beneficial interest of the surviving spouse in a trust created by the decedent during his lifetime, any property appointed to the spouse by the decedent's exercise of a general or special power of appointment also exercisable in favor of others than the spouse, any proceeds of insurance (including accidental death benefits) on the life of the decedent attributable to premiums paid by him, any lump sum immediately payable and the commuted value of the proceeds of annuity contracts under which the decedent was the primary annuitant attributable to premiums paid by him, the commuted value of amounts payable after the decedent's death under any public or private pension, disability compensation, death benefit, or retirement plan, exclusive of the federal social security system, by reason of service performed or disabilities incurred by the decedent, any property held at the time of decedent's death by decedent and the surviving spouse with right of survivorship, any property held by decedent and transferred by contract to the surviving spouse by reason of the decedent's death, and the value of the share of the surviving spouse resulting from rights in community property in this or any other state formerly owned with the decedent. Premiums paid by the decedent's employer, his partner, a partnership of which he was a member, or his creditors are deemed to have been paid by the decedent.~~

~~(b) property owned by the spouse at the decedent's death is valued as of the date of death. Property transferred by the spouse is valued at the time the transfer became irrevocable or at the decedent's death, whichever occurred first. Income earned by included property prior to the decedent's death is not treated as property derived from the decedent.~~

~~(c) property owned by the surviving spouse as of the decedent's death or previously transferred by the surviving spouse is presumed to have been derived~~

~~from the decedent, except to the extent that the surviving spouse establishes that it was derived from another source.~~

~~(4) For the purposes of this section, a bona fide purchaser is a purchaser for value in good faith and without notice of any adverse claim. Any recorded instrument is prima facie evidence that the transfer described therein was made to a bona fide purchaser.~~

(5) (a) Although under this section a payment, item of property, or other benefit is included in the decedent's reclaimable estate, a payor or other third party is not liable for having made a payment or transferred an item of property or other benefit to a beneficiary designated in a governing instrument, or for having taken any other action in good faith reliance on the validity of a governing instrument, upon request and satisfactory proof of the decedent's death, before the payor or other third party received written notice from the surviving spouse or spouse's representative of an intention to file a petition for the elective share or that a petition for the elective share has been filed. A payor or other third party is liable for payments made or other actions taken after the payor or other third party received written notice of an intention to file a petition for the elective share or that a petition for the elective share has been filed.

(b) The written notice of intention to file a petition for the elective share or that a petition for the elective share has been filed must be mailed to the payor's or other third party's main office or home by certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of intention to file a petition for the elective share or that a petition for the elective share has been filed, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent's estate or, if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the decedent's residence. The court shall hold the funds or item of property and, upon its determination under 72-2-707(4), shall order disbursement in accordance with the determination. If no petition is filed in the court within the specified time under 72-2-707(1) or, if filed, the demand for an elective share is withdrawn under 72-2-707(3), the court shall order disbursement to the designated beneficiary. Payments, transfers, or deposits made to or with the court discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

(c) Upon petition to the probate court by the beneficiary designated in a governing instrument, the court may order that all or part of the property be paid to the beneficiary in an amount and subject to conditions consistent with this section.

(6) (a) A person who purchases property from a recipient for value and without notice or who receives a payment or other item of property in partial or full satisfaction of a legally enforceable obligation is neither obligated under this part to return the payment, item of property, or benefit nor liable under this part for the amount of the payment or the value of the item of property or benefit. However, a person who, not for value, receives a payment, item of property, or other benefit included in the decedent's reclaimable estate is obligated to return

the payment, item of property, or benefit or is personally liable for the amount of the payment or the value of the item of property or benefit, as provided in 72-2-706.

(b) If any section or part of any section of this part is preempted by federal law with respect to a payment, an item of property, or any other benefit included in the decedent's reclaimable estate, a person who, not for value, receives the payment, item of property, or other benefit is obligated to return that payment, item of property, or benefit, or is personally liable for the amount of that payment or the value of that item of property or benefit, as provided in 72-2-706, to the person who would have been entitled to it were that section or part of that section not preempted."

Section 54. Section 72-2-706, MCA, is amended to read:

"**72-2-706. Charging spouse with ~~property~~ *owned assets and gifts* received — liability of others for balance of elective share.** (1) In the proceeding for an elective share, ~~values included in the augmented estate which pass or have passed to the surviving spouse, or which would have passed to the spouse but were renounced,~~ *the following* are applied first to satisfy the ~~elective share~~ *elective-share amount* and to reduce *or eliminate* any contributions due from ~~other~~ *the decedent's probate estate and* recipients of ~~transfers included in~~ the ~~augmented~~ *decedent's reclaimable* estate~~. For purposes of this subsection, the electing spouse's beneficial interest in any life estate or in any trust shall be computed as if worth one-half of the total value of the property subject to the life estate, or of the trust estate, unless higher or lower values for these interests are established by proof.~~*:*

(a) amounts included in the augmented estate that pass or have passed to the surviving spouse by testate or intestate succession;

(b) amounts included in the augmented estate under 72-2-705(2)(c);

(c) amounts included in the augmented estate that would have passed to the spouse but were disclaimed; and

(d) amounts included in the augmented estate under 72-2-705(2)(d) up to the applicable percentage thereof. For purposes of this subsection (d), the "applicable percentage" is twice the elective-share percentage set forth in the schedule in 72-2-702(1) appropriate to the length of time the spouse and the decedent were married to each other.

(2) If, after the application of subsection (1), the elective-share amount is not fully satisfied or the surviving spouse is entitled to a supplemental elective-share amount, amounts included in the decedent's probate estate and that portion of the decedent's reclaimable estate, other than amounts irrevocably transferred within 2 years before the decedent's death, are applied first to satisfy the unsatisfied balance of the elective-share amount or the supplemental elective-share amount. The decedent's probate estate and that portion of the decedent's reclaimable estate are applied so that liability for the unsatisfied balance of the elective-share amount or for the supplemental elective-share amount is equitably apportioned among the recipients of the decedent's probate estate and that portion of the decedent's reclaimable estate in proportion to the value of their interests therein.

~~(2)~~*(3)* ~~Remaining property of the augmented~~ *If, after the application of subsections (1) and (2), the elective-share or supplemental elective-share amount is not fully satisfied, the remaining portion of the decedent's reclaimable* estate is ~~so~~ applied *so* that liability for the *unsatisfied* balance of the ~~elective share of the surviving spouse~~ *elective-share or supplemental elective-share amount* is equitably apportioned among the recipients of ~~the augmented~~ *that portion of the decedent's reclaimable* estate in proportion to the value of their interests therein.

~~(3)~~*(4)* Only original ~~transferees from or appointees of the decedent and their donees,~~ *recipients of the reclaimable estate described in 72-2-705(2)(b) and the donees of the recipients of the reclaimable estate* to the extent the donees have the property or its proceeds~~,~~ are ~~subject to the~~ *liable to make a proportional* contribution ~~to make up the~~ *toward satisfaction of the surviving spouse's* ~~elective share of the surviving spouse~~ *elective-share or supplemental elective-share amount.* A person liable to contribution may choose to give up the ~~property transferred to him~~ *proportional part of the reclaimable estate* or to pay ~~its~~ *the* value ~~as~~ of the ~~time it is considered in computing the augmented estate~~ *amount for which the person is liable.*"

Section 55. Section 72-2-707, MCA, is amended to read:

"**72-2-707.** ~~**Procedure**~~ ***Proceeding*** **for** ~~**making of election**~~ ***elective share — time limit.*** (1) ~~The surviving spouse may elect to take his elective share in the augmented estate~~ *Except as provided in subsection (2), the election must be made* by filing in the court and mailing or delivering to the personal representative, if any, a petition for the elective share within 9 months after the date of *the decedent's* death or within 6 months after the probate of the decedent's will, whichever limitation ~~last~~ *later* expires. *The surviving spouse shall give notice of the time and place set for hearing to persons interested in the estate and to the distributees and recipients of portions of the augmented estate whose interests will be adversely affected by the taking of the elective share.* ~~However, the nonprobate transfers~~ *Except as provided in subsection (2), the decedent's reclaimable estate,* described in 72-2-705~~(1)~~*(2)(b),* ~~shall~~ *is* not ~~be~~ included within the augmented estate for the purpose of computing the elective share if the petition is filed ~~later~~ *more* than 9 months after *the decedent's* death. ~~The court may extend the time for election as it sees fit for cause shown by the surviving spouse before the time for election has expired.~~

(2) ~~The surviving spouse shall give notice of the time and place set for hearing to persons interested in the estate and to the distributees and recipients of portions of the augmented net estate whose interests will be adversely affected by the taking of the elective share.~~ *Within 9 months after the decedent's death, the surviving spouse may petition the court for an extension of time for making an election. If, within 9 months after the decedent's death, the spouse gives notice of the petition to all persons interested in the decedent's reclaimable estate, the court for cause shown by the surviving spouse may extend the time for election. If the court grants the spouse's petition for an extension, the decedent's reclaimable estate, described in 72-2-705(2)(b), is not excluded from the augmented estate for the purpose of computing the elective-share and supplemental elective-share amounts if the spouse makes an election by filing in the court and mailing or delivering to the personal representative, if any, a petition for the elective share within the time allowed by the extension.*

(3) The surviving spouse may withdraw ~~his~~ *a* demand for an elective share at any time before entry of a final determination by the court.

(4) After notice and hearing, the court shall determine the ~~amount of the elective share~~ *elective-share and supplemental elective-share amounts* and shall order its payment from the assets of the augmented ~~net~~ estate or by contribution as appears appropriate under 72-2-706. If it appears that a fund or property included in the augmented ~~net~~ estate has not come into the possession of the personal representative or has been distributed by the personal representative, the court nevertheless shall fix the liability of any person who has any interest in the fund or property or who has possession thereof, whether as trustee or otherwise. The proceeding may be maintained against fewer than all persons against whom relief could be sought, but no person is subject to contribution in any greater amount than ~~he~~ *the person* would have been *under 72-2-706* if relief had been secured against all persons subject to contribution.

(5) The order or judgment of the court may be enforced as necessary in suit for contribution or payment in other courts of this state or other jurisdictions."

Section 56. **Applicable law.** This part applies to the estate of a decedent who dies domiciled in this state. Rights to homestead allowance, exempt property, and family allowance for a decedent who dies not domiciled in this state are governed by the law of the decedent's domicile at death.

Section 57. Section 72-2-801, MCA, is amended to read:

"**72-2-801. Homestead allowance.** ~~(1)~~ A *decedent's* surviving spouse ~~of a decedent who was domiciled in this state~~ is entitled to a homestead allowance of $20,000. If there is no surviving spouse, each minor child and each dependent child of the decedent is entitled to a homestead allowance amounting to $20,000~~,~~ divided by the number of minor and dependent children of the decedent.

~~(2)~~ The homestead allowance is exempt from and has priority over all claims against the estate.

~~(3)~~ Homestead allowance is in addition to any share passing to the surviving spouse or minor or dependent child by the will of the decedent unless otherwise provided, by intestate succession, or by way of elective share."

Section 58. Section 72-2-802, MCA, is amended to read:

"**72-2-802. Exempt property.** ~~(1)~~ In addition to the homestead allowance~~,~~ the *decedent's* surviving spouse ~~of a decedent who was domiciled in this state~~ is entitled from the estate to *a* value, not exceeding ~~$3,500~~ *$10,000* in excess of any security interests therein, in household furniture, automobiles, furnishings, appliances, and personal effects. If there is no surviving spouse, *the decedent's* children ~~of the decedent~~ are entitled jointly to the same value. If encumbered chattels are selected and if the value in excess of security interests, plus that of other exempt property, is less than ~~$3,500~~ *$10,000* or if there is not ~~$3,500~~ *$10,000* worth of exempt property in the estate, the spouse or children are entitled to other assets of the estate, if any, to the extent necessary to make up the ~~$3,500~~ *$10,000* value.

~~(2)~~ Rights to exempt property and assets needed to make up a deficiency of exempt property have priority over all claims against the estate, ~~except that~~ *but* the right to any assets to make up a deficiency of exempt property ~~shall abate~~ *abates* as necessary to permit ~~prior~~ *earlier* payment of homestead allowance and family allowance.

~~(3)~~ These rights are in addition to any benefit or share passing to the surviving spouse or children by the *decedent's* will ~~of the decedent~~ unless otherwise provided, by intestate succession, or by way of elective share."

Section 59. Section 72-2-803, MCA, is amended to read:

"**72-2-803. Family allowance.** (1) In addition to the right to homestead allowance and exempt property, ~~if the decedent was domiciled in this state,~~ the *decedent's* surviving spouse and minor children whom the decedent was obligated to support and children who were in fact being supported by ~~him~~ *the decedent* are entitled to a reasonable allowance in money out of the estate for their maintenance during the period of administration, which allowance may not continue for longer than 1 year if the estate is inadequate to discharge allowed claims. The allowance may be paid as a lump sum or in periodic installments.

~~(2)~~ It is payable to the surviving spouse, if living, for the use of the surviving spouse and minor and dependent children, otherwise to the children or persons having their care and custody~~;~~. ~~but in case any~~ *If a* minor child or dependent child is not living with the surviving spouse, the allowance may be made partially to the child or ~~his~~ *the child's* guardian or other person having ~~his~~ *the child's* care and custody and partially to the spouse, as their needs may appear.

~~(3)~~ The family allowance is exempt from and has priority over all claims ~~but not over~~ *except* the homestead allowance.

~~(4)~~*(2)* The family allowance is not chargeable against any benefit or share passing to the surviving spouse or children by the will of the decedent unless otherwise provided, by intestate succession, or by way of elective share.

~~(5)~~ The death of any person entitled to family allowance terminates ~~his~~ *the* right to allowances not yet paid."

Section 60. Section 72-2-804, MCA, is amended to read:

"**72-2-804. Source, determination, and documentation.** (1) If the estate is otherwise sufficient, property specifically devised ~~is~~ *may* not *be* used to satisfy rights to homestead ~~and~~ *allowance or* exempt property. Subject to this restriction, the surviving spouse, ~~the~~ guardians of ~~the~~ minor children, or children who are adults may select property of the estate as homestead allowance and exempt property. The personal representative may make ~~these~~ *those* selections if the surviving spouse, the children, or the guardians of the minor children are unable or fail to do so within a reasonable time or if there ~~are~~ *is* no ~~guardians~~ *guardian* of ~~the~~ *a* minor ~~children~~ *child*. The personal representative may execute an instrument or deed of distribution to establish the ownership of property taken as homestead allowance or exempt property. ~~He~~ *The personal representative* may determine the family allowance in a lump sum not exceeding ~~$6,000~~ *$18,000* or periodic installments not exceeding ~~$500~~ *$1,500* per month for 1 year and may disburse funds of the estate in payment of the family allowance and any part of the homestead allowance payable in cash.

~~(2)~~ The personal representative or any interested person aggrieved by any selection, determination, payment, proposed payment, or failure to act under this section may petition the court for appropriate relief, which ~~relief~~ may ~~provide~~ *include* a family allowance ~~larger or smaller~~ *other* than that which the personal representative determined or could have determined.

(2) If the right to an elective share is exercised on behalf of a surviving spouse who is an incapacitated person, the personal representative may add any unexpended portions payable under the homestead allowance, exempt property, and family allowance to the trust established under 72-2-703(2)."

Section 61. **Scope.** In the absence of a finding of a contrary intention, the rules of construction in [sections 61 through 72] control the construction of a governing instrument. The rules of construction in [sections 61 through 72] apply to a governing instrument of any type, except as the application of a particular section is limited by its terms to a specific type or types of provision or governing instrument.

Section 62. **Requirement of survival by one hundred twenty hours.** (1) For the purposes of chapters 1 through 5, except for purposes of [sections 103 through 112] and except as provided in subsection (4), an individual who is not established by clear and convincing evidence to have survived an event, including the death of another individual, by 120 hours is considered to have predeceased the event.

(2) Except as provided in subsection (4) and except for a security registered in beneficiary form (TOD) under [sections 103 through 112], for purposes of a provision of a governing instrument that relates to an individual surviving an event, including the death of another individual, an individual who is not established by clear and convincing evidence to have survived the event by 120 hours is considered to have predeceased the event.

(3) (a) Except as provided in subsection (4), if:

(i) it is not established by clear and convincing evidence that one of two co-owners with right of survivorship survived the other co-owner by 120 hours, one-half of the property passes as if one had survived by 120 hours and one-half as if the other had survived by 120 hours; and

(ii) there are more than two co-owners and it is not established by clear and convincing evidence that at least one of them survived the others by 120 hours, the property passes in the proportion that one bears to the whole number of co-owners.

(b) For the purposes of this subsection (3), "co-owners with right of survivorship" includes joint tenants, tenants by the entireties, and other co-owners of property or accounts held under circumstances that entitle one or more to the whole of the property or account on the death of the other or others.

(4) This section does not apply if:

(a) the governing instrument contains language dealing explicitly with simultaneous deaths or deaths in a common disaster and that language is operable under the facts of the case;

(b) the governing instrument expressly indicates that an individual is not required to survive an event, including the death of another individual, by any specified period or expressly requires the individual to survive the event by a specified period;

(c) the imposition of a 120-hour requirement of survival would cause a nonvested property interest or a power of appointment to fail to qualify for validity under 70-1-802(1)(a), (2)(a), or (3)(a) or to become invalid under 70-1-802(1)(b), (2)(b), or (3)(b); or

(d) the application of this section to multiple governing instruments would result in an unintended failure or duplication of a disposition.

(5) (a) A payor or other third party is not liable for having made a payment or transferred an item of property or any other benefit to a beneficiary designated in a governing instrument who, under this section, is not entitled to the payment or item of property, or for having taken any other action in good faith reliance on the beneficiary's apparent entitlement under the terms of the governing instrument, before the payor or other third party received written notice of a claimed lack of entitlement under this section. A payor or other third party is liable for a payment made or other action taken after the payor or other third party received written notice of a claimed lack of entitlement under this section.

(b) Written notice of a claimed lack of entitlement under subsection (5)(a) must be mailed to the payor's or other third party's main office or home by certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of a claimed lack of entitlement under this section, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent's estate or, if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the decedent's residence. The court shall hold the funds or item of property and, upon its determination under this section, shall order disbursement in accordance with the determination. Payments, transfers, or deposits made to or with the court discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

(6) (a) A person who purchases property for value and without notice or who receives a payment or other item of property in partial or full satisfaction of a legally enforceable obligation is neither obligated under this section to return the payment, item of property, or benefit nor liable under this section for the amount of the payment or the value of the item of property or benefit. However, a person who, not for value, receives a payment, item of property, or other benefit to which the person is not entitled under this section is obligated to return the payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who is entitled to it under this section.

(b) If this section or any part of this section is preempted by federal law with respect to a payment, an item of property, or any other benefit covered by this section, a person who, not for value, receives the payment, item of property, or other benefit to which the person is not entitled under this section is obligated to return the payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who would have been entitled to it were this section or part of this section not preempted.

Section 63. **Power of appointment — meaning of specific reference requirement.** If a governing instrument creating a power of appointment expressly requires that the power be exercised by a reference, an express reference, or a specific reference to the power or its source, it is presumed that the donor's intention, in requiring that the donee exercise the power by making reference to the particular power or to the creating instrument, was to prevent an inadvertent exercise of the power.

Section 64. **Class gifts construed to accord with intestate succession.** (1) Adopted individuals and individuals born out of wedlock and their respective descendants if appropriate to the class are included in class gifts and other terms of relationship in accordance with the rules for intestate succession. Terms of relationship that do not differentiate relationships by blood from those by affinity, such as "uncles", "aunts", "nieces", or "nephews", are construed to exclude relatives by affinity. Terms of relationship that do not differentiate relationships by the half blood from those by the whole blood, such as "brothers", "sisters", "nieces", or "nephews", are construed to include both types of relationships.

(2) In addition to the requirements of subsection (1), in construing a dispositive provision of a transferor who is not the natural parent, an individual born to the natural parent is not considered the child of that parent unless the individual lived while a minor as a regular member of the household of that natural parent or of that parent's parent, brother, sister, spouse, or surviving spouse.

(3) In addition to the requirements of subsection (1), in construing a dispositive provision of a transferor who is not the adopting parent, an adopted individual is not considered the child of the adopting parent unless the adopted individual lived while a minor, either before or after the adoption, as a regular member of the household of the adopting parent.

Section 65. **Life insurance — retirement plan — account with POD designation — transfer-on-death registration — deceased beneficiary.** (1) As used in this section, the following definitions apply:

(a) "Alternative beneficiary designation" means a beneficiary designation that is expressly created by the governing instrument and that under the terms of the governing instrument may take effect instead of another beneficiary designation on the happening of one or more events, including survival of the decedent or failure to survive the decedent, whether an event is expressed in condition-precedent, condition-subsequent, or any other form.

(b) "Beneficiary" means the beneficiary of a beneficiary designation and includes:

(i) a class member if the beneficiary designation is in the form of a class gift; and

(ii) an individual or class member who was deceased at the time the beneficiary designation was executed as well as an individual or class member who was then living but who failed to survive the decedent.

(c) "Beneficiary designation" includes an alternative beneficiary designation and a beneficiary designation in the form of a class gift.

(d) "Class member" includes an individual who fails to survive the decedent but who would have taken under a beneficiary designation in the form of a class gift had the individual survived the decedent.

(e) "Stepchild" means a child of the decedent's surviving, deceased, or former spouse but not a child of the decedent.

(f) "Surviving beneficiary" or "surviving descendant" means a beneficiary or a descendant who neither predeceased the decedent nor is considered to have predeceased the decedent under [section 62].

(2) If a beneficiary fails to survive the decedent and is a grandparent, a descendant of a grandparent, or a stepchild of the decedent, the following provisions apply:

(a) Except as provided in subsection (2)(d), if the beneficiary designation is not in the form of a class gift and the deceased beneficiary leaves surviving descendants, a substitute gift is created in the beneficiary's surviving descendants. They take by representation the property to which the beneficiary would have been entitled had the beneficiary survived the decedent.

(b) Except as provided in subsection (2)(d), if the beneficiary designation is in the form of a class gift, other than a beneficiary designation to "issue", "descendants", "heirs of the body", "heirs", "next of kin", "relatives", or "family" or a class described by language of similar import, a substitute gift is created in the deceased beneficiary or beneficiary's surviving descendants. The property to which the beneficiaries would have been entitled had all of them survived the decedent passes to the surviving beneficiaries and the surviving descendants of the deceased beneficiaries. Each surviving beneficiary takes the share to which the surviving beneficiary would have been entitled had the deceased beneficiaries survived the decedent. Each deceased beneficiary's surviving descendants who are substituted for the deceased beneficiary take by representation the share to which the deceased beneficiary would have been entitled had the deceased beneficiary survived the decedent. For purposes of this subsection (b), "deceased beneficiary" means a class member who failed to survive the decedent and left one or more surviving descendants.

(c) For the purposes of [section 61], words of survivorship, such as in a beneficiary designation to an individual "if the individual survives me" or in a beneficiary designation to "my surviving children", are not, in the absence of additional evidence, a sufficient indication of an intent contrary to the application of this section.

(d) If a governing instrument creates an alternative beneficiary designation with respect to a beneficiary designation for which a substitute gift is created by subsection (2)(a) or (2)(b), the substitute gift is superseded by the alternative beneficiary designation only if an expressly designated beneficiary of the alternative beneficiary designation is entitled to take.

(3) If, under subsection (2), substitute gifts are created and not superseded with respect to more than one beneficiary designation and the beneficiary designations are alternative beneficiary designations, one to the other, the determination of which of the substitute gifts takes effect is resolved as follows:

(a) Except as provided in subsection (3)(b), the property passes under the primary substitute gift.

(b) If there is a younger-generation beneficiary designation, the property passes under the younger-generation substitute gift and not under the primary substitute gift.

(c) As used in this subsection (3), the following definitions apply:

(i) "Primary beneficiary designation" means the beneficiary designation that would have taken effect had all the deceased beneficiaries of the alternative beneficiary designations who left surviving descendants survived the decedent.

(ii) "Primary substitute gift" means the substitute gift created with respect to the primary beneficiary designation.

(iii) "Younger-generation beneficiary designation" means a beneficiary designation that:

(A) is to a descendant of a beneficiary of the primary beneficiary designation;

(B) is an alternative beneficiary designation with respect to the primary beneficiary designation;

(C) is a beneficiary designation for which a substitute gift is created; and

(D) would have taken effect had all the deceased beneficiaries who left surviving descendants survived the decedent except the deceased beneficiary or beneficiaries of the primary beneficiary designation.

(iv) "Younger-generation substitute gift" means the substitute gift created with respect to the younger-generation beneficiary designation.

(4) (a) A payor is protected from liability in making payments under the terms of the beneficiary designation until the payor has received written notice of a claim to a substitute gift under this section. Payment made before the receipt of written notice of a claim to a substitute gift under this section discharges the payor, but not the recipient, from all claims for the amounts paid. A payor is liable for a payment made after the payor has received written notice of the claim. A recipient is liable for a payment received, whether or not written notice of the claim is given.

(b) The written notice of the claim must be mailed to the payor's main office or home by certified mail, return receipt requested, or served upon the payor in the same manner as a summons in a civil action. Upon receipt of written notice of the claim, a payor may pay any amount owed by it to the court having jurisdiction of the probate proceedings relating to the decedent's estate or, if no proceedings have been commenced, to the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the decedent's residence. The court shall hold the funds and, upon its determination under this section, shall order disbursement in accordance with the determination. Payment made to the court discharges the payor from all claims for the amounts paid.

(5) (a) A person who purchases property for value and without notice or who receives a payment or other item of property in partial or full satisfaction of a legally enforceable obligation is neither obligated under this section to return the payment, item of property, or benefit nor liable under this section for the amount of the payment or the value of the item of property or benefit. However, a person who, not for value, receives a payment, item of property, or other benefit to which the person is not entitled under this section is obligated to return the payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who is entitled to it under this section.

(b) If this section or any part of this section is preempted by federal law with respect to a payment, an item of property, or any other benefit covered by this section, a person who, not for value, receives the payment, item of property, or other benefit to which the person is not entitled under this section is obligated to return the payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who would have been entitled to it were this section or part of this section not preempted.

Section 66. **Survivorship with respect to future interests under terms of trust — substitute takers.** (1) As used in this section, the following definitions apply:

(a) "Alternative future interest" means an expressly created future interest that may take effect in possession or enjoyment instead of another future interest on the happening of one or more events, including survival of an event or failure to survive an event, whether an event is expressed in condition-precedent, condition-subsequent, or any other form. A residuary clause in a will does not create an alternative future interest with respect to a future interest created in a nonresiduary devise in the will, whether or not the will specifically provides that lapsed or failed devises are to pass under the residuary clause.

(b) "Beneficiary" means the beneficiary of a future interest and includes a class member if the future interest is in the form of a class gift.

(c) "Class member" includes an individual who fails to survive the distribution date but who would have taken under a future interest in the form of a class gift had the individual survived the distribution date.

(d) "Distribution date" with respect to a future interest means the time when the future interest is to take effect in possession or enjoyment. The distribution date need not occur at the beginning or end of a calendar day, but may occur at a time during the course of a day.

(e) "Future interest" includes an alternative future interest and a future interest in the form of a class gift.

(f) "Future interest under the terms of a trust" means a future interest that was created by a transfer creating a trust or to an existing trust or by an exercise of a power of appointment to an existing trust that directs the continuance of an existing trust, designates a beneficiary of an existing trust, or creates a trust.

(g) "Surviving beneficiary" or "surviving descendant" means a beneficiary or a descendant who neither predeceased the distribution date nor is considered to have predeceased the distribution date under [section 62].

(2) A future interest under the terms of a trust is contingent on the beneficiary surviving the distribution date. If a beneficiary of a future interest under the terms of a trust fails to survive the distribution date, the following provisions apply:

(a) Except as provided in subsection (2)(d), if the future interest is not in the form of a class gift and the deceased beneficiary leaves surviving descendants, a substitute gift is created in the beneficiary's surviving descendants. They take by representation the property to which the beneficiary would have been entitled had the beneficiary survived the distribution date.

(b) Except as provided in subsection (2)(d), if the future interest is in the form of a class gift, other than a future interest to "issue", "descendants", "heirs of the body", "heirs", "next of kin", "relatives", or "family" or a class described by language of similar import, a substitute gift is created in the deceased beneficiary or beneficiary's surviving descendants. The property to which the beneficiaries would have been entitled had all of them survived the distribution date passes to the surviving beneficiaries and the surviving descendants of the deceased beneficiaries. Each surviving beneficiary takes the share to which the surviving beneficiary would have been entitled had the deceased beneficiaries survived the distribution date. Each deceased beneficiary's surviving descendants who are substituted for the deceased beneficiary take by representation the share to which the deceased beneficiary would have been entitled had the deceased beneficiary survived the distribution date. For purposes of this subsection (2), "deceased beneficiary" means a class member who failed to survive the distribution date and left one or more surviving descendants.

(c) For the purposes of [section 61], words of survivorship attached to a future interest are not, in the absence of additional evidence, a sufficient indication of an intent contrary to the application of this section. Words of survivorship include words of survivorship that relate to the distribution date or to an earlier or an unspecified time, whether those words of survivorship are expressed in condition-precedent, condition-subsequent, or any other form.

(d) If a governing instrument creates an alternative future interest with respect to a future interest for which a substitute gift is created by subsection (2)(a) or (2)(b), the substitute gift is superseded by the alternative future interest only if an expressly designated beneficiary of the alternative future interest is entitled to take in possession or enjoyment.

(3) If, under subsection (2), substitute gifts are created and not superseded with respect to more than one future interest and the future interests are alternative future interests, one to the other, the determination of which of the substitute gifts takes effect is resolved as follows:

(a) Except as provided in subsection (3)(b), the property passes under the primary substitute gift.

(b) If there is a younger-generation future interest, the property passes under the younger-generation substitute gift and not under the primary substitute gift.

(c) As used in this subsection (3), the following definitions apply:

(i) "Primary future interest" means the future interest that would have taken effect had all the deceased beneficiaries of the alternative future interests who left surviving descendants survived the distribution date.

(ii) "Primary substitute gift" means the substitute gift created with respect to the primary future interest.

(iii) "Younger-generation future interest" means a future interest that:

(A) is to a descendant of a beneficiary of the primary future interest;

(B) is an alternative future interest with respect to the primary future interest;

(C) is a future interest for which a substitute gift is created; and

(D) would have taken effect had all the deceased beneficiaries who left surviving descendants survived the distribution date except the deceased beneficiary or beneficiaries of the primary future interest.

(iv) "Younger-generation substitute gift" means the substitute gift created with respect to the younger-generation future interest.

(4) If, after the application of subsections (2) and (3), there is no surviving taker, the property passes in the following order:

(a) if the trust was created in a nonresiduary devise in the transferor's will or in a codicil to the transferor's will, the property passes under the residuary clause in the transferor's will. For purposes of this section, the residuary clause is treated as creating a future interest under the terms of a trust.

(b) if no taker is produced by the application of subsection (4)(a), the property passes to the transferor's heirs under [section 70].

Section 67. **Class gifts to "descendants", "issue", or "heirs of the body" — form of distribution if none specified.** If a class gift in favor of "descendants", "issue", or "heirs of the body" does not specify the manner in which the property is to be distributed among the class members, the property is distributed among the class members who are living when the interest is to take effect in possession or enjoyment in such shares as they would receive under the applicable law of intestate succession if the designated ancestor had then died intestate owning the subject matter of the class gift.

Section 68. **Representation — per capita at each generation — per stirpes.** (1) As used in this section, the following definitions apply:

(a) "Deceased child" or "deceased descendant" means a child or a descendant who either predeceased the distribution date or is considered to have predeceased the distribution date under [section 62].

(b) "Distribution date", with respect to an interest, means the time when the interest is to take effect in possession or enjoyment. The distribution date need not occur at the beginning or end of a calendar day but may occur at a time during the course of a day.

(c) "Surviving ancestor", "surviving child", or "surviving descendant" means an ancestor, a child, or a descendant who neither predeceased the distribution date nor is considered to have predeceased the distribution date under [section 62].

(2) (a) If a governing instrument calls for property to be distributed "per capita at each generation", the property is divided into as many equal shares as there are:

(i) surviving descendants in the generation nearest to the designated ancestor that contains one or more surviving descendants; and

(ii) deceased descendants in the same generation who left surviving descendants, if any.

(b) Each surviving descendant in the nearest generation is allocated one share. The remaining shares, if any, are combined and then divided in the same manner among the surviving descendants of the deceased descendants as if the surviving descendants who were allocated a share and their surviving descendants had predeceased the distribution date.

(3) (a) If an applicable statute or a governing instrument calls for property to be distributed "by representation" or "per stirpes", the property is divided into as many equal shares as there are:

(i) surviving children of the designated ancestor; and

(ii) deceased children who left surviving descendants.

(b) Each surviving child is allocated one share. The share of each deceased child with surviving descendants is divided in the same manner, with subdivision repeating at each succeeding generation until the property is fully allocated among surviving descendants.

(4) For the purposes of subsections (2) and (3), an individual who is deceased and left no surviving descendant is disregarded and an individual who leaves a surviving ancestor who is a descendant of the designated ancestor is not entitled to a share.

Section 69. **Worthier title doctrine abolished.** The doctrine of worthier title is abolished as a rule of law and as a rule of construction. Language in a governing instrument describing the beneficiaries of a disposition as the transferor's "heirs", "heirs at law", "next of kin", "distributees", "relatives", or "family" or language of similar import does not create or presumptively create a reversionary interest in the transferor.

Section 70. **Future interests in "heirs" and like.** If an applicable statute or a governing instrument calls for a future distribution to or creates a future interest in a designated individual's "heirs", "heirs at law", "next of kin", "relatives", or "family" or language of similar import, the property passes to those persons, including the state under 72-2-207, and in such shares as would succeed to the designated individual's intestate estate under the intestate succession law of the designated individual's domicile in effect at the time the disposition is to take effect in possession or enjoyment as if the designated individual died at that time. If the designated individual's surviving spouse is living but is remarried at the time the disposition is to take effect in possession or enjoyment, the surviving spouse is not an heir of the designated individual.

Section 71. **Revocation of probate and nonprobate transfers by divorce — no revocation by other changes of circumstances.** (1) As used in this section, the following definitions apply:

(a) "Disposition or appointment of property" includes a transfer of an item of property or any other benefit to a beneficiary designated in a governing instrument.

(b) "Divorce or annulment" means any divorce, annulment, or dissolution or declaration of invalidity of a marriage that would exclude the spouse as a surviving spouse within the meaning of 72-2-103. A decree of separation that does not terminate the status of husband and wife is not a divorce for purposes of this section.

(c) "Divorced individual" includes an individual whose marriage has been annulled.

(d) "Governing instrument" means a governing instrument executed by the divorced individual before the divorce or annulment of the individual's marriage to the individual's former spouse.

(e) "Relative of the divorced individual's former spouse" means an individual who is related to the divorced individual's former spouse by blood, adoption, or affinity and who, after the divorce or annulment, is not related to the divorced individual by blood, adoption, or affinity.

(f) "Revocable", with respect to a disposition, appointment, provision, or nomination, means one under which the divorced individual, at the time of the divorce or annulment, was alone empowered, by law or under the governing instrument, to cancel the designation in favor of the individual's former spouse or former spouse's relative, whether or not the divorced individual was then empowered to designate the divorced individual in place of the individual's former spouse or in place of the former spouse's relative and whether or not the divorced individual then had the capacity to exercise the power.

(2) Except as provided by the express terms of a governing instrument, a court order, or a contract relating to the division of the marital estate made between the divorced individuals before or after the marriage, divorce, or annulment, the divorce or annulment of a marriage:

(a) revokes any revocable:

(i) disposition or appointment of property made by a divorced individual to the individual's former spouse in a governing instrument and any disposition or appointment created by law or in a governing instrument to a relative of the divorced individual's former spouse;

(ii) provision in a governing instrument conferring a general or nongeneral power of appointment on the divorced individual's former spouse or on a relative of the divorced individual's former spouse; and

(iii) nomination in a governing instrument that nominates a divorced individual's former spouse or a relative of the divorced individual's former spouse to serve in any fiduciary or representative capacity, including a personal representative, executor, trustee, conservator, agent, or guardian; and

(b) severs the interests of the former spouses in property held by them at the time of the divorce or annulment as joint tenants with the right of survivorship and transforms the interests of the former spouses into tenancies in common.

(3) A severance under subsection (2)(b) does not affect any third-party interest in property acquired for value and in good faith reliance on an apparent title by survivorship in the survivor of the former spouses unless a writing declaring the severance has been noted, registered, filed, or recorded in records appropriate to the kind and location of the property, which records are relied upon, in the ordinary course of transactions involving such property, as evidence of ownership.

(4) Provisions of a governing instrument that are not revoked by this section are given effect as if the former spouse and relatives of the former spouse disclaimed the revoked provisions or, in the case of a revoked nomination in a fiduciary or representative capacity, as if the former spouse and relatives of the former spouse died immediately before the divorce or annulment.

(5) Provisions revoked solely by this section are revived by the divorced individual's remarriage to the former spouse or by a nullification of the divorce or annulment.

(6) No change of circumstances other than as described in this section and in 72-2-104 effects a revocation.

(7) (a) A payor or other third party is not liable for having made a payment or transferred an item of property or any other benefit to a beneficiary designated in a governing instrument affected by a divorce, annulment, or remarriage, or for having taken any other action in good faith reliance on the validity of the governing instrument, before the payor or other third party received written notice of the divorce, annulment, or remarriage. A payor or other third party is liable for a payment made or other action taken after the payor or other third party received written notice of a claimed forfeiture or revocation under this section.

(b) Written notice of the divorce, annulment, or remarriage under subsection (7)(a) must be mailed to the payor's or other third party's main office or home by certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of the divorce, annulment, or remarriage, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent's estate or, if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the decedent's residence. The court shall hold the funds or item of property and, upon its determination under this section, shall order disbursement or transfer in accordance with the determination. Payments, transfers, or deposits made to or with the court discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

(8) (a) A person who purchases property from a former spouse, relative of a former spouse, or any other person for value and without notice or who receives from a former spouse, relative of a former spouse, or any other person a payment or other item of property in partial or full satisfaction of a legally enforceable obligation is neither obligated under this section to return the payment, item of property, or benefit nor liable under this section for the amount of the payment or the value of the item of property or benefit. However, a former spouse, relative of a former spouse, or other person who, not for value, received a payment, item of property, or other benefit to which that person is not entitled under this section is obligated to return the payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who is entitled to it under this section.

(b) If this section or any part of this section is preempted by federal law with respect to a payment, an item of property, or any other benefit covered by this section, a former spouse, relative of the former spouse, or any other person who, not for value, received a payment, item of property, or other benefit to which that person is not entitled under this section is obligated to return that payment, item of property, or benefit, or is personally liable for the amount of the payment or the value of the item of property or benefit, to the person who would have been entitled to it were this section or part of this section not preempted.

Section 72. **Honorary trusts — trusts for pets.** (1) A trust for a noncharitable corporation or unincorporated society or for a lawful noncharitable purpose may be performed by the trustee for 21 years but no longer, whether or not there is a beneficiary who can seek the trust's enforcement or termination and whether or not the terms of the trust contemplate a longer duration.

(2) Subject to the provisions of this subsection, a trust for the care of a designated domestic or pet animal and the animal's offspring is valid. Except as expressly provided otherwise in the trust instrument, the following provisions apply:

(a) No portion of the principal or income may be converted to the use of the trustee or to any use other than for the benefit of a covered animal.

(b) The trust terminates at the earlier of 21 years after the trust was created or when no living animal is covered by the trust.

(c) Upon termination, the trustee shall transfer the unexpended trust property in the following order:

(i) as directed in the trust instrument;

(ii) if the trust was created in a nonresiduary clause in the transferor's will or in a codicil to the transferor's will, under the residuary clause in the transferor's will; and

(iii) if no taker is produced by the application of subsection (2)(c)(i) or (2)(c)(ii), to the transferor's heirs under [section 70].

(d) For the purposes of [section 66], the residuary clause is treated as creating a future interest under the terms of a trust.

(e) The intended use of the principal or income may be enforced by an individual designated for that purpose in the trust instrument or, if none, by an individual appointed by a court upon application to it by an individual.

(f) Except as ordered by the court or required by the trust instrument, no filing, report, registration, periodic accounting, separate maintenance of funds, appointment, or fee is required by reason of the existence of the fiduciary relationship of the trustee.

(g) A governing instrument must be liberally construed to bring the transfer within the applicability of this section, to presume against the merely precatory or honorary nature of the disposition, and to carry out the general intent of the transferor. Extrinsic evidence is admissible in determining the transferor's intent.

(h) A court may reduce the amount of the property transferred if it determines that that amount substantially exceeds the amount required for the intended use. The amount of the reduction, if any, passes as unexpended trust property under subsection (2)(c).

(i) If no trustee is designated or no designated trustee is willing or able to serve, a court shall name a trustee. A court may order the transfer of the property to another trustee if required to ensure that the intended use is carried out and if no successor trustee is designated in the trust instrument or if no designated successor trustee agrees to serve or is able to serve. A court may also make such other orders and determinations as are advisable to carry out the intent of the transferor and the purpose of this section.

Section 73. Section 72-3-212, MCA, is amended to read:

Section 82. Section 72-36-206, MCA, is amended to read:

"**72-36-206. Effects on real property transactions.** (1) This section relates only to conveyances of real property to or from a trust, and supplements, but does not modify other substantive provisions of chapters 33 through 36 relating to the creation or validity of trusts. ~~This section does not affect conveyances recorded prior to October 1, 1989.~~

(2) Except as otherwise provided in chapters 33 through 36, a conveyance of real property to a trustee designated as such in the conveyance vests the whole estate conveyed in the trustee, subject only to the trustee's duties. The beneficiaries of the trust take no estate or interest in the real property, but may determine or enforce the terms of the trust as provided in chapters 33 through 36.

(3) An instrument creating or amending a trust need not be recorded, but may be if properly acknowledged.

(4) If there is no clear reference to or designation of a grantee as trustee in a conveyance (nor in a separately recorded instrument recorded in the same county as the conveyance and describing the same property as described in the conveyance), the conveyance ~~shall~~ *must* be considered to be absolute to the grantee, in favor of purchasers or encumbrancers from the grantee, who were without actual knowledge and who acted for a valuable consideration, despite any valid trust which may exist.

(5) Unless limitations upon a trustee's power or authority are set forth in the recorded conveyance of real property to the trustee or in a separate trust instrument (or portion thereof, or abstract thereof) recorded in the same county, there are no limitations upon the trustee's power or authority to convey or encumber the real property in favor of third persons who were without actual knowledge and who acted for a valuable consideration. A separate trust instrument incorporated by reference in a conveyance to a trustee cannot limit the trustee's power or authority to convey or encumber unless the limitations are set forth in the trust instrument (or portion thereof or abstract thereof) which is also recorded in the county where the real property is located. An amendment to a recorded trust instrument may not affect the power or authority of a trustee to convey or encumber unless it is also recorded in the same place.

(6) A subsequent conveyance from a person designated in the original conveyance as trustee (or from his successor trustee) conveys the whole estate vested in the trustee, except as limited by the terms of the conveyance. The identity of any successor trustee may be established by a recorded affidavit of the successor trustee specifying ~~his~~ *the successor trustee's* name and address and the date and circumstances of ~~his~~ succession, and confirming that ~~he~~ *the successor trustee* is currently lawfully serving in ~~such~~ *that* capacity.

(7) In an action or proceeding by a third person involving the real property granted to a trustee, the person designated as trustee in the original conveyance, or the successor trustee as established in subsection (6), or, if none, the person then actually serving as trustee, or, if none, any beneficiary designated by the court to represent the interests of the beneficiaries, shall be considered the only necessary representative of the trust and of all persons with an interest ~~therein~~ *in the trust*. A judgment is binding upon and conclusive against the trust and all persons interested ~~therein~~ *in the trust* as to all matters finally adjudicated in the judgment.

(8) The designation of the name of a trust in a recorded conveyance vests the estate in the trustee of the trust. A subsequent conveyance may be made by the trustee. The identity of a party serving as trustee may be established by a recorded affidavit of the party or by other recorded instrument, specifying the trustee's name and address and confirming that ~~he~~ *the party* is currently serving as the trustee."

Section 83. **Nonprobate transfers on death.** (1) A provision for a nonprobate transfer on death in an insurance policy, contract of employment, bond, mortgage, promissory note, certificated or uncertificated security, account agreement, custodial agreement, deposit agreement, compensation plan, pension plan, individual retirement plan, employee benefit plan, trust, conveyance, deed of gift, marital property agreement, or other written instrument of a similar nature is nontestamentary. This subsection includes a written provision that:

(a) money or other benefits due to, controlled by, or owned by a decedent before death must be paid after the decedent's death to a person whom the decedent designates either in the instrument or in a separate writing, including a will, executed either before or at the same time as the instrument or later;

(b) money due or to become due under the instrument ceases to be payable in the event of death of the promisee or the promisor before payment or demand; or

(c) any property controlled by or owned by the decedent before death that is the subject of the instrument passes to a person the decedent designates either in the instrument or in a separate writing, including a will, executed either before or at the same time as the instrument or later.

(2) This section does not limit rights of creditors under other laws of this state.

Section 84. **Definitions.** In [sections 84 through 102], the following definitions apply:

(1) "Account" means a contract of deposit between a depositor and a financial institution and includes a checking account, savings account, certificate of deposit, and share account.

(2) "Agent" means a person authorized to make account transactions for a party.

(7) "Payment" of sums on deposit includes withdrawal, payment to a party or third person pursuant to check or other request, and a pledge of sums on deposit by a party or a setoff, reduction, or other disposition of all or part of an account pursuant to a pledge.

(8) "POD designation" means the designation of:

(a) a beneficiary in an account payable on request to one party during the party's lifetime and on the party's death to one or more beneficiaries or to one or more parties during their lifetimes and on death of all of them to one or more beneficiaries; or

(b) a beneficiary in an account in the name of one or more parties as trustee for one or more beneficiaries if the relationship is established by the terms of the account and there is no subject of the trust other than the sums on deposit in the account, whether or not payment to the beneficiary is mentioned.

(9) "Receive", as it relates to notice to a financial institution, means receipt in the office or branch office of the financial institution in which the account is established or, if the terms of the account require notice at a particular place, in the place required.

(10) "Request" means a request for payment that complies with all terms of the account, including special requirements concerning necessary signatures and regulations of the financial institution; however, for purposes of [sections 84 through 102], if terms of the account condition payment on advance notice, a request for payment is treated as immediately effective and a notice of intent to withdraw is treated as a request for payment.

(11) "Sums on deposit" means the balance payable on an account, including interest and dividends earned, whether or not included in the current balance, and any deposit life insurance proceeds added to the account by reason of death of a party.

(12) "Terms of the account" includes the deposit agreement and other terms and conditions, including the form, of the contract of deposit.

Section 85. **Limitation on scope of [sections 84 through 102].** [Sections 84 through 102] do not apply to:

(1) an account established for a partnership, joint venture, or other organization for a business purpose;

(2) an account controlled by one or more persons as an agent or trustee for a corporation, unincorporated association, or charitable or civic organization; or

(3) a fiduciary or trust account in which the relationship is established other than by the terms of the account.

Section 86. **Types of account — existing accounts.** (1) An account may be for a single party or multiple parties. A multiple-party account may be with or without a right of survivorship between the parties. Subject to [section 91(3)], either a single-party account or a multiple-party account may have a POD designation, an agency designation, or both.

(2) An account established before, on, or after [the effective date of this act], whether in the form prescribed in [section 87] or in any other form, is either a single-party account or a multiple-party account, with or without right of survivorship and with or without a POD designation or an agency designation, within the meaning of [sections 84 through 102], and is governed by [sections 84 through 102].

..... AGENCY DESIGNATION SURVIVES DISABILITY OR INCAPACITY OF PARTIES

..... AGENCY DESIGNATION TERMINATES ON DISABILITY OR INCAPACITY OF PARTIES

(2) A contract of deposit that does not contain provisions in substantially the form provided in subsection (1) is governed by the provisions of [sections 84 through 102] applicable to the type of account that most nearly conforms to the depositor's intent.

Section 88. **Designation of agent.** (1) By a writing signed by all parties, the parties may designate as agent of all parties on an account a person other than a party.

(2) Unless the terms of an agency designation provide that the authority of the agent terminates on disability or incapacity of a party, the agent's authority survives disability and incapacity. The agent may act for a disabled or incapacitated party until the authority of the agent is terminated.

(3) Death of the sole party or last-surviving party terminates the authority of an agent.

Section 89. **Applicability of [sections 90 through 102].** The provisions of [sections 90 through 95] concerning beneficial ownership as between parties or as between parties and beneficiaries apply only to controversies between those persons and their creditors and other successors and do not apply to the right of those persons to payment as determined by the terms of the account. [Sections 96 through 102] govern the liability and setoff rights of financial institutions that make payments pursuant to it.

Section 90. **Ownership during lifetime.** (1) In this section, "net contribution" of a party means the sum of all deposits to an account made by or for the party, less all payments from the account made to or for the party that have not been paid to or applied to the use of another party and a proportionate share of any charges deducted from the account, plus a proportionate share of any interest or dividends earned, whether or not included in the current balance. The term includes deposit life insurance proceeds added to the account by reason of death of the party whose net contribution is in question.

(2) During the lifetime of all parties, an account belongs to the parties in proportion to the net contribution of each to the sums on deposit unless there is clear and convincing evidence of a different intent. As between parties married to each other, in the absence of proof otherwise, the net contribution of each is presumed to be an equal amount.

(3) A beneficiary in an account having a POD designation has no right to sums on deposit during the lifetime of any party.

(4) An agent in an account with an agency designation has no beneficial right to sums on deposit.

Section 91. **Rights at death.** (1) Except as otherwise provided in [sections 84 through 102], on the death of a party, sums on deposit in a multiple-party account belong to the surviving party or parties. If two or more parties survive and one is the surviving spouse of the decedent, the amount to which the decedent, immediately before death, was beneficially entitled under [section 90] belongs to the surviving spouse. If two or more parties survive and none is the surviving spouse of the decedent, the amount to which the decedent, immediately before death, was beneficially entitled under [section 90] belongs to the surviving parties in equal shares and augments the proportion to which each survivor, immediately before the decedent's death, was beneficially entitled under [section 90] and the right of survivorship continues between the surviving parties.

(2) In an account with a POD designation:

(a) on the death of one of two or more parties, the rights in sums on deposit are governed by subsection (1);

(b) on the death of the sole party or the last survivor of two or more parties, sums on deposit belong to the surviving beneficiary or beneficiaries. If two or more beneficiaries survive, sums on deposit belong to them in equal and undivided shares and there is no right of survivorship in the event of the death of a beneficiary thereafter. If no beneficiary survives, sums on deposit belong to the estate of the last-surviving party.

(3) Sums on deposit in a single-party account without a POD designation, or in a multiple-party account that, by the terms of the account, is without right of survivorship, are not affected by the death of a party, but the amount to which the decedent, immediately before death, was beneficially entitled under [section 90] is transferred as part of the decedent's estate. A POD designation in a multiple-party account without right of survivorship is ineffective. For purposes of this section, designation of an account as a tenancy in common establishes that the account is without right of survivorship.

(4) The ownership right of a surviving party or beneficiary, or of the decedent's estate, in sums on deposit is subject to requests for payment made by a party before the party's death, whether paid by the financial institution before or after death or unpaid. The surviving party or beneficiary, or the decedent's estate, is liable to the payee of an unpaid request for payment. The liability is limited to a proportionate share of the amount transferred under this section, to the extent necessary to discharge the request for payment.

Section 92. **Alteration of rights.** (1) Rights at death under [section 91] are determined by the type of account at the death of a party. The type of account may be altered by written notice given by a party to the financial institution to change the type of account or to stop or vary payment under the terms of the account. The notice must be signed by a party and received by the financial institution during the party's lifetime.

(2) A right of survivorship arising from the express terms of the account, from [section 91], or from a POD designation may not be altered by will.

Section 93. **Accounts and transfers nontestamentary.** Except as provided in Title 72, chapter 2, part 7, or as a consequence of and to the extent directed by [section 94], a transfer resulting from the application of [section 91] is effective by reason of the terms of the account involved and [sections 84 through 102] and is not testamentary or subject to Title 72, chapters 1 through 5.

Section 94. **Rights of creditors and others.** (1) If other assets of the estate are insufficient, a transfer resulting from a right of survivorship or POD designation under [sections 84 through 102] is not effective against the estate of a deceased party to the extent needed to pay claims against the estate and statutory allowances to the surviving spouse and children.

(2) A surviving party or beneficiary who receives payment from an account after the death of a party is liable to account to the personal representative of the decedent for a proportionate share of the amount received to which the decedent, immediately before death, was beneficially entitled under [section 90], to the extent necessary to discharge the claims and allowances described in subsection (1) remaining unpaid after application of the decedent's estate. A proceeding to assert the liability may not be commenced unless the personal representative has received a written demand by the surviving spouse, a creditor, a child, or a person acting for a child of the decedent. The proceeding must be commenced within 1 year after death of the decedent.

(3) A surviving party or beneficiary against whom a proceeding to account is brought may join as a party to the proceeding a surviving party or beneficiary of any other account of the decedent.

(4) Sums recovered by the personal representative must be administered as part of the decedent's estate. This section does not affect the protection from claims of the personal representative or estate of a deceased party provided in [section 101] for a financial institution that makes payment in accordance with the terms of the account.

Section 95. **Community property and tenancy by entireties.** (1) A deposit of community property in an account does not alter the community character of the property or community rights in the property, but a right of survivorship between parties married to each other that arises from the express terms of the account or [section 91] may not be altered by will.

(2) [Sections 84 through 102] do not affect the law governing tenancy by the entireties.

Section 96. **Authority of financial institution.** A financial institution may enter into a contract of deposit for a multiple-party account to the same extent it may enter into a contract of deposit for a single-party account and may provide for a POD designation and an agency designation in either a single-party account or a multiple-party account. A financial institution need not inquire as to the source of a deposit to an account or as to the proposed application of a payment from an account.

Section 97. **Payment on multiple-party account.** A financial institution, on request, may pay sums on deposit in a multiple-party account to:

(1) one or more of the parties, whether or not another party is disabled, incapacitated, or deceased when payment is requested and whether or not the party making the request survives another party; or

(2) the personal representative or a successor claiming under 72-3-1101 if proof of death is presented to the financial institution, showing that the deceased party was the survivor of all other persons named on the account as either a party or beneficiary, unless the account is without right of survivorship under [section 91].

Section 98. **Payment on POD designation.** A financial institution, on request, may pay sums on deposit in an account with a POD designation to:

(1) one or more of the parties, whether or not another party is disabled, incapacitated, or deceased when the payment is requested and whether or not a party survives another party;

(2) the beneficiary or beneficiaries, if proof of death is presented to the financial institution, showing that the beneficiary or beneficiaries survived all persons named as parties; or

(3) the personal representative, if any, or, if there is none, the heirs or devisees of a deceased party, if proof of death is presented to the financial institution, showing that the deceased party was the survivor of all other persons named on the account as either a party or beneficiary.

Section 99. **Payment to designated agent.** A financial institution, on request of an agent under an agency designation for an account, may pay to the agent sums on deposit in the account, whether or not a party is disabled, incapacitated, or deceased when the request is made or received and whether or not the authority of the agent terminates on the disability or incapacity of a party.

Section 100. **Payment to minor.** If a financial institution is required or permitted to make payment pursuant to [sections 84 through 102] to a minor designated as a beneficiary, payment may be made pursuant to the Montana Uniform Transfers to Minors Act, Title 72, chapter 26.

Section 101. **Discharge.** (1) Payment made pursuant to [sections 84 through 102] in accordance with the type of account discharges the financial institution from all claims for amounts so paid, whether or not the payment is consistent with the beneficial ownership of the account as between parties, beneficiaries, or their successors. Payment may be made whether or not a party, beneficiary, or agent is disabled, incapacitated, or deceased when payment is requested, received, or made.

(2) Protection under this section does not extend to payments made after a financial institution has received written notice from a party, or from the personal representative, surviving spouse, or heir or devisee of a deceased party, to the effect that payments in accordance with the terms of the account, including one having an agency designation, should not be permitted and after the financial institution has had a reasonable opportunity to act on the notice when the payment is made. Unless the notice is withdrawn by the person giving it, the successor of any deceased party shall concur in a request for payment if the financial institution is to be protected under this section. Unless a financial institution has been served with process in an action or proceeding, no other notice or other information shown to have been available to the financial institution affects its right to protection under this section.

(3) A financial institution that receives written notice pursuant to this section or otherwise has reason to believe that a dispute exists as to the rights of the parties may refuse, without liability, to make payments in accordance with the terms of the account.

(4) Protection of a financial institution under this section does not affect the rights of parties in disputes between themselves or their successors concerning the beneficial ownership of sums on deposit in accounts or payments made from accounts.

Section 102. **Setoff.** Without qualifying any other statutory right to setoff or lien and subject to any contractual provision, if a party is indebted to a financial institution, the financial institution has a right to setoff against the account. The amount of the account subject to setoff is either the proportion to which the party is, or immediately before death was, beneficially entitled under [section 90] or, in the absence of proof of that proportion, an equal share with all parties.

Section 103. **Definitions.** As used in [sections 103 through 112], the following definitions apply:

(1) "Beneficiary form" means a registration of a security that indicates the present owner of the security and the intention of the owner regarding the person who will become the owner of the security upon the death of the owner.

(2) "Register", including its derivatives, means to issue a certificate showing the ownership of a certificated security or, in the case of an uncertificated security, to initiate or transfer an account showing ownership of securities.

(3) "Registering entity" means a person who originates or transfers a security title by registration and includes a broker maintaining security accounts for customers and a transfer agent or other person acting for or as an issuer of securities.

(4) "Security" means a share, participation, or other interest in property, in a business, or in an obligation of an enterprise or other issuer and includes a certificated security, an uncertificated security, and a security account.

(5) "Security account" means:

(a) a reinvestment account associated with a security, a securities account with a broker, a cash balance in a brokerage account, cash, interest, earnings, or dividends earned or declared on a security in an account, a reinvestment account, or a brokerage account, whether or not credited to the account before the owner's death; or

(b) a cash balance or other property held for or due to the owner of a security as a replacement for or product of an account security, whether or not credited to the account before the owner's death.

Section 104. **Registration in beneficiary form — sole or joint tenancy ownership.** Only individuals whose registration of a security shows sole ownership by one individual or multiple ownership by two or more with right of survivorship, rather than as tenants in common, may obtain registration in beneficiary form. Multiple owners of a security registered in beneficiary form hold as joint tenants with right of survivorship, as tenants by the entireties, or as owners of community property held in survivorship form and not as tenants in common.

Section 105. **Registration in beneficiary form — applicable law.** (1) A security may be registered in beneficiary form if the form is authorized by this or a similar statute of the state:

(a) of organization of the issuer or registering entity;

(b) of the location of the registering entity's principal office;

(c) of the office of its transfer agent or its office making the registration; or

(d) listed as the owner's address at the time of registration.

(2) A registration governed by the law of a jurisdiction in which this or similar legislation is not in force or was not in force when a registration in beneficiary form was made is nevertheless presumed to be valid and authorized as a matter of contract law.

Section 106. **Origination of registration in beneficiary form.** A security, whether evidenced by certificate or account, is registered in beneficiary form when the registration includes a designation of a beneficiary to take the ownership at the death of the owner or the deaths of all multiple owners.

Section 107. **Form of registration in beneficiary form.** Registration in beneficiary form may be shown by the words "transfer on death" or the abbreviation "TOD", or by the words "pay on death" or the abbreviation "POD", after the name of the registered owner and before the name of a beneficiary.

Section 108. **Effect of registration in beneficiary form.** The designation of a TOD beneficiary on a registration in beneficiary form has no effect on ownership until the owner's death. A registration of a security in beneficiary form may be canceled or changed at any time by the sole owner or all then-surviving owners without the consent of the beneficiary.

Section 109. **Ownership on death of owner.** On the death of a sole owner or the last to die of all multiple owners, ownership of securities registered in beneficiary form passes to the beneficiary or beneficiaries who survive all owners. On proof of the death of all owners and compliance with any applicable requirements of the registering entity, a security registered in beneficiary form may be reregistered in the name of the beneficiary or beneficiaries who survived the death of all owners. Until division of the security after the death of all owners, multiple beneficiaries surviving the death of all owners hold their interests as tenants in common. If no beneficiary survives the death of all owners, the security belongs to the estate of the deceased sole owner or the estate of the last to die of all multiple owners.

Section 110. **Protection of registering entity.** (1) A registering entity is not required to offer or to accept a request for security registration in beneficiary form. If a registration in beneficiary form is offered by a registering entity, the owner requesting registration in beneficiary form assents to the protections given to the registering entity by [sections 103 through 112].

(2) By accepting a request for registration of a security in beneficiary form, the registering entity agrees that the registration will be implemented on the death of the deceased owner as provided in [sections 103 through 112].

(3) (a) A registering entity is discharged from all claims to a security by the estate, creditors, heirs, or devisees of a deceased owner if it registers a transfer of the security in accordance with [section 109] and does so in good faith reliance on:

(i) the registration;

(ii) [sections 103 through 112]; and

(iii) information provided to it by affidavit of the personal representative of the deceased owner, or by the surviving beneficiary or by the surviving beneficiary's representatives, or other information available to the registering entity.

(b) The protections of [sections 103 through 112] do not extend to a reregistration or payment made after a registering entity has received written notice from any claimant to any interest in the security objecting to implementation of a registration in beneficiary form. No other notice or other information available to the registering entity affects its right to protection under [sections 103 through 112].

(4) The protection provided by [sections 103 through 112] to the registering entity of a security does not affect the rights of beneficiaries in disputes between themselves and other claimants to ownership of the security transferred or its value or proceeds.

Section 111. **Nontestamentary transfer on death.** (1) A transfer on death, resulting from a registration in beneficiary form, is effective by reason of the contract regarding the registration between the owner and the registering entity and [sections 103 through 112] and is not testamentary.

(2) [Sections 103 through 112] do not limit the rights of creditors of security owners against beneficiaries and other transferees under other laws of this state.

Section 112. **Terms, conditions, and forms for registration.** (1) (a) A registering entity offering to accept registrations in beneficiary form may establish the terms and conditions under which it will receive requests for:

(i) registrations in beneficiary form; and

(ii) implementation of registrations in beneficiary form, including requests for cancellation of previously registered TOD beneficiary designations and requests for reregistration to effect a change of beneficiary.

(b) The terms and conditions so established may provide for proving death, avoiding or resolving any problems concerning fractional shares, designating primary and contingent beneficiaries, and substituting a named beneficiary's descendants to take in the place of the named beneficiary in the event of the beneficiary's death. Substitution may be indicated by appending to the name of the primary beneficiary the letters LDPS, standing for "lineal descendants per stirpes". This designation substitutes a deceased beneficiary's descendants who survive the owner for a beneficiary who fails to so survive, the descendants to be identified and to share in accordance with the law of the beneficiary's domicile at the owner's death that governs inheritance by descendants of an intestate. Other forms of identifying beneficiaries who are to take on one or more contingencies, and rules for providing proofs and assurances needed to satisfy reasonable concerns by registering entities regarding conditions and identities relevant to accurate implementation of registrations in beneficiary form, may be contained in a registering entity's terms and conditions.

(2) The following are illustrations of registrations in beneficiary form that a registering entity may authorize:

(a) sole owner-sole beneficiary: John S. Brown TOD (or POD) John S. Brown Jr.;

(b) multiple owners-sole beneficiary: John S. Brown Mary B. Brown JT TEN TOD John S. Brown Jr.;

(c) multiple owners-primary and secondary (substituted) beneficiaries: John S. Brown Mary B. Brown JT TEN TOD John S. Brown Jr. SUB BENE Peter Q. Brown or John S. Brown Mary B. Brown JT TEN TODD John S. Brown Jr. LDPS.

(3) If the line in front of (N) of the form under subsection (1) is initialed, an initial on the line in front of any other power does not limit the powers granted by line (N)."

Section 114. **Durable power of attorney.** A power of attorney legally sufficient under this part is durable to the extent that durable powers are permitted by other law of this state and the power of attorney contains language, such as "This power of attorney will continue to be effective if I become disabled, incapacitated, or incompetent." showing the intent of the principal that the power granted may be exercised notwithstanding later disability, incapacity, or incompetency.

Section 115. **Construction of powers generally.** By executing a statutory power of attorney with respect to a subject listed in 72-31-201(1), the principal, except as limited or extended by the principal in the power of attorney, empowers the agent for that subject to:

(1) demand, receive, and obtain, by litigation or otherwise, money or other thing of value to which the principal is, may become, or claims to be entitled and conserve, invest, disburse, or use anything so received for the purposes intended;

(2) contract in any manner with any person, on terms agreeable to the agent, to accomplish a purpose of a transaction and perform, rescind, reform, release, or modify the contract or another contract made by or on behalf of the principal;

(3) execute, acknowledge, seal, and deliver a deed, revocation, mortgage, lease, notice, check, release, or other instrument the agent considers desirable to accomplish a purpose of a transaction;

(4) prosecute, defend, submit to arbitration, settle, and propose or accept a compromise with respect to a claim existing in favor of or against the principal or intervene in litigation relating to the claim;

(5) seek on the principal's behalf the assistance of a court to carry out an act authorized by the power of attorney;

(6) engage, compensate, and discharge an attorney, accountant, expert witness, or other assistant;

(7) keep appropriate records of each transaction, including an accounting of receipts and disbursements;

(8) prepare, execute, and file a record, report, or other document the agent considers desirable to safeguard or promote the principal's interest under a statute or governmental regulation;

(9) reimburse the agent for expenditures properly made by the agent in exercising the powers granted by the power of attorney; and

(10) in general, do any other lawful act with respect to the subject.

Section 116. Section 72-31-202, MCA, is amended to read:

"**72-31-202. ~~Real~~ *Construction of power relating to real* property transactions.** ~~(1)~~ In a statutory ~~short-form~~ power of attorney, the language ~~conferring~~ *granting* ~~general authority~~ *power* with respect to real property transactions ~~means that the principal authorizes the attorney-in-fact~~ *empowers the agent to*:

(7) "Texaco payments" means the oil overcharge payments made to the U.S. treasury for distribution to the state of Montana pursuant to the texaco final consent order, 53 Fed. Reg. 32929, August 29, 1988, and includes any interest accrued on the payments.

(8) "Unspent project funds" means stripper well payments that were not expended or otherwise legally obligated during the 1993 biennium but that were appropriated for the 1993 biennium in Chapter 553, Laws of 1991, in:

(a) section 5(1);

(b) section 6;

(c) section 7;

(d) section 9; and

(e) section 10(1).

Section 3. **Deposit of oil overcharge revenue.** All funds from stripper well and exxon payments must be deposited by the state treasurer in the federal special revenue fund. All interest earned on any of these funds or payments must also be deposited in the federal special revenue fund.

Section 4. **Low-income home weatherization — appropriation.** There is appropriated $275,000 from the stripper well payments contained in the federal special revenue fund to the department of social and rehabilitation services for use in the home weatherization program created in 90-4-201.

Section 5. **Matching funds for low-income energy assistance — appropriation.** (1) There is appropriated $100,000 from the stripper well payments contained in the federal special revenue fund to the department of social and rehabilitation services for the purpose described in subsection (2).

(2) The department of social and rehabilitation services shall match private contributions to energy share, inc., to be used to assist persons not eligible for federal low-income energy assistance whose income is less than 150% of the federal poverty threshold published by the U. S. bureau of the census in the most recent edition of its publication, Poverty in the United States. All of the funds appropriated to the department for this purpose under subsection (1) must be used for clients' fuel bills or other energy needs.

Section 6. **Promotion of transportation energy conservation and alternative fuels — appropriation.** There is appropriated from the stripper well payments contained in the federal special revenue fund $260,000 to the department of natural resources and conservation and $80,000 to the department of transportation for a cooperative program between the departments to promote transportation demand management and to foster expanded use of alternative fuels.

Section 7. **Petroleum substitutes from agricultural and timber products — appropriation.** There is appropriated $150,000 from the stripper well payments contained in the federal special revenue fund to the department of natural resources and conservation to continue development and demonstration of safflower oil as a fuel additive or substitute that may reduce petroleum consumption and result in a new potential cash crop for Montana farmers and to develop and demonstrate technologies and processes using waste from the pulp and paper industry and agricultural commodities to reduce the cost of ethanol production. Money expended under this appropriation must be matched at least dollar for dollar with private or federal revenue, or both.

Section 8. **Technical assistance to local governments — appropriation.** There is appropriated $235,000 from the stripper well payments contained in the federal special revenue fund to the department of natural resources and conservation to contract with a public or private entity to provide technical assistance outreach to local government entities for the purpose of identifying energy conservation measures. Approximately $215,000 of the appropriation must be administered through the board of investments as an energy conservation loan and bridge financing program for energy improvements to local government buildings. A loan contract to a local government under this section must include provisions designed to use local government energy savings to generate local funds to pay back loans for future projects.

Section 9. **Agricultural energy conservation program — appropriation.** There is appropriated $100,000 from the stripper well payments contained in the federal special revenue fund to the department of natural resources and conservation for use by the conservation districts in funding local energy efficiency or renewable energy projects, such as solar livestock watering systems, stockwater tank insulation and solar heating, and farming techniques to more efficiently use irrigation water, pesticides, and fertilizers.

Section 10. **Energy-efficient home mortgage reserve account — appropriation.** There is appropriated $300,000 from the stripper well payments contained in the federal special revenue fund to the department of natural resources and conservation to establish an energy-efficient home mortgage reserve account that would enable the board of housing to sell bonds and offer loans for energy-efficient new homes costing more than the FHA limit. These funds must be matched at least dollar for dollar from utility or other contributions. If the board of housing does not issue bonds to establish the energy-efficient home mortgage program by July 1, 1994, then the funds appropriated in this section may be used in the institutional conservation program for schools and hospitals administered by the department pursuant to 10 CFR 455.

Section 11. **Northern Montana college tractor resource center — appropriation.** There is appropriated $125,000 from the stripper well payments contained in the federal special revenue fund to northern Montana college to support the implementation phase of northern Montana college's tractor resource center.

Section 12. **Carryover — reappropriations.** (1) There is appropriated $20,000 of carryover funds from the stripper well payments, $35,000 of carryover funds from the exxon payments, and $75,000 of carryover funds from the diamond shamrock payments contained in the federal special revenue fund to the department of natural resources and conservation for use in the state energy conservation program administered by the department pursuant to 10 CFR 420.

(2) There is appropriated $80,000 from the stripper well payments contained in the federal special revenue fund to the department of natural resources and conservation for technical assistance to local governments through the energy extension service program administered by the department pursuant to 10 CFR 465 to augment the funds provided in [section 8].

(3) There is appropriated $200,000 from the stripper well payments contained in the federal special revenue fund to the department of natural resources and conservation for use in the institutional conservation program for schools and hospitals administered by the department pursuant to 10 CFR 455.

Section 13. **Conditions applied to appropriations.** The appropriations made in [sections 4 through 12] are biennial appropriations.

(1) One-half of the total amount appropriated to each program in [sections 4 through 9 and 11] is appropriated in fiscal year 1994 and the remainder is appropriated in fiscal year 1995. As biennial appropriations, the unexpended funds appropriated in fiscal year 1994 may be carried forward within each program to fiscal year 1995.

(2) The total amount appropriated in [section 10] is appropriated in fiscal year 1994. As a biennial appropriation, any unexpended funds in fiscal year 1994 may be carried forward to fiscal year 1995.

(3) The appropriations in [section 12] are limited to available funds. Expenditures of carryover funds may not exceed the actual amount of unspent funds available.

Section 14. **Appropriations prioritized.** (1) The appropriations in [sections 4 through 11] are approved in order of priority as they appear in [sections

4 through 11], with the appropriation in [section 4] having the highest priority and the appropriation in [section 11] having the lowest priority. If the U. S. department of energy does not approve one or more of the programs that are funded by [sections 4 through 11], any stripper well payments that are not used to fund higher-priority programs must be provided to lower-ranked programs up to the amounts appropriated in [sections 4 through 11].

(2) If stripper well payments are insufficient to fully fund the appropriations made in [sections 4 through 11], allocations to the lowest-ranking program must be reduced until the deficiency is eliminated. If the deficiency is in excess of the appropriation to the lowest-ranking program, allocation to the next lowest-ranking program must be reduced until the deficiency is eliminated and so forth as the programs are prioritized. These priorities must be applied to one-half of the total amount appropriated in [sections 4 through 9 and 11] and to the total amount appropriated in [section 10] for fiscal year 1994 and to the remaining appropriation for fiscal year 1995.

(3) In order to provide continuity for the programs when allocating the appropriations for each fiscal year of the 1995 biennium, anticipated stripper well payments that will be received under terms of the agreements during the biennium may be considered as available to fund the activities.

(4) The expenditure of money appropriated by [sections 4 through 11] may not exceed the amount of the stripper well payments available in the biennium.

Section 15. **Coordination instruction.** If House Bill No. 97 is passed and approved, the stripper well payments appropriated in House Bill No. 97 have a higher priority than any appropriation of stripper well payments in [sections 4 through 11 of this act].

Section 16. **Effective date.** [This act] is effective July 1, 1993.

Approved April 24, 1993.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Coal severance tax bonds authorized.** (1) The legislature finds that Title 17, chapter 5, part 7, provides for the issuance of coal severance tax bonds for financing specific approved water resource development projects and activities as part of the state water development program. Available funds from previous sales of coal severance tax bonds may also be used for the projects approved in this section. The legislature finds that the water development projects in this section meet the provisions of 17-5-702. The board of examiners may issue coal severance tax bonds in an amount not to exceed $9,320,423 for the purpose of making loans and financing state projects in the amount of $8,473,111, including the costs of issuance, and establishing a reserve for the bonds in the amount of $847,312. Funds are appropriated for the costs of issuance, to a maximum of 4% of the amount of each bond sale.

(2) The board of examiners may issue coal severance tax bonds for loans to political subdivisions and local government entities, not to exceed the loan amount listed for the following projects:

(a) GROUP A: The interest rate for the project in this group may be 1% below the long-term bond rate at which the state bond is sold for the first 5 years of an anticipated 20-year term and must be at the rate at which the state bond is sold for the remaining 15 years.

MONTANA DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION	
North Fork of the Smith River — Dam	1,393,467

TIN CUP WATER COMPANY

Tin Cup Lake Dam Restoration	304,204

Section 2. **Authorization of coal severance tax bonds for Tongue River dam rehabilitation project.** The board of examiners is authorized to issue coal severance tax bonds in a principal amount not to exceed $11,500,000 to pay a portion of the state of Montana's share of the costs of the Tongue River dam rehabilitation project, which project is approved. The bonds must be issued to the Northern Cheyenne tribe in evidence of a loan to be made to the state pursuant to Public Law 102-374. The principal of the bonds is payable over a term not to exceed 39 years, estimated to commence in 1998. The bonds bear no interest. The state of Montana's share of revenue from the rehabilitated Tongue River dam is pledged first for the state of Montana's share of the operation and maintenance costs of the rehabilitated Tongue River dam. The excess revenue over the operation and maintenance costs is pledged, dedicated, and appropriated to the debt service account in the state treasury for the benefit of the bonds authorized by [section 3] and this section. The proceeds of the bonds are appropriated to the department of natural resources and conservation to pay a portion of the state's share of the costs of the Tongue River dam rehabilitation project. The enactment of this section supersedes House Bill No. 846, enacted by the 47th legislature, authorizing the issuance of up to $10 million of coal severance tax bonds for the Tongue River dam rehabilitation project.

Section 3. **Appropriation — creation of debt for coal severance tax bonds.** (1) The legislature, through the enactment of this section by a vote of three-fourths of the members of each house of the legislature as required by Article IX, section 5, of the Montana constitution, pledges, dedicates, and appropriates from the coal severance tax bond fund all money necessary for the payment of principal and interest not otherwise provided for on the coal severance tax bonds authorized by [sections 1 through 3] to be issued pursuant to Title 17, chapter 5, part 7, and pursuant to the provisions of [sections 1 through 3] and the general resolution for this bond program that has been adopted by the board of examiners under the authority provided in Title 17, chapter 5, part 7.

(2) The legislature, through the enactment of this section, in accordance with Article VIII, section 8, of the Montana constitution, authorizes the creation of a state debt:

(a) in an amount not to exceed $9,320,423 for loans to political subdivisions and local government entities for water development projects approved in [section 1] and for funding a reserve for the coal severance tax bonds authorized to fund those projects; and

(b) in an amount not to exceed $11,500,000 to pay a portion of the state's costs of the Tongue River dam rehabilitation project.

(3) In connection with the issuance of coal severance tax bonds, the board of examiners may pay the principal and interest on the bonds when due from the debt service account and in all other respects manage and use the funds within each special bond account for the benefit of the bonds. The board of examiners shall exercise its discretion to enhance the marketability of the bonds and to secure the most advantageous financial arrangements for the state.

(4) Earnings on bonds proceeds prior to the completion of any loan must be allocated to the debt service account to pay the debt service on the bonds during this period. Earnings in excess of debt service, if any, must be allocated to the water development state special revenue account and may be used for the purposes allowed under 85-1-604(3)(b).

(5) Loan repayments from loans financed with coal severance tax bonds, loan principal, interest, and bond issuance fees borrowed from bond proceeds are pledged, dedicated, and appropriated to the debt service account in the state treasury for the benefit of bonds approved for loans under this section.

Section 4. **Projects not completing requirements — loans reauthorized.** The legislature finds that the following water development projects for which coal severance tax bonds were authorized to be issued by the 52nd legislature in Chapter 775, Laws of 1991, may not complete the requirements necessary for the loan transaction prior to June 30, 1993. Coal severance tax bonds for the projects described in this section are reauthorized in the amounts listed, at the interest rates authorized by the 52nd legislature in Chapter 775, Laws of 1991, and described in this section to enable financing during the 1995 biennium, if necessary.

(1) GROUP A: The interest rate for projects in this group may be 2% below the long-term bond rate at which the state bond is sold for the first 5 years of an anticipated 20-year term and must be at the rate at which the state bond is sold for the remaining 15 years.

	Loan Amount

(2) GROUP B: The interest rate for the project in this group may be 1% below the long-term bond rate at which the state bond is sold for the first 5 years of an anticipated 20-year term and must be at the rate at which the bond is sold for the remaining 15 years.

Section 5. **Conditions of loans.** (1) Disbursement of funds for loans is subject to the following conditions that must be met by project sponsors:

(a) approval of a scope of work and budget for the project by the department of natural resources and conservation. Reductions in a scope of work or budget may not affect priority activities or improvements.

(b) documented commitment of other funds required for project completion;

(c) satisfactory completion of conditions described in the recommendations section of the project narrative in the renewable resource and water development program project evaluations and recommendations report for the 1995 biennium;

(d) execution of a loan agreement with the department; and

(e) accomplishment of other specific requirements considered necessary by the department to accomplish the purpose of the loan as evidenced from the application to the department or from the proposal to the legislature.

(2) Each sponsor authorized for a loan from coal severance tax bond proceeds may be required to pay to the department a pro rata share of the bond issuance costs and the administrative costs incurred by the department to complete the loan transaction.

Section 6. **Interest rates on loans.** Loans made from proceeds of coal severance tax bonds must be at interest rates specified in the authorizing section, except that when loan requests are reduced, interest rates must be recalculated based on the methodology described in the renewable resource and water development program project evaluations and recommendations report submitted to the 53rd legislature for the 1995 biennium. If the bonds or notes bear interest at an adjustable rate, the department of natural resources and conservation shall establish, at the time of the sale of each bond, an assured rate of interest thereon as if the bond bore interest at a fixed rate. The assured rate of interest established must be the rate of interest on the bonds for the purpose of calculating the interest rates on the loans pursuant to the authorizing section.

Section 7. **Private and discount purchase of loans.** Loans to political subdivisions and local government entities and bonds, warrants, and notes issued in evidence of the loans may be made and purchased by and sold to the department of natural resources and conservation at a discount and at a private negotiated sale.

Section 8. **Other appropriations.** For any entity of state government that receives a loan under [sections 1 and 4], there is appropriated the amount of the loan upon award of the loan by the department of natural resources and conservation.

Section 9. **Authorization to issue revenue bonds.** (1) In addition to the authority contained in 17-5-716, the board of examiners may issue revenue bonds of the state to refund, in whole or in part, bonds issued to finance water development projects approved by the legislature pursuant to Title 17, chapter 5, part 7, and Title 85, chapter 1, part 6. The principal and interest on refunding bonds issued pursuant to this section are payable solely from the project or projects for which the refunded bonds were issued.

(2) The revenue bonds may be issued in an amount sufficient to refund all or a portion of the outstanding bonds, to pay costs incident to the issuance and sale of the refunding bonds, and to fund the establishment of necessary reserves. The refunding bonds must be designated as "State of Montana Water Development Revenue Bonds". All the power and authority granted to the board of examiners and provisions with respect to the issuance of bonds under Title 17, chapter 5, part 7, except for the provision pledging the coal severance tax to the payment of the bonds, apply to the issuance of the revenue bonds. In authorizing the issuance of the revenue bonds, the board of examiners shall determine that the refunding of the outstanding bonds and the issuance of the revenue bonds are in the best interests of the state.

(3) Revenue bonds may not be issued under this section to refund bonds issued to fund a loan to a political subdivision or local government body unless the political subdivision or local government body whose loan repayments would be pledged to the payment of the refunding bonds has consented to the refunding.

(4) Revenue bonds issued pursuant to this section without the pledge of the coal severance tax to the payment of the bonds are not coal severance tax bonds or a state debt.

Section 10. **Codification instruction.** [Section 9] is intended to be codified as an integral part of Title 17, chapter 5, part 7, and the provisions of Title 17, chapter 5, part 7, apply to [section 9].

Section 11. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 12. **Requirements for approval of state debt.** Because [section 3] authorizes the creation of a state debt and appropriation of coal severance tax bond fund deposits and appropriates money that would otherwise be deposited in the coal severance tax permanent fund, a vote of three-fourths of the members of each house is required for enactment of [section 3].

Section 13. **Effective date.** [This act] is effective on passage and approval.

Approved April 24, 1993.

CHAPTER NO. 498

STATEMENT OF INTENT

A statement of intent is required for this bill in order to provide the department of commerce the authority to establish by rule license fees for petroleum dealers and liquefied petroleum dealers. The fees must be set in an amount necessary to cover costs of the department to administer and enforce the provisions of Title 82, chapter 15, part 1.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 82-15-105, MCA, is amended to read:

"**82-15-105. Licenses and fees — status of license on transfer of ownership.** (1) A petroleum dealer or liquefied petroleum dealer may not do business in this state until ~~a license has been issued to him~~ *licensed* by the department. The license must be obtained by the dealer by making application to the department upon blank forms provided by the department. A dealer who has not been issued a license and who is found selling, offering for sale, delivering, or distributing petroleum products shall upon conviction be punished as provided by this part.

~~(2) The fee for this license is determined as follows and depends upon the number of devices utilized by the dealer:~~

~~(a) each gasoline pump, diesel pump, or fuel oil pump measuring device — $7;~~

~~(b) each petroleum vehicle tank meter or bulk petroleum meter of 2 inches (5.08 centimeters) and under — $20;~~

~~(c) each bulk petroleum meter over 2 inches (5.08 centimeters) — $25;~~

~~(d) each liquefied petroleum liquid meter — $30;~~

~~(e) each vapor meter — $4;~~

~~(f) each petroleum and liquefied petroleum vehicle tank up to and including 2,000 gallons (7,570 liters) — $25;~~

~~(g) each petroleum and liquefied petroleum vehicle tank over 2,000 gallons (7,570 liters) — $25 plus $5 for each additional 1,000 gallons (3,785 liters).~~

(2) The department shall adopt rules establishing license fees based upon the measuring devices used by the dealer. The fees must be deposited in the state special revenue fund of the department for use in administrating and enforcing this part.

(3) All licenses are annual and expire on December 31 of each year. There is an additional charge of 50% on all license fees that are not paid before March 1 of each year in which the vehicle tank, meter, or measuring device is in use. If the fee is not paid, the equipment must be sealed and removed from service by the department. It is unlawful for anyone to use a device ~~so~~ removed from service or to break the seal until all fees have been paid.

(4) If ownership of a measuring device changes and the device:

(a) remains at the same location, the license transfers to the new owner and remains in effect until December 31 of that year;

(b) is moved to a new location, the license is void, and the new owner shall:

(i) apply for a new license that will expire on December 31 of that year; and

(ii) pay the applicable fees ~~prescribed in subsection (2)~~."

Section 2. **Implementation.** The department of commerce may adopt rules implementing [this act] to be in place on January 1, 1994.

Section 3. **Effective dates — applicability.** (1) [Section 1] is effective January 1, 1994, and applies to license fees beginning after December 31, 1993.

(2) [Section 2 and this section] are effective on passage and approval.

Approved April 24, 1993.

CHAPTER NO. 499

[HB 196]

AN ACT CAPPING THE AMOUNT OF REIMBURSEMENT PAID TO ELIGIBLE TAXING JURISDICTIONS FOR TAXABLE YEARS 1993 AND THEREAFTER TO THE SAME AMOUNT PAID IN FISCAL YEAR 1991, BUT ALLOWING CERTAIN ADJUSTMENTS BECAUSE OF DISSOLVED AND COMBINED TAXING JURISDICTIONS; REVISING THE DEFINITION OF "TAXING JURISDICTION"; PROVIDING A PROCEDURE FOR THE TREATMENT OF DISSOLVED AND COMBINED TAXING JURISDICTIONS; AMENDING SECTION 15-1-111, MCA; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-1-111, MCA, is amended to read:

"**15-1-111. Reimbursement to local governments and schools — duties of department and county treasurer — statutory appropriation.** ~~(1) (a) On or before May 1, 1990, the department of revenue shall remit to the county treasurer of each county 30% of the reimbursement amount specified in subsection (1)(b), as computed by the department. The department shall base the reimbursement on the reduction in personal property tax revenues due to the reduction in personal property tax rates for class eight property, as provided for in 15-6-138, and any reduction in taxes based upon recalculation of the effective tax rate for property in 15-6-145. The reimbursement basis must also include loss of personal property tax revenue due to the reclassification of new~~

~~industrial property from class five to class eight with the reduced tax rate. The determination of the reimbursement basis must be made in the year in which the reclassification is made.~~

~~(b) The reimbursement revenue must be based on the county's taxable value and mill levies for tax year 1989.~~

~~(2)~~*(1)* Prior to September 1, 1990, the department's agent in the county shall supply the following information to the department for each taxing jurisdiction within the county:

~~(3)~~*(2)* After receipt of the information from its agent, the department shall calculate the amount of revenue lost to each taxing jurisdiction, using current year mill levies, due to the annual reduction in personal property tax rates set forth in 15-6-138, and any reduction in taxes based upon recalculation of the effective tax rate for property in 15-6-145. The department shall total the amounts for all taxing jurisdictions within the county.

~~(4)~~*(3) (a)* ~~For taxable year 1990 and for each year thereafter, the~~ *The* department shall remit to the county treasurer *50% of* the ~~base~~ amount of revenue reimbursable, determined pursuant to subsection ~~(3)~~ *(1)*, ~~as follows:~~

Fifty percent of the amount must be remitted on or before November 30 and the remaining 50% on or before May 31.

~~(5)~~*(4)* Upon receipt of the reimbursement from the department, the county treasurer shall distribute the reimbursement to each taxing jurisdiction ~~in the relative proportions required by the levies for state, county, school district, and municipal purposes in the same manner as current year mill levies on personal property taxes are distributed~~ *as calculated by the department.*

sonal property and includes *but is not limited to a county, city,* school ~~districts~~ *district,* ~~each municipality with~~ tax increment financing *district, miscellaneous taxing district,* and the state of Montana.

~~(7)~~*(6)* The amounts necessary for the administration of this section are statutorily appropriated, as provided in 17-7-502, from the general fund to reimburse ~~school districts and local governments~~ *eligible taxing jurisdictions* for reductions in tax rates on personal property.

(a) A taxing jurisdiction that existed in tax year 1989 and that no longer exists is not entitled to reimbursement under this section.

(b) A taxing jurisdiction that existed in tax year 1989 and that is split into two or more taxing jurisdictions is entitled to reimbursement based on the portion of 1989 taxable value within each new taxing jurisdiction. The department shall determine the portion of 1989 taxable value located in each taxing jurisdiction.

(c) A taxing jurisdiction that did not exist in tax year 1989 is not entitled to reimbursement under this section unless the jurisdiction was created as described in subsection (7)(b)."

Section 2. **Applicability.** [This act] applies to all reimbursements beginning with tax year 1993. [This act] does not affect the reimbursement payment due May 31, 1993, or any previous reimbursement. The first reimbursement payment under [this act] is payable on or before November 30, 1993.

CHAPTER NO. 502

[HB 318]

AN ACT GENERALLY REVISING THE LAWS RELATING TO AIR QUALITY; AUTHORIZING THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO ADMINISTER A PROGRAM FOR THE ISSUANCE AND RENEWAL OF AIR QUALITY OPERATING PERMITS; AMENDING THE CONFIDENTIALITY PROVISIONS RELATING TO AIR QUALITY; CLARIFYING THE AUTHORITY OF THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO ADMINISTER A PROGRAM FOR THE ISSUANCE OF AIR QUALITY PERMITS FOR CONSTRUCTION, INSTALLATION, ALTERATION, OPERATION, OR USE; CLARIFYING THE AUTHORITY OF THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO COLLECT FEES FOR OPERATING AND CONSTRUCTION PERMITS; DESIGNATING FEES TO AN ACCOUNT IN THE SPECIAL REVENUE FUND; PROVIDING FOR AN ADMINISTRATIVE CIVIL PENAL-

TY IN THE CLEAN AIR ACT OF MONTANA; CLARIFYING AND AMENDING THE CRIMINAL PUNISHMENT APPLICABLE TO VIOLATIONS OF AIR QUALITY STATUTES, RULES, ORDERS, AND PERMITS; CLARIFYING AND AMENDING THE CIVIL PUNISHMENT APPLICABLE TO VIOLATIONS OF AIR QUALITY STATUTES, RULES, ORDERS, AND PERMITS; AMENDING THE PROVISIONS RELATING TO THE ASSESSMENT OF NONCOMPLIANCE PENALTIES; CREATING THE SMALL BUSINESS COMPLIANCE ASSISTANCE ADVISORY COUNCIL; CREATING THE SMALL BUSINESS STATIONARY SOURCE TECHNICAL AND ENVIRONMENTAL COMPLIANCE ASSISTANCE PROGRAM WITHIN THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES; PROVIDING FOR A SMALL BUSINESS STATIONARY SOURCE REPRESENTATIVE; AMENDING PROVISIONS RELATED TO LOCAL AIR POLLUTION CONTROL PROGRAMS; AMENDING SECTIONS 75-2-103, 75-2-105, 75-2-204, 75-2-211, 75-2-301, 75-2-401, 75-2-412, 75-2-413, AND 75-2-421, MCA; AND PROVIDING EFFECTIVE DATES AND A RETROACTIVE APPLICABILITY DATE.

WHEREAS, pursuant to Subchapter V of the federal Clean Air Act, 42 U.S.C. 7661, et seq., the State of Montana may be authorized by the U.S. Environmental Protection Agency to administer an operating permit program applicable to certain sources of air pollutants; and

WHEREAS, if the state fails to obtain authorization for an operating permit program from the federal government under the federal Clean Air Act, the program will be administered within the state by the U.S. Environmental Protection Agency and the state will be subjected to sanctions, including the loss of federal air program funding or highway funding; and

WHEREAS, the Legislature believes that it is in the best interests of both the citizens and businesses of this state for the Department of Health and Environmental Sciences to seek and obtain authorization from the federal government to administer an operating permit program pursuant to Subchapter V of the federal Clean Air Act; and

WHEREAS, to provide the Department of Health and Environmental Sciences with the statutory authority necessary to obtain authorization under Subchapter V, numerous amendments and additions to the Clean Air Act of Montana are necessary and appropriate, including significant amendments to existing permitting, fee, and enforcement authority and the adoption of new provisions governing the operating permit program and relating to assistance for small businesses.

STATEMENT OF INTENT

A statement of intent is provided for this bill because it extends current rulemaking authority of the board of health and environmental sciences to adopt rules implementing a program for the issuance and renewal of air quality operating permits by the department of health and environmental sciences and amends several sections of the Clean Air Act of Montana for which the board currently has rulemaking authority, including the authority to adopt air quality permit fees to be collected by the department of health and environmental sciences.

Section 75-2-204 and [section 9] provide the authority to the board and department to create and administer an operating permit program for those sources subject to Subchapter V of the federal Clean Air Act. It is the desire of the legislature that the program be applied only to those sources covered by the statutory requirements of Subchapter V and that the department allow for operational flexibility at those sources, including provisions for minor permit modifications and off-permit changes. The legislature does not intend the operating permit program administered by the department to serve as a basis for imposition of any additional emission limitations, monitoring or reporting requirements, or other substantive requirements upon sources within the state, except as required by Subchapter V and implementing regulations. It is also the intent of the legislature that the operating permit program administered by the department for those sources subject to Subchapter V of the federal Clean Air Act be consistent with the operating permit framework and guidelines outlined in Subchapter V and implementing federal regulations. The legislature further intends that the operating permit program authorized by this bill, when viewed as a whole, should not invariably be limited to the minimum federal requirements but also should not invariably impose the strictest optional alternatives allowable under Subchapter V and implementing federal regulations. These sections and the amendments contained in 75-2-103(2) are also intended to clarify the department's existing authority to implement the provisions of the federal Clean Air Act relating to hazardous air pollutants, 42 U.S.C. 7412, as those provisions relate to the requirements of Subchapter V.

Section 75-2-211 contains amendments that clarify the authority of the department to continue to administer the air quality permitting program relating to the construction, installation, alteration, or use of air pollutant sources. It is the desire of the legislature that the department continue this permitting program in conjunction with the operating permit program under [sections 9 through 11]. The clarifying amendments contained in this bill are not intended to expand the current authority of the department to administer an air quality permitting program relating to construction, installation, alteration, or use. This authority is currently used for conducting various state air quality permitting programs, as well as for operating federal permitting programs relating to prevention of significant deterioration and nonattainment, all of which are part of the state implementation plan for protecting air quality. In addition to these programs, the legislature intends that 75-2-211 serve as the authority needed to meet the requirements of the federal Clean Air Act relating to the construction, reconstruction, and modification of sources of hazardous air pollutants, 42 U.S.C. 7412.

[Section 12] contains the department's existing authority to assess application and annual fees for permits issued under the Clean Air Act of Montana, Title 75, chapter 2. The placement of this authority in a separate section of the code emphasizes its general applicability to all permitting activities under that chapter. [Section 12(1), (2), and (3)] contain amendments to the existing fee authority to ensure that the department will be able to collect fees sufficient to meet the requirements of Subchapter V of the federal Clean Air Act. [Section 12(5)] is intended to provide the department with an alternative to civil enforcement in addressing the delinquent payment of fees.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-2-103, MCA, is amended to read:

"**75-2-103. Definitions.** Unless the context requires otherwise, in this chapter the following definitions apply:

(1) "Advisory council" means the air pollution control advisory council provided for in 2-15-2106.

(2) "Air contaminant" means dust, fumes, mist, smoke, other particulate matter, vapor, gas, odorous substances, or any combination thereof.

(f) is not excluded from this definition under [section 17(3)]."

Section 2. Section 75-2-105, MCA, is amended to read:

"**75-2-105. Confidentiality of records.** (1) Records or other information concerning air ~~contaminant~~ *pollutant* sources ~~which~~ *that* are furnished to or obtained by the board or department are a matter of public record and open to public use. However, any information unique to the owner or operator of an air

~~contaminant~~ *pollutant* source ~~which~~ *that* would, if disclosed, reveal methods or processes entitled to protection as trade secrets ~~shall~~ *must* be maintained as confidential if so determined by a court of competent jurisdiction. The owner or operator shall file a declaratory judgment action to establish the existence of a trade secret if ~~he~~ *the owner or operator* wishes ~~such~~ *the* information to enjoy confidential status. The department ~~shall~~ *must* be served in ~~any such~~ *the* action and may intervene as a party ~~therein~~ *in the action.* ~~Any~~ *A* trade ~~secrets~~ *secret* not intended to be public when submitted to the board or department ~~shall~~ *must* be submitted in writing and clearly marked as confidential. However, emission data *and operating permits issued by the department pursuant to [sections 9 through 11]* ~~shall never~~ *may not* be considered confidential for the purposes of this section.

(2) This section does not prevent the use of records or information by the board or department in compiling or publishing analyses or summaries relating to the general condition of the outdoor atmosphere if the analyses or summaries do not identify an owner or operator or reveal information otherwise made confidential by this section."

Section 3. Section 75-2-204, MCA, is amended to read:

"75-2-204. **Rules relating to construction, installation, alteration, *operation,* or use.** The board may by rule prohibit the construction, installation, alteration, *operation,* or use of a machine, equipment, device, or facility ~~which~~ *that* it finds may directly or indirectly cause or contribute to air pollution or ~~which~~ *that* is intended primarily to prevent or control the emission of air pollutants, unless a permit ~~therefor~~ has been obtained *under this part.*"

Section 4. Section 75-2-211, MCA, is amended to read:

"75-2-211. **Permits for construction, installation, alteration, or use.** (1) ~~The department~~ *The board* shall *by rule* provide for the issuance, *modification,* suspension, revocation, and renewal of a permit issued under this part.

~~(2) For all sources of air contaminants that are subject to the provisions of Title V of the federal Clean Air Act, 42 U.S.C. 7401, et seq., as amended, the provisions of this section apply in addition to the other applicable provisions of this chapter.~~

~~(a) The board shall by rule require that permits issued to sources described in subsection (2) be of limited duration, but it may not limit the duration of the permits beyond that required by the federal Clean Air Act, 42 U.S.C. 7401, et seq., as amended.~~

~~(b) The board shall by rule provide for the renewal of permits issued to the sources.~~

~~(c) The board shall by rule establish a transition schedule for air quality permits held by sources of air contaminants subject to the provisions of subsection (2). The transition schedule must specify dates for the expiration of the permits, absent an application for renewal by the source. The transition schedule may not specify expiration dates that are earlier in time than those required by Title V of the federal Clean Air Act, 42 U.S.C. 7401, et seq., as amended. The transition schedule established by the board also applies to existing sources of air contaminants that are subject to the provisions of Title~~

~~V of the federal Clean Air Act, 42 U.S.C. 7401, et seq., as amended, and that do not hold an air quality permit from the department as of November 2, 1992.~~

~~(3)~~*(2)* Not later than 180 days before construction, installation, or alteration begins or as a condition of use of any machine, equipment, device, or facility ~~which~~ *that* the board finds may directly or indirectly cause or contribute to air pollution or ~~which~~ *that* is intended primarily to prevent or control the emission of air pollutants, the owner or operator shall file with the department the appropriate permit application on forms available from the department.

~~(4) Concurrent with the submittal of a permit application required by subsection (3) and annually for the duration of the permit, the applicant shall submit to the department a fee sufficient to cover the reasonable costs, both direct and indirect, of developing and administering the permitting requirements in this chapter, including the reasonable costs of:~~

~~(a) reviewing and acting upon the application;~~

~~(b) implementing and enforcing the terms and conditions of the permit if the permit is issued. However, this amount does not include any court costs or other costs associated with any enforcement action. If the permit is not issued, the department shall return this portion of the fee to the applicant.~~

~~(c) emissions and ambient monitoring;~~

~~(d) preparing generally applicable regulations or guidance;~~

~~(e) modeling, analysis, and demonstrations; and~~

~~(f) preparing inventories and tracking emissions.~~

~~(5) In addition to the fee required under subsection (4), the board may order the assessment of additional fees required to fund specific activities of the department that are directed at a particular geographic area if the legislature authorizes the activities and appropriates the funds for the activities, including emissions or ambient monitoring, modeling analysis or demonstrations, or emissions inventories or tracking. Additional assessments may be levied only on those sources that are within or are believed by the department to be impacting the geographic area. Before the board may require the assessments, it shall first determine, after opportunity for hearing, that the activities to be funded are necessary for the administration or implementation of this chapter, that the assessments apportion the required funding in an equitable manner, and that the department has obtained legislative authorization for the expenditure and the necessary appropriation.~~

~~(6) As a condition of the continuing validity of permits issued by the department under this part prior to October 1, 1991, the department may require the permitholder to pay an annual fee sufficient to cover the costs identified in subsection (4).~~

~~(7) For any existing source of air contaminants that is subject to Title V of the federal Clean Air Act, 42 U.S.C. 7401, et seq., as amended, and that is not required to hold an air quality permit from the department as of October 1, 1991, the board may, as a condition of continued operation, require by rule that the owner or operator of the source pay the annual fee provided for in subsection~~

~~(4). Nothing in this subsection may be construed as allowing the department to charge any source of air contaminants more than one annual fee that is designed to cover the costs identified in subsection (4).~~

~~(8) The fees collected by the department pursuant to this section must be deposited in the state special revenue fund to be appropriated by the legislature to the department for the development and administration of the permitting requirements in this chapter.~~

~~(9) (a) The department shall give written notice of the amount of the fee to be assessed and the basis for the department's fee assessment under this section to the owner or operator of the air contaminant source. The owner or operator may appeal the department's fee assessment to the board within 20 days after receipt of the written notice.~~

~~(b) An appeal must be based upon the allegation that the fee assessment is erroneous or excessive. An appeal may not be based only on the amount of the fee schedule adopted by the board.~~

~~(c) If any part of the fee assessment is not appealed, it must be paid to the department upon receipt of the notice in subsection (9)(a).~~

~~(d) The contested case provisions of the Montana Administrative Procedure Act provided for in Title 2, chapter 4, apply to any hearing before the board under this subsection (9).~~

(3) The permit program administered by the department pursuant to this section must include the following:

(a) requirements and procedures for permit applications, including standard application forms;

(b) requirements and procedures for submittal of information necessary to determine the location, quantity, and type of emissions;

(c) procedures for public notice and opportunity for comment or public hearing, as appropriate;

(d) procedures for providing notice and an opportunity for comment to contiguous states and federal agencies, as appropriate;

(e) requirements for inspection, monitoring, recordkeeping, and reporting;

(f) procedures for the transfer of permits;

(g) requirements and procedures for suspension, modification, and revocation of permits by the department;

(h) requirements and procedures for appropriate emission limitations and other requirements, including enforceable measures necessary to ensure compliance with those limitations and requirements;

(i) requirements and procedures for permit modification and amendment; and

(j) requirements and procedures for issuing a single permit authorizing emissions from similar operations at multiple temporary locations, which permit

may include conditions necessary to ensure compliance with the requirements of this chapter at all authorized locations and a requirement that the owner or operator notify the department in advance of each change in location.

~~(10)~~*(4)* ~~Nothing in this~~ *This* section ~~shall~~ *does not* restrict the board's authority to adopt regulations providing for a single air quality permit system.

~~(11)~~*(5)* The department may, for good cause shown, waive or shorten the time required for filing the appropriate applications.

~~(12)~~*(6)* The department shall require that applications for permits be accompanied by any plans, specifications, and other information it considers necessary.

~~(13)~~*(7)* An application is not considered filed until the applicant has submitted all fees *required under [section 12]* and *all* information and completed ~~all~~ application forms required ~~by~~ *pursuant to* subsections *(2),* (3), *and (6)* ~~through (7) and (12)~~. ~~However, if~~ *If* the department fails to notify the applicant in writing within 30 days after the purported filing of an application that the application is incomplete and fails to list the reasons why the application is considered incomplete, the application is considered filed as of the date of the purported filing.

~~(14)~~*(8)* (a) ~~Where~~ *If* an application for a permit requires the ~~compilation~~ *preparation* of an environmental impact statement under the Montana Environmental Policy Act, *Title 75, chapter 1, parts 1 through 3,* the department shall notify the applicant in writing of the approval or denial of the application within:

(i) 180 days ~~of~~ *after* the *department's* receipt of a filed application, as ~~defined~~ *provided* in subsection ~~(13)~~ *(7),* if the department prepares the environmental impact statement; or

(ii) within 30 days after issuance of the final environmental impact statement by the lead agency if a state agency other than the department has been designated by the governor as lead agency for preparation of the environmental impact statement.

(b) ~~However, where~~ *If* an application does not require the ~~compilation~~ *preparation* of an environmental impact statement, the department shall notify the applicant in writing within 60 days ~~of the~~ *after its* receipt of a filed application, as ~~defined~~ *provided* in subsection ~~(13)~~ *(7),* of ~~the~~ *its* approval or denial of the application. Notification of approval or denial may be served personally or by ~~registered or~~ certified mail on the applicant or ~~his~~ *the applicant's* agent.

(c) Failure by the department to act in a timely manner does not constitute approval or denial of the application. This does not limit or abridge the right of any person to seek available judicial remedies to require the department to act in a timely manner.

~~(15)~~*(9)* When the department approves or denies the application for a permit under this section, a person who is jointly or severally adversely affected by the department's decision may request~~,~~ *a hearing before the board. The request for hearing must be filed* within 15 days after the department renders its decision~~, upon~~ *and must include an* affidavit setting forth the grounds

~~therefor, a hearing before the board.~~ *for the request.* ~~A hearing shall be held under the provisions of the Montana Administrative Procedure Act.~~ *The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing before the board under this subsection.*

~~(16)~~*(10)* The department's decision on the application is not final unless 15 days have elapsed *from the date of the decision* and there is no request for a hearing under this section. The filing of a request for a hearing postpones the effective date of the department's decision until the conclusion of the hearing and issuance of a final decision by the board."

Section 5. Section 75-2-401, MCA, is amended to read:

"**75-2-401. Enforcement — *notice — order for corrective action — administrative penalty.*** (1) When the department believes that a violation of this chapter, a rule ~~made~~ *adopted* under this chapter, or a condition or limitation imposed by a permit issued pursuant to this chapter has occurred, it may cause written notice to be served personally or by ~~registered or~~ certified mail on the alleged violator or ~~his~~ *the violator's* agent. The notice ~~shall~~ *must* specify the provision of this chapter, ~~or~~ the rule, or *the* permit condition or limitation alleged to be violated and the facts alleged to constitute a violation. *The notice* ~~and~~ may include an order to take necessary corrective action within a reasonable period of time stated in the order *or an order to pay an administrative penalty, or both.* The order becomes final unless, within 30 days after the notice is received, the person named requests in writing a hearing before the board. On receipt of the request, the board shall schedule a hearing.

(2) If, after a hearing held under subsection (1) ~~of this section~~, the board finds that violations have occurred, it shall ~~either affirm or modify an order previously issued or~~ issue an appropriate order for the prevention, abatement, or control of the emissions involved or for the taking of other corrective action ~~it considers appropriate~~ *or assess an administrative penalty, or both.* ~~An~~ *As appropriate, an* order issued as part of a notice or after a hearing may prescribe the date by which the violation ~~shall~~ *must* cease*;* ~~and may prescribe~~ time limits for particular action in preventing, abating, or controlling the emissions*; or the date by which the administrative penalty must be paid.* If, after *a* hearing on an order contained in a notice, the board finds that ~~no~~ *a* violation *has not occurred or* is *not* occurring, it shall rescind the order.

(3) (a) An action initiated under this section may include an administrative civil penalty of not more than $10,000 for each day of each violation, not to exceed a total of $80,000. If an order issued by the board under this section requires the payment of an administrative civil penalty, the board shall state findings and conclusions describing the basis for its penalty assessment.

(b) Administrative penalties collected under this section must be deposited in the state general fund.

(c) Penalties imposed by an administrative order under this section may not be assessed for any day of violation that occurred more than 12 months prior to the issuance of the initial notice and order by the department under subsection (1).

(d) In determining the amount of penalty to be assessed for an alleged violation under this section, the department or board, as appropriate, shall consider:

(i) the alleged violator's ability to pay and the economic impact of the penalty on the alleged violator;

(ii) the alleged violator's full compliance history and good faith efforts to comply;

(iii) the duration of the violation as established by any credible evidence, including evidence other than the applicable test method;

(iv) payment by the violator of penalties previously assessed for the same violation;

(v) the economic benefit of noncompliance;

(vi) the seriousness of the violation; and

(vii) other matters as justice may require.

(4) The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing conducted under this section.

~~(3)~~*(5)* Instead of issuing the order provided for in subsection (1), the department may either:

(a) require that the alleged violators appear before the board for a hearing at a time and place specified in the notice and answer the charges complained of; or

(b) initiate action under 75-2-412 or 75-2-413.

~~(4)~~*(6)* This chapter does not prevent the board or department from making efforts to obtain voluntary compliance through warning, conference, or any other appropriate means.

~~(5)~~*(7)* In connection with a hearing held under this section, the board may and on application by a party shall compel the attendance of witnesses and the production of evidence on behalf of the parties."

Section 6. Section 75-2-412, MCA, is amended to read:

"**75-2-412. Criminal penalties — injunction preserved.** ~~(1) A person who violates this chapter or a rule, order, or permit made or issued under it, other than 75-2-105, is guilty of an offense and subject to a fine not to exceed $1,000. Each day of violation constitutes a separate offense.~~

~~(2) A person who willfully violates 75-2-105 is guilty of an offense and subject to a fine not to exceed $1,000.~~ *(1) A person is guilty of an offense under this section if that person knowingly:*

Section 7. Section 75-2-413, MCA, is amended to read:

The department may institute and maintain in the name of the state any enforcement proceedings ~~hereunder~~ *under this section.* Upon request of the department, the attorney general or the county attorney of the county of violation shall petition the district court to impose, assess, and recover the civil penalty. The civil penalty is in lieu of the criminal penalty provided for in 75-2-412.

(2) (a) Action under subsection (1) ~~of this section~~ is not a bar to enforcement of this chapter or of a rule, order, or permit made or issued under it by injunction or other appropriate civil remedies.

(3) ~~Moneys~~ *Money* collected ~~hereunder shall~~ *under this section must* be deposited in the state general fund. *This subsection does not apply to money collected by an approved local air pollution control program."*

Section 8. Section 75-2-421, MCA, is amended to read:

"**75-2-421. Persons subject to noncompliance penalties — exemptions.** (1) Except as provided in subsection (2), the department ~~shall~~ *may* assess and collect a noncompliance penalty from any person who owns or operates:

(a) a stationary source (other than a primary nonferrous smelter ~~which~~ *that* has received a nonferrous smelter order under 42 U.S.C. 7419) ~~which~~ *that* is not in compliance with any emission limitation specified in an order of the board, emission standard, or compliance schedule under the state implementation plan approved by the federal environmental protection agency;

(c) a stationary source that is not in compliance with any other requirement under this chapter or any requirement of Subchapter V of the federal Clean Air Act, 42 U.S.C. 7661, et seq.; or

~~(c)~~*(d)* any source referred to in subsections (1)(a), ~~or~~ (1)(b), *or (1)(c)* ~~which~~ *that* has been granted an exemption, extension, or suspension under subsection (2) or ~~which~~ *that* is covered by a compliance order, or a primary nonferrous smelter ~~which~~ *that* has received a primary nonferrous smelter order under 42 U.S.C. 7419, if ~~such~~ *that* source is not in compliance with any interim emission control requirement or schedule of compliance under ~~such~~ *the* extension, order, or suspension.

(2) Notwithstanding the requirements of subsection (1), the department may, after notice and opportunity for a public hearing, exempt any source from the requirements of 75-2-421 through 75-2-429 with respect to a particular instance of noncompliance ~~which~~ *that*:

(a) the department finds is de minimus in nature and in duration;

(3) Any person who is jointly or severally adversely affected by the department's decision may request, within 15 days after the department renders its decision, upon affidavit setting forth the grounds ~~therefor~~ *for it*, a hearing before the board. A hearing ~~shall~~ *must* be held under the provisions of the Montana Administrative Procedure Act, *Title 2, chapter 4, part 6.*"

Section 9. **Operating permit program — exemptions — general requirements — duration.** (1) The board shall provide by rule for the issuance, expiration, modification, amendment, suspension, revocation, and renewal of operating permits as part of an operating permit program to be administered by the department under this chapter. The board shall promulgate rules that are consistent with the operating permit framework and guidelines outlined in Subchapter V of the federal Clean Air Act and implementing regulations.

(2) This section applies to all sources of air pollutants that are subject to the provisions of Subchapter V of the federal Clean Air Act, 42 U.S.C. 7661, et seq.

(3) A person may not violate any requirement of an operating permit issued under [section 10] and this section or operate any source required to have a permit under this section without having complied with the requirements of the

operating permit program administered by the department pursuant to [sections 10 and 11] and this section.

(4) The board may by rule provide for the exemption of one or more source categories, in whole or in part, from all or part of the requirements of this section if the board determines that compliance with the requirements of this section is impracticable, infeasible, or unnecessarily burdensome for the sources. The board may premise this determination upon a similar determination by the appropriate federal agency acting pursuant to the federal Clean Air Act, 42 U.S.C. 7401, et seq.

(5) The board may by rule provide for general operating permits covering numerous similar sources.

(6) An operating permit issued by the department under [section 10] and this section is effective for a period not to exceed 5 years and may be renewed.

(7) The operating permit program administered by the department pursuant to this section must include the following:

(a) adequate procedures that are streamlined and reasonable for:

(i) expeditiously determining when applications are complete;

(ii) processing applications; and

(iii) expeditiously reviewing permit actions, including application renewals or revisions;

(b) requirements and procedures for submittal of information necessary to determine the location, quantity, and type of emissions;

(c) procedures for public notice and opportunity for comment or public hearing, as appropriate;

(d) procedures for providing notice and an opportunity for comment to contiguous states and federal agencies, as appropriate;

(e) requirements for inspection, monitoring, recordkeeping, compliance certification, and reporting;

(f) deadlines for submitting permit applications and compliance plans that are not later than 12 months after the source becomes subject to the operating permit requirement;

(g) deadlines for submitting permit renewal applications that are not later than 6 months before expiration of the existing operating permit;

(h) requirements for compliance plans that must be submitted with permit and renewal applications, including schedules of compliance and progress reports;

(i) requirements and procedures for periodic certification of source compliance with permit requirements, including the prompt reporting of any deviations from permit requirements;

(j) requirements for submission of any plans, specifications, or other information that the department considers necessary under this section;

(k) conditions and procedures for the transfer of operating permits;

(l) requirements and procedures for suspension, modification, amendment, and revocation of permits by the department for cause, including the modification or amendment of permits before renewal or termination to incorporate applicable limitations or requirements effective after permit issuance;

(m) requirements and procedures for incorporating into permits and permit renewals all applicable emission limitations and other requirements, including enforceable measures necessary to ensure compliance with those limitations and requirements;

(n) requirements and procedures for permit modification and amendment;

(o) procedures for tracking activities conducted under general permits;

(p) requirements and procedures for issuing a single operating permit authorizing emissions from similar operations at multiple temporary locations, which permit may include conditions necessary to ensure compliance with the requirements of this chapter at all authorized locations and a requirement that the owner or operator notify the department in advance of each change in location;

(q) requirements and procedures for allowing changes within a permitted facility without requiring a permit amendment if the changes are not prohibited under this chapter and do not exceed the emissions allowable under the permit; and

(r) other requirements necessary for the department to obtain the authorization to administer an operating permit program under the provisions of Subchapter V of the federal Clean Air Act.

Section 10. **Permits for operation — application completeness — action by department — application shield — review by board.** (1) An application for an operating permit or renewal is not considered filed until the department has determined that it is complete. An application is complete if all fees required under [section 12] and all information and completed application forms required under [section 9] have been submitted. A complete application must contain all of the information required for the department to begin processing the application. If the department fails to notify the applicant in writing within 60 days after submittal of an application that the application is incomplete and fails to list the reasons why the application is considered incomplete, the application is considered filed on the date of the department's receipt of the application. The department may request additional information after a completeness determination has been made. The department shall adopt rules that contain criteria for use in determining both when an application is complete and when additional information is required after a completeness determination has been made.

(2) Except as provided in subsection (3), the department shall, consistent with the procedures established under [section 9], approve or disapprove a complete application for an operating permit or renewal and shall issue or deny

the permit or renewal within 18 months after the date of filing. Failure of the department to act in a timely manner does not constitute approval or denial of the application. This does not limit or abridge the right of any person to seek available judicial remedies to require the department to act in a timely manner.

(3) The board may by rule provide for a transition schedule for both the submittal to the department of initial applications for operating permits by existing sources and action by the department on these initial permit applications. The board may require that one-third of all operating permit applications required for existing sources be submitted within the first calendar year after the adoption of rules implementing an operating permit program under [section 9]. Any transition schedule for action by the department must ensure that all permit applications required under [section 9] and this subsection for existing sources will be acted upon by the department before November 15, 1997.

(4) If an applicant submits a timely and complete application for an operating permit, the applicant's failure to hold a valid operating permit is not a violation of [section 9]. If an applicant submits a timely and complete application for an operating permit renewal, the expiration of the applicant's existing operating permit is not a violation of [section 9]. The applicant shall continue to be subject to the terms and conditions of the expired operating permit until the operating permit is renewed and is subject to the application of [section 9]. The applicant is not entitled to the protection of this subsection if the delay in final action by the department on the application results from the applicant's failure to submit in a timely manner information requested by the department to process the application.

(5) Except as provided in subsection (8), if the department approves or denies an application for an operating permit or the renewal, modification, or amendment of a permit under [section 9] and this section, any person that participated in the public comment process required under [section 9 (7)] may request a hearing before the board. The request for hearing must be filed within 30 days after the department renders its decision and must include an affidavit setting forth the grounds for the request. The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing before the board under this subsection.

(6) Except as provided in subsection (8), the department's decision on any application is not final until 30 days have elapsed from the date of the decision and there is no request for a hearing under this section. The filing of a request for hearing postpones the effective date of the department's decision until the conclusion of the hearing and issuance of a final decision by the board.

(7) The requirements of subsections (5) and (6) apply to any action initiated by the department to suspend, revoke, modify, or amend an operating permit issued under this section.

(8) The denial by the department of an application under [section 9] and this section is not subject to review by the board or judicial review if the basis for denial is the written objection of the appropriate federal agency acting pursuant to the federal Clean Air Act, 42 U.S.C. 7401, et seq.

(9) Compliance with an operating permit granted or renewed under [section 9] and this section is considered to be in compliance with the requirements of

this chapter only if the permit expressly includes those requirements or an express determination that those requirements are not applicable. This subsection does not apply to general permits provided for under [section 9].

Section 11. **Permits for operation — limitations.** [Sections 9 and 10] may not be construed to:

(1) affect the department's issuance of a permit for the construction, installation, alteration, or use of a source of air pollutants pursuant to 75-2-211 or 75-2-215;

(2) restrict the board's authority to adopt regulations providing for a single air quality permit system; or

(3) affect permits, allowances, phase II compliance schedules, or other acid rain provisions under Subchapter IV of the federal Clean Air Act, 42 U.S.C. 7651, et seq.

Section 12. **Fees — special assessments — late payment assessments.** (1) Concurrent with the submittal of a permit application required under this chapter and annually for the duration of the permit, the applicant shall submit to the department a fee sufficient to cover the reasonable costs, direct and indirect, of developing and administering the permitting requirements in this chapter, including:

(a) reviewing and acting upon the application;

(b) implementing and enforcing the terms and conditions of the permit. This amount does not include any court costs or other costs associated with an enforcement action. If the permit is not issued, the department shall return this portion of the fee to the applicant.

(c) emissions and ambient monitoring;

(d) preparing generally applicable regulations or guidance;

(e) modeling, analysis, and demonstrations;

(f) preparing inventories and tracking emissions;

(g) providing support to sources under the small business stationary source technical and environmental compliance assistance program; and

(h) all other costs required to be recovered pursuant to Subchapter V of the federal Clean Air Act, 42 U.S.C. 7661, et seq.

(2) In recovering the costs described in subsection (1), the department may assess an application fee based on estimated actual emissions or an annual fee based on actual emissions of air pollutants regulated under this chapter, including but not limited to volatile organic compounds, each air pollutant regulated under section 7411 or 7412 of the federal Clean Air Act, 42 U.S.C. 7401, et seq., and each air pollutant subject to a national primary ambient air quality standard.

(3) The board shall by rule provide for the annual adjustment of all fees assessed for operating permit applications under [sections 9 and 10] to account

for changes to the consumer price index, as required by Subchapter V of the federal Clean Air Act.

(4) In addition to the fee required under subsection (1), the board may order the assessment of additional fees required to fund specific activities of the department that are directed at a particular geographic area if the legislature authorizes the activities and appropriates funds for the activities, including emissions or ambient monitoring, modeling analysis or demonstrations, or emissions inventories or tracking. Additional assessments may be levied only on those sources that are within or are believed by the department to be impacting the geographic area. Before the board may require the fees, it shall first determine, after opportunity for hearing, that the activities to be funded are necessary for the administration or implementation of this chapter, that the amount of the requested fees is appropriate, that the assessments apportion the required funding in an equitable manner, and that the department has obtained the necessary appropriation. The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing before the board under this subsection.

(5) (a) If the applicant or permitholder fails to pay in a timely manner a fee required under subsection (1), in addition to the fee, the department may:

(i) impose a penalty not to exceed 50% of the fee, plus interest on the required fee computed at the rate contained in 15-31-510(3); or

(ii) revoke the permit consistent with those procedures established under this chapter for permit revocation.

(b) Within 1 year of revocation, the department may reissue the revoked permit after the applicant or permitholder has paid all outstanding fees required under subsections (1) and (4), including all penalties and interest provided for under this subsection (5). In reissuing the revoked permit, the department may modify the terms and conditions of the permit as necessary to account for changes in air quality occurring since revocation.

(c) The board shall by rule provide for the implementation of this subsection (5), including criteria for imposition of the sanctions described in this subsection (5).

(6) The board may by rule allow the reduction of a fee required under this section for an operating permit or permit renewal to account for the financial resources of a category of small business stationary sources.

(7) As a condition of the continuing validity of a permit issued by the department under this chapter prior to October 1, 1993, the board may by rule require the permitholder to pay the fees under subsections (1) and (4).

(8) For an existing source of air pollutants that is subject to Subchapter V of the federal Clean Air Act and that is not required to hold an air quality permit from the department as of October 1, 1993, the board may, as a condition of continued operation, require by rule that the owner or operator of the source pay the fees under subsections (1) and (4).

(9) (a) The department shall give written notice of the fee to be assessed and the basis for the department's fee assessment under this section to the

owner or operator of the air pollutant source. The owner or operator may appeal the department's fee assessment to the board within 20 days after receipt of the written notice.

(b) An appeal must be based upon the allegation that the fee assessment is erroneous or excessive. An appeal may not be based on the amount of the fee contained in the schedule adopted by the board.

(c) If any part of the fee assessment is not appealed, it must be paid to the department upon receipt of the notice required in subsection (9)(a).

(d) The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing before the board under this subsection (9).

(10) The department may not charge more than one fee annually to a source of air pollutants for the costs identified in subsection (1).

Section 13. **Deposit of air quality permitting fees.** (1) All money collected by the department pursuant to [section 12] must be deposited in an account in the state special revenue fund to be appropriated by the legislature to the department for the development and administration of the permitting requirements of this chapter.

(2) The operating permit fees and the construction permit fees must be maintained in separate accounts within the state special revenue fund.

(3) Upon request, the expenditure by the department of funds in these accounts may be audited by a qualified auditor at the end of each fiscal year. The cost of the audit must be borne by the person requesting the audit.

Section 14. **Small business compliance assistance advisory council.** (1) There is a small business compliance assistance advisory council.

(2) The council consists of seven members, as follows:

(a) two members that are not owners or representatives of owners of small business stationary sources, appointed by the governor to represent the general public;

(b) four members that are owners or representatives of owners of small business stationary sources and who are not legislators, one to be appointed by the majority and minority leadership of the house of representatives and one to be appointed by the majority and minority leadership of the senate; and

(c) one member that is a representative of the department of health and environmental sciences, appointed by the director of that department.

(3) Appointed members shall serve for terms of 3 years.

(4) The provisions of 2-15-122(5) through (8) apply to the council and its members.

Section 15. **Small business compliance assistance advisory council — duties — secretary — meetings.** (1) The small business compliance assistance advisory council, established in [section 14], shall:

(a) render advisory opinions concerning the effectiveness of the small business stationary source technical and environmental compliance assistance program administered by the department;

(b) make periodic reports to the appropriate federal agency concerning the compliance of the small business stationary source technical and environmental compliance assistance program with the requirements of the federal Clean Air Act, 42 U.S.C. 7401, et seq.;

(c) review information for small business stationary sources to ensure that the information is understandable by the lay person and recommend changes to make the information understandable;

(d) consult with the small business stationary source representative provided for in [section 18] regarding problems faced by small business stationary sources concerning the implementation and application of the requirements of this chapter; and

(e) perform other duties necessary to meet the requirements of the federal Clean Air Act.

(2) The council shall elect a presiding officer from among its membership.

(3) The secretary of the council must be an employee of the department assigned to the small business stationary source technical and environmental compliance assistance program. The secretary shall keep all records of meetings and actions taken by the council and is responsible for the development and dissemination of any reports and advisory opinions of the council.

(4) The council shall hold at least one regular meeting each calendar year and keep a summary record of its proceedings that is open to the public for inspection. Special meetings may be called by the presiding officer or a majority of the council members. The secretary shall provide advance notice of the time and place for meetings to each member of the council.

Section 16. **Small business stationary source technical and environmental compliance assistance program — duties.** (1) The department shall establish a small business stationary source technical and environmental compliance assistance program.

(2) The program shall:

(a) provide information to small business stationary sources on compliance methods and technologies, pollution prevention, and accidental release detection and prevention;

(b) assist small business stationary sources in determining applicable requirements under this chapter and in receiving permits in a timely and efficient manner;

(c) provide small business stationary sources timely notice of their rights and obligations under this chapter;

(d) provide information to small business stationary sources regarding the availability of audit services that are useful for determining compliance status with the requirements of this chapter; and

(e) perform other duties as may be necessary to meet the requirements of the federal Clean Air Act, 42 U.S.C. 7401, et seq.

Section 17. **Small business stationary sources — exceptions — waivers.** (1) Upon petition, the department may designate a source to be a small business stationary source for purposes of receiving assistance from the small business stationary source technical and environmental compliance assistance program if the stationary source does not emit more than 100 tons per year of all air pollutants and:

(a) is a major stationary source as defined in Subchapter V of the federal Clean Air Act, 42 U.S.C. 7661, et seq.;

(b) emits 50 tons or more per year of an air pollutant; or

(c) emits more than 75 tons per year of all air pollutants.

(2) After notice and an opportunity for public comment, the department may grant a petition submitted under subsection (1) upon finding that the source of air pollutants does not have sufficient technical and financial capabilities to meet the requirements of this chapter without the assistance of the small business stationary source technical and environmental compliance assistance program.

(3) After notice and opportunity for public comment, the department may exclude from the definition of small business stationary source in 75-2-103 a category or subcategory of sources that the department determines to have sufficient technical and financial capabilities to meet the requirements of this chapter without the assistance of the small business stationary source technical and environmental compliance assistance program. The department may make this determination only after consulting with the appropriate federal agencies under Subchapter V of the federal Clean Air Act.

Section 18. **Small business stationary source representative — duties.** (1) The department shall establish a small business stationary source representative position that is not located in the department or subject to the direct supervision of the department.

(2) The small business stationary source representative shall represent the interests of small business stationary sources before the department and other appropriate local, state, and federal agencies concerning the implementation and application of the requirements of this chapter. In addition, the representative shall provide assistance to small business stationary sources in meeting the requirements of this chapter. In carrying out these activities, the representative shall:

(a) monitor the activities of the small business stationary source technical and environmental compliance assistance program;

(b) review and provide comments and recommendations to the department, local air pollution control programs, and the appropriate federal agencies regarding the development and implementation of regulations pertaining to air quality that impact small business stationary sources;

(c) facilitate and promote the participation of small business stationary sources in the development of new regulations pertaining to air quality that impact small business stationary sources;

(d) assist in the preparation and dissemination of reports and other information regarding the applicability of the requirements of this chapter to small business stationary sources;

(e) assist in the preparation of guideline documents by the small business stationary source technical and environmental compliance assistance program to ensure that these documents are readily understandable by the lay person;

(f) assist small business stationary sources and their trade associations to encourage voluntary compliance with the requirements of this chapter;

(g) cooperate with appropriate local, state, and federal agencies and private sector financial institutions to assist small business stationary sources in locating financial assistance necessary for compliance with the requirements of this chapter;

(h) consult with the small business compliance assistance advisory council regarding problems faced by small business stationary sources concerning the implementation and application of the requirements of this chapter; and

(i) perform other duties as may be necessary to meet the requirements of the federal Clean Air Act, 42 U.S.C. 7401, et seq.

Section 19. Section 75-2-301, MCA, is amended to read:

"**75-2-301. Local air pollution control programs.** (1) After public hearing, a municipality or county may establish and administer a local air pollution control program if the program is consistent with this chapter and is approved by the board.

(2) If a local air pollution control program established by a county encompasses all or part of a municipality, the county and each municipality shall approve the program in accordance with subsection (1).

(3) Except as provided in subsection (4), the board by order may approve a local air pollution control program that:

(a) provides by ordinance or local law for requirements compatible with, more stringent than, or more extensive than those imposed by 75-2-203, 75-2-204, 75-2-211, 75-2-212, 75-2-215, *[sections 9 through 11]*, and 75-2-402, and rules adopted under these sections;

(b) provides for the enforcement of requirements established under subsection (3)(a) by appropriate administrative and judicial processes; and

(c) provides for administrative organization, staff, financial resources, and other resources necessary to effectively and efficiently carry out the program. As part of meeting these requirements, a local air pollution control program may administer the permit fee provisions of ~~75-2-211~~ *[section 12]*. The permit fees collected by a local air pollution control program must be deposited in a county special revenue fund to be used by the local air pollution control program for administration of permitting activities.

(4) Except for those emergency powers provided for in 75-2-402, the board may not delegate to a local air pollution control program the authority to control any air ~~contaminant~~ *pollutant* source that:

(a) requires the preparation of an environmental impact statement in accordance with Title 75, chapter 1, part 2;

(b) is subject to regulation under the Montana Major Facility Siting Act, as provided in Title 75, chapter 20; or

(c) has the potential to emit 250 tons per year or more of any pollutant subject to regulation under this chapter, including fugitive emissions, unless the authority to control the source was delegated to a local air pollution control program prior to January 1, 1991.

(5) If the board finds that the location, character, or extent of particular concentrations of population, air ~~contaminant~~ *pollutant* sources, or geographic, topographic, or meteorological considerations or any combination of these are such as to make impracticable the maintenance of appropriate levels of air quality without an areawide air pollution control program, the board may determine the boundaries within which the program is necessary and require it as the only acceptable alternative to direct state administration.

(6) If the board has reason to believe that any part of an air pollution control program in force under this section is either inadequate to prevent and control air pollution in the jurisdiction to which the program relates or is being administered in a manner inconsistent with this chapter, the board shall, on notice, conduct a hearing on the matter.

(7) If, after the hearing, the board determines that any part of the program is inadequate to prevent and control air pollution in the jurisdiction to which it relates or that it is not accomplishing the purposes of this chapter, it shall require that necessary corrective measures be taken within a reasonable time, not to exceed 60 days.

(8) If the jurisdiction fails to take these measures within the time required, the department shall administer within that jurisdiction all of the provisions of this chapter, including the terms contained in any applicable board order, that are necessary to correct the deficiencies found by the board. The department's control program supersedes all municipal or county air pollution laws, rules, ordinances, and requirements in the affected jurisdiction. The cost of the department's action is a charge on the jurisdiction.

(9) If the board finds that the control of a particular air ~~contaminant~~ *pollutant* source because of its complexity or magnitude is beyond the reasonable capability of the local jurisdiction or may be more efficiently and economically performed at the state level, it may direct the department to assume and retain control over that air ~~contaminant~~ *pollutant* source. ~~No~~ *A* charge may *not* be assessed against the jurisdiction ~~therefor~~. Findings made under this subsection may be either on the basis of the nature of the sources involved or on the basis of their relationship to the size of the communities in which they are located.

(10) A jurisdiction in which the department administers all or part of its air pollution control program under subsection (8) may, with the approval of the

board, establish or resume an air pollution control program that meets the requirements of subsection (3).

(11) A municipality or county may administer all or part of its air pollution control program in cooperation with one or more municipalities or counties of this state or of other states."

Section 20. **Codification instruction.** (1) [Sections 9 through 13] are intended to be codified as an integral part of Title 75, chapter 2, part 2, and the provisions of Title 75, chapter 2, part 2, apply to [sections 9 through 13].

(2) [Section 14] is intended to be codified as an integral part of Title 2, chapter 15, part 21, and the provisions of Title 2, chapter 15, part 21, apply to [section 14].

(3) [Sections 15 through 18] are intended to be codified as an integral part of Title 75, chapter 2, part 1, and the provisions of Title 75, chapter 2, part 1, apply to [sections 15 through 18].

Section 21. **Saving clause.** [Sections 5 through 8] do not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of sections 5 through 8].

Section 22. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 23. **Retroactive applicability.** (1) [Section 12(7)] applies retroactively, within the meaning of 1-2-109, to all permits issued by the department of health and environmental sciences pursuant to Title 75, chapter 2, prior to [the effective date of section 12].

(7) All designations made under this section must be for 1 year. A designation may not continue after the department of commerce determines that the mine, railroad, or facility that provided the basis for a designation is contributing sufficient tax revenue to the designated government unit to meet the increased costs of providing the services necessitated by the development of the mine, railroad, or facility. However, nondesignated local governmental units continue to be eligible for coal impact grants and loans of not more than 20% and beginning July 1, 1995, not more than 10% of the funds appropriated to the coal board for grants and loans in circumstances in which:

CHAPTER NO. 504

[HB 374]

AN ACT PROVIDING AN ADMINISTRATIVE PENALTY IN THE MONTANA WATER QUALITY LAWS; AMENDING SECTIONS 75-5-201 AND 75-5-611, MCA.

WHEREAS, it is necessary and reasonable for the Department of Health and Environmental Sciences to actively enforce the provisions of Montana's water quality laws; and

WHEREAS, the use of the District Courts to achieve civil penalty assessments consumes significant financial resources from both the regulated public and the State of Montana; and

WHEREAS, many parties may wish to resolve violations of Montana's water quality laws in an administrative proceeding that authorizes direct payments to the State of Montana without the large expenses inherent with the filing of a judicial lawsuit; and

WHEREAS, the Board of Health and Environmental Sciences may specify situations in which the Department of Health and Environmental Sciences should pursue an action administratively; and

WHEREAS, in several situations, the administrative assessment of civil penalties under Montana's water quality laws would be a more effective deterrent than resolution of cases through the District Courts; and

WHEREAS, the Department of Health and Environmental Sciences would be able to apply its limited enforcement resources to a broader array of violations; and

WHEREAS, the Federal Water Pollution Control Act provides for a similar administrative penalty, which could ultimately become a condition of primacy for state administration of water quality programs in Montana; and

WHEREAS, the citizens and businesses of the State of Montana, as well as the Department of Health and Environmental Sciences, would benefit from the availability of an administrative penalty in Montana's water quality laws.

THEREFORE, the Legislature of the State of Montana finds it appropriate to authorize an administrative penalty within Montana's water quality laws.

STATEMENT OF INTENT

A statement of intent is provided for this bill in order to assist the board of health and environmental sciences in promulgating rules. The legislature intends that the administrative penalty provided by this bill be used to encourage compliance with Montana's water quality laws by allowing more timely and efficient processing of certain enforcement actions without the need for a higher penalty sought through a district court. To promote these goals, the board should develop rules that prescribe penalties for specific types of violations. In doing so, the board shall ensure that its rules are consistent with the criteria set forth in 75-5-631(4). Further, the board and department shall take measures to ensure that the rules are disseminated to the regulated community.

The legislature also intends that the board's rules be no less stringent than the federal rules and guidance implementing the Federal Water Pollution Control Act.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-5-201, MCA, is amended to read:

"**75-5-201. Board rules authorized.** *(1)* The board shall adopt rules for the administration of this chapter.

(2) The board's rules may include a fee schedule or system for assessment of administrative penalties as provided under 75-5-611."

Section 2. Section 75-5-611, MCA, is amended to read:

"**75-5-611. Violation of chapter — *administrative actions and penalties* — notice and hearing.** (1) When the department has reason to believe that a violation of this chapter, ~~or~~ a rule ~~made~~ *adopted* under ~~it~~ *this chapter, or a condition of a permit or authorization required by a rule adopted under this chapter* has occurred, it may have *a* written notice *letter* served personally or by *certified* mail on the alleged violator or ~~his~~ *the violator's* agent. The notice ~~shall~~ *letter must* state*:*

(a) the provision *of statute, rule, permit, or approval* alleged to be violated~~,~~*;*

(b) the facts alleged to constitute the violation~~,~~*;*

(c) the *specific* nature of corrective action ~~which~~ *that* the department requires~~,~~*;*

(d) as applicable, the amount of the administrative penalty that will be assessed by order under subsection (2) if the corrective action is not taken within the time provided under subsection (1)(e); and

(e) as applicable, the time within which the *corrective* action is to be taken *or the administrative penalty will be assessed.* For the purposes of this chapter, service by *certified* mail is complete on the date of ~~mailing~~ *receipt. Except as provided in subsection (2)(a)(ii), an administrative penalty may not be assessed until the provisions of subsection (1) have been complied with.*

(2) (a) The department may issue an administrative notice and order in lieu of the notice letter provided under subsection (1) if the department's action:

(i) does not involve assessment of an administrative penalty; or

(ii) seeks an administrative penalty only for an activity that it believes and alleges has violated or is violating 75-5-605.

(b) A notice and order issued under this section must meet all of the requirements specified in subsection (1).

~~(2)~~*(3)* In a notice *and order* given under subsection (1) ~~of this section~~, the department may require the alleged violator to appear before the board for a public hearing and to answer the charges ~~made against him~~. The hearing ~~shall~~ *must* be held no sooner than 15 days after service of the notice *and order*, except that the board may set an earlier date for hearing if it is requested to do so by the alleged violator. The board may set a later date for hearing at the request of the alleged violator if the alleged violator shows good cause for delay.

~~(3)~~*(4)* If the department does not require an alleged violator to appear before the board for a public hearing, ~~he~~ *the alleged violator* may request the board to conduct the hearing. The request ~~shall~~ *must* be in writing and ~~shall~~ *must* be filed with the department no later than 30 days after service of a notice *and order* under subsection ~~(1)~~ *(2)* ~~of this section~~. If a request is filed, a hearing ~~shall~~ *must* be held within a reasonable time. *If a hearing is not requested within 30 days after service upon the alleged violator, the opportunity for a contested case appeal to the board under Title 2, chapter 4, part 6, is waived.*

~~(4)~~*(5)* If a *contested case* hearing is held under this section, it ~~shall~~ *must* be public and ~~shall~~ *must*~~, if the board considers it practicable,~~ be held in ~~a~~ *the* county in which the violation is alleged to have occurred *or in Lewis and Clark County.*

~~(5)~~*(6)* *(a)* After a hearing ~~or on failure of an alleged violator to make a timely request for a hearing~~, the board ~~may~~ *shall make findings and conclusions that explain its decision.*

(b) If the board determines that a violation has occurred, it shall also issue an appropriate order for the prevention, abatement, or control of pollution, *the assessment of administrative penalties, or both.*

(c) ~~It~~ *If the order requires abatement or control of pollution, the board* shall state the date or dates by which a violation ~~shall~~ *must* cease and may prescribe timetables for necessary action in preventing, abating, or controlling the pollution.

(d) If the order requires payment of an administrative penalty, the board shall explain how it determined the amount of the administrative penalty.

(e) If the board determines that a violation has not occurred, it shall declare the department's notice void.

~~(6)~~*(7)* The alleged violator may petition the board for a rehearing on the basis of new evidence, which petition the board may grant for good cause shown.

~~(7)~~*(8)* ~~In addition to or instead~~ *Instead* of issuing an order, the board may direct the department to initiate appropriate action for recovery of a penalty under 75-5-631, 75-5-632, 75-5-633, or 75-5-635.

(9) (a) An action initiated under this section may include an administrative penalty of not more than $10,000 for each day of each violation; however, the maximum penalty may not exceed $100,000 for any related series of violations.

(b) Administrative penalties collected under this section must be deposited in the general fund.

(c) In determining the amount of penalty to be assessed to a person, the department and board shall consider the criteria stated in 75-5-631(4) and rules promulgated under 75-5-201.

(d) The contested case provisions of the Montana Administrative Procedure Act, provided for in Title 2, chapter 4, part 6, apply to a hearing conducted under this section."

[HB 375]

AN ACT CREATING A PRESUMPTION WITH RESPECT TO ZONING REGULATIONS THAT DISCRIMINATE BETWEEN CERTAIN MANUFACTURED AND SITE-BUILT HOUSING; AND AMENDING SECTIONS 76-2-202 AND 76-2-302, MCA.

WHEREAS, certain zoning codes in Montana prohibit the placement of manufactured housing within districts where the construction of comparable site-built housing is permitted; and

WHEREAS, the reasons for treating manufactured housing differently from site-built housing have, because of significant improvements in the quality and regulation of manufactured housing, lost whatever historical justification they may once have had.

THEREFORE, the Legislature of the State of Montana finds it desirable and appropriate to discourage discrimination within zoning districts between manufactured and site-built housing.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 76-2-202, MCA, is amended to read:

"**76-2-202. Establishment of zoning districts — regulations.** (1) (a) Within the unincorporated portions of a jurisdictional area which has been established under provisions of 76-1-501 through 76-1-503 or 76-1-504 through 76-1-507, the board of county commissioners may by resolution establish zoning districts and zoning regulations for all or part of the jurisdictional area.

(b) An action challenging the creation of a zoning district must be commenced by October 1, 1994, or within 5 years after the date of the order by the board of county commissioners creating the district, if the district was created after October 1, 1989.

(2) Within some ~~such~~ zoning districts, it ~~shall be~~ *is* lawful and within others it ~~shall be~~ *is* unlawful to erect, construct, alter, or maintain certain buildings or to carry on certain trades, industries, or callings.

(3) In a proceeding for a permit or variance to place manufactured housing within a residential zoning district, there is a rebuttable presumption that placement of a manufactured home will not adversely affect property values of conventional housing.

~~(3)~~*(4)* Within each district the height and bulk of future buildings and the area of the yards, courts, and other open spaces and the future uses of the land or buildings ~~shall~~ *must* be limited and future building setback lines ~~shall~~ *must* be established.

~~(4)~~*(5)* All ~~such~~ regulations ~~shall~~ *must* be uniform for each class or kind of buildings throughout a district, but the regulations in one district may differ from those in other districts.

(6) As used in this section, "manufactured housing" means a single-family dwelling, built offsite in a factory on or after January 1, 1990, that is placed on a permanent foundation, is at least 1,000 square feet in size, has a pitched roof and siding and roofing materials that are customarily, as defined by local regulations, used on site-built homes, and is in compliance with the applicable prevailing standards of the United States department of housing and urban development at the time of its production. A manufactured home does not include a mobile home, as defined in 61-4-309, or a housetrailer, as defined in 61-1-501.

(7) Nothing contained in this section may be construed to limit conditions imposed in historic districts, local design review standards, existing covenants, or the ability to enter into covenants pursuant to Title 70, chapter 17, part 2."

Section 2. Section 76-2-302, MCA, is amended to read:

"**76-2-302. Zoning districts.** (1) For ~~any or all of~~ the purposes of 76-2-301, the local city or town council or other legislative body may divide the municipality into districts of ~~such~~ *the* number, shape, and area as ~~may be deemed~~ *are considered* best suited to carry out the purposes of this part. Within ~~such~~ *the* districts, it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures, or land.

(2) All ~~such~~ regulations ~~shall~~ *must* be uniform for each class or kind of buildings throughout each district, but the regulations in one district may differ from those in other districts.

(3) In a proceeding for a permit or variance to place manufactured housing within a residential zoning district, there is a rebuttable presumption that placement of a manufactured home will not adversely affect property values of conventional housing.

(4) As used in this section, "manufactured housing" means a single-family dwelling, built offsite in a factory on or after January 1, 1990, that is placed on a permanent foundation, is at least 1,000 square feet in size, has a pitched roof and siding and roofing materials that are customarily, as defined by local regulations, used on site-built homes, and is in compliance with the applicable prevailing standards of the United States department of housing and urban development at the time of its production. A manufactured home does not include a mobile home, as defined in 61-4-309, or a housetrailer, as defined in 61-1-501.

(5) Nothing contained in this section may be construed to limit conditions imposed in historic districts, local design review standards, existing covenants, or the ability to enter into covenants pursuant to Title 70, chapter 17, part 2."

(a) the name and address of the owner, lessee, or operator of the mine, together with the name and address of any person owning or claiming a royalty interest in the mineral product of the mine or the proceeds derived from the sale of the mineral product, and the amount or amounts paid or yielded as royalty to each person during the period covered by the statement;

(ii) for the taxable years beginning January 1, 1994, and thereafter, the product obtained by multiplying 34 cents by the quotient of the PCE for the first quarter of the year previous to the taxable year for which the net proceeds value is being calculated, divided by the PCE for the first quarter of the 1992 taxable year.

(b) "PCE" means the implicit price deflator for personal consumption expenditures as published quarterly in the Survey of Current Business by the bureau of economic analysis of the U.S. department of commerce.

Section 2. **Gross value of product for limestone.** As used in this part, when referring to limestone, "gross value of product" is the gross yield or value as determined in [section 1(2)].

Section 3. Section 15-6-131, MCA, is amended to read:

"**15-6-131.** *(Temporary)* **Class one property — description — taxable percentage.** (1) Class one property includes the annual net proceeds of all mines and mining claims except coal, travertine, building stone, and metal mines.

(2) (a) Market value is the value at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of relevant facts.

(b) If the department uses construction cost as one approximation of market value, the department shall fully consider reduction in value caused by depreciation, whether through physical depreciation, functional obsolescence, or economic obsolescence.

(c) Except as provided in subsection (3), the market value of all motor trucks; agricultural tools, implements, and machinery; and vehicles of all kinds, including but not limited to boats and all watercraft, is the average wholesale value shown in national appraisal guides and manuals or the value of the vehicle before reconditioning and profit margin. The department of revenue shall prepare valuation schedules showing the average wholesale value when ~~no~~ *a* national appraisal guide ~~exists~~ *does not exist.*

(3) The department of revenue or its agents may not adopt a lower or different standard of value from market value in making the official assessment and appraisal of the value of property, except:

(a) the wholesale value for agricultural implements and machinery is the loan value as shown in the Official Guide, Tractor and Farm Equipment, published by the national farm and power equipment dealers association, St. Louis, Missouri;

(b) for agricultural implements and machinery not listed in the official guide, the department shall prepare a supplemental manual where the values reflect the same depreciation as those found in the official guide; and

CHAPTER NO. 507

[HB 388]

AN ACT AUTHORIZING THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO COLLECT FEES TO OFFSET WATER QUALITY PROGRAM COSTS FOR ISSUING PERMITS AND MONITORING ACTIVITY; REQUIRING THE DEPARTMENT TO PROVIDE NOTICE OF THE FEE ASSESSMENT; PROVIDING AN APPEAL PROCEDURE FOR RESOLUTION OF FEE DISPUTES; PROVIDING FOR THE DISPOSITION OF FEES; AMENDING SECTION 69-7-111, MCA; AND PROVIDING AN APPLICABILITY DATE.

WHEREAS, section 402 of the Federal Water Pollution Control Act provides that states may be authorized by the U.S. Environmental Protection Agency to administer the national pollutant discharge elimination system wastewater discharge permit program; and

WHEREAS, the Montana Department of Health and Environmental Sciences administers all water quality permit programs in Montana through an agreement with the U.S. Environmental Protection Agency under section 402 of the Federal Water Pollution Control Act; and

WHEREAS, the Department of Health and Environmental Sciences' water quality permit programs are inextricably linked to its other water pollution control and ambient water quality monitoring programs; and

WHEREAS, both the citizens and businesses of the State of Montana benefit from implementation of these programs by the Department of Health and Environmental Sciences; and

WHEREAS, federal grants for Montana's water quality programs are currently inadequate and are being further reduced, and Montana's general fund is stressed by competing government programs; and

WHEREAS, if the Department of Health and Environmental Sciences fails to obtain authorization, the national pollutant discharge elimination system program will be administered within Montana by the U.S. Environmental Protection Agency; and

WHEREAS, the persons who discharge or may discharge wastes to Montana's water resources and who are required to obtain a water quality permit should pay a fair share to ensure protection of Montana's water resources; and

WHEREAS, the annual fee system may be an incentive to the regulated community to design activities that reduce the amount of pollutants discharged to state waters or otherwise lower the potential for harm to state waters.

THEREFORE, the Legislature of the State of Montana finds that it is appropriate to authorize the development of permit fee systems to support Montana's comprehensive water pollution control program.

STATEMENT OF INTENT

A statement of intent is required for this bill because it authorizes the board of health and environmental sciences to adopt rules regarding fees to be assessed to applicants for or holders of certain permits or licenses. The intent of this bill is to allow the department of health and environmental sciences to charge for its services in administering its comprehensive water permitting program. These services include both the permitting function and followup monitoring and enforcement programs to ensure that activities are complying with the terms and conditions of the permit. In addition, the legislature anticipates that fees will be assessed to applicants or permittees under other statutory authorities for which an exclusion from a water quality permit requirement is provided by rule.

The board shall attempt to develop a structured fee system that can be clearly applied to all activities addressed under this bill and that results in revenue that approximates the department's documented cost of implementing its comprehensive water quality permit program. The permit review fee system must be based on an average assessment of the department's direct and indirect cost of reviewing permit applications, including the cost of support services, inservice training, and correspondence. The annual fee system may involve fees that are prescribed by category according to the criteria in [section 1(2)(b)].

The board shall consider the following fee structures as prima facie indicators of appropriate fee assessments.

	Application fee	Annual fee
Publicly owned treatment works	$250 — $1,000	$250 — $2,500
Industrial storm and ground water systems	$1,000	$1,000 — $2,500
Industrial cooling water systems	$500	$200 — $500
Industrial systems with toxic substances	$2,500 — $5,000	$2,500
General permits	$200 — $500	$250 — $2,500

Nondegradation review:

(1) Domestic sewage treatment	$2,500
(2) Industrial	$2,500 — $5,000
(3) Subdivision	$120 — $200 per lot

The annual fee is to be assessed for each million gallons of waste discharged per day on a yearly average and is specific to each discharge at a facility. The lower values are minimum fees, regardless of the amount of waste discharged. For either the application fee or annual fee for storm water discharges, a facility may not be charged for more than the five storm water discharge points that yield the highest fees.

The legislature also intends that a facility that consistently discharges effluent at less than or equal to one-half of its permit limit concentration, using the previous year's discharge data, is entitled to a 25% fee reduction in its annual fee. Further, any facility that consistently discharges effluent at levels between 50% and 100% of its permit limit concentration is entitled to a proportionate fee reduction of up to 25%. For a permit with multiple parameter limits, the annual average of the percentage of use of each parameter limit should be used to determine an overall percentage. A new permittee is not eligible for fee reduction in its first year of operation, and dilution is not intended as a means to justify lower annual fees.

Further, the board's rules should provide a mechanism for coordinating collection of fees for the review and monitoring of projects and activities authorized by [section 1] with any other fees that are collected by other state agencies for the review and monitoring of those projects and activities. The fees collected by the department may not duplicate the fees collected by another state agency for services in reviewing permit, certificate, and license applications and in conducting monitoring.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Fees authorized for recovery — process — rulemaking.** (1) The board shall by rule prescribe fees to be assessed by the department that are sufficient to cover the board's and department's documented costs, both direct and indirect, of:

(a) reviewing and acting upon an application for a permit, permit modification, permit renewal, certificate, license, or other authorization required by rule under 75-5-201 or 75-5-401;

(b) reviewing and acting upon a petition for a degradation allowance under 75-5-303;

(c) reviewing and acting upon an application for a permit, certificate, license, or other authorization for which an exclusion is provided by rule from the permitting requirements established under 75-5-401;

(d) enforcing the terms and conditions of a permit or authorization identified in subsections (1)(a) through (1)(c). If the permit or authorization is not issued, the department shall return this portion of any application fee to the applicant.

(e) conducting compliance inspections and monitoring effluent and ambient water quality; and

(f) preparing water quality rules or guidance documents.

(2) The rules promulgated by the board under this section must include:

(a) a fee on all applications for permits or authorizations, as identified in subsections (1)(a) through (1)(c), that recovers to the extent permitted by this subsection (2) the department's cost of reviewing and acting upon the applications. This fee may not be less than $250 or more than $5,000 per discharge point for an application addressed under subsection (1), except that an application with multiple storm water discharge points may be assessed a lower fee for those points according to board rule.

(b) an annual fee to be assessed according to the volume and concentration of waste discharged into state waters. The annual fee may not be less than $250 and may not be more than $3,000 per million gallons discharged per day on an annual average for any activity under permit or authorization, as described in subsection (1), except that a permit or authorization with multiple storm water discharge points may be assessed a lower fee for those points according to board rule. To the extent permitted under this limitation, the annual fee must be sufficient to pay the department's estimated cost of conducting all tasks described under subsection (1) after subtracting:

(i) the fees collected under subsection (2)(a);

(ii) state general fund appropriations for functions administered under this chapter; and

(iii) federal grants for functions administered under this chapter.

(3) For purposes of subsection (2), the department's estimated cost of conducting the tasks described under subsection (1) is the amount authorized by the legislature for the department's water quality discharge permit programs.

(4) If the applicant or holder fails to pay a fee assessed under this section or rules adopted under this section within 90 days after the date established by rule for fee payment, the department may:

(a) impose an additional assessment consisting of not more than 20% of the fee plus interest on the required fee computed at the rate established under 15-31-510(3); or

(b) suspend the permit or exclusion. The department may lift the suspension at any time up to 1 year after the suspension occurs if the holder has paid all outstanding fees, including all penalties, assessments, and interest imposed under subsection (4)(a).

(5) Fees collected pursuant to this section must be deposited in an account in the special revenue fund type pursuant to [section 2].

(6) The department shall give written notice to each person assessed a fee under this section of the amount of fee that is assessed and the basis for the

department's calculation of the fee. This notice must be issued at least 30 days prior to the due date for payment of the assessment.

(7) A holder of or an applicant for a permit, certificate, or license may appeal the department's fee assessment to the board within 20 days after receiving written notice of the department's fee determination under subsection (6). The appeal to the board must include a written statement detailing the reasons that the permitholder or applicant considers the department's fee assessment to be erroneous or excessive.

(8) If part of the department's fee assessment is not in dispute in an appeal filed under subsection (7), the undisputed portion of the fee must be paid to the department upon written request of the department.

(9) The contested case provisions of the Montana Administrative Procedure Act, provided for in Title 2, chapter 4, part 6, apply to a hearing before the board under this section.

(10) A municipality may raise rates to cover costs associated with the fees prescribed in this section for a public sewer system without the hearing required in 69-7-111.

Section 2. **Deposition of water quality permit fees.** (1) All fees collected under [section 1] must be credited to an account in the state special revenue fund.

(2) Money in the account may be used only to pay the department's cost in implementing the functions described in [section 1(1)].

Section 3. Section 69-7-111, MCA, is amended to read:

"**69-7-111. Municipal rate hearing required — notice.** (1) Except as provided in *[section 1] and* 75-6-108, if the governing body of a municipality considers it advisable to regulate, establish, or change rates, charges, or classifications imposed on its customers, it shall order a hearing to be held before it at a time and place specified.

(2) Notice of the hearing shall be published in a newspaper as provided in 7-1-4127.

(3) (a) The notice shall be published three times with at least 6 days separating each publication. The first publication may be no more than 28 days prior to the hearing, and the last publication may be no less than 3 days prior to the hearing.

(b) The notice must also be mailed at least 7 days and not more than 30 days prior to the hearing to persons served by the utility. The notice must be mailed within the prescribed time period. This notice must contain an estimate of the amount the customer's average bill will increase.

(4) The published notice must contain:

(a) the date, time, and place of the hearing;

(b) a brief statement of the proposed action; and

(c) the address and telephone number of a person who may be contacted for further information regarding the hearing.

(5) Notice of all hearings shall be mailed first class, postage prepaid, to the Montana consumer counsel."

Section 4. **Codification instruction.** [Sections 1 and 2] are intended to be codified as an integral part of Title 75, chapter 5, part 5, and the provisions of Title 75, chapter 5, part 5, apply to [sections 1 and 2].

Section 5. **Applicability.** (1) [Section 1(1)] applies to all applications or petitions filed on or after October 1, 1993, and to all current and future holders of permits, licenses, or other authorizations described in [section 1(1)].

(2) The board of health and environmental sciences may commence rulemaking prior to October 1, 1993.

Approved April 24, 1993.

CHAPTER NO. 508

[HB 413]

AN ACT CLARIFYING THE METHOD FOR DETERMINING THE PUBLIC SERVICE COMMISSION FEE AND CONSUMER COUNSEL FEE BY THE DEPARTMENT OF REVENUE; AMENDING SECTIONS 69-1-223, 69-1-224, 69-1-402, AND 69-1-403, MCA; AND PROVIDING A RETROACTIVE APPLICABILITY DATE AND AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 69-1-223, MCA, is amended to read:

"**69-1-223. Funding of office of consumer counsel.** (1) There is an account in the state special revenue fund to which all fees collected ~~hereunder shall~~ *under this section must* be deposited and from which all appropriations to the office of the consumer counsel ~~shall~~ *must* be paid. An appropriation to the office of the consumer counsel may consist of a base appropriation for regular operating expenses and a contingency appropriation for expenses due to an unanticipated caseload.

(2) In addition to all other licenses, fees, and taxes imposed by law, all regulated companies shall:

(a) within ~~90~~ *30* days after the close of each calendar quarter, file with the department of public service regulation and the department of revenue a statement, in ~~such~~ *a* form ~~as~~ *that* the commission *and department* may determine, showing the gross operating revenue from all activities regulated by the commission within the state for that calendar quarter of operation or portion ~~thereof~~ *of a quarter*, separately stating gross ~~revenues~~ *revenue* from sales to other regulated companies for resale; and

(b) at that time pay to the department of revenue a fee based on a percentage of the gross operating revenue reported, as determined by the department of revenue under 69-1-224.

(3) The amount of money which may be raised by the fee on the regulated companies during a fiscal year may not be increased, *except as provided in 69-1-224(1)(c),* from the amount appropriated, including both base and contingency appropriations, by the legislature for that fiscal year. Any additional money required for operation of the office of the consumer counsel must be obtained from other sources in a manner authorized by the legislature."

Section 2. Section 69-1-224, MCA, is amended to read:

"**69-1-224. Determination of fee.** (1) ~~Within 30 days following enactment of the legislative appropriation for the office of the consumer counsel~~ *On or before August 31 of each year,* the department of revenue shall:

(a) determine the total gross operating revenue generated by all regulated activities within this state for all regulated companies for the previous fiscal year;

(b) compute the percentage, subject to revision as provided in subsection ~~(3)~~ *(2),* of the amount determined in subsection (1)(a) ~~which~~ *that* will produce an amount equal to the ~~base~~ *current* appropriation to the office of the consumer counsel ~~for the first year of the appropriation~~, except that ~~no~~ *a* regulated company owned and operated by any municipal corporation within this state ~~shall~~ *may not* be required to pay a sum in excess of .06 of 1% of its gross operating revenue;

(c) adjust the percentage multiplier computed in subsection (1)(b) to ensure that sufficient funds are generated to meet the appropriation and that excess funds are not generated or retained by:

(i) determining the appropriation to the office of the consumer counsel for the previous fiscal year and comparing it to the fees collected from the previous fiscal year;

(ii) reducing or increasing the percentage determined in (1)(b) for the current year in order to account for any difference determined in subsection (1)(c)(i); and

(iii) if necessary, reducing the revenue to be collected for the current year by any funds remaining unspent at the close of the prior fiscal year; and

~~(c)~~*(d)* give notice by mail to each regulated company of the percentage ~~determined in subsections (1)(a) and (b)~~ to be applied to the gross operating revenue reported under 69-1-223(2) to determine the amount of the fee to be paid ~~in the first year of the appropriation~~.

~~(2) On or before May 30 of the first year of the biennium, the department of revenue shall repeat the steps required by subsection (1) and compute the percentage multiplier for the second year, giving notice to the regulated companies.~~

~~(3)~~*(2)* (a) The department of revenue shall adjust the percentage multiplier ~~quarterly~~ if the department considers a change necessary to meet or to not exceed the amount to be raised by the fee because of:

(i) fluctuations in the actual gross operating revenue subject to the fee; or

(ii) submission and approval of a budget amendment authorizing the spending of money from a contingency appropriation included in the appropriation measure for the office of the consumer counsel and authorized to be raised by means of the fee.

(b) Adjustments of the percentage multiplier are subject to the exception provided in subsection (1)(b) for municipally owned and operated regulated companies.

(c) Regulated companies must be given at least 30 days' notice of any change in the percentage multiplier.

(d) Any change in the percentage multiplier is effective at the beginning of the next calendar quarter.

~~(4)~~*(3)* In the event the fee charged in one year is in excess of the amount actually expended in that year, the excess shall be deducted from the amount required to be raised by the fee for the next year before the determination required by subsection (1) is made. Money remaining unspent at the close of ~~a~~ *the* fiscal year shall be used to reduce the percentage calculated in 69-1-224 in the subsequent fiscal year."

Section 3. Section 69-1-402, MCA, is amended to read:

"**69-1-402. CHAPTER NO. 509

[HB 419]

AN ACT PROVIDING AN ADMINISTRATIVE PENALTY IN THE MONTANA HAZARDOUS WASTE AND UNDERGROUND STORAGE TANK ACT; AND AMENDING SECTION 75-10-405, MCA.

STATEMENT OF INTENT

A statement of intent is required for this bill in order to provide guidance to the department of health and environmental sciences in promulgating rules. The legislature intends that the administrative penalty provided in this bill encourage compliance with the hazardous waste sections of the Montana Hazardous Waste and Underground Storage Tank Act and rules adopted pursuant to the hazardous waste sections of that Act by allowing more timely and efficient processing of enforcement actions without the need to seek penalties through the district court. To promote this goal, the department may adopt rules that prescribe procedures for assessing administrative penalties for violations of Title 75, chapter 10, part 4, and of rules adopted pursuant to Title 75, chapter 10, part 4. In doing so, the department shall ensure that its rules are consistent with the criteria set forth in [section 2].

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-10-405, MCA, is amended to read:

"**75-10-405. Administrative rules.** (1) The department may adopt, amend, or repeal rules governing hazardous waste, including but not limited to the following:

(a) identification and classification of those hazardous wastes subject to regulation and those that are not;

(b) requirements for the proper treatment, storage, transportation, and disposal of hazardous waste;

(c) requirements for siting, design, operation, maintenance, monitoring, inspection, closure, postclosure, and reclamation of hazardous waste management facilities;

(d) requirements for the issuance, denial, renewal, modification, and revocation of permits for hazardous waste management facilities;

(e) requirements for corrective action within and outside of facility boundaries and for financial assurance of that corrective action;

(f) requirements for manifests and the manifest system for tracking hazardous waste and for reporting and recordkeeping by generators, transporters, and owners and operators of hazardous waste management facilities;

(g) requirements for training of facility personnel and for financial assurance of facility owners and operators and for liability of guarantors providing financial assurance;

(h) requirements for registration of generators and transporters;

(i) a schedule of fees for hazardous waste management facility permits and registration of hazardous waste generators;

(j) a schedule of fees to defray a portion of the costs of establishing, operating, and maintaining any state hazardous waste management facility authorized by 75-10-412;

(k) requirements for availability to the public of information obtained by the department regarding facilities and sites used for the treatment, storage, and disposal of hazardous wastes; ~~and~~

(l) procedures for the assessment of administrative penalties as authorized by [section 2]; and

~~(l)~~*(m)* other rules which are necessary to obtain and maintain authorization under the federal program.

(2) The department may not adopt rules under this part that are more restrictive than those promulgated by the federal government under the Resource Conservation and Recovery Act of 1976, as amended, except that the department:

(a) may require the registration of transporters not otherwise required to register with the state of Montana pursuant to the federal Resource Conservation and Recovery Act of 1976, as amended;

(b) may require generators and facilities to report on an annual rather than on a biennial basis;

(c) may adopt requirements for the prevention and correction of leakage from underground storage tanks, including:

(i) reporting by owners and operators;

(ii) financial responsibility;

(iii) release detection, prevention, and corrective action;

(iv) standards for design, construction, installation, and closure;

(v) development of a schedule of fees, not to exceed $50 for a tank over 1,100 gallons and not to exceed $20 for a tank 1,100 gallons or less, per tank, for tank notification and permits to defray state and local costs of implementing an underground storage tank program; and

(vi) delegation of authority and funds to local agents for inspections and implementation. The delegation of authority to local agents must complement and may not duplicate existing authority for implementation of rules adopted by the department of justice that relate to underground storage tanks.

(d) may adopt regulatory requirements for hazardous waste transfer facilities;

(e) shall require the owner or manager of any proposed commercial facility for the storage, collection, or transfer of hazardous waste to conduct a public hearing, as provided for in 75-10-441; and

(f) may adopt rules and performance standards for industrial furnaces and boilers that burn hazardous wastes. The rules and performance standards:

(i) may be adopted if there are no federal regulations; or

(ii) may be more restrictive than federal regulations."

Section 2. **Administrative penalty.** (1) The department may assess a person who violates a hazardous waste provision of this part or a hazardous waste rule adopted under this part an administrative penalty, not to exceed $10,000 per violation. Each day of violation constitutes a separate violation, but the maximum penalty may not exceed $100,000 for any related series of violations. Assessment of an administrative penalty under this section must be made in conjunction with an order or administrative action authorized by this chapter.

(2) An administrative penalty may not be assessed under this section unless the alleged violator is given notice and opportunity for a hearing before the board pursuant to Title 2, chapter 4, part 6.

(3) In determining the appropriate amount of an administrative penalty, the department shall consider:

(a) the gravity and the number of violations;

(b) the degree of care exercised by the alleged violator;

(c) whether significant harm resulted to public health or the environment; and

(d) the degree of potential significant harm to public health or the environment.

(4) If the department is unable to collect the administrative penalty or if a person fails to pay all or any portion of the administrative penalty as determined by the department, the department may seek to recover the amount in an appropriate district court.

(5) Action under this section does not bar action under 75-10-413 through 75-10-418 or any other appropriate remedy.

(6) Administrative penalties collected under this section must be deposited in the state general fund.

Section 3. **Codification instruction.** [Section 2] is intended to be codified as an integral part of Title 75, chapter 10, part 4, and the provisions of Title 75, chapter 10, part 4, apply to [section 2].

Approved April 24, 1993.

CHAPTER NO. 510

[HB 436]

AN ACT CLARIFYING THE DEFINITION OF AIR AND WATER POLLUTION EQUIPMENT FOR PROPERTY TAX PURPOSES; PROVIDING REQUIREMENTS FOR RULES GOVERNING THE CERTIFICATION OF THE EQUIPMENT; SPECIFYING THE ROLES OF THE DEPARTMENT OF REVENUE AND OF THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES IN CLASSIFYING AND VALUING AIR AND WATER POLLUTION EQUIPMENT; AMENDING SECTION 15-6-135, MCA; AND PROVIDING AN APPLICABILITY DATE.

STATEMENT OF INTENT

A statement of intent is necessary for this bill because the amendment to 15-6-135 grants rulemaking authority to the department of revenue and the department of health and environmental sciences.

It is intended that the rules promulgated by the departments clarify the definition, application for certification, and use of air and water pollution equipment eligible for special property tax treatment. It is further intended that the rules clarifying the definition and use of air and water pollution control equipment establish a procedure to apportion the value of multipurpose equipment into that used for production and other purposes and that used for pollution control. The rules should provide certainty regarding the special tax treatment for air and water pollution equipment purchasers, affected local governments, and state departments, thus increasing the use of air and water pollution equipment.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-6-135, MCA, is amended to read:

"**15-6-135. Class five property — description — taxable percentage.** (1) Class five property includes:

(a) all property used and owned by cooperative rural electrical and cooperative rural telephone associations organized under the laws of Montana, except property owned by cooperative organizations described in subsection (1)(b) of 15-6-137;

(b) air and water pollution control equipment as defined in this section;

(c) new industrial property as defined in this section;

(d) any personal or real property used primarily in the production of gasohol during construction and for the first 3 years of its operation;

(e) all land and improvements and all personal property owned by a research and development firm, provided that the property is actively devoted to research and development;

(b) Requests for certification must be made on forms available from the department of revenue. Certification may not be granted unless the applicant is in substantial compliance with all applicable rules, laws, orders, or permit conditions. Certification remains in effect only for as long as substantial compliance continues.

(c) The department of health and environmental sciences shall promulgate rules specifying procedures, including timeframes for certification application, and definitions necessary to identify air and water pollution equipment for certification and compliance. The department of revenue shall promulgate rules pertaining to the valuation of qualifying air and water pollution equipment. The department of health and environmental sciences shall identify and track compliance in the use of certified air and water pollution equipment and report continuous acts or patterns of noncompliance at a facility to the department of revenue. Casual or isolated incidents of noncompliance at a facility do not affect certification.

~~(b)~~*(d)* ~~The department of health and environmental sciences' determination as to air and water pollution equipment may be appealed to the board of health and environmental sciences and may not be appealed to either a county tax appeal board or~~ *A person may appeal the certification, classification, and valuation of the property to* the state tax appeal board. ~~However, the appraised~~ *Appeals on the property certification must name the department of health and environmental sciences as the respondent, and appeals on the* ~~value~~ *classification or valuation* of the equipment ~~as determined by the~~ *must name the* department of revenue ~~may be appealed to the county tax appeal board and the state tax appeal board~~ *as the respondent.*

(3) "New industrial property" means any new industrial plant, including land, buildings, machinery, and fixtures, used by new industries during the first 3 years of their operation. The property may not have been assessed within the state of Montana prior to July 1, 1961.

(4) (a) "New industry" means any person, corporation, firm, partnership, association, or other group that establishes a new plant in Montana for the operation of a new industrial endeavor, as distinguished from a mere expansion, reorganization, or merger of an existing industry.

(b) New industry includes only those industries that:

(i) manufacture, mill, mine, produce, process, or fabricate materials;

(ii) do similar work, employing capital and labor, in which materials unserviceable in their natural state are extracted, processed, or made fit for use or are substantially altered or treated so as to create commercial products or materials;

(iii) engage in the mechanical or chemical transformation of materials or substances into new products in the manner defined as manufacturing in the 1987 Standard Industrial Classification Manual prepared by the United States office of management and budget;

(iv) engage in the transportation, warehousing, or distribution of commercial products or materials if 50% or more of an industry's gross sales or receipts are earned from outside the state; or

(v) earn 50% or more of their annual gross income from out-of-state sales.

(5) New industrial property does not include:

(a) property used by retail or wholesale merchants, commercial services of any type, agriculture, trades, or professions unless the business or profession meets the requirements of subsection (4)(b)(v);

Section 2. **Applicability — rulemaking.** (1) [This act] applies to tax years beginning after December 31, 1993.

(2) The department of revenue and the department of health and environmental sciences may institute rulemaking under Title 2, chapter 4, prior to October 1, 1993, to implement [this act], but the rules may not be effective prior to October 1, 1993.

Approved April 24, 1993.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-7-220, MCA, is amended to read:

"**90-7-220. Montana developmental center loan.** (1) The department of corrections and human services may enter into a loan agreement with the Montana health facility authority for the purpose of financing the costs of acquiring, constructing, and equipping facilities for the developmentally disabled at the Montana developmental center in Boulder, including the establishment of reserves and the payment of costs of the financing. The maximum principal amount of the loan may not exceed ~~$8,665,000~~ *$10.5 million* for construction and related costs, plus the necessary amounts for capitalized interest, debt service reserves, and financing costs, and the loan must be payable over a term of not to exceed 30 years and must bear interest and contain other terms and provisions with respect to prepayment or otherwise as are not inconsistent with this section and as the department approves. *Investment earnings on the authority's bonds or on funds held for the bonds must be used to pay the principal and interest on the loan as provided in the loan agreement.*

Notwithstanding 77-2-302(1) and upon foreclosure of a mortgage given to secure the loan agreement, there must be paid to the board of land commissioners as a first and prior claim against the mortgaged land an amount equal to the full market value of the land as determined by the board prior to the execution of the mortgage and after appraisal by a qualified land appraiser. The loan agreement may contain other provisions or agreements that the department determines are necessary and that are not inconsistent with the provisions of Title 90, chapter 7.

(3) The obligations of the department under the agreement are special limited obligations payable solely from the facility revenues and do not constitute a debt of the state or obligate the state to appropriate or apply any funds or revenues of the state, except the facility revenues as provided in this section."

Section 2. Section 90-7-317, MCA, is amended to read:

"**90-7-317. Capital reserve account.** (1) There is a capital reserve account in the enterprise fund provided for in 90-7-202(17).

(5) "MHD development corporation" means a consortium of private companies that has applied to the U.S. department of energy for funding through the clean coal V funding program to commercially demonstrate the MHD technology through the development, engineering, construction, and operation of the Billings MHD demonstration project.

(6) "MHD technology" means the intellectual property used to construct the physical components, or processes that utilize those physical components, to produce electricity through the technology known as magnetohydrodynamics as described in the application for federal clean coal V funding.

(7) "Participating companies" means those corporate entities that have provided the technical expertise, component equipment, capital, or other assets or resources in the development of the MHD technology, that hold positions of equity ownership in the MHD development corporation, and that have trans-

ferred proprietary interests in the MHD technology to the MHD development corporation to enable the MHD development corporation to commercially demonstrate the MHD technology through the development, engineering, construction, and operation of the Billings MHD demonstration project and to enable the MHD development corporation to engage in subsequent commercial applications of the MHD technology.

(8) "Senior debt creditor" means a lender or consortium of lenders that has provided a larger share of debt financing to the Billings MHD demonstration project than any other lender or consortium of lenders and that has properly secured its loan against the assets of the Billings MHD demonstration project or the MHD development corporation.

Section 2. **Approval of loan.** A clean coal technology demonstration loan in the amount of $25 million is approved for the MHD development corporation to pay a portion of the costs involved in development, engineering, procurement, and construction related to the Billings MHD demonstration project if the loan agreement described in [section 3] is entered into by the department and the MHD development corporation.

Section 3. **Loan agreement.** The department shall enter into a loan agreement with the MHD development corporation that includes the following provisions:

(1) The amount of the loan is $25 million.

(2) The loan agreement must be for a term of 25 years from the date it is signed by the parties or until all principal and interest have been retired, whichever occurs first.

(3) Loan proceeds may be applied to the costs of developing engineering specifications, procuring equipment, or constructing physical facilities or to other costs directly related to negotiating for the final commitment of the U.S. department of energy funding and for the development and construction of the Billings MHD demonstration project for the commercial demonstration of the MHD technology.

(4) Loan proceeds must be disbursed according to a series of scheduled budget periods. A disbursement may not be made prior to May 1, 1993. The total amount of the loan may not be released in less than five disbursements. A disbursement may not exceed $10 million and may not be less than $400,000.

(5) The following matching funds requirements apply to the disbursement of loan proceeds:

(a) Loan proceeds may not be disbursed unless the MHD development corporation has received a notice of selection from the U.S. department of energy stating that it has been selected to receive an award through the federal clean coal V funding program.

(b) Loan proceeds may not be disbursed for expenditure in any budget period unless the department has received satisfactory evidence that federal or private funds will be expended in that budget period in an amount that is at least four times greater than the amount of loan proceeds to be expended in that budget period.

(c) No more than $8 million in loan proceeds may be disbursed unless the U.S. department of energy has issued a final authorization to proceed after project definition activities, as described in the federal clean coal V program offering notice, have been concluded and the department of energy has committed to spend the entire federal clean coal V award amount allocated for the Billings MHD demonstration project.

(d) Before disbursing loan proceeds in any budget period, the department must be satisfied that the matching funds requirement for the previous budget periods has been met.

(6) (a) Subject to subsection (6)(b), interest must accrue and be capitalized at the same rate as the rate applicable to taxable 20-year general obligation bonds issued by the state on the date nearest in time to the date that the loan agreement is signed by the parties.

(b) (i) The interest rate must be established by taking into account the credit provided for in subsection (6)(b)(ii), the direct income to the state from coal severance taxes from coal used by the project, corporate income taxes related to project construction, and corporate and individual income taxes related to the operation of the project. The interest rate may not be less than the rate stated in subsection (6)(a) as adjusted by the total amount of the credit available pursuant to subsection (6)(b)(ii).

(ii) The MHD development corporation must receive a credit against the interest rate in subsection (6)(a) at a rate of 0.05% for each job certified by the MHD corporation to be created by the Billings MHD demonstration project up to a total credit of 2.5%.

(7) (a) Subject to subsections (7)(b) and (7)(c), the following sources must be used to pay the principal and interest payments on the loan:

(i) up to 5% of gross fees or royalties derived from the sale, lease, or licensing of the MHD technology; and

(ii) up to 0.5% of all revenue derived from the sale of component equipment that embodies the MHD technology.

(b) The MHD development corporation shall, when there is sufficient cash flow after the appropriate allowance for the payment of taxes, make payments to the department using revenue derived from the sale of electric power upon the occurrence of any of the following:

(i) the beginning of the 17th year after the loan agreement is signed by the parties;

(ii) repayment obligations to senior debt creditors have been satisfied;

(iii) changes in the price of electricity sold as a result of project operations, changes in expenses paid as a result of project operations, or changes in other financial factors cause net cash flow to be greater than that projected to be available after making periodic payments to senior debt creditors and the appropriate allowance for taxes; or

(iv) the successful completion of the MHD technology demonstration.

(c) The payments must be made in amounts and according to a schedule to be agreed upon by the parties that is sufficient to ensure that the entire amount of principal and interest owed on the loan is fully retired by the 25th year after the loan agreement is signed.

(d) If the department and the U.S. department of energy both receive repayment from a source listed in subsection (7)(a)(i) or (7)(a)(ii), the department shall receive payment on a pro rata basis taking into account its financial contribution to the Billings MHD demonstration project compared to the contribution of the department of energy contribution. The percentage limit contained in subsection (7)(a)(i) or (7)(a)(ii) may not be exceeded.

(e) A payment made upon completion of the MHD technology demonstration must be a minimum of $250,000 per year, is owed only for a year in which the MHD technology operates at least 50% of the year, and must be paid in full by March 31 of the following year.

(8) Except as provided in subsection (10), if at any time the principal and prorated interest amounts owing on the loan are retired, the loan is considered retired and further payments are not required to be made. There may not be a penalty associated with early repayment.

(9) The payment of the principal and interest on the loan is governed by the following provisions:

(a) Payments made from the sources listed in subsection (7)(a)(i) or (7)(a)(ii) before the time provided for in subsection (7)(b) must be first applied to the principal of the loan, then to any interest accumulated on the principal.

(b) Payments made after the beginning of the time period provided for in subsection (7)(b) must be first applied to interest accumulated on the principal amount of the loan and any payments greater than the accumulated interest must be applied to the principal.

(10) Notwithstanding the provisions of subsections (2), (6), and (8) and in addition to the requirement for the payment of principal and interest contained in this section, the MHD development corporation shall pay to the department from the sources described in subsections (7)(a)(i) and (7)(a)(ii) one-half of the amount of the loan proceeds disbursed as described in subsection (5)(c). This additional payment requirement must begin immediately after all principal and interest have been paid and continues until the appropriate amount has been paid, even if the loan agreement has expired.

(11) Notwithstanding the provisions of subsections (3), (6), (7), and (9), the MHD development corporation shall make a payment to the department no later than June 30, 1994, and a second payment no later than June 30, 1995, from loan proceeds in an amount equal to the interest that would have been earned for the general fund from the investment of the amount of the clean coal technology demonstration funds disbursed to the MHD development corporation. The payments must be deposited in the general fund. The payment periods begin on the date of the first disbursement under the loan agreement, the first period ends June 30, 1994, and the second period ends on the date the U.S. department of energy issues a final authorization to proceed as described in subsection (5)(c) or on June 30, 1995, whichever occurs first. The amount must

be calculated by the department with the assistance of the office of budget and program planning, based on:

(a) the interest rate applicable to the investment of the coal severance tax permanent fund for the dates on which the loan proceeds were disbursed;

(b) the amount of disbursement; and

(c) the actual impact on the general fund.

(12) The MHD development corporation shall pay all principal and interest owed to the state on the loan made to the MHD-Corette project pursuant to Chapter 793, Laws of 1991. This repayment requirement is effective at the time the MHD development corporation has secured the total amount of financing necessary to initially capitalize the Billings MHD development project. Notwithstanding section 1(3), Chapter 793, Laws of 1991, $50,000 of the amount repaid under this subsection must be deposited in the state special revenue account created by 90-2-1104 for use by the department in administering the clean coal technology demonstration program.

(13) The department may hold the following security positions if the positions do not impair the security positions of senior debt creditors to the Billings MHD demonstration project:

(a) a security position associated with any of the repayment sources listed in subsection (7); and

(b) a security position in the sale of the assets of the Billings MHD demonstration project.

(14) (a) The department must be satisfied, before the loan agreement is entered into, that:

(i) the MHD development corporation has acquired from the participating companies and other relevant parties ownership of rights and other positions of ownership related to the MHD technology that are sufficient to meet its repayment obligations under the loan agreement; and

(ii) the projected level of initial capitalization, operating income, expenses, and other factors affecting the financial viability of the Billings MHD demonstration project is sufficient for the MHD development corporation, through its ownership and operation of the Billings MHD demonstration project, to operate the project and to meet its repayment obligations to creditors.

(b) The following protective positions must be contained in the loan agreement:

(i) the provisions contained in subsection (14)(a) must be included;

(ii) the requirements for repayment, reporting, and other obligations of the MHD development corporation under the loan agreement must be assigned to any party that may purchase the assets or otherwise receive ownership of the MHD technology or the Billings MHD demonstration project; and

(iii) the obligations extend beyond the loan agreement.

(15) The following reports must be required by the loan agreement:

(a) During the time before the Billings MHD demonstration project begins operation, the MHD development corporation shall deliver to the department, within 30 days after the end of each semiannual period, a progress report briefly describing the status of the project, any significant events that occurred in the previous period, and a summary of the project's financial position.

(b) After the project begins operation, the MHD development corporation shall deliver to the department reports of activities, financial statements, and other reports according to requirements established by the department. The requirements may not be less than those imposed upon any other senior debt creditor to the project. The reports must detail the amount of principal and interest owed to the department, any payments made to the department, any events that trigger a payment requirement related to the loan, and any other factor of significance related to the loan agreement.

(c) The MHD development corporation shall provide to the department an annual statement of any transaction or the absence of any transaction related to the sale, lease, or licensing of the MHD technology and to the sale of component equipment manufactured for use in the MHD technology and an annual statement of any amount owed to the department as a result of those activities.

(d) The department shall prepare and deliver a biennial report to the legislature describing the status of the loan agreement and the status of the project.

(16) The terms of a repayment agreement established in relation to funds provided to the MHD development corporation for the Billings MHD demonstration project by the U.S. department of energy through the federal clean coal V funding program may not include an interest rate, security provision, or other term that increases the likelihood of repayment that is greater than that afforded to the department under the loan agreement. If the department considers that the terms related to the U.S. department of energy are more favorable than those established in the loan agreement, the department and the MHD development corporation shall amend the loan agreement to strengthen its provisions accordingly.

(17) The terms and conditions described in subsections (1) through (16) may not be construed as inclusive of all terms and conditions that may constitute the loan agreement. The department may include other terms and conditions it considers necessary if the other terms and conditions do not substantially alter the provisions described in this section.

(18) The department shall report to the first scheduled meeting of the legislative finance committee if:

(a) the MHD development corporation chooses not to pursue the loan agreement;

(b) the department and the MHD development corporation, after reasonable efforts, fail to agree on final terms and conditions of the loan agreement; or

(c) other events reasonably preclude the ability of the parties to establish an agreement.

Section 4. Section 17-5-703, MCA, is amended to read:

"**17-5-703. Coal severance tax trust funds.** (1) The trust established under Article IX, section 5, of the Montana constitution shall be composed of the following funds:

(a) a coal severance tax bond fund into which the constitutionally dedicated receipts from the coal severance tax shall be deposited;

(b) a treasure state endowment fund;

(c) a clean coal technology demonstration fund;

(d) a coal severance tax permanent fund;

(e) a coal severance tax income fund; and

(f) a coal severance tax school bond contingency loan fund.

(3) (a) On January 21, 1992, and continuing as long as any school district bonds secured by state loans under 20-9-466 are outstanding, the state treasurer shall from time to time and as provided in subsection (3)(b) transfer from the coal severance tax bond fund to the coal severance tax school bond contingency loan fund any amount in the coal severance tax bond fund in excess of the amount that is specified in subsection (2) to be retained in the fund.

(b) The state treasurer shall transfer the amount referred to in subsection (3)(a) until and unless the balance in the coal severance tax school bond contingency loan fund is equal to the amount due as principal of and interest on the school district bonds secured by state loans under 20-9-466 during the next following 12 months.

(4) Beginning July 1, 1991, and ending June 30, 1997, from any amount in the coal severance tax bond fund in excess of the amount that is specified in subsection (2) to be retained in the fund and in excess of any amount that is required to be transferred by subsection (3), the ~~state treasurer~~ *department of revenue* shall, *upon request from the department of natural resources and conservation,* ~~from time to time~~ transfer an amount ~~not exceeding~~ *up to* $5 million per fiscal year to the clean coal technology demonstration fund.

(b) The state treasurer shall annually transfer to the treasure state endowment special revenue account the amount of interest earnings required to meet the obligations of the state that are payable from the account in accordance with 90-6-710. Interest earnings not transferred to the treasure state endowment special revenue account must be retained in the treasure state endowment fund."

Section 5. Section 11, Chapter 722, Laws of 1991, is amended to read:

"Section 11. **Transfer of funds.** There is transferred from the coal severance tax permanent fund *up to* $25 million, *upon request of the department of natural resources and conservation,* to the clean coal technology demonstration fund *for projects approved pursuant to the provisions of [sections 4 through 10].*"

Section 6. Section 1, Chapter 793, Laws of 1991, is amended to read:

"Section 1. **Appropriation.** (1) There is appropriated $750,000 from the local impact account, to be used ~~by June 30, 1993,~~ as provided in subsection (2).

The total debt of the project related to this loan may not exceed 2 ½ times the loan amount."

CHAPTER NO. 517

[HB 663]

AN ACT APPROPRIATING MONEY TO THE DEPARTMENT OF COMMERCE AND THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION FOR GRANTS AND LOANS UNDER THE TREASURE STATE ENDOWMENT PROGRAM; AUTHORIZING GRANTS AND LOANS FROM THE TREASURE STATE ENDOWMENT SPECIAL REVENUE ACCOUNT; PLACING CONDITIONS UPON GRANTS AND LOANS; AUTHORIZING THE ISSUANCE OF TREASURE STATE ENDOWMENT BONDS TO FUND GRANTS; AUTHORIZING THE CREATION OF A STATE DEBT; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriations from treasure state endowment account.** (1) There is appropriated to the department of commerce a portion of the interest earnings from the proceeds of the treasure state endowment special revenue account to finance grants authorized by this section.

(2) There is appropriated to the department of natural resources and conservation a portion of the interest earnings from the proceeds of the treasure state endowment special revenue account to finance loans authorized by this section. Loan repayments from loans made from the treasure state endowment special revenue account must be deposited in the treasure state endowment special revenue account.

(3) The funds appropriated in this section must be used by the departments to make loans or grants to the local government entities listed in subsection (4) for the described purposes and in amounts not to exceed the described grant and loan amounts set out in subsection (4), subject to the conditions set forth in [sections 1 through 7] and the contingencies described in the treasure state endowment program January 1993 report to the 53rd legislature. The legislature, pursuant to 90-6-710, approves the grants and loans listed in subsection (4), in the order indicated in the list of projects. Funds must be awarded up to the amounts approved in this section in order of priority until available funds are expended. Funds not accepted or used by higher-ranked

projects must be provided for projects in lower positions on the priority list that would not otherwise receive funding.

(4) The following are the grant and loan projects in the order of their priority:

(5) To the local government entities listed in subsection (4), the appropriation constitutes a valid obligation of these funds for purposes of encumbering the funds during the 1995 biennium under 17-7-302.

Section 2. **Authorization of treasure state endowment bonds — appropriation of proceeds of bonds.** (1) The board of examiners may issue treasure state endowment bonds in an amount not to exceed $4,462,900 for the purpose of funding the grants authorized and approved in [section 1]. The bond proceeds must be used to fund grants that cannot be funded with the interest earnings from the treasure state endowment special revenue account appropriated in [section 1(1)]. The bond proceeds may be used to pay the costs of issuing the bonds and establishing a reserve for the bonds.

(2) The proceeds of the bonds are appropriated to the department of commerce to finance grants authorized by [section 1] and to pay the costs of issuing the bonds.

Section 3. **Approval of grants from bond proceeds — completion of appropriation.** The legislature, pursuant to 90-6-701, approves the grants to local government entities for projects identified and described in [section 1] from the proceeds of treasure state endowment bonds issued under Senate Bill No. 402.

Section 4. **Conditions of grants and loans.** Disbursement of funds under [sections 1 through 7] for both grants and loans is subject to the following conditions, which must be met by grantees and borrowers:

(1) approval of a scope of work and budget for the project by the department of commerce and the department of natural resources and conservation, provided that a reduction in a scope of work or budget may not affect the priority of activities or improvements;

(2) documented commitment of other funds required for project completion;

(3) satisfactory completion of conditions described in the recommendation section of the project narrative in the treasure state endowment program project evaluations and recommendations report submitted to the 53rd legislature for the 1995 biennium or of conditions specified at the time of written notification of grant approval;

(4) execution of a grant or loan agreement with either department; and

(5) satisfaction of other specific requirements considered necessary by either department to accomplish the purpose of the grant or loan as evidenced by the application to the department of commerce or the proposal to the legislature.

Section 5. **Conditions for grants.** (1) Grant funds must be disbursed in the order of priority listed in [section 1] as treasure state endowment special revenue account interest income is received. A project approved in [section 1] may not receive grant funds until sufficient revenue has been deposited in the treasure state endowment special revenue account and is available for that purpose.

(2) In the event that construction bids received for a project are less than the projected costs, the department of commerce shall establish a final project budget at the bid price, plus a 10% contingency. The department may, at its discretion, reduce the amount of funding to be provided in proportion to all other project funding sources. In the alternative, the department may authorize the construction of additional, directly related project components to enhance the overall project, in amounts not to exceed the originally approved project budget.

(3) The department shall disburse grant funds on a reimbursement basis as grantees incur project costs. With respect to any individual claim, the department shall reimburse the grantee in an amount that bears the same relationship to the amount expended as the treasure state endowment program's maximum contribution to the project bears to the total project cost.

Section 6. **Conditions for loans.** Each local government entity authorized to receive a loan from the treasure state endowment special revenue account proceeds or bond proceeds may be required to pay to the department of natural resources and conservation a pro rata share of the bond issuance costs and the administrative costs incurred by the department to complete the loan transaction.

Section 7. **Private and discount purchase of loans.** A loan to a local government entity and a bond, warrant, or note issued in evidence of a loan may be made, purchased by, and sold to the department of natural resources and conservation at a discount and at private negotiated sale, notwithstanding the provisions of any other law applicable to the local government entity.

Section 8. **Creation of debt for treasure state endowment bonds.** (1) The legislature, through the enactment of this section by a vote of two-thirds of the members of each house of the legislature, in accordance with Article VIII, section 8, of the Montana constitution, authorizes the creation of a state debt in an amount not to exceed $4,462,900 to fund grants to local government projects approved in [section 1], to pay the costs of issuance, and to establish a reserve for the bonds.

(2) In connection with the issuance of treasure state endowment bonds, the board of examiners may pay the principal of and the interest on the bonds, when due, from a debt service account and in all other respects manage and use the funds within each special bond account for the benefit of the bonds. The board of examiners shall exercise its discretion to enhance the marketability of the bonds and to secure the most advantageous financial arrangements for the state.

(3) Earnings on bond proceeds prior to funding the grants must be allocated to the debt service account to pay the debt service on the bonds. Earnings in excess of debt service, if any, must be allocated to the treasure state endowment special revenue account and may be used for the purpose provided in 90-6-703.

Section 9. **Requirement for approval of state debt.** Because [section 8] authorizes the creation of a state debt, a vote of two-thirds of the members of each house is required for the enactment of [section 8].

Section 10. **Coordination.** If Senate Bill No. 402 is not passed and approved, then [sections 2 and 8] are void.

Section 11. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 12. **Effective date.** [This act] is effective on passage and approval.

Approved April 24, 1993.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 30-14-804, MCA, is amended to read:

"**30-14-804.** ~~(Temporary)~~ **Below-cost sale prohibited.** (1) A wholesaler may not sell motor fuel to a retail motor fuel outlet at less than the delivered cost of the motor fuel plus the cost of doing business if the effect is to injure or destroy *competitors or to injure or destroy* competition or substantially lessen competition.

(2) A retailer may not sell motor fuel at less than the delivered cost of the motor fuel plus the cost of doing business if the effect is to injure or destroy *competitors or to injure or destroy* competition or substantially lessen competition.

(3) A wholesaler may not sell or transfer motor fuel to itself or an affiliate for resale at a retail outlet at a transfer price lower than the price the wholesaler charges another retail motor fuel outlet that purchases a like quantity within the same competitive area if the effect is to injure or destroy *competitors or to injure or destroy* competition or substantially lessen competition.

(4) The provisions of this part do not apply to a sale at wholesale or a sale at retail made:

(a) in an isolated transaction not in the usual course of business;

(b) if motor fuels are advertised, offered for sale, or sold in a bona fide clearance sale for the purpose of discontinuing trade in the motor fuel and the advertising, offer to sell, or sale states the reason for the sale and the quantity of the motor fuel advertised, offered for sale, or to be sold;

(c) if the motor fuel is advertised, offered for sale, or sold as imperfect or damaged and the advertising, offer of sale, or sale states the reason for the sale and the quantity of the motor fuel advertised, offered for sale, or sold;

The price of motor fuel advertised, offered for sale, or sold under the exceptions in subsection (4) may not be considered the price of a competitor and may not be used as a basis for establishing prices below cost, and the price established at a bankruptcy sale may not be considered the price of a competitor under the provisions of this section.

(7) If a wholesaler sells motor fuel to another wholesaler, the former is not required to include in his selling price to the latter the cost of doing business as defined in 30-14-803, but the latter wholesaler, upon resale to a retailer, is subject to the provisions of this section.

(6) Certified payment records maintained by a clerk of court or administrative agency authorized by law or by the support order to collect support are admissible in a proceeding under this section and are prima facie evidence of the amount of support paid and any arrearages under the support order.

(7) Following a showing under subsection (5), the obligated person may move to be excused from the contempt by showing clear and convincing evidence that the obligated person:

(a) has insufficient income to pay the arrearages;

(b) lacks personal or real property that can be sold, mortgaged, or pledged to raise the needed sum;

(c) has unsuccessfully attempted to borrow the sum from a financial institution;

(d) continuing to engage in an unprofitable business or contract unless the obligated person cannot reasonably be removed from the unprofitable situation; or

(e) incurring debts subsequent to entry of the support order that impair the obligated person's ability to pay support.

(9) If the obligated person is not excused under subsections (7) and (8), the district court shall find the obligated person in contempt of the support order. For each failure to pay support under the order, the district court shall order punishment as follows:

(10) An order under subsection (9) must include a provision allowing the obligated person to purge the contempt. The obligated person may purge the contempt by complying with an order requiring the obligated person to:

(a) seek employment and periodically report to the district court all efforts to find employment;

(b) meet a repayment schedule;

(c) compensate the payee for the payee's attorney fees, costs, and expenses for a proceeding under this section;

(11) If the obligated person fails to comply with conditions for purging contempt, the district court shall immediately find the obligated person in contempt under this section and impose punishment.

(D) the department has received a referral for interstate services from an agency of another state under the provisions of the Uniform Reciprocal Enforcement of Support Act or under Title IV-D of the Social Security Act.

(b) The term may not be construed to limit the ability of the department to enforce a support order according to its terms when the order provides for support extending beyond the time the child reaches 18 years of age.

(2) "Delinquency" means a support debt or support obligation due under a support order in an amount greater than or equal to 6 months' support payments as of the date of service of a notice of intent to suspend a license.

(9) "Order suspending a license" means an order issued by a support enforcement entity to suspend a license. The order must contain the name of the obligor, the type of license, and, if known, the social security number of the obligor.

(10) "Payment plan" includes but is not limited to a plan approved by the support enforcement entity that provides sufficient security to ensure compliance with a support order and that incorporates voluntary or involuntary income withholding under part 3 or 4 of this chapter or a similar plan for periodic payment of a support debt and, if applicable, current and future support.

(11) "Support debt" or "support obligation" means the amount created by:

(a) the failure to provide support to a child under the laws of this or any other state or a support order; or

(b) a support order for spousal maintenance if the judgment or order requiring payment of maintenance also contains a judgment or order requiring payment of child support for a child for whom the person awarded maintenance is the custodial parent.

Section 4. **Notice of intent to suspend license.** (1) Upon the petition of an obligee alleging the existence of a delinquency, a support enforcement entity may issue a notice of intent to suspend a license.

(2) The notice must be served upon the obligor personally or by certified mail and may:

(a) in a IV-D case, be incorporated into any notice served under Title 17, chapter 4, part 1, or Title 40, chapter 5, part 2 or 4;

(b) in all other cases, be combined with any other enforcement proceeding.

(3) The notice must state that the obligor's license will be suspended 60 days after service unless within that time the obligor:

(a) pays the entire support debt stated in the notice;

(b) enters into a payment plan approved by the support enforcement entity; or

(c) appears and shows cause in a hearing before the support enforcement entity under [section 5] that suspension of a license is not appropriate.

(4) In a IV-D case, the notice must advise the obligor that hearings conducted under [section 5] are subject to the contested case provisions of the Montana Administrative Procedure Act.

Section 5. **Hearing — order suspending license.** (1) To show cause why suspension of a license would not be appropriate, the obligor shall request a hearing from the support enforcement entity that issued the notice of intent to suspend the license. The request must be made within 60 days of the date of service of the notice.

(2) Upon receipt of a request for hearing from an obligor, the support enforcement entity shall schedule a hearing for the purpose of determining if

suspension of the obligor's license is appropriate. The support enforcement entity shall stay suspension of the license pending the outcome of the hearing.

(3) The only issues that may be determined in a hearing under this section are the amount of the support debt or support obligation, if any, whether or not a delinquency exists, and whether or not the obligor has entered into a payment plan.

(4) If an obligor fails to respond to a notice of intent to suspend a license, fails to timely request a hearing, or fails to appear at a regularly scheduled hearing, the obligor's defenses, objections, or request for a payment plan must be considered to be without merit and the support enforcement entity shall enter a final decision and order accordingly.

(5) If the support enforcement entity determines that the obligor owes a delinquency and that the obligor has not entered into a payment plan, the support enforcement entity shall issue an order suspending the obligor's license and ordering the obligor to refrain from engaging in the licensed activity. The support enforcement entity shall send a copy of the order suspending a license to the licensing authority and the obligor.

(6) The determinations of the department under this section are a final agency decision and are subject to judicial review under 40-5-253 and the Montana Administrative Procedure Act.

(7) A determination made by the support enforcement entity under [sections 3 through 11] is independent of any proceeding of the licensing authority to suspend, revoke, deny, terminate, or renew a license.

Section 6. **Suspension, denial, and nonrenewal of licenses.** (1) Upon receipt of an order suspending a license, a licensing authority shall implement the suspension of the license by:

(a) determining if it has issued a license to the obligor whose name appears on the order;

(b) entering the suspension on the appropriate records;

(c) reporting the suspension as appropriate; and

(d) if required by law, demanding surrender of the suspended license.

(2) An order issued by a support enforcement entity under [section 5] suspending a license must be processed by the licensing authority without an additional review or hearing involving the licensing authority concerning suspension of the license.

(3) Notwithstanding the provisions of any other law setting terms of suspension, revocation, denial, termination, or renewal of a license, an order issued by a support enforcement entity suspending a license must be implemented by the licensing authority and continues until the support enforcement entity advises the licensing authority that the suspension has been stayed or terminated.

(4) In the event that a license is suspended, any funds paid by the obligor to the licensing authority for costs related to issuance, renewal, or maintenance of a license may not be refunded to the obligor.

(5) Unless an order staying suspension of a license is in effect, an obligor who continues to engage in the business, occupation, profession, or other licensed activity while the license is suspended under this section is guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than $250 or more than $500 or by imprisonment in the county jail for a term not to exceed 6 months, or both. Upon conviction of a second or subsequent violation, the obligor shall be punished by a fine of not less than $500 or more than $2,000 or by imprisonment in the county jail for a term not to exceed 1 year, or both. The support enforcement entity or the licensing authority may elect the remedy under this section or any other remedy provided for engaging in a licensed activity without a license or while the license is suspended.

(6) The licensing authority is exempt from liability to the licensee for activities conducted in compliance with [sections 3 through 11].

(7) The licensing authority has no jurisdiction to modify, remand, reverse, vacate, or stay the order of the support enforcement entity suspending a license.

(8) To the extent that inconsistencies exist between [sections 3 through 11] and the procedural requirements for suspension of a license issued by the department of health and environmental sciences, [sections 3 through 11] supersede those requirements.

Section 7. **Nondisciplinary suspension for failure to pay child support.** Notwithstanding any other provision of this title, the department has the authority to suspend a license under [sections 3 through 11] without any action by the licensing authority. The licensing authority shall, upon receipt of an order issued by the support enforcement entity, suspend the license of the named individual. The suspension must be nondisciplinary for professional or occupational licenses, and the provisions of 2-4-631 do not apply.

Section 8. **Stay of suspension of license — payment plan — hardship.** (1) An obligor may at the time of the hearing conducted under [section 5] or at any time after the hearing petition the support enforcement entity for an order staying suspension of the license.

(2) The support enforcement entity shall consider the obligor's petition for a stay separately from any determination on whether suspension of a license is appropriate.

(3) The support enforcement entity may stay suspension of a license upon a showing that suspension or continued suspension of a license would create a significant hardship to the obligor, to the obligor's employees, to legal dependents residing in the obligor's household, or to persons, businesses, or other entities served by the obligor.

(4) A stay terminates upon:

(a) termination of the circumstances upon which a hardship is based;

(b) failure by the obligor to abide by the terms and conditions of a payment plan; or

(c) the date of termination, if any, provided in the order staying suspension of the license.

(5) If the licensing authority has been notified of an order suspending a license, the support enforcement entity shall send a copy of any order staying or reinstating suspension of the license to the licensing authority and the obligor.

(6) (a) Upon receipt of an order staying or reinstating suspension of the license, the licensing authority shall:

(i) enter the information on appropriate records;

(ii) report the action as appropriate; and

(iii) demand surrender of the suspended license or return the reinstated license.

(b) Further action by the licensing authority is not necessary to implement the stay or reinstatement of suspension of the license.

Section 9. **Termination of order to suspend license.** (1) When the support enforcement entity determines that the support debt or support obligation is paid in full, it shall terminate the order suspending the license. The support enforcement entity shall send a copy of the order terminating the suspension of the license to the licensing authority and the obligor.

(2) Entry of an order terminating suspension of a license does not limit the ability of a support enforcement entity to issue a new order suspending the license of the same obligor in the event of another delinquency.

Section 10. **Fees.** A licensing authority subject to [sections 3 through 11] may charge the obligor a fee to cover the administrative costs incurred by the licensing authority under [sections 3 through 11]. Fees collected pursuant to this section by a licensing authority with a state special revenue fund must be deposited in the state special revenue fund for the use of the licensing authority to pay the costs of administering [sections 3 through 11].

Section 11. **Rulemaking authority.** The department shall adopt rules necessary for the implementation and administration of [sections 3 through 10]. The licensing authority shall adopt rules necessary for the implementation and administration of [sections 3 through 10].

Section 12. **Codification instruction.** (1) [Section 2] is intended to be codified as an integral part of Title 50, chapter 15, part 2, and the provisions of Title 50, chapter 15, apply to [section 2].

(2) [Sections 3 through 11] are intended to be codified as an integral part of Title 40, chapter 5, and the provisions of Title 40, chapter 5, apply to [sections 3 through 11].

Section 13. **Coordination instruction.** If both Senate Bill No. 217 and [this act], containing [sections 3 through 11], are passed and approved, Senate Bill No. 217 is void.

Section 14. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

(2) Except as provided in ~~subsection~~ *subsections* (3) *through (5)*, a person may not transport solid waste into Montana for disposal or incineration until October 1, 1993.

(3) A person who transported solid waste into Montana before May 22, 1989, may continue to transport solid waste into Montana subject to the limitation that the amount ~~he~~ *that person* transports into Montana during any calendar year of the moratorium does not significantly exceed the amount ~~he~~ *that person* transported into Montana during calendar year 1988.

Upon a showing of good cause by the distributor, the department of transportation may waive penalty.

(2) If any distributor or other person subject to the payment of the license tax willfully fails, neglects, or refuses to make any statement required by this part or willfully fails to make payment of the license tax within the time provided, the department may revoke any license issued under this part.

(3) The department shall set forth the information it requires in the statement and determine the amount of the license tax due from the distributor and shall add a penalty of $25 or 10% of the amount due, whichever is greater, together with an interest rate of 1% per month or fraction of a month from the date the statements should have been made and the license tax should have been paid.

(4) The department shall proceed to collect the license tax, with penalties and interest. At the request of the department, the attorney general shall commence and prosecute to final determination in any court of competent jurisdiction an action to collect the license tax.

The resulting lien has precedence over any other claim, lien, or demand filed or recorded thereafter. An action may not be maintained to enjoin the collection of all or any part of the license tax.

Section 35. **Statute of limitations.** Except in the case of a fraudulent return or of neglect or refusal to make a return, every deficiency must be assessed within 3 years from the due date of the return or the date of filing the return, whichever period expires later.

Section 36. **Refund or credit authorized.** (1) A person who purchases and uses any special fuel on which the Montana special fuel license tax has been paid for operating stationary special fuel engines, tractors used off the public highways and streets, or for any commercial use other than operating vehicles upon any of the public highways or streets of this state is allowed a refund of the amount of tax paid directly or indirectly on the special fuel so used. The refund may not exceed the tax paid or to be paid to the state.

(2) A distributor who pays the special fuel license tax to this state erroneously is allowed a credit or refund of the amount of tax paid.

(3) A distributor who sells special fuel that is not subject to taxation under [section 26] shall complete an exemption certificate for each sale and submit the certificate with the distributor's monthly report.

(4) (a) A distributor is entitled to a credit for the tax paid to the department of transportation on those sales of special fuel with a tax liability of $200 or greater for which the distributor has not received consideration from or on behalf of the purchaser and for which the distributor has not forgiven any liability. The distributor shall have declared the accounts of the purchaser worthless not more than once during a 3-year period and claimed those accounts as bad debts for federal income tax purposes.

(b) If a credit has been granted under subsection (4)(a), any amount collected on the accounts declared worthless must be reported to the department and the tax due must be prorated on the collected amount and must be paid to the department.

(c) The department may require a distributor to submit periodic reports listing accounts that are delinquent for 90 days or more.

(5) A person who purchases and exports for sale, use, or consumption outside Montana any special fuel on which the Montana special fuel tax has been paid is entitled to a credit or refund of the amount of tax paid unless the person is not licensed and is not paying the tax to the state where fuel is destined. Upon completion of the reports required under [section 31], the department shall authorize the credit or refund.

Section 37. **Required records.** (1) Special fuel purchased and delivered into bulk storage for use in motor vehicles on public roads and nonhighway use must be fully accounted for by detailed withdrawal records to accurately show the manner in which it was used. Special fuel on hand, determined by actual measurement, must be deducted from a claim and must be reported as an opening inventory on the next claim.

(2) Service stations, bulk dealers, and marinas shall prepare a separate and complete invoice for each withdrawal of special fuel for own use upon which a refund is to be claimed.

(3) When a highway use of special fuel is not deducted from the claim, the applicant shall substantiate purchases of special fuel and miles traveled for licensed motor vehicles upon request of the department of transportation.

(4) Any person who operates a licensed motor vehicle on and off the public roads for commercial purposes may claim refund of the state license tax on the special fuel used to operate the vehicle on roads or property in private ownership if the person has maintained the following records:

(a) the total number of miles traveled on and off public roads by each licensed vehicle;

(b) the total number of gallons of special fuel used in each vehicle; and

(c) purchase invoices supporting all special fuel handled through bulk storage.

(5) An exporter or any other person who transports special fuel out of Montana for sale, use, or consumption outside Montana shall maintain detailed and current records of withdrawal, transportation, ownership, and delivery of the special fuel to destinations outside Montana as required by the department.

Section 38. **Estimate allowed for agricultural use — seller's signed statement acceptable on keylock or cardtrol purchases.** (1) An applicant whose use qualifies as agricultural use may apply for a refund of 60% of the applicable tax on the gallons of special fuel as indicated by bulk delivery invoices or by evidence of keylock or cardtrol purchases as an estimate of off-roadway use.

(2) If any invoice or evidence is either lost or destroyed, the purchaser may support the purchaser's claim for refund by submitting an affidavit relating the circumstances of the loss or destruction and by producing other evidence as may be required by the department of transportation.

(3) An applicant whose use does not qualify as agricultural use may not estimate and shall maintain records as required by [section 37].

Section 39. **Determination of highway use.** Highway use for each vehicle is determined by dividing the rate of the average miles per gallon into the number of miles traveled on public roads.

Section 40. **Application for refund or credit — filing — correction by department.** (1) The application for a refund must be a signed statement on a form furnished by the department of transportation. Except for a claim for a credit for taxes paid on unpaid accounts, the form must be accompanied by the original bulk delivery invoice or invoices issued to the claimant at the time of each purchase and delivery and must show the total amount of special fuel purchased, the total amount of special fuel on which a refund is claimed, and the amount of the tax claimed for refund. A claim for a credit for taxes paid on accounts for which the distributor did not receive compensation must be accompanied by documents or copies of documents showing that the accounts were worthless and claimed as bad debts on the distributor's federal income tax return. Any further information pertaining to a claim must be furnished as required by the department.

(2) A bulk delivery invoice issued by a dealer for a sale that does not qualify as a bulk delivery, as defined in 15-70-301, is not valid for refund purposes.

(3) All applications for refunds must be filed with the department within 14 months after the date on which the special fuel was purchased as shown by invoices or after the date on which the tax was erroneously paid. A distributor may file a claim for refund of taxes erroneously paid or for a credit for taxes paid by the distributor on unpaid accounts within 3 years after the date of payment.

(4) If the department finds that the statement contains errors that are not fraudulently inserted, it may correct the statement and approve it as corrected or the department may require the claimant to file an amended statement.

Section 41. **Approval or rejection of claim.** (1) The department of transportation has 120 working days after receiving the claim to approve or reject it. If approved, the department shall issue a credit in lieu of refund for the amount of the claim if the claimant is a distributor; for all other persons, a warrant must be drawn upon the state treasurer for the amount of the claim.

(2) If the department determines that any claim has been fraudulently presented or is supported by invoice or invoices fraudulently made or altered or that any statement in the claim or affidavit is willfully false and made for the purpose of misleading, the department shall reject the claim in full. If a claim is rejected, the department may suspend the claimant's right to refund for a period not to exceed 1 year.

Section 42. **Penalties.** A distributor or other person who fails, neglects, or refuses to make and file the statements required by this part in the manner or within the time provided, who is delinquent in the payment of any license tax imposed by this part, who makes any false statement with reference to the distributor's business, who makes any false statement on any claim for refund, or who violates any provision of this part shall, in addition to any other penalties imposed, be guilty of a misdemeanor and upon conviction shall be fined in an amount not to exceed $1,000 or be imprisoned in the county jail for not to exceed 6 months, or both.

CHAPTER NO. 528

[HB 587]

AN ACT CHANGING THE MEMBERSHIP OF THE CLASSIFICATION AND RATING COMMITTEE FOR WORKERS' COMPENSATION INSURANCE COVERAGE; GRANTING RULEMAKING AUTHORITY TO THE COMMITTEE; ESTABLISHING INFORMAL HEARING PROCEDURES OF THE MONTANA ADMINISTRATIVE PROCEDURE ACT; AMENDING SECTIONS 33-16-1011 AND 33-16-1012, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

STATEMENT OF INTENT

A statement of intent is required because this bill clarifies that the classification and rating committee has the power to promulgate rules as may be necessary for the conduct of the business of the committee. The classification and rating committee is statutorily created, and as the district court held in Cause No. BDV-91-1585, state of Montana, first judicial district, entitled State Compensation Mutual Insurance Fund v. R/E Developers, Inc., decided August 14, 1992, the classification and rating committee is a state agency as defined by 2-3-102. In that decision, the court held that the committee shall promulgate and publish its procedural rules pursuant to the Montana Administrative Procedure Act (MAPA). The committee, however, has never been given either express rulemaking authority by the legislature, nor has it promulgated any procedural rules pursuant to MAPA.

In providing express rulemaking authority to the classification and rating committee, it is the legislature's intent that the business of the committee be conducted pursuant to the requirements of the open meeting laws of the state and that the public be given the opportunity to participate as provided in Title 2, chapter 3, parts 1 and 2. At the same time, as a committee statutorily charged with reviewing classifications and with hearing appeals of classifications of affected insurers and insured employers, the classification and rating committee has historically held informal hearings of classification appeals. This has resulted in an inexpensive and relatively expeditious process for the presentation of grievances. It is the intent of the legislature that this informal process be continued and thus the hearings process itself is exempt from the requirements of MAPA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-16-1011, MCA, is amended to read:

"**33-16-1011. Classification and rating committee — membership — term.** (1) There is a classification and rating committee.

(2) The committee is composed of five voting members, consisting of:

(a) ~~three~~ *two* representatives of private insurance carriers writing workers' compensation insurance in Montana. The members must ~~reside in Montana and shall~~ be appointed by the Montana commissioner of insurance.

(b) one licensed independent insurance producer who resides in Montana, appointed by the ~~Montana~~ commissioner of insurance; ~~and~~

(c) one representative of the state compensation mutual insurance fund who is an employee of the state fund and who is appointed by the executive director of the state fund*; and*

(d) one representative of an employer who is insured by either a private insurance carrier or the state compensation mutual insurance fund, appointed by the commissioner of insurance.

(3) Each member shall hold office for a period of 3 years. ~~Any~~ *An* appointee who fills the vacancy of a member whose term has not expired shall fill only the remaining term and may be reappointed for a full term.

(4) Before appointments are to be made by the commissioner of insurance under subsections (2)(a), ~~and~~ (2)(b), *and (2)(d)* ~~above~~, established private organizations representing insurance carriers, ~~and~~ independent insurance producers, *and employers* may submit names of individuals they recommend for appointments. The commissioner of insurance shall give consideration to ~~such~~ *the* names submitted before appointments are made. However, the commissioner of insurance is not required to appoint any person from the names submitted.

(5) The committee ~~shall~~ *must be staffed by the rating organization and* be funded from the operations budget of the rating organization. Committee members may, if they request, be paid their actual and necessary travel expenses.

(6) Documents and other information concerning the committee's actions must be made available for public review in the office of the commissioner of insurance."

Section 2. Section 33-16-1012, MCA, is amended to read:

"**33-16-1012. Functions and powers of classification and rating committee — *hearings — rulemaking.*** *(1)* The classification and rating committee shall:

~~(1)~~*(a)* meet not less than semiannually to conduct its business;

~~(2) make the final determination regarding the establishment of all manual rules and classification;~~

(b) make the final determination regarding the establishment of all classifications;

~~(3)~~*(c)* establish the advisory premium rates as provided for in 33-16-1005;

~~(4)~~*(d)* publish ~~such~~ material and pamphlets as it considers appropriate; ~~and~~

~~(5)~~*(e)* act as a review committee concerning objections filed by employers in relation to classifications assigned to the employer by an insurer~~. The committee may hire hearings officers to conduct hearings regarding such objections and adopt or modify the findings and conclusions of the hearings officers. The committee shall establish procedures for hearing such objections.~~*; and*

(f) make rules as may be necessary for the conduct of any business that is subject to notice and hearings. The rules must be published and adopted as

provided in Title 2, chapter 4, part 3, and must be published in the Administrative Rules of Montana as part of the rules promulgated by the commissioner of insurance.

(2) (a) A hearing conducted by the committee pursuant to subsection (1)(e) must be an informal proceeding as provided in 2-4-604.

(b) A party aggrieved by a decision of the committee rendered after a hearing conducted pursuant to subsection (2)(a) may petition for judicial review of the decision pursuant to Title 2, chapter 4, part 7.

(3) The committee is subject to the provisions of Title 2, chapter 3, parts 1 and 2."

The amount of $312,000 per year of the income received from the sale of timber from state trust lands must be deducted and placed in the account to the credit of the state timber sale program for use by the department in the manner set out in this section to enhance the revenue creditable to the trusts.
